

DETERMINATION OF BIDDER'S STATE OF RESIDENCE

Each bidder is required to complete this form. Failure to complete this form will constitute an irregular bid, which may be rejected.

A "nonresident bidder" as defined hereafter will be awarded a contract only in compliance with Article 601g Texas Revised Civil Statutes as partially quoted below:

"Section 1.(a)(1)***

- (2) Nonresident bidder means a bidder whose principal place of business is not in this State, but excludes a contractor whose ultimate parent company or majority owner has its principal place of business in this State.
 - (3) Texas residence bidder means a bidder whose principal place of business is in this State, and includes a contractor whose ultimate parent company or majority owner has its principal place of business in this State.
- (b) The State or a governmental agency of the State may not award a contract for general construction, improvements, services, or public works projects or purchases of supplies, materials, or equipment to a nonresident bidder unless the nonresident's bid is lower than the lowest bid submitted by a responsible Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located.
- (c) This section does not apply to a contract involving federal funds."

Each bidder shall write on this page of this proposal the bidder's address of principal place of business and the name and address of the bidder's ultimate parent company or majority owner, if applicable, and shall include with this Proposal a copy of the current statute(s), providing such statute(s) exist, of the bidder's state of residence, if other than Texas, with all data necessary for this OWNER to determine the bidder's state of residence and to calculate the bidder's "nonresident bid differential".
