REQUEST FOR QUALIFICATION

A/E DESIGN SERVICES FOR SIMULATED BSL-3 TRAINING LAB 5108453 / 78714

UNIVERSITY OF CALIFORNIA, IRVINE

Qualification submittals are being accepted to provide professional design services for the following project.

The University of California, Irvine, is accepting submittal of qualifications from prospective, qualified A/E firms to provide professional design services for a simulated BSL3 training laboratory, office, mechanical training room, reception area and associated classrooms. Project size is approximately 4,000 SF and construction cost is \$750,000.00.

Interested firms are required to have prior experience in the design of BSL3 laboratory facilities. The University will interview the most qualified firms. Any gifts and/or donations of design services are welcome and, if made, will be considered by the University during negotiations for any agreement following selection of the most qualified firm to perform design services.

Only firms with demonstrated experience in the design of projects of similar type and scope will be considered. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the University.

Selection of the architectural/engineering design team will follow standard University procedures. Preference will be given to teams with established offices in California. Firms are required to include evidence of its equal employment opportunity policy.

RFQ Submittal/Project Interview:

Statement of Qualification (Exhibit DP) shall be completed. RFQ material is limited to 15 pages (not including a Statement of Qualification page) and should be in response to the selection criteria described in Attachment-A. Please submit eight copies on/by **Tuesday, July 6, 2010 at 1:00 PM** to Brenda Hockenhull, CDT, UCI Facilities Management Contract Services, Room 144, Interim Office Building, Irvine, CA 92697-5444, bhockenh@uci.edu, 949-824-1404

Selected Firms will be invited to participate in further dialog with the University Selection Committee. Discussions may be by interview or by written submission.
