Bidder shall submit with their proposal, sketches, and descriptive literature, and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. The bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. 20. The successful bidder is required to retain all records relative to this contract for the duration of the contract term and for a period of three years following completion and/or termination of the contract. If an audit, litigation, or

23. Due to possible future reductions in State appropriations or Federal funds, the Department cannot guarantee the continued availability of funding for this contract or Purchase Order, notwithstanding the consideration stated above. In the event funds to finance this contract or Purchase Order become unavailable, either in full or in part, due to such reductions in appropriations or funds, the Department may terminate the contract or Purchase Order or reduce the consideration upon notice in writing to vendor. The Department shall be the final authority as to the availability of funds. In the event of non-appropriation or discontinuance of funding for this contract or Purchase Order, the vendor will be paid for products and/or services provided up to the effective date of termination.
24. This contract shall be in full force until the expiration date or until 30 days after written notice has been given by DPS of its desire to terminate the contract.
25. Immediate cancellation shall be administered in writing when violations are found to be an impediment to the function of the agency and detrimental to its cause, or when conditions preclude the 30 day notice.
26. All products and services shall be billed in arrears and all invoices shall be dated after full performance by awardee. Purchase order number must appear on all invoices. If vendor fails to provide purchase order number, it may result in the delayed payment of the invoice or return of invoice to vendor for correction/additional information.

Any or all bids/proposals may be rejected and/or the ITB or RFP be withdrawn and/or the ITB or RFP re-issued or re-bid when the Director of the Department of Public Safety's Procurement Office determines that it is in the Agency's interest to do so.

Samples must be submitted with the corresponding bid package, marked plainly with name and address of bidder, bid number, bid opening dated, and correspondence indicating whether or not bidder desires return of the sample. If the sample is to be returned it shall be returned at the vendor's expense. All samples are subject to mutilation as a result of the review process. 31. Prior to any contract award, the Department of Public Safety reserves the right to conduct background checks on any bidder to include, but not limited to, a criminal history background check and to consider such checks in determining the best bidder and/or to reject bidders as being non-responsive that are deemed to not have either the capacity, or the financial standing, or the history of performance, or clean criminal history, in order to perform the contract to the satisfaction of the Department of Public Safety.

32. The Department of Public Safety reserves the right to purchase from other sources than awardee and the Department of Public Safety can elect to solicit other bidders under other solicitations with or without canceling this solicitation or resulting award, if any.
