Intent to Respond Due: Oct 9, 2019

Proposals Due: Oct 23, 2019

ABOUT THE GREATER MIAMI CONVENTION & VISITORS BUREAU

The GMCVB is a sales and marketing organization. Its mission is to attract and encourage all persons and organizations to visit Greater Miami and the Beaches for conventions, business and leisure. Acting on behalf of its members, its government partners and the citizens of Miami-Dade County, the GMCVB markets and promotes all segments of the community as a preferred destination, helping to generate 23.3 million visitors, 18 billion dollars and 140,700 jobs for our economy each year. In furtherance of this mission, the GMCVB will support and encourage actions and programs that enhance the desirability and attractiveness of Greater Miami and The Beaches for its visitors. We maintain a network of international offices, and work closely with a range of partners, governments, and industry organizations and our community to deliver a strong and sustainable tourism industry for the region.

RFQ SUMMARY

The GMCVB seeks a **Web Development Agency** to lead the development, testing and launch of all digital initiatives, including marketing automation implementation, while working in collaboration with the GMCVB and its partner agencies in the development, implementation and optimization of world-class marketing programs, further accelerating Greater Miami and The Beaches' growth as a year round international travel destination.

The Request for Qualification process launching on September 23rd, 2019 will identify agency partners digital marketing support, including a **Digital Agency** and a **Web Development Agency**. This is the Website Development Agency RFQ and includes all coding and digital infrastructure management for the GMCVB's digital initiatives. It does not include digital strategy and website design. The GMCVB may select a combination of agencies as appropriate, making a price, value, and quality decision based on fit for our needs.

Candidates may bid on one or more RFQ areas. Agencies may collaborate to respond to portions of the RFQ, as long as all relationships are fully disclosed. Should an agency using partners be selected, the GMCVB expects to contract with all parties including subcontractors directly.

Agencies with primary offices within the Eastern Time Zone, plus or minus one hour, are preferred.

The GMCVB is an equal opportunity employer. All partners are encouraged to meet or exceed the minority goals provided by Miami-Dade County laws, through their own hiring practices as well as through contracts with qualified minority or women-owned subcontractors.

AGENCY SCOPE & CAPABILITIES

The GMCVB requires a mobile-first **Website Development Agency** that can work in concert with internal and external resources to lead the development, testing and launch of all digital initiatives as well as marketing automation implementations. The agency will build on the GMCVB's proprietary responsive websites, digital platforms, and applications to facilitate an integrated user experience for all end users. The ideal candidate will be a Kentico Platform Partner.

Development Agency candidates must offer:

- Strategic, insight-driven web development
- Mobile-first digital marketing experience
- Demonstrable experience developing websites for International audiences
- Experience delivering digital platforms that leverage data-driven marketing
- Experience in creating complex marketing automation implementations based on user's digital behavior, preferences, personas, digital scoring and personalization
- Web application development and technical SEO experience
- AR and VR mapping for advanced contextual user experiences considered a plus
- AWS server (or similar) experience

The initial term of the agreement will be approximately one year.

PRIMARY BUSINESS GOALS

The GMCVB works with its agency partners to develop and implement strategies and programs that are integrated with the GMCVB's overall efforts.

- I. Increase awareness and consideration of Miami as a world-class destination for leisure, meetings and convention travel in the United States and internationally
- II. Increase the total number of overnight visitors annually, as well as increase the length of stay in Greater Miami and the Beaches
- III. Increase meetings and conventions in Greater Miami and the Beaches, driving 50 new Miami Beach Convention Center city-wide bookings in the next 5 years

TARGET AUDIENCE & MARKETING

The GMCVB's primary audiences include Leisure Consumers, Meeting Planners, Travel Agents, Tour Operators, GMCVB Partners and Journalists. In addition to our general market programs, targeted advertising programs focus on African American, US Hispanic, and LGBTQ Visitors, showcasing Miami's multicultural diversity.

The GMCVB's primary marketing efforts are focused on U.S. markets include New York, Chicago, Philadelphia, Boston, Atlanta, Washington DC and Florida drive markets. Primary international markets include Latin America, Germany, the United Kingdom, Canada, and the

Caribbean. Primary marketing channels include web, content marketing, native, social, Google blog, social influencer, search and display media.

GMCVB WEBSITE

The GMCVB website has more than 4.5M visitors each year. More than 70% of the total site traffic includes domestic market visitors led by Florida, New York, California, Georgia and Texas. Internationally, Germany, Brazil, Canada and the UK lead website visitation. More than 54% of visitors to the website are female with almost a third of visitors having an age range of 25-34., and over 63% of all visitors are on mobile devices.

WEBSITE DEVELOPMENT AGENCY OVERVIEW

The GMCVB requires a Web Development Agency that is mobile focused and can work in concert with internal and external resources to lead the development, testing and launch of all digital initiatives as well as marketing automation implementation. The agency will build the GMCVB's proprietary responsive websites, digital platforms, and applications to facilitate an integrated user experience.

The Website Development Agency should:

- Have development expertise across multiple digital channels and platforms
- Have the ability to work with multiple agencies, guiding the technical design, development and implementation of mobile-first digital experiences
- Have the ability to take business requirements and priorities from the GMCVB and create technical specifications on platform and channel initiatives that provide options in the cost-quality-time triangle so that GMCVB may choose the weight and priority it wishes to apply to a project before development is initiated or amidst an ongoing project
- Have the ability to deliver performance reporting and analytics that provide insight and recommendations regarding the optimization of the GMCVB's technical infrastructure
- Oversee development of the GMCVB's proprietary digital platforms and the development of applications and/or the acquisition, creation, production, or editing of content within the GMCVB's CMS (Kentico)
- Ensure front and back-end performance in order to deliver against agreed-upon performance KPIs
- Address systemic issues that are causing abandonment, low SEO ranking or end user dissatisfaction
- Maintain development environments, deploy updates to GMCVB development and staging environments on AWS
- Integrate and work with existing CRM platform (Simpleview), and assist in the planning, migration, implementation and ongoing integration of website listings
- Incorporate third party services and tools used by the GMCVB (i.e. Google Analytics, Prerender, Cloudinary, etc.)

- Analyze the GMCVB's mobile usage & advise on technical improvements and key performance indicators
- Integrate digital monetization including DFP ad-serving implementations
- Expand and integrate Google Maps platform functionality and advise on innovative and user focused opportunities
- Manage and suggest improvements to the Content Delivery Network (CDN) implementation
- Manage technical requirements around the International Language Proxy sites

Kentico

- Be the GMCVB's go-to Kentico expert for updates, enhancements, new implementation and innovation opportunities based on the Kentico platform
- Help GMCVB realize Kentico's full potential, ensuring that site development follows Kentico Development best practices and leverages Kentico's marketing automation functionality to increase user experience and engagement
- Manage permission-based editing capabilities to create an easy production process for internal departments, with self-management as optimal
- Be Kentico marketing automation experts, knowledgeable in Kentico marketing automation functionality and implementation including personas, scoring, behavioral and customized logic relating to user touchpoints and consumer lifecycle communication streams
- Kentico MVC experience for future site upgrade - any previous experience in this upgrade will be a plus

AWS Microsoft Infrastructure

- Work within the current established AWS infrastructure, as well as suggest improvements to the system in terms of security, stability, etc.
- Expertise in AWS Services: Amazon RDS, EC2, Route 53, Load Balancer, VPN, Cloudfront
- The ideal candidate agencies will have Microsoft Certified Solutions Expert (MCSE), Microsoft Certified IT Professional (MCITP), AWS Certified Solutions Architects, AWS Certified SysOps Administrators on staff

Development Teams

- Provide development team stability to ensure proper and consistent alignment of coding practices, planning, infrastructure and overall system design
- Provide extensive code documentation as basis for system extensibility and proper maintenance
- Be experts in Kentico module building and customizations as well as best practices
- Use Jira Bug/Issue/Project Development Tracking System

- Must be able to provide technical support and launch new development during off-business hours
- The ideal candidate agencies will have Microsoft Certified Solutions Developer (MCSD) on the GMCVB development team
- Will be inheriting a large code base, so will need to be prepared to work with it to maintain and extend the web applications
- Will be able to work in a distributed way with multiple changeset sources, making use of source code control system (BitBucket / GIT)

CONTRACT & NEGOTIATIONS

The GMCVB may pursue contract negotiations with finalist agencies of our choosing and reserve the right to negotiate concurrently or separately with competing proposers. All agency contracts will include requirements for specific service levels and measurable performance standards. Only a fully executed agreement shall bind the parties.

While the aim of the RFQ process is to select one Digital Agency and one Website Development agency, the GMCVB may choose to whitelist additional agencies through the RFQ process for potential engagement at a later time.

LIABILITY & USE AND DISCLOSURE

The GMCVB specifically disclaims any warranty or accuracy of the information included herein. It is the respondent's sole responsibility to conduct their own appropriate due diligence as they see fit. The issuance of this document and receipt of information in response will not in any way cause the GMCVB to incur liability or obligation to you or your organization, financial or otherwise.

The GMCVB reserves the right to use information submitted in response to this RFQ process in any manner it may deem appropriate. Any confidential and proprietary information will be held in confidence.

RFQ RESPONSE FORMAT

To ensure timely and fair consideration of each response, documents should be concise. Excessive responses may be counted against you. Agencies must clearly state on the cover page to which RFQ(s) they are responding.

Agencies that provide Intent to Respond notifications will receive detailed RFQ upload instructions. The GMCVB reserves the right to ask questions for clarification and request additional information.

RFQ RESPONSE OUTLINE

Please include the following in your RFQ Response:

A. Agency RFQ Overview

1. Agency name and contact details
2. Authorization Letter and Signature. Under the signature of a company representative, provide the names of individuals authorized to represent and negotiate the company's products and services.
3. Company Overview
4. Executive Summary. High-level summary of the most important aspects of your proposal, including a short explanation as to your qualifications and relevant experience.

B. Agency Positioning, Vision, Philosophy

1. Positioning: How does your agency differ from the agencies with whom you usually compete?
2. Vision: What vision do you have for your company? Where do you see your agency five years from now?
3. Philosophy: What overall philosophy or credo do you operate by?

C. Agency Strengths and Special Experience

1. Key Strengths: Describe the accounts or categories in which you believe you have special strengths.
2. Special Experience: Is there anything special about your agency experience or expertise that a new business prospect should know about?
