

## Seminole County Board of County Commissioners

### IFB-601014-10/GGM

#### Term Contract for Recycling of Waste Tires Collected at the Seminole County Landfill

**Scope of Services:** Seminole County is currently soliciting proposals for a term contract for the recycling of waste tires collected at the Seminole County Landfill, located at 1930 E. Osceola Avenue, Geneva, Florida 32732. The successful Contractor will be responsible for providing all labor, material, equipment, transportation and incidentals necessary to recycle between 500-600 tons per year of DOT type waste tires. The County does not remove rims from waste tires, nor segregate the rimmed waste tires from the waste tires that are received without rims. However, the County does remove non-DOT (off-road, oversized, or heavy equipment) tires for separate management. While it is the County's intent to landfill the non-DOT tires, pricing is requested from the Contractor. DOT type waste tires shall be recycled either on site, or off site.

**Ordering Instructions:** This solicitation package can be obtained from the County website <http://www.seminolecountyfl.gov/purchasing> select Current Procurement.

**Bid Due Date/Time:** October 20, 2010 at 2:00 PM Eastern at Purchasing and Contracts Office, 1301 East 2<sup>nd</sup> Street, Sanford, Florida 32771-1468.

M/WBE is encouraged to participate in the process.

**NOTE:** ALL PROSPECTIVE RESPONDENTS ARE HEREBY CAUTIONED NOT TO CONTACT ANY MEMBER OF THE SEMINOLE COUNTY STAFF OR OFFICIALS OTHER THAN THE SPECIFIED CONTACT PERSON CONCERNING THIS PROJECT.
