

CITY OF RICHLAND

Public Works Department

Request for Proposal

Advanced Traffic Management System

RFP 11-04 PW

The City of Richland's Public Works Department is seeking a qualified contractor/vendor to furnish and install NEMA TS2 Traffic Signal Controllers into existing cabinets. The RFP also desires to purchase and implement a compatible Advanced Traffic Management System software package to replace an existing TMS to better manage the City's traffic signals.

A detailed RFP, with scope of work, may be obtained from the City of Richland's Purchasing Department, located at 2700 Duportail Street, Richland, Washington, or by faxing your request to Ms. Sue Graves at (509) 942-7397, or by email to: sgraves@ci.richland.wa.us. Interested contractors and vendors shall submit an original and five copies (6 total) of their RFP which has been prepared in accordance with the instructions in the RFP. RFP's may be hand delivered or mailed to:
