Manufacturer _____ # _____

Warranty _____

General Bid Requirements:

1. Inside delivery and set up to be included in bid to specified location listed. *If installation can be completed by in-house staff at UT to reduce the price, this should be indicated in the bid.
2. Price to include all shipping/delivery/set-up cost.
3. Upon delivery, if any installation and set up is required by the successful bidder or their representative; a second date after delivery for follow up and adjustment will be required. Date to be set with company representative and contact person for university.
4. Bidder of equipment must be an authorized dealer of equipment specified in their bid for liability and warranty purposes. Certificates of insurance may be required for bid if in question.
5. Bidder to provide local service to UT Knoxville within 24 hrs for warranty purposes.
6. All equipment listed and specified in bid to be rated as "institutional" or "commercial" use; which means a minimum of eight (8) hours of continuous use per day.
7. Bidder should send appropriate literature, specification sheets and color photo of unit bid for comparison and evaluation purposes.

******PLEASE LIST ANY APPLICABLE EDUCATIONAL DISCOUNTS******

Please submit current price list and descriptive literature along with your quotation.

****** DELIVERY MAY BE A FACTOR IN THE AWARD ******

A delivery date will be set and announced to successful bidder by university contact person. A minimum of two weeks notice will be given for order to be processed, delivered and installed.

Can you comply with this request?

Yes _____ No _____

GENERAL BID CONDITIONS: All University of Tennessee general bid conditions apply to this bid. To view these conditions, which include protest procedures, please visit website "http://purchasing.tennessee.edu/general_bid_conditions.htm". If for some reason you are unable to access this website you may telephone (865) 974-3311 for a hard copy of these conditions.

SBC-1 CONFLICT OF CONDITIONS

In the event that there are any conflicts between the General Bid Conditions and these Special Bid Conditions the Special Bid Conditions shall take precedence.

SBC-2 OR EQUAL

The items on this request for quotations shall be as specified or equal. When the specifications specify a product by name of a manufacturer or Vendor, or whenever the terms similar to and equal to, or approved equal are used, the term(s) named are intended to set the standard for such material(s) or article(s). The burden of proof shall rest solely with the supplier to prove that the proposed substitute(s) are equal to the material(s) or article(s) specified. The University shall be the sole judge as to whether the item(s) submitted is equal to those specified.

SBC-3- SEALED BID

The envelope in which quotations will be submitted should be identified by placing the required information on the outside of the envelope as follows: It is imperative that your name and address appear in the upper left corner of the envelope and that the collective number, due date and time of opening appear in the lower left corner. Bid openings shall be public, on the date and at the time specified on the bid form. All sealed bids must be received in the purchasing department on or before the date and hour specified for bid opening. Sealed bids that miss the deadline will be rejected and returned unopened or kept on file in the purchasing department. No qualifying letters or statements from vendors will be considered a justification for accepting late bids.

SBC-4 DELIVERY

Bidders are requested to state their best delivery date in the space provided.

SBC-5 F.O.B.:

Please quote F.O.B. Destination delivered. To include any and all freight charges.

SBC-6 WARRANTY

Each Bidder is required to attach to their quotation a detailed statement of warranty or guarantee. The statement should include the period of time involved as well as the specific details of the warranty.

SBC-7 BID IN ACCORDANCE WITH SPECIFICATIONS

Bidders are cautioned that unless otherwise stipulated in their bids, it will be assumed that they are bidding in strict accordance with the specifications and will be required to strictly comply therewith. Any deviations whatsoever from the specifications must be fully set forth and itemized in detail in a letter accompanying the bid. Generalized statements submitted with your bid in order to avoid complying with this requirement in full detail will not be accepted.

SBC-8 INTERPRETATIONS & ADDENDA

Any questions concerning conditions and specifications should be directed to the Purchasing Department in writing no later than five (5) days prior to the bid opening. Inquiries must reference the date of bid opening and RFQ Number.

SBC-9 PRODUCT LIABILITY INSURANCE

Certificate of insurance -

The successful Bidder shall file with the purchasing department of the University of Tennessee, prior to the commencement of this contract (or work), an appropriate certificate of insurance, in duplicate, evidencing compliance with the insurance requirements of this bid.

Such certificate of insurance shall name the University of Tennessee as the certificate holder and provide that the insurer or the insurance agent of the successful Bidder will notify the University of Tennessee of any change, cancellation or non-renewal within twenty (20) days of the occurrence.

The insurance required hereunder naming the University of Tennessee as an additional insured shall be primary insurance to any and all insurance that might be in force for the benefit of the University of Tennessee.

The successful Bidder who provides products and goods to the University of Tennessee will provide the University with satisfactory evidence of products/completed operations insurance in effect in the amount of at least \$500,000 combined single limits of liability (bodily injury and Property damage). Such insurance shall be written by an insurer deemed acceptable by the University of Tennessee. The certificate of insurance shall indicate whether the policy or policies are written on a claims-made or occurrence basis.

SBC-10 CATALOG INFORMATION

Bidders are requested to state in their bids the model or catalog number and manufacturer of the equipment and/or supplies on which they are quoting. Bidders should submit catalog information and/or descriptive literature, etc. as necessary to completely identify the items which they consider equal to the specifications. Failure to comply with this condition may warrant non-consideration of the entire quotation.
