Any material submitted in response to this solicitation will become a public document pursuant to Section 119.07, Florida Statutes **if not** identified as noted above. This includes material that the responding Proposer might consider to be confidential or a trade secret. Any claim of confidentiality is waived upon submission, effective after opening pursuant to Section 119.07, Florida Statutes. In no event shall the College or any of its employees or agents be liable for disclosing, or otherwise failing to protect the confidentiality of, information submitted in response to this solicitation.

The College reserves the right to make the award to that proposer who, in the opinion of the College, will be in the best interest of and/or the most advantageous to the College. This does not mean or imply that any person or firm submitting a proposal to the RFP as a vendor, offeror or proposer will ultimately be awarded a contract or otherwise become a Contractor as that term is commonly understood. By utilizing the term "Contractor" and "this Contract" or "the Contract" throughout this RFP, the College will be able to more quickly and efficiently transfer terms and conditions from this RFP document into a Contract document.
