

**REQUEST FOR PROPOSAL
DESIGN AND BUILD SERVICES FOR NEW EARLY HEADSTART BUILDING
APRIL 11, 2018**

The Havasupai Head Start program through the Havasupai Tribal Council is seeking proposals from Arizona licensed contractors for design-build services for:

Complete design and build services, including: design review/value engineering, demolition of existing building and removal of debris, and construction services for the above referenced project.

Point of contact: Armando Marshall, Facilities & Maintenance Supervisor

Mailing Address: Havasupai Tribe, PO Box 10, Supai, Az 86435

Email: htfacilities0@havasupai-nsn.gov

A mandatory pre-submittal conference and mandatory site visit is scheduled for Friday, April 20th, 2018 at 11:00am in Supai, Havasupai Reservation, Arizona. All proposals from firms that do not attend the mandatory pre-submittal conference and site visit will automatically be rejected.

RFPs must be received by the Facilities & Maintenance Supervisor at the location specified below no later than 5:00pm, Arizona time, on Friday April 26th, 2018. Proposals received after time and date will be considered non-responsive and will be returned unopened.

To obtain copy of the RFP, please contact Armando Marshall at 928 448 2070 or htfacilities0@havasupai-nsn.gov
