I. BACKGROUND

The terms “bidder”, “contractor”, “respondent”, “provider” and “vendor” all mean the party providing goods or services to the City pursuant to this contract.

The City of San Antonio is the third fastest-growing city in America and the seventh largest U.S. city with a population of 1.4 million. There are approximately 12,000 full time city employees including fire and police personnel. The body of government consists of a mayor, ten city council districts representatives and a city manager with 37 supporting departments. More than 26 million people visit San Antonio each year.

As part of its ongoing efforts to enhance the quality and cost-effectiveness of City service delivery to its customers, the City of San Antonio (“City”) is pursuing a phased implementation of an Enterprise Customer Relationship Management (CRM) solution, along with associated customer service/customer relationship management improvements.

The City plans to replace its IRSS (Information and Request for Services System) mainframe application which currently supports the City’s 311 Contact Center (See Exhibit 6 for additional information on IRSS) and to establish the use of a standard CRM system in 311, City Council Offices and other City departments. This will help improve customer service by:

- standardizing how the City interacts with customers,
- enhancing, adding additional channels for communication and streamlining the ways the City interacts with customers, and
- increasing the City’s ability to handle customer requests in an appropriate and timely manner.

The City has established a Steering Committee, made up of selected City executives, which has defined the City’s enterprise CRM vision, goals, objectives, and expected benefits. It has also agreed upon a phased approach to CRM implementation based on City priorities as defined in Section II of this document.

Enterprise CRM Vision

The City will achieve the following within an estimated 3 – 5 year time period:

- **Customers can choose customer service communication channels**
 - 24 x 7 x 365 availability
 - Telephone, Fax, Text Messaging, Web, Email, Mail, Walk-in, Web-Chat, etc.
- **311 is the centralized customer contact center**
 - Provides support for all City services (Directory Assistance, Information Requests, Service Requests)
 - Provides support for all service communication channels (Telephone, Fax, Text Messaging, Web, Email, Mail, Walk-in, Web-Chat, etc.)
- **311/Customer Service is the centralized organization that:**
 - Works with departments to identify and resolve issues with customer service (customer advocate)
 - Manages the City’s information and scripting for all departments for the creation and maintenance of a knowledgebase
 - Contact information
 - Program information
 - Answers to questions regarding services

- **Community Link Centers**
 - Are integrated with CRM and no longer use multiple systems
 - Provide customer walk-ins with access to the 311 website in Link Center locations – similar to airport kiosks
 -
- **Departments that receive customer contacts**
 - Are equipped with CRM tools and can offer assistance or transfer to 311
 - Monitor and adjust customer service workflow processes more effectively using a centralized source for data
 - Proactively identify customer service issues and action plans before they become Council/City Manager/Mayor issues
 - Consistently keep 311 and City Council in the loop on customer service response progress
- **Mayor and Council will:**
 - Have access to customer service response performance results
 - Use standardized and user friendly reporting tools to assess the service provided and the status of service within their Council districts

CRM Initiative Goals and Objectives

The City will realize this vision after achieving the following goals and objectives over the next 3 – 5 years.

- **Improve Customer Service**
 - Improve the City’s ability to “close the loop” with customers and understand the actual level of service being provided
 - Improve efficiency and effectiveness of 311 customer service representatives and department front line service staff (through provision of a user friendly CRM and knowledge base)
 - Increase the number of communication channels (phone, web, fax, email, web-chat, walk-in) customers can choose to interact with the City (conduct transactions, ask questions, report issues)
 - Significantly reduce multiple customer handoffs/transfers for information and/or service
- **Improve Customer Service Resource Management**
 - Standardize customer information and service request data tracking and reporting
 - Expand supervisor and manager data tracking and reporting capabilities related to work order processes
- **Improve Department Service Performance Accountability**
 - Increase the accuracy and specificity of customer service request closure data
 - Track and monitor service level agreements

Anticipated Benefits

In addition to operational cost savings as a result of streamlined processes, automation, and reduction in misdirected calls, the City expects to achieve the following benefits following completion of all CRM Initiative phases. Some benefits may be achieved earlier than others as noted below:

- **For the Citizen, Business, or Visitor**
 - Will not be transferred again, and again, and again . . .
 - Will be greeted by cheerful, helpful employees who will approach you and your situation with respect and understanding

- If you are transferred, it will be to the expert who can help you
- Customer centric approach is made available
- You only walk through one door
- **For the Employee**
 - You will have an accurate resource for City resources (names, departments, etc.)
 - Misdirected calls will be reduced or eliminated
 - Your efficiency and effectiveness will be improved
 - Your customers will be happier
- **For Mayor, City Manager's and Council Members**
 - Customer experience and service will be improved
 - Misdirected calls will be reduced or eliminated
 - Ability to follow-up on customer service requests and obtain answers to your questions will be expedited
 - Information related to customer service requests will be timely and accurate
 - Customer service data will be available to improve allocation of resources or develop programs that will improve customer service response

The City of San Antonio seeks Proposals from qualified Respondents interested in helping the City achieve its Enterprise CRM vision and anticipated benefits by providing the services as described in this RFCSP.

II. SCOPE OF SERVICES, STATEMENT OF WORK & TECHNICAL REQUIREMENTS

This section provides an overview of the scope of services, statement of work, and functional and technical requirements the Respondent will be required to fulfill as part of its contract with the City. Additional details regarding the statement of work and functional and technical requirements are included in Attachments G-1, G-2, and G-3

It is the intent of the City of San Antonio's Information Technology Services Department (ITSD) to leverage its existing software and hardware infrastructure with the proposed solution being presented by respondents to this RFCSP as much as possible. A list of the City's current software and infrastructure standards may be found in Exhibit 14.

ITSD will provide computing and infrastructure services for the selected hardware and software solution in one or both of the two datacenters that are currently in operation. The two datacenters are interconnected by redundant high-speed Dense Wavelength Division Multiplexing (DWDM) links with servers and storage hosted in both environments. ITSD will manage the Data Center Layer, Networking Layer, Device Layer, Operating System Layer, and Application Infrastructure Layer for the information technology components of the proposed solution in accordance with a Service Level Agreement (SLA) to be jointly developed by ITSD, the solution Respondent, and the business owner of the solution. Management of the Application Layer (business logic) will be determined by SLA.

To the extent that information technology equipment necessary to support the solution must be deployed outside of the City's managed datacenter environment, the respondent must include in their response the scope necessary to provide appropriate environmental and compliance controls for the proposed solution.

Any information technology components (hardware or software) proposed by the respondent that will interface with any City information systems or information technology infrastructure must comply with the City's current information technology standards (see Attachment G-2).

Scope of Services

The City has defined a planned, phased approach to implement the enterprise CRM. The scope of services for this RFCSP is focused on Phase 1 of the approach described below. Following phases will require a similar set of services to be applied to a different set of departments as listed below.

■ Proposed Solution – Conceptual Models

Figure 1 presents a conceptual model of the Enterprise CRM and how it will fit within the City's business and technical environment:

Figure 1: Enterprise CRM Conceptual Model – System Functionality and Connectivity

Figure 2 depicts a conceptual model for data storage related to CRM and Work Order Management (WOM) systems and reporting:

Figure 2: Enterprise CRM Conceptual Model - Information Flow and Data Storage

■ Phased Approach to Implementation

The City's Enterprise CRM Initiative will involve business process standardization and re-engineering, expansion of the existing 311/Customer Service organization's responsibilities and purview, and implementation of an enterprise CRM solution that integrates with existing and future work order and case management systems. Given the size and complexity of this initiative, the City must implement it using a carefully planned phased approach. The City has broken Departments and related initiative implementation activities up into the following phases:

Table 1: Department Phasing for Enterprise CRM Implementation

Phase	Departments
1	■ Animal Care Services ■ Capital Improvement Management Services (CIMS) ■ City Council Office ■ City Manager's Office ■ Customer Service / 311 ■ Housing & Neighborhood Services – Code Compliance ■ Parks & Recreation ■ Public Works ■ Solid Waste Management

The City will require, at a minimum, the following steps to be completed for each Phase. Respondents may expand these steps based on their own methodology and experience with other customers.

Table 2: Minimum Steps Required for Each Phase

See Exhibit 10 for more detail regarding the City's current draft project management plan. The selected Respondent will be expected to update this project plan as one of its initial deliverables.

■ Profile of Customer Call Volume Contacts for the City

In order to plan for the increase in call volume and additional work required to support other customer service channels, the City conducted a survey of all City Departments regarding their current customer service environment. This survey requested estimated customer contact data for multiple customer channels including: telephone, email, mail, fax, and web. The City then compared this data against additional tracking sources to prepare the following customer volume contact estimates that must be taken into account during the selection of a proposed solution and planning for the implementation of the Enterprise CRM solution.

• Call Volume Contacts

The City's inbound call volumes are estimated at 16.9 million. The City's 311 organization currently handles 1,417,344 calls annually. Based on survey data collected, the City anticipates 311 could increase its call volumes in support of Phase 1 departments by as many as 450,000 calls per year initially. It also anticipates the call volume could potentially increase over time to approximately 3 million calls annually based providing additional support to Phase 1 departments for service requests and all City departments for information requests.

• Web Customer Contact Planning Volume Information

In order to plan for accommodation and expansion of web traffic that must be supported by the Enterprise CRM solution, the City analyzed Web payment totals and online service requests between June 2008 and June 2009. The following data pertains to this analysis:

Annual Total Web Visit Count to www.sanantonio.gov

This figure was approximately 11,483,566 over the past year. The Department breakdown total was 13,050,390 which is in line with numbers reported by Departments in the Citywide survey conducted. Phase 1 department web visits totaled 1,827,061.

Web Payment Totals

Department	Web Payment Transactions	Amount Paid
CVB Priority Mail Request	2,272	\$6,520.64
Development Services (Hansen)	23,442	\$2,401,854.95
Municipal Courts	18,899	\$3,100,660.17
San Antonio Airport Parking	2,705	\$192,510.00

Online Service Requests

Department	Total Web Service Requests
Code Compliance	4,479
Solid Waste and Public Works (TSPW)	1,178

- **e-Mail Customer Contact Planning Volume Information**

The City also evaluated its inbound email traffic, excluding SPAM. This number totaled approximately 13.9 million over a 12 month period from June 2008 through May 2009. This number was not broken down by department so the number for Phase 1 departments can not be validated at this time, as City survey data reported is significantly lower than this overall figure.

The City wishes to contract with a single Contractor who is committed to best practices and can provide the products and implementation services for Phase 1 of this Initiative as summarized below:

The processing of all deposit updates shall be in accordance with Sections 1.2 and 1.3 above. All references in this Agreement to the Deposit Materials shall include the initial Deposit Materials and any updates.

For purposes of this Agreement, Depositor may accomplish such updates by having the new version of the product added to the existing deposit or, alternatively and upon written instruction to Custodian and Preferred Beneficiary, exchanging the new version of the product for the old version of the product within the existing deposit.

1.6 Removal of Deposit Materials. The Deposit Materials may be removed and/or exchanged only on written instructions signed by Depositor and Preferred Beneficiary, or as otherwise provided in this Agreement.

1.7 Verification. Preferred Beneficiary shall have the right, at Preferred Beneficiary's expense, to cause a verification of any Deposit Materials once within the first 90 days after execution of this Agreement by Preferred Beneficiary, and thereafter twice in any 12-month period. Preferred Beneficiary shall notify Depositor and Custodian of Preferred Beneficiary's request for verification. Depositor shall have the right to be present at the verification. A verification determines, in different levels of detail, the accuracy, completeness, sufficiency and quality of the Deposit Materials as well as to confirm that it compiles to the pertinent object code of the licensed software. If verification is elected after the Deposit Materials have been delivered to Custodian, then Custodian, or at Preferred Beneficiary's election, an independent person or company selected by Preferred Beneficiary who is reasonably acceptable to Depositor will perform the verification. The Preferred Beneficiary shall be responsible for all costs of the verification, including, without limitation, Custodian's fees associated with the verification, the costs incurred by Depositor relating to such verification (including, without limitation, travel and living expenses for Depositor personnel required to assist with the verification and fees for the services of such personnel, at Depositor's standard daily rates, as applicable).

ARTICLE 2 -- **CONFIDENTIALITY AND RECORD KEEPING**

2.1 Confidentiality. Custodian shall have the obligation to reasonably protect the confidentiality of the Deposit Materials by maintaining the Deposit Materials in a secure, environmentally safe, locked facility which is accessible only to authorized representatives of Custodian. Except as provided in this Agreement or any subsequent agreement between the Parties, Custodian shall not disclose, transfer, make available to any party, or use the Deposit Materials. Custodian shall not disclose the terms of this Agreement to any third party. If Custodian receives a subpoena or any other order from a court or other judicial tribunal pertaining to the disclosure or release of the Deposit Materials, Custodian will immediately notify the parties to this Agreement of same in writing, unless prohibited by law. It shall be the responsibility of Depositor and/or Preferred Beneficiary to challenge any such order; provided, however, that Custodian does not waive its rights to present its position with respect to any such order. Custodian will not be required to disobey any order from a court or other judicial tribunal, including, but not limited to, notices delivered pursuant to Section 7.6 below. Custodian will not be required to disobey any order from a court or other judicial tribunal.

2.2 Status Reports. Custodian shall provide to Depositor and Preferred Beneficiary access to the Custodian's real-time, on-line portal to view data and documentation relative to this Agreement. Upon request, Custodian will provide ad hoc status reports to Depositor and Preferred Beneficiary.

2.3 Audit Rights. During the term of this Agreement, Depositor and Preferred Beneficiary shall each have the right to inspect the written records of Custodian pertaining to this Agreement. Any such inspection shall occur during normal business hours and following reasonable prior notice.

ARTICLE 3 -- **RIGHT TO MAKE COPIES**

Custodian may make copies of the Deposit Materials as necessary to meet its obligations under this Agreement, while retaining a copy to carry out its obligations for other licensees who may benefit from the same arrangement. Custodian shall include in any copies all copyright, non-disclosure and other proprietary notices and titles contained on the Deposit Materials. With all Deposit Materials submitted to Custodian, Depositor shall provide any and all instructions as may be necessary to duplicate the Deposit Materials, including, without limitation, instructions as to necessary hardware or software. In all other respects, Custodian shall not make copies of the Deposit Materials except to fulfill an order of a court of competent jurisdiction (see Section 2.1).

If for any reason Custodian should make any copy of the Deposit Materials, Custodian shall promptly give written notice to Depositor of such action and shall explain the reason for such copying in the notice.

ARTICLE 4 -- **RELEASE OF DEPOSIT**

4.1 Release Conditions. As used in this Agreement, "Release Condition" shall mean the occurrence and continuance of any of the following:

a. Entry of an order for relief regarding Depositor under Title 11 (bankruptcy) of the United States Code, the making by Depositor of a general assignment for the benefit of its creditors, the appointment of a general receiver or trustee in bankruptcy of Depositor's business or property, or the commencement of similar proceedings under the bankruptcy, insolvency, liquidation or reorganization laws of any state or any other country or province (except that were entry of an order, appointment of a receiver or trustee in bankruptcy, or commencement of bankruptcy or insolvency proceedings is effected on an involuntary basis, then Depositor shall have 60 days to have such case or proceeding dismissed);

b. Depositor's failure to continue to do business in the ordinary course;

c. Any decision by Depositor to withdraw maintenance services in support of the Depositor software licensed by Depositor to Preferred Beneficiary under the License Agreement;

d. The occurrence of a breach as defined in the License Agreement;

e. The occurrence of any condition (whether or not qualifying as a breach) having a critical impact on necessary business functions (such as a continuing loss of service or data), which Depositor cannot or will not assure Preferred Beneficiary will be corrected so to restore necessary business functions using all reasonable means, and the release of the Deposit Materials is reasonably believed to enable Preferred Beneficiary to remedy such condition critically impacting Preferred Beneficiary's use of the licensed software to meet necessary business functions; and, for purposes of this Agreement, if a Release Condition is claimed by Preferred Beneficiary to exist on this basis, then, notwithstanding Sections 4.2 and 4.3 hereof, Custodian will, without delay, release the Deposit Materials to Preferred Beneficiary immediately upon Custodian's receipt of written notice of such Release Condition in which Preferred Beneficiary shall explain why it believes the Deposit Materials will enable Preferred Beneficiary to resolve such critical impact condition and why an immediate release is required, but Preferred Beneficiary shall commit to surrender the Deposit Materials to Custodian or Depositor promptly after the correction has occurred to restore necessary business functions.]

4.2 Filing For Release. If Preferred Beneficiary believes in good faith that a Release Condition has occurred and is continuing, then Preferred Beneficiary, at any time, may provide to Custodian written notice of the occurrence of the Release Condition and a request for the release of the Deposit Materials. Within five (5) business days of receipt of a written notice, Custodian shall provide a copy of the notice to Depositor. Custodian will promptly notify the Parties unless Custodian acknowledges or discovers independently, or through the Parties, its need for additional documentation or information in order to comply with this Section. Such need for additional documentation or information may extend the time period for Custodian's performance under this section.

4.3 Contrary Instructions. From the date Custodian mails the notice by overnight express mail requesting release of the Deposit Materials, Depositor shall have ten (10) business days to deliver to Custodian contrary instructions ("Contrary Instructions"). Contrary Instructions shall mean the written representation by Depositor that a Release Condition has not occurred or has been cured. Upon receipt of Contrary Instructions, Custodian shall send a copy of Contrary Instructions to Preferred Beneficiary by overnight commercial express mail. Additionally, Custodian shall notify both Depositor and Preferred Beneficiary that there is a dispute to be resolved pursuant to Section 7.4 of this Agreement. Subject to Section 5.2 and 4.1(e) of this Agreement, Custodian will continue to store the Deposit Materials without release pending (a) joint instructions from Depositor and Preferred Beneficiary; or (b) dispute resolution pursuant to Section 7.4; or (c) an order from a court of competent jurisdiction.

4.4 Release of Deposit. If Custodian does not receive Contrary Instructions from the Depositor, or if the Preferred Beneficiaries request to release is based on 4.1(e), Custodian is authorized to release the Deposit Materials to the Preferred Beneficiary. However, Custodian is entitled to receive any fees due Custodian before making the release. This Agreement will terminate upon the release of the Deposit Materials held by Custodian.

4.5 Right to Use Following Release. Unless otherwise provided in the License Agreement, upon release of the Deposit Materials in accordance with this Article 4, Preferred Beneficiary shall have the right to use the Deposit Materials for the sole purpose of continuing the benefits afforded to Preferred Beneficiary by the License Agreement. Preferred Beneficiary shall be obligated to maintain the confidentiality of the released Deposit Materials.

ARTICLE 5 -- **TERM AND TERMINATION**

5.1 Term of Agreement. The initial term of this Agreement is for a period of one year. Thereafter, this Agreement shall automatically renew from year-to-year unless (a) Depositor and Preferred Beneficiary jointly instruct Custodian in writing that the Agreement is terminated; (b) Custodian instructs Depositor and Preferred Beneficiary in writing ninety (90) days after its renewal date, that the Agreement is terminated for nonpayment in accordance with Section 5.2; or (c) Custodian reserves the right to terminate this Agreement, for any reason, other than for nonpayment, by providing Depositor and Preferred Beneficiary sixty (60) days written notice of its intent to terminate this Agreement. If the Deposit Materials are subject to another escrow agreement with Custodian, Custodian reserves the right, after the initial one year term, to adjust the anniversary date of this Agreement to match the then prevailing anniversary date of such other escrow arrangements.

5.2 Termination for Nonpayment. In the event of the nonpayment of fees owed to Custodian, Custodian shall provide written notice of delinquency to all parties to this Agreement. Any party to this Agreement shall have the right to make the payment to Custodian to cure the default. If the past due payment is not received in full by Custodian within one (1) month of the date of such notice, then Custodian shall have the right to terminate this Agreement at any time thereafter by sending written notice of termination to all parties. Custodian shall have no obligation to take any action under this Agreement so long as any payment due to Custodian remains unpaid.

5.3 Disposition of Deposit Materials Upon Termination. Subject to the foregoing termination provisions, and upon termination of this Agreement, Custodian shall destroy, return to Depositor, or otherwise deliver the Deposit Materials in accordance with Depositor's

instructions. If there are no instructions, Custodian may, at its sole discretion, destroy the Deposit Materials or return them to Depositor. Custodian shall have no obligation to destroy or return the Deposit Materials if the Deposit Materials are subject to another escrow agreement with Custodian or have been totally released to the Preferred Beneficiary in accordance with Section 4.4.

5.4 Survival of Terms Following Termination. Upon termination of this Agreement, the following provisions of this Agreement shall survive:

- a. Depositor's Representations (Section 1.4);
- b. The obligations of confidentiality with respect to the Deposit Materials;
- c. The obligation to pay Custodian any fees and expenses due;
- d. The provisions of Article 7;

- f. Any provisions in this Agreement which specifically state they survive the termination of this Agreement.

ARTICLE 6 -- CUSTODIAN'S FEES

6.1 Fee Schedule. Custodian is entitled to be paid its agreed fees and expenses applicable to the services provided by Depositor. Custodian shall notify Depositor of Custodian's fees at least sixty (60) days prior to any increase in fees. For any service not listed on Custodian's standard fee schedule, Custodian will provide a quote prior to rendering the service, if requested.

6.2 Payment Terms. Custodian shall not be required to perform any service, including release of any Deposit Materials under Article 4, unless the payment for such service and any outstanding balances owed to Custodian are paid in full. Fees are due upon receipt of a signed contract or receipt of the Deposit Materials whichever is earliest. If invoiced fees are not paid, Custodian may terminate this Agreement in accordance with Section 5.2.

ARTICLE 7 -- LIABILITY AND DISPUTES

7.1 Right to Rely on Instructions. Custodian may act in reliance upon any instruction, instrument, or signature reasonably believed by Custodian to be genuine. Custodian may assume that any employee of a party to this Agreement who gives any written notice, request, or instruction has the authority to do so. Custodian will not be required to inquire into the truth or evaluate the merit of any statement or representation contained in any notice or document. Custodian shall not be responsible for failure to act as a result of causes beyond the reasonable control of Custodian.

7.2 Indemnification. Depositor agrees to indemnify, defend and hold harmless Custodian from any and all claims, actions, damages, arbitration fees and expenses, costs, reasonable attorney's fees and other liabilities ("Liabilities") incurred by Custodian directly resulting from this escrow arrangement, except where it is adjudged that Custodian acted with gross negligence or willful misconduct.

7.3 Limitation of Liability and Waiver of Consequential Damages.

(a) Notwithstanding anything else herein, all liability, if any, whether arising in contract, tort (including negligence) or otherwise, of Custodian under this Agreement shall be limited to the amount equal to ten times the then annual fees owed or paid to Custodian under this Agreement. If claim or loss is made in relation to a specific deposit or deposits, such liability shall be limited to the fees related specifically to such deposits. This limit shall not apply for: (I) any claims of infringement of any patent, copyright, trademark or other proprietary right; (II) liability for death or bodily injury; (III) damage to tangible property (excluding the Deposit Material); (IV) theft; or (V) proven gross negligence or willful misconduct.

(b) In no event will Custodian be liable for any incidental, indirect, special, exemplary, punitive or consequential damages, including, but not limited to, damages (including loss of data, revenue, and/or profits) costs or expenses (including legal fees and expenses), whether arising in contract, tort (including negligence) or otherwise even if the possibility thereof may be known in advance to one or more parties and whether foreseeable or unforeseeable, that may arise out of or in connection with this Agreement.

7.5 Controlling Law. This Agreement is to be governed and construed in accordance with the laws of the State of Texas, without regard to its conflict of law provisions.

7.6 Notice of Requested Order. If any party intends to obtain an order from the arbitrator or any court of competent jurisdiction, which may direct Custodian to take, or refrain from taking any action, that party shall:

- a. Give notice to Custodian at least five (5) business days prior to the hearing; and
- b. Include in any such order that, as a precondition to Custodian's obligation, Custodian be paid in full for any past due fees and be paid for the reasonable value of the services to be rendered pursuant to such order.

ARTICLE 8 -- GENERAL PROVISIONS

8.1 Entire Agreement. This Agreement, which includes Exhibits described herein, embodies the entire understanding among the parties with respect to its subject matter and supersedes all previous communications, representations or understandings, either oral or written. Custodian is not a party to the License Agreement between Depositor and Preferred Beneficiary and has no knowledge of any of the terms or provisions of any such License Agreement. Custodian's only obligations to Depositor or Preferred Beneficiary are as set forth in this Agreement. No amendment or modification of this Agreement shall be valid or binding unless signed by all the parties hereto, except that Exhibit A need not be signed by Preferred Beneficiary and Exhibit B need not be signed.

It shall be the responsibility of the parties to notify each other as provided in this Section in the event of a change of address. Any correctly addressed notice or last known address of the other parties that is relied on herein that is refused, unclaimed, or undeliverable because of an act or omission of the party to be notified as provided herein shall be deemed effective as of the first date that said notice was refused, unclaimed, or deemed undeliverable by the postal authorities by registered mail, or through messenger or commercial express delivery services. Unless otherwise provided in this Agreement, all non-critical documents (such as invoices) and non-critical communications may be delivered by First Class mail.

8.3 Severability. In the event any provision of this Agreement is found to be invalid, voidable or unenforceable, the parties agree that unless it materially affects the entire intent and purpose of this Agreement, such invalidity, voidability or unenforceability shall affect neither the validity of this Agreement nor the remaining provisions herein, and the provision in question shall be deemed to be replaced with a valid and enforceable provision most closely reflecting the intent and purpose of the original provision.

8.4 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties. However, Custodian shall have no obligation in performing this Agreement to recognize any successor or assign of Depositor or Preferred Beneficiary unless Custodian receives clear, authoritative and conclusive written evidence of the change of parties.

8.5 Waiver. Any term of this Agreement may be waived by the party entitled to the benefits thereof, provided that any such waiver must be in writing and signed by the party against whom the enforcement of the waiver is sought. No waiver of any condition, or breach of any provision of this Agreement, in any one or more instances, shall be deemed to be a further or continuing waiver of such condition or breach. Delay or failure to exercise any right or remedy shall not be deemed the waiver of that right or remedy.

8.6 Regulations. Depositor and Preferred Beneficiary are responsible for and warrant compliance with all applicable laws, rules and regulations, including but not limited to customs laws, import, export, and re-export laws and government regulations of any country from or to which the Deposit Materials may be delivered in accordance with the provisions of this Agreement.

8.9 Authority to Sign. Each of the Parties herein represents and warrants that the execution, delivery, and performance of this Agreement has been duly authorized and signed by a person who meets statutory or other binding approval to sign on behalf of its business organization as named in this Agreement.

**SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY PROGRAM
POLICY AND FORM**

THIS SECTION IS INTENTIONALLY LEFT BLANK

SMALL BUSINESS PROGRAM

1. **Small Business Participation**

Pursuant to Ordinance No. 2007-04-12-0396, it is the policy of the City of San Antonio to involve Small, Minority, Women and African-American Owned Business Enterprises (S/M/W/AABE) to the greatest extent feasible in the City's discretionary contracts. The intent and purpose of the policy is to ensure that S/M/W/AABE firms have the opportunity to compete for City contracts without discrimination on the basis of race, color, religion, national origin, age, sex or handicap. To accomplish the objectives of the Small Business policy, the City has established specific goals for local S/M/W/AABE participation in this contract.

2. **DEFINITIONS** related to the Small Business Program Provisions:

- a. **Small Business Program:** the Small Business Economic Development Advocacy ("SBEDA") Program governed by this ordinance and managed by the SMALL BUSINESS Program Office.
- b. **Small Business Enterprises (SBE):** a corporation, partnership, sole proprietorship or other legal entity, for the purpose of making a profit, which is independently owned and operated and which meets the U.S. Small Business Administration (SBA) size standard for a small business. All firms meeting these thresholds will be considered an SBE.
- c. **Local Business Enterprise (LBE):** a corporation, partnership, sole proprietorship, or other legal entity which is headquartered within Bexar County for at least one year. For a branch office of a non-headquartered business to qualify as an LBE, the branch office must be located in Bexar County for at least one-year and employ a minimum of ten (10) residents of Bexar County for use at the local branch office.
- d. **Minority Business Enterprise (MBE):** a sole proprietorship, partnership, or corporation owned, operated, and controlled by a minority group member(s) who has at least 51% ownership. The minority group member(s) must have operational and managerial control, interest in capital, expertise and earnings commensurate with the percentage of ownership and be legal residents or citizens of the United States or its territories. To qualify as an MBE, the enterprise shall be headquartered in Bexar County or the San Antonio Metropolitan Statistical Area (the SAMSA) for any length of time, or shall be doing business in a locality or localities from which the City regularly solicits, or receives bids on or proposals for, City contracts within the MBES's category of contracting for at least one year.
- e. **Woman Business Enterprise (WBE):** a sole proprietorship, partnership, or corporation owned, operated and controlled by women who have at least 51% ownership. The woman or women must have operational and managerial control, interest in capital, expertise and earnings commensurate with the percentage of ownership and be legal residents or citizens of the United States or its territories. To qualify as a WBE, the enterprise shall be headquartered in Bexar County or the SAMSA for any length of time or shall be doing business in a locality or localities from which the City regularly solicits or receives bids on or proposals for, City contracts within the WBE's category of contracting for at least one year.
- f. **African-American Business Enterprise (AABE):** a sole proprietorship, partnership, or corporation owned, operated and controlled by an African-American group member(s) who has at least 51% ownership. The African American Group member(s) must have operational and managerial control, interest in capital, expertise and earnings commensurate with the percentage of ownership and be legal residents or citizens of the United States or its territories. To qualify as an AABE, the enterprise shall be headquartered in Bexar County or the SAMSA for any length of time or shall be doing business in a locality or localities from which the City regularly solicits, or receives bids on or proposals for, City contracts within the AABE's category of contracting for at least on year.

3. **Goals for Small Business Participation**

The goals for the utilization and participation of SBE-MBE-WBE-AABE businesses on this contract are as follows:

MBE	31%
WBE	10%
AABE	2.2%
SBE	50%

Please note that a small business could be classified in multiple categories and thus their utilization could in theory be counted in each category of goals. For example, **Prime Contractor X** submits a proposal, which specifies that they intend to subcontract with Subcontractor A for 10% of the contract. Subcontractor A is certified by the City as an SBE and MBE (a male-owned Hispanic Business owner can be certified as an SBE and MBE). **Prime Contractor X** also intends to subcontract with Subcontractor B for 13% of the contract. Subcontractor B is certified by the City as SBE, MBE and a WBE (a female-owned Hispanic Business owner can be certified as SBE, MBE and WBE). In addition, **Prime Contractor X** also intends to subcontract 10% of the contract to Subcontractor C—a City certified SBE, MBE and AABE (a male-owned African-American business owner can be certified as both a MBE and as a AABE Business). **Prime Contractor X** is also classified as a local SBE. **Prime Contractor X's** compliance with the Small Business goals under this scenario would be as follows:

	City's Small Business Goals	Prime Contractor X's Compliance
MBE	31%	33%
WBE	10%	13%
AABE	2.2%	10%
SBE	50%	100%

Under this scenario, the contractor would be in full compliance with the Small Business policy.

Another example regarding compliance with the policy is as follows: **Prime Contractor Y** submits a proposal, which specifies that they intend to partner through a joint-venture agreement with Company D. Company D is certified by the City as both an SBE and MBE (a male-owned Hispanic Business—certified as an SBE and MBE). As part of their joint-venture agreement, Company D will perform on 32.5% of the contract. **Prime Contractor Y** also intends to subcontract 13% of the contract with Subcontractor F. Subcontractor F is a City certified SBE/MBE/WBE and AABE business. **Prime Contractor Y** is also classified as a local SBE.

Prime Contractor Y compliance with the Small Business goals would be as follows:

	City's Small Business Goals	Prime Contractor Y's Compliance
MBE	31%	45.5%
WBE	10%	13%
AABE	2.2%	13%
SBE	50%	100%

Under this scenario, the contractor would be in full compliance with the Small Business policy.

4. Good Faith Effort Required

Proposals shall include a Good Faith Effort Plan (GFEP—ATTACHED). The GFEP shall include specific documentation to utilize local, small, MBE-WBE-AABE businesses in a percentage, which equals or exceeds the above goals. **Any proposal that does not include the GFEP form shall be declared non-responsive, and excluded from consideration.**

5. MBE-WBE-AABE Certification Required

Only companies certified as MBE, WBE, or AABE through the South Central Texas Regional Certification Agency (SCTRCA), or as approved by the City of San Antonio Director of Economic Development, can be applied towards the contracting goals. Proof of certification must be submitted.
