Section One: Introduction

LAZ Parking New York & New Jersey LLC

LAZ Parking is now accepting proposals for regular maintenance of the Drainage Pipes at the Battery Parking Garage.

LAZ offers opportunities for firms through a public solicitation known as a "Request for Proposals" (RFP). LAZ's objective in issuing an RFP is to publicly offer and promote specified competitive bids or proposals. The goal of the RFP process is to attract strong and viable proposals.

LAZ's selection criteria include the financial strength, demonstrated management expertise, business plan and track record of the Consultant, as well as the bid or offer. The RFP, therefore, requires the completion of an extensive application.

The *Contractor's Qualification Statement* (CQS) must be filled out completely; incomplete CQS forms will be returned and may disqualify a proposal.
