

CITY OF HUNTINGTON BEACH

Finance Department Central Services Division

Dan T. Villella, CPA
Finance Director

September 30, 2008

The City of Huntington Beach is requesting proposals to produce the 2009, 4th of July Fireworks Show. The 4th of July celebration is an annual tradition in the Huntington Beach community that will be celebrating its 105th year in 2009. The day's events include a parade, 5K run, pancake breakfast, afternoon entertainment at the Pier and an evening program culminating with fireworks. Fireworks are launched from the end of the Pier over the ocean.

If it is mutually agreeable to both the City of Huntington Beach and the Successful Bidder, this contract may be renewed for up to two (2) additional years, in one (1) year increments.

Scope of Work:

Provide a professional full service fireworks production that is a minimum of 25 minutes in length, which must be choreographed to a musical component. Musical component to be provided to 4th of July Board for approval, six (6) weeks prior to show.

Provide a show that is of a scale required for adequate public viewing at the beach.

Provide necessary general liability insurance, hazardous material transportation insurance and proof of worker's compensation (insurance requirements enclosed).

Apply for necessary federal, state and local fireworks display permits and licenses.

Provide a licensed pyrotechnic operator and crew.

Provide a timeline for set up and take down of equipment.

Submit three (3) references with the company's name, contact and phone number.

Successful bidder will attend necessary planning meetings with the 4th of July Board and the City of Huntington Beach personnel.
