State Water Project Power and Risk Office**

**NOTICE
Request for Proposal
RFP No. 10052971**

The California Department of Water Resources (CDWR) is soliciting Request for Proposals (RFP) for renewable Energy and capacity, including attributes used to qualify for Resource Adequacy, and all associated Environmental Attributes, including Renewable Energy Credits (“RECs”), from wind facilities through one or more Power Purchase Agreements (PPA). The Delivery Period shall be a minimum of 5 years and a maximum of 20 years, with delivery commencing no later than April 1, 2013. Proposals must be based on Facilities (or proposed share of Facilities) with a capacity of at least five (5) MW. The minimum annual amount is 15,000 MWh per PPA, and the maximum annual amount is 72,000 MWh per PPA.

You can view/download the RFP from the Bid Sync website at <https://www.bidsync.com/DPX> or request copies of the RFP package by calling Joanne Arcilla at (916) 653-3331 or by email at jarcilla@water.ca.gov. There will be a pre-conference meeting on December 13, 2010 at 9:00am – 11:00am. Request for Proposals are due by Thursday at 5:00 p.m., January 27, 2011, at the following address:

Department of Water Resources
Contracts Services Office
