**1.12 AWARD:** We will post a notice to the Bulletin identifying the apparent awardee. The notice extends the Offer Firm Time until we sign a contract or determine not to sign a contract. We will not honor requests to exempt entire Offers. You must show the specific grounds in FOIA or other law or rule that support exempt treatment. Regardless, we will disclose the successful Vendor's name, the substance of the Offer, and the price. If you request exempt treatment, you must submit an additional copy of the Offer with exempt information deleted. This copy must tell the general nature of the material removed and shall retain as much of the Offer as possible. You will be responsible for any costs or damages associated with our defending your request for exempt treatment. You agree the State may copy the Offer to facilitate evaluation, or to respond to requests for public records. You warrant that such copying will not violate the rights of any third party.

**1.14 RESERVATIONS:** You must read and understand the solicitation and tailor your Offer and activities to ensure compliance. We reserve the right to amend the solicitation; reject any or all Offers; to award by item, group of items, or grand total; and to waive minor defects. We may request a clarification; inspect your premises; interview staff; request a presentation; or otherwise verify the contents of the Offer, including information about subcontractors and suppliers. We may request Best & Final Offers when appropriate. We will make all decisions on compliance, evaluation, terms and conditions, and shall make decisions solely in the best interests of the State. This competitive process requires that you provide additional information and otherwise cooperate with us. If you do not comply with requests for information and cooperate, we may reject your Offer. You have no right to an award by submitting an Offer, nor do you have the right to a contract based on our posting your name in a Bulletin notice. We are not responsible for and will not pay any costs associated with the preparation and submission of your Offer. If you are the awardee, you shall not commence, and will not be paid for any billable work prior to the date all parties execute the contract, unless approved in writing in advance by the State Purchasing Officer or the Chief Procurement Officer (or the CPO's designee).

## SECTION 2 - HOW WE WILL EVALUATE OFFERS

**2.1 OFFER RESPONSE FORMS:** We will evaluate the information you provide in the Offer Response Forms. You will find these forms in later sections of this solicitation.

**2.2 EVALUATION CATEGORIES:** We evaluate four categories of information: Administrative Compliance, Responsibility, Responsiveness, and Price. We will consider the information you supply or don't supply, and the quality of that information when evaluating your Offer. If we find a failure or deficiency, we may have to reject the Offer or reflect that in the evaluation.

**2.2.1 ADMINISTRATIVE COMPLIANCE:** We will determine whether your Offer complied with the Instructions for Submitting Offers. Except for late submissions, we may require that a Vendor correct deficiencies as a condition of further evaluation.

**2.2.2 RESPONSIBILITY:** We will determine whether you are a "Responsible" Vendor; a Vendor with whom we can or should do business.

- i. A "Responsible" vendor must exist as a legal entity and must be authorized to do business in Illinois at the time a bid or proposal is submitted for a State contract. Evidence of good standing can include Certificate of Good Standing, copy of assumed name certificate from home county, etc.
- ii. Public Law 96-0795 provides that a "prohibited bidder" includes a person assisting the State of Illinois or a State agency in determining whether there is a need for contract unless such information was part of a response to a publicly issued request for information (RFI). Additionally, one assisting the State by reviewing, drafting or preparing a request for proposals or request for information or provided similar assistance is deemed a prohibited bidder. See certifications section of the Contract for the required certifications prior to entering into a contract with the State of Illinois.
- iii. Other factors that we may evaluate to determine Responsibility include, but are not limited to: certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance, references (including those found outside the Offer,) compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. Every bid submitted to and contract executed by the State and every subcontract subject to Section 20-120 of the Procurement Code shall contain a certification by the bidder, contractor, or subcontractor, respectively, that the bidder, contractor, or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer shall declare the related contract void if any of the certifications are false.

You must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. The State may terminate the Contract, consistent with the termination for cause provision of this Contract, if the Vendor lacks the financial resources to perform under the Contract. We may require that a Vendor correct any deficiencies as a condition of further evaluation.

**2.2.3 RESPONSIVENESS:** We will determine whether the Offer meets the stated requirements. Minor differences or deviations that have negligible impact on the price or suitability of the supply or service to meet the State's needs may be accepted or corrections allowed. If no administratively compliant and responsible Vendor meets a particular requirement, we may waive that requirement. When the specification calls for "Brand Name or Equal," the brand name product is acceptable. Other products will be considered with proof the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics.

**2.2.4 PRICE:** We will identify the lowest priced Offer that meets Administrative, Responsibility and Responsiveness requirements. We will rank Offers in order of Price when appropriate.

**2.3 AWARD:** We will award to the Responsible Vendor whose Offer passes Administrative review, is Responsive, and who submits the lowest Price.

**SECTION 3 - STATEMENT OF WORK / SPECIFICATIONS / QUALIFICATIONS**

3.1 The supplies and/or services required, any milestones and deliverables, warranty, reporting requirements, Vendor and staff requirements, work location, contract term, renewals and other specifications are set forth in the body of the Contract following Section 8 of the solicitation. Section 8 identifies the requirements for completing the Contract as your offer to us.

3.2 **WORK LOCATION DISCLOSURE:** In Section 2.7 of the Contract, Vendor shall disclose the location where the services required shall be performed. This information and economic impact on Illinois and its residents may be considered in the evaluation. If the selected Vendor receives additional consideration in the evaluation based on work being performed in the United States, the resulting contract shall contain a provision that any shift in such work outside the United States may be considered a breach of contract.

3.3 **SUBCONTRACTOR DISCLOSURE:** Will you be using any subcontractors?  Yes  No

If yes, you must identify below the names and addresses of all subcontractors you will be entering into a contractual agreement with for a total value of \$25,000 or more in the performance of this Contract, together with a description of the work to be performed by the subcontractor and the anticipated amount of money to the extent the information is known that each subcontractor is expected to receive pursuant to the Contract. For purposes of this section, subcontractors are those specifically hired to provide to the Vendor some or all of the goods, services, property, remuneration, or other forms of consideration that are the subject of this Contract, including sub-lessees from a lessee of a State agency. A copy of each subcontract issued pursuant to the Contract shall be provided to the State Purchasing Officer or Chief Procurement Officer within 20 days after the execution of the Contract or after execution of the subcontract, whichever is later. If at any time during the term of the Contract, Vendor adds or changes any subcontractors, Vendor will be required to promptly notify, by written amendment to the Contract, the State Purchasing Officer or the Chief Procurement Officer of the names and addresses and the expected amount of money that each new or replaced subcontractor will receive pursuant to the Contract. Any subcontracts entered into prior to award of the Contract are done at the Vendor's and subcontractor's risk.

**1. TERM AND TERMINATION**

**1.1 TERM OF THIS CONTRACT:** If a start date is not identified, the term shall commence upon the last dated signature of the Parties and will end June 30, 2012.

In no event will the total term of the contract, including the initial term, any renewal terms and any extensions, exceed 10 years.

Vendor shall not commence billable work in furtherance of the contract prior to final execution of the contract.

**1.2 RENEWAL:** N/A

**1.3 TERMINATION FOR CAUSE:** The State may terminate this contract, in whole or in part, immediately upon notice to the Vendor if: (a) the State determines that the actions or inactions of the Vendor, its agents, employees or subcontractors have caused, or reasonably could cause, jeopardy to health, safety, or property, or (b) the Vendor has notified the State that it is unable or unwilling to perform the contract.

If Vendor fails to perform to the State's satisfaction any material requirement of this contract, is in violation of a material provision of this contract, or the State determines that the Vendor lacks the financial resources to perform the contract, the State shall provide written notice to the Vendor to cure the problem identified within the period of time specified in the State's written notice. If not cured by that date the State may either: (a) immediately terminate the contract without additional written notice or (b) enforce the terms and conditions of the contract.

For termination due to any of the causes contained in this Section, the State retains its rights to seek any available legal or equitable remedies and damages.

**1.4 TERMINATION FOR CONVENIENCE:** The State may, for its convenience and with 30 days prior written notice to Vendor, terminate this contract in whole or in part and without payment of any penalty or incurring any further obligation to the Vendor. The Vendor shall be entitled to compensation upon submission of invoices and proof of claim for supplies and services provided in compliance with this contract up to and including the date of termination.

## 2. DESCRIPTION OF SUPPLIES AND SERVICES

**2.1 GOAL:** To utilize the knowledge and expertise of the Vendor, that is lacking in the Procuring Agency's staff, to obtain supplies and services necessary to help meet the statutory responsibilities of the Procuring Agency. To meet deadlines related to new federal and state legislation pertaining to Health Insurance reform specifically: premium rate review, inquiry and response tracking, and health insurance exchange.

The goals of the Premium Rate Review Project are to expand the scope of the current premium review process in the State and significantly enhance consumer protections, including effective engagement and education of the public and policymakers on the issue of health insurance premium rates. Rate review activities enable the Department to better support a competitive, functioning health insurance marketplace. The Dept. of Insurance launched a limited rate filing facility in FY11. In FY12 several enhancements are needed to be able to fully meet the department's responsibilities.

The goal of the inquiry and response tracking system is revising and updating the system for tracking calls to the Office of Consumer Health Insurance (OCHI) and incorporating other areas that receive calls regarding health insurance. This framework will later be used to address Senior Health Insurance Program (SHIP) and other call tracking systems. We will convert an existing DB2/Microsoft Access system that maintains the Department of Insurance current and historical inquiry and response records for OCHI, and expand this system to track health insurance related inquiries received in other areas of the Department that currently do not have an automated system. The result will be a centralized Inquiry and Response system for the Department of Insurance with common tracking capabilities and the means to collect metrics from the various units. This project will address new reporting requirements for consumer contacts with the department as part of federal health care reform. In FY11 the department is working on converting the existing DB2- and Lotus Notes-based systems to the Agency standard Visual Studio frontend with a SQL database containing the data. In FY12 we will continue this process to fully meet the federal requirements for OCHI.

A number of recent health care reform plans call for the creation of a health insurance "exchange", a new entity intended to create a more organized and competitive market for health insurance by offering a choice of plans, establishing common rules regarding the offering and pricing of insurance, and providing information to help consumers better understand the options available to them. In FY12 DOI will begin to develop the Illinois Insurance Exchange based on department standards and federal requirements.

**2.2 SUPPLIES AND/OR SERVICES REQUIRED:** One Microsoft Visual Studio .Net developer to work with in-house staff to provide all necessary analysis, design and programming for the three Health Care Reform projects described above.

**Only one candidate may be proposed per bid; Vendors/Bidders should submit individual bids for each proposed candidate.** Review the skill sets listed for the selected category. Acknowledge the candidate meets each requirement by checking "Met", and describe how the candidate meets the requirement in the Vendor Narrative field. If any mandatory requirement is not met, or requested information is not provided, the entire bid will not be considered. If all responding vendors fail to meet a particular mandatory, that mandatory may, at the sole discretion of the State, be removed so the evaluation process may continue. A current resume and proof of bachelor's degree for the candidate must be included with each bid. If the proposed candidate is no longer available at the time of the bid review and/or contract award, the vendor/bidder will be granted **one** opportunity to submit another candidate of equal or greater qualifications at the same price. The agency holds sole discretion as to whether the replacement candidate meets this criterion. In the event that the vendor/bidder cannot provide an acceptable candidate after contract award, that contract will become voidable.
