INVITATION TO BID STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION FLORIDA'S TURNPIKE ENTERPRISE

Sealed Invitation to Bid Packages will be received by the Department of Transportation, Florida's Turnpike Enterprise, Contractual Services Office, Building 5315 on Florida's Turnpike, Milepost 263.0, Turkey Lake Service Plaza, Ocoee, Florida, 34761, until **2:30 P.M. (local time) on May 19, 2009**, for the following project:

BID NO. ITB-DOT-08/09-8020-BA

SCOPE OF SERVICES: The Florida Turnpike Enterprise hereafter referred to as the "Department" seeks the services of a licensed, qualified and experienced Vendor to provide Concrete Repair, Emergency Restoration, Waterproofing and Sealing services at various facilities along the Florida's Turnpike Mainline, Milepost 172.0 to Milepost 308.0, Seminole Expressway, Milepost 38.0 to Milepost 55.0, Beachline Expressway, Milepost 0.0 to Milepost 8.0, Southern Connector, Milepost 0.0 to Milepost 6.0, Veterans Expressway, Milepost 2.0 to Milepost 14.0, Polk Parkway, Milepost 0.0 to Milepost 24.0, Daniel Webster Western Beltway, Milepost 1.0 to Milepost 11.0 and the Suncoast Parkway, Milepost 14.0 to Milepost 54.0.

Vendor's Qualifications

The Vendor shall maintain and keep in force throughout the life of the contract, renewals, and extensions, the requirements specified below. Failure of the Vendor to comply with these requirements will be sufficient ground for the Turnpike District to declare the contract in default subject to the terms of Section 6, Termination and Default, of the Standard Written Agreement:

1. The Vendor shall hold a valid and current certificate or license as a General Contractor or Building Contractor in accordance with Chapter 489, Florida Statutes, authorizing the Vendor to perform the work in all counties specified in this contract.
2. The Vendor shall have a current and valid Occupational License which states the name of the Vendor, street address of the business where all the work covered under the contract will be handled, and the type of work that the Occupational License is issued for (which must be for the same type of services required in the contract).
3. The organized business enterprise (e.g. corporation, LLC or sole proprietorship), shall have been actively involved in the type of business requested for a minimum of three (3) years and have available a minimum work force of two (2) qualified technicians and/or apprentices. Prior experience shall have been specifically related to maintenance of commercial facilities similar in size, technical scope and volume of work to that specified in the scope of work for the contract.

The Department will investigate carefully to determine if the vendor is responsive, responsible and qualified in the area of work contemplated by this contract.

HOW TO APPLY: Prospective bidders may request and obtain a complete Invitation to Bid (ITB) including specifications and general bid conditions for the above-referenced project at no cost by e-mailing their name, address, phone and fax numbers to Ms. Brenda Martin, FDOT Turnpike Enterprise, at brenda.martin@dot.state.fl.us. **Please reference the ITB number when ordering.**

PRE-BID CONFERENCE: The Department will convene a **MANDATORY PRE-BID MEETING** for this Invitation to Bid (ITB) on May 5, 2009, at 11:00 A.M. The meeting will be in Conference Room 2081, Building 5315 at Turnpike Enterprise Headquarters, Turkey Lake Service Plaza, Milepost 263.0, on Florida's Turnpike in Ocoee, Florida. The telephone number is (407) 532-3999. **FAILURE OF A BIDDER TO ATTEND THE MANDATORY PRE-BID MEETING WILL RESULT IN REJECTION OF THE BID.**

The Department reserves the right to reject any or all bids.

NOTE: All of the Department's **ITB/RFP/ITN ADVERTISEMENTS** appear on the Internet at website:

SPECIAL CONDITIONS

1) INVITATION (ITB-DOT-08/09-8020-BA)

The State of Florida Department of Transportation (hereinafter referred to as the "Department") is soliciting written bids from qualified bidders to establish a contract with a licensed, qualified and experienced Vendor to provide Concrete Repair, Emergency Restoration, Waterproofing and Sealing services at various facilities along the Florida's Turnpike Mainline, Milepost 172.0 to Milepost 308.0, Seminole Expressway, Milepost 38.0 to Milepost 55.0, Beachline Expressway, Milepost 0.0 to Milepost 8.0, Southern Connector, Milepost 0.0 to Milepost 6.0, Veterans Expressway, Milepost 2.0 to Milepost 14.0, Polk Parkway, Milepost, 0.0 to Milepost 24.0, Daniel Webster Western Beltway, Milepost 1.0 to Milepost 11.0 and the Suncoast Parkway, Milepost 14.0 to Milepost 54.0.

For the purpose of this document, the term "bidder" means the bidder acting on their own behalf and those individuals, partnerships, firms, or corporations comprising the bidder team. The term "bid package" means the complete response of the bidder to the Invitation To Bid, including properly completed forms and supporting documentation. After the award, said bidder will be referred to as the "Vendor".

In accordance with section 287.057(24), Florida Statutes, respondents to this solicitation or persons acting on their behalf may not contact, between the release of the solicitation and the end of the seventy-two (72) hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response.

2) COORDINATION OR PROCUREMENT AND CONTRACT DOCUMENTS

This solicitation consists of the contract documents identified below which are integral parts of the Contract and as such, a requirement occurring in one is as binding as though occurring in all. All parts of the Contract are complimentary and establish the procurement process and describe and provide for complete work. In case of discrepancy, the governing order of the contract documents is as follows:

1. Standard Written Agreement
2. Special Conditions
3. Exhibit "A" - Scope of Services
4. Exhibit "B" – Method of Compensation
5. Exhibit "C" – Bid Blank
6. Attachments A - D
7. State of Florida PUR 1000 General Contract Conditions
8. State of Florida PUR 1001 General Instructions to Respondents

3) **MyFloridaMarketPlace**

Since July 1, 2003, the Department has been using the State of Florida's web-based electronic procurement system, MyFloridaMarketPlace. BIDDERS MUST BE REGISTERED IN THE STATE OF FLORIDA'S MYFLORIDAMARKETPLACE SYSTEM BY THE TIME AND DATE OF THE BID OPENING OR THEY WILL BE CONSIDERED NON-RESPONSIVE (see Special Condition 14.2). All prospective bidders that are not registered, should go to <https://vendor.myfloridamarketplace.com/> to complete on-line registration, or call 1-866-352-3776 for assisted registration.

4) **MINORITY BUSINESS ENTERPRISE (MBE) UTILIZATION**

The Department encourages small, minority, women, and service-disabled veteran businesses to compete for Department contracts, both as "Vendor" and as subcontractors. The Department, its vendors, suppliers, and consultants should take all necessary and reasonable steps to ensure that small, minority, women, and service-disabled veteran businesses have the opportunity to compete for and perform contract work for the Department in a nondiscriminatory environment. Bidders are requested to indicate their intention regarding MBE participation on the MBE Planned Utilization form and to submit the completed form with their Bid Sheet. The contract vendor will be asked to submit payment certification for MBE subcontractors used.

To request certification or to locate certified MBEs, call the Office of Supplier Diversity, Department of Management Services at (850) 487-0915, or access their MBE directory on the Internet at www.osd.dms.state.fl.us/.

5) **SCHEDULE OF EVENTS**

Provided below is a list of critical dates and actions. These dates are subject to change. Notices of changes (addenda) will be posted on the Florida Vendor Bid System at www.myflorida.com (click on "BUSINESS", click on "Doing Business with the State", under "Everything for Vendors and Customers", click on "Vendor Bid System (VBS)", click on "Search Advertisements") under this bid number. It is the responsibility of all potential bidders to monitor this site for any changing information prior to submitting your bid.

Activity	Date / Time	Location
Mandatory Pre-Bid Conference for Interested Firms (See Note 2)	May 5, 2009 at 11:00 AM	Turnpike Enterprise Headquarters Turkey Lake Service Plaza Florida's Turnpike, Milepost 263.0 Building 5315, Room 2081 Ocoee, Florida Phone: (407) 532-3999
Deadline for Technical Questions	May 12, 2009 at 5:00 PM	N/A
Bids Due (See Note 1 and Note 2)	May 19, 2009 at 2:30 PM	Turnpike Enterprise Headquarters Turkey Lake Service Plaza Florida's Turnpike, Milepost 263.0 Building 5315, Ocoee, Florida Phone: (407) 532-3999
Posting of Intended Award	May 26, 2009 to May 29, 2009	Internet's Vendor Bid System

NOTES:

Note 1- It is the bidder's responsibility to assure that the bid is delivered to the proper place on or before the Bid Due date and time. Bids which for any reason are not so delivered, will not be considered.

Note 2 - All meetings listed in Section 5, Schedule of Events, are open to the public.

6) SPECIAL ACCOMMODATIONS

Any person with a qualified disability requiring special accommodations at a pre-bid conference, public meeting, and/or opening shall contact the contact person at the phone number, e-mail address or fax number provided on the title page at least five (5) working days prior to the event. If you are hearing or speech impaired, please contact this office by using the Florida Relay Services which can be reached at 1 (800) 955-8771 (TDD).

7) INTENDED AWARD

The Department intends to award this contract to the responsive and responsible bidder that submits the lowest responsive bid. If the Department is confronted with identical pricing or scoring from multiple vendors, the Department shall determine the order of award in accordance with Rule 60A-1.011 Florida Administrative Code.

8) SCOPE OF SERVICES

Details of the services, information and items to be furnished by the Vendor are described in Exhibit "A", Scope of Services, attached hereto and made a part hereof.

9) BID QUESTIONS & ANSWERS

Any technical questions arising from this Invitation to Bid, including clarification regarding administrative aspects of the bid process, must be forwarded in writing and submitted to: **Brenda Martin, brenda.martin@dot.state.fl.us, Phone (407) 264-3995, Fax (407)-822-5821.**

The Department's response to written inquiries submitted timely by bidders will be posted on the Florida Vendor Bid System at www.myflorida.com (click on "BUSINESS", click on "Doing Business with the State", under "Everything for Vendors and Customers", click on "Vendor Bid System (VBS)", then click on "Search Advertisements", under this bid number. **It is the responsibility of all potential bidders to monitor this site for any changing information prior to submitting their bid.**

Only written inquiries from bidders, which are signed by persons authorized to contractually bind the bidders will be recognized by the Department as duly authorized expressions on behalf of the bidders.

10) ORAL INSTRUCTIONS / CHANGES TO THE INVITATION TO BID (ADDENDA)

No negotiations, decisions, or actions will be initiated or executed by a bidder as a result of any oral discussions with a State employee or representative. Only those communications, which are in writing from the Department, will be considered as a duly authorized expression on behalf of the Department.

Notices of changes (addenda) will be posted on the Florida Vendor Bid System at www.myflorida.com (click on “BUSINESS”, click on “Doing Business with the State”, under “Everything for Vendors and Customers”, click on “Vendor Bid System (VBS)”, then click on “Search Advertisements”) under this bid number. It is the responsibility of all potential bidders to monitor this site for any changing information prior to submitting your bid. All addenda will be acknowledged by signature and subsequent submission of addenda with the bid when so stated in the addenda.

11) MANDATORY PRE-BID MEETING

The purpose of this meeting is to provide an open forum for the Department to review the Scope of Services and respond to questions from potential bidders regarding Scope of Services, ITB requirements, contractual requirements, method of compensation, and other conditions or requirements that may, in any manner, affect the work to be performed. Any changes and/or resulting addenda to the ITB will be the sole prerogative of the Department.

Attendance at this pre-bid conference is MANDATORY. Failure by a bidder to attend or be represented at this pre-bid conference will constitute a non-responsive determination of their bid package. Bids found to be non-responsive will not be considered.

12) PROTEST OF INVITATION TO BID SPECIFICATIONS

Any person who is adversely affected by the contents of this Invitation to Bid must file the following with the Department of Transportation, Clerk of Agency Proceedings, 605 Suwannee Street, Mail Station 58, Room 550, Tallahassee, Florida 32399-0450:

1. A written notice of protest within seventy-two (72) hours after the posting of the solicitation, and
2. A formal written protest in compliance with Section 120.57(3), Florida Statutes, within ten (10) days of the date on which the written notice of protest is filed.

Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

13) QUALIFICATIONS

13.1 GENERAL

Vendor must meet the following minimum qualifications:

The Vendor shall maintain and keep in force throughout the life of the contract, renewals, and extensions, the requirements specified below. Failure of the Vendor to comply with these requirements will be sufficient ground for the Turnpike District to declare the contract in default subject to the terms of Section 6, Termination and Default, of the Standard Written Agreement:

1. Certification and Registration

The Vendor shall hold a valid and current certificate or license as a General Contractor or Building Contractor in accordance with Chapter 489, Florida Statutes, authorizing the Vendor to perform the work in all counties specified in this contract.

2. Business Occupational Location

The Vendor shall have a current and valid Occupational License which states the name of the Vendor, street address of the business where all the work covered under the contract will be handled, and the type of work that the Occupational License is issued for (which must be for the same type of services required in the contract).

3. Years of Experience

The organized business enterprise (e.g. corporation, LLC or sole proprietorship), shall have been actively involved in the type of business requested for a minimum of three (3) years and have available a minimum work force of two (2) qualified technicians and/or apprentices. Prior experience shall have been specifically related to maintenance of commercial facilities similar in size, technical scope and volume of work to that specified in the scope of work for the contract.

The Department will investigate carefully to determine if the vendor is responsive, responsible and qualified in the area of work contemplated by this contract.

13.2 BIDDER QUALIFICATIONS

When submitting the bid, each bidder must thoroughly complete the “Certification of Experience Documentation”, Form 1, detailing their qualifications that demonstrate they meet the minimum qualifications contained in Special Condition 13.1, above. **Failure of the bidder to provide such documentation will constitute a non-responsive determination. Bids found to be non-responsive shall not be considered.**

13.3 AUTHORIZED TO DO BUSINESS IN THE STATE OF FLORIDA

In accordance with sections 607.1501, 608.501, and 620.169, Florida Statutes, foreign corporations, foreign limited liability companies, and foreign limited partnerships must be authorized to do business in the State of Florida. Such authorization should be obtained by the bid due date and time, but in any case, must be obtained prior to posting of the intended award of the contract. For authorization, contact:

Florida Department of State
Tallahassee, Florida 32399
(850) 245-6051

13.4 LICENSE TO CONDUCT SERVICES IN THE STATE OF FLORIDA

If the services being provided require that individuals be licensed by the Department of Business and Professional Regulation, such licenses should be obtained by the bid due date and time, but in any case, must be obtained prior to posting of the intended award of the contract. For licensing, contact:

Florida Department of Business and Professional Regulation
Tallahassee, Florida 32399-0797
(850) 487-1395

13.5 REVIEW OF BIDDER'S FACILITIES & QUALIFICATIONS

After the bid due date and prior to contract execution, the Department reserves the right to perform or to have performed, an on-site review of the bidder's facilities and qualifications. This review will serve to verify data and representations submitted by the bidder and may be used to determine whether the bidder has adequate facilities, equipment, qualified and experienced staff, and overall management capabilities to perform the required services. The review may also serve to verify whether the bidder has financial capabilities adequate to meet the contract requirements.

Should the Department determine that the bid package has material misrepresentations or that the size or nature of the bidder's facilities, equipment, management capabilities, or the number of experienced personnel (including technical staff) are not adequate to ensure satisfactory contract performance, the Department has the right to reject the bid.

14) DEPARTMENT RESERVATIONS AND RESPONSIVENESS OF BIDS

14.1 GENERAL

The Department reserves the right to accept or reject any or all bids received and reserves the right to make an award without further discussion of the bids submitted. Therefore, the bidder should make sure that its bid package submitted is complete and accurate and submitted to ensure delivery on or before the bid opening time and date specified in this solicitation. It is understood that the bid will become a part of the Department's official file, without obligation to the Department.

14.2 RESPONSIVENESS OF BIDS

Bids will not be considered if not received by the Department on or before the date and time specified as the due date for submission. All bids must be typed or printed in ink. A responsive bid is an offer to provide the services specified in this Invitation to Bid in accordance with all requirements of this Invitation to Bid. Bids found to be non-responsive will not be considered. Bids may be rejected if found to be irregular or not in conformance with the requirements and instructions herein contained. A bid may be found to be irregular or non-responsive by reasons that include, but are not limited to, failure to utilize or complete prescribed forms, modifying the bid requirements, submitting conditional bids or incomplete bids, submitting indefinite or ambiguous bids, or executing forms or the bid sheet with improper and/or undated signatures. Other conditions which may cause rejection of bids include, evidence of collusion among bidders, obvious lack of experience or expertise to provide the required services, and failure to perform or meet financial obligations on previous contracts.

14.3 OTHER CONDITIONS

Other conditions which may cause rejection of bids include, evidence of collusion among bidders, obvious lack of experience or expertise to perform the required work, failure to perform or meet financial obligations on previous contracts, or in the event an individual, firm, partnership, or corporation is on the United States Comptroller General's List of Ineligible Contractors for Federally Financed or Assisted Projects.

15) CONTRACTUAL OBLIGATIONS

The Vendor will be required to ensure that each individual, partnership, firm, corporation or subcontractor that performs on this contract, will be subject to, and comply with, the contractual requirements.

15.1 UNAUTHORIZED ALIENS

The employment of unauthorized aliens by any contractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of the contract.

15.2 WARRANTY/SUBSTITUTIONS

When performance of the services requires the supply of commodities, a warranty is required on all items provided against defective materials, workmanship, and failure to perform in accordance with required industry performance criteria, for a period of not less than ninety (90) days from the date of acceptance by the purchaser. Any deviation from this criteria must be documented in the bid response or the above statement shall prevail. Delivery of substitute commodities requires prior written approval from the ordering location.

Replacement of all materials found defective within the warranty period shall be made without cost to the purchaser, including transportation if applicable. All fees associated with restocking cancelled orders shall be the responsibility of the vendor.

All items provided during the performance of the contract found to be poorly manufactured will not be accepted, but returned to the vendor, at their expense, for replacement. Replacement of all items found defective shall be made without cost to the Department, including transportation, if applicable. As it may be impossible for each facility to inspect all items upon arrival, a reasonable opportunity must be given to these facilities for inspection of the items, and returning those that are defective.

15.3 LIABILITY INSURANCE

The Vendor shall not commence any work until they have obtained the following types of insurance, and certificates of such insurance have been received by the Department. Nor shall the Vendor allow any subcontractor to commence work on this project until all similar insurance required of the sub-vendor has been so obtained. The Vendor shall submit the required Certificates of Insurance to the **Florida Department of Transportation, Turnpike Enterprise, P.O. Box 613069, Ocoee, Florida 34761-3069, attention Brenda Martin** within ten (10) days after the ending date of the period for posting the intended award decision.

The Vendor must carry and keep in force during the period of this contract a general liability insurance policy or policies with a company authorized to do business in the state of Florida, affording public liability insurance with combined bodily injury limits of at least \$150,000.00 per person and \$300,000.00 each occurrence, and

property damage insurance of at least \$150,000.00 each occurrence, for the services to be rendered in accordance with this contract.

All insurance policies shall be with insurers qualified and licensed to do business in the State of Florida. Such policies shall provide that the insurance is not cancellable except upon thirty (30) days prior written notice to the Department.

The Department shall be exempt from, and in no way liable for, any sums of money which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Vendor or subcontractor providing such insurance.

15.4 STANDARD WRITTEN AGREEMENT

The Department's "Standard Written Agreement" is attached hereto and made a part hereof. The terms and conditions contained therein will become an integral part of the contract resulting from this solicitation. In submitting a bid, the bidder agrees to be legally bound by these terms and conditions.

15.5 PERFORMANCE BOND

A Performance Bond is not required for this project.

15.6 METHOD OF COMPENSATION

Details of the method of compensation, for the Vendor are described in Exhibit "B", Method of Compensation, attached hereto and made a part hereof.

16) CONDITIONS TO THE BID

No conditions may be applied to any aspect of the ITB by the bidder. Any conditions placed on any aspect of the bid documents by the bidder may result in the bid being rejected as a conditional bid (see "RESPONSIVENESS OF BIDS"). **DO NOT WRITE IN CHANGES ON ANY ITB SHEET.** The only recognized changes to the ITB prior to bid opening will be a written addenda issued by the Department.

17) COPYRIGHTED MATERIAL

Copyrighted material will be accepted as part of a bid only if accompanied by a waiver that will allow the Department to make paper and electronic copies necessary for the use of Department staff and agents. It is noted that copyrighted material is not exempt from the Public Records Law, Chapter 119, Florida Statutes. Therefore, such material will be subject to viewing by the public, but copies of the material will not be provided to the public.

18) COSTS INCURRED IN RESPONDING

This Invitation to Bid does not commit the Department or any other public agency to pay any costs incurred by the bidder in the submission of a bid or to make necessary studies or designs for the preparation thereof, nor to procure or contract for any articles or services.

19) BID SUBMISSION

19.1 GENERAL

Sealed bids will be received on the bid due date and time specified in Special Condition 5 herein. **Bids received after that date and time will not be considered.**

By submitting a bid, the bidder represents that it understands and accepts the terms and conditions to be met and the character, quality and scope of services to be provided.

Each bidder must fully acquaint themselves with the conditions relating to the performance of services under the conditions of this bid. This may require an on-site observation.

19.2 MODIFICATIONS, RESUBMITTAL AND WITHDRAWAL

Bidders may modify submitted bids at any time prior to the bid due date. Requests for modification of a submitted bid shall be in writing and must be signed by an authorized signatory of the bidder. Upon receipt and acceptance of such a request, the entire bid will be returned to the bidder and not considered unless resubmitted by the due date and time. Bidders may also send a change in a sealed envelope to be opened at the same time as the bid. The ITB number, opening date and time should appear on the envelope of the modified bid.

19.3 ATTACHMENT TO ITB SUBMITTAL - CONFIDENTIAL MATERIAL

The Bidder must include any materials it asserts to be exempted from public disclosure under Chapter 119, Florida Statutes, in a separate bound document labeled "Attachment to Invitation to Bid, Number ITB-DOT-08/09-8020-BA Confidential Material". The Bidder must identify the specific Statute that authorizes exemption from the Public Records Law. Any claim of confidentiality on materials the Bidder asserts to be exempt from public disclosure and placed elsewhere in the proposal will be considered waived by the Bidder upon submission, effective after opening.

20) "DRUG-FREE WORK PLACE" PREFERENCE

Whenever two or more bids which are equal with respect to price, quality, and service are received, the Department shall determine the order of award in accordance with Rule 60A-1.011 Florida Administrative Code, which includes a preference for bid responses that certify the business has implemented a drug-free workplace program in accordance with Section 287.087, Florida Statutes. The "Drug-Free Workplace Program Certification" must be completed and submitted with the bid response for this preference.

21) POSTING OF INTENDED AWARD

21.1 GENERAL

The Department's decision will be posted on the Florida Vendor Bid System at www.myflorida.com, (click on "BUSINESS", click on "Doing Business with the State", under "Everything for Vendors and Customers", click on "Vendor Bid System (VBS)", on May 26, 2009 at 4:55 P.M., and will remain posted for a period of seventy-two (72) hours. Any bidder who is adversely affected by the Department's recommended award or intended decision must file a protest in accordance with Section 12 herein.

21.2 INABILITY TO POST

If the Department is unable to post as defined above, the Department will notify all bidders by electronic notification on the Florida Vendor Bid System (see special condition 21.1, above) or by mail, fax, and/or telephone. The Department will provide notification of any future posting in a timely manner.

21.3 REQUEST TO WITHDRAW BID

Requests for withdrawal will be considered if received by the Department, in writing, within seventy-two (72) hours after the bid opening time and date. Requests received in accordance with this provision will be granted by the Department upon proof of the impossibility to perform based upon obvious error on the part of the bidder. Bidders that do not withdraw as stated above will forfeit their bid bond, if applicable.

22) AWARD OF THE CONTRACT

Services will be authorized to begin when the Vendor receives the following document(s), as appropriate, indicating the encumbrance of funds and award of the contract:

A Standard Written Agreement executed by both parties, and a written Notice to Proceed, issued by the Project Manager.

23) EXCLUSIVE TERMS AND CONDITIONS

The terms and conditions contained herein are the sole and exclusive terms and conditions authorized and agreed to for this contract, and all other terms and conditions submitted with the Vendor's proposal are deemed null and void and not a part of the contract document.

24) ATTACHMENTS

Exhibit "A"..... Scope of Services

Attachment A – Traffic Control Procedures ("TCP") Lane Closures

Attachment B – Locations

Attachment C – Certification of Disbursement of Previous Payment

Attachment D – Certification of Contract Completion

Exhibit "B".....Method of Compensation

Exhibit "C"Bid Blank

Standard Written Agreement (Copy included for information and review only)

25) FORMS

The Bidder must complete all required items below and submit them as part of the Bid package. Any Bid in which these forms are not used or in which these forms are improperly executed may be considered non-responsive and the bid may be subject to rejection.

Form 1 – Certification of Experience Documentation (two pages)

Form 2 – Drug-Free Workplace Program/ Vehicle Registration/Notice to Sublet Certification

Form 3 - Asbestos Notification

Form 4 - Corporate Resolution (If person signing for the firm is someone other than the Owner or President, a copy of the Corporate Resolution granting signature authorization must be furnished with the Bid Package.)

26) ATTACHED FORMS PUR 1000, GENERAL CONTRACT CONDITIONS AND PUR 1001GENERAL INSTRUCTIONS TO REPONDENTS

These are standard forms from the Department of Management Services that the Department is required to include in all formal solicitations. The following paragraphs do not apply to this Invitation to Bid:

Paragraph 3, Electronic Submission – PUR 1001

Paragraph 4, Terms and Conditions – PUR1001

Paragraph 5, Questions – PUR 1001

Paragraph 31, Dispute Resolution - PUR 1000

1. Definitions. The definitions contained in s. 60A-1.001, F.A.C. shall apply to this agreement. The following additional terms are also defined:

(a) “Contract” means the legally enforceable agreement that results from a successful solicitation. The parties to the Contract will be the Customer and Contractor.

(b) “Customer” means the State agency or other entity identified in a contract as the party to receive commodities or contractual services pursuant to a contract or that orders commodities or contractual services via purchase order or other contractual instrument from the Contractor under the Contract. The “Customer” may also be the “Buyer” as defined in the PUR 1001 if it meets the definition of both terms.

(c) “Product” means any deliverable under the Contract, which may include commodities, services, technology or software.

(d) “Purchase order” means the form or format a Customer uses to make a purchase under the Contract (e.g., a formal written purchase order, electronic purchase order, procurement card, contract or other authorized means).

2. Purchase Orders. In contracts where commodities or services are ordered by the Customer via purchase order, Contractor shall not deliver or furnish products until a Customer transmits a purchase order. All purchase orders shall bear the Contract or solicitation number, shall be placed by the Customer directly with the Contractor, and shall be deemed to incorporate by reference the Contract and solicitation terms and conditions. Any discrepancy between the Contract terms and the terms stated on the Contractor’s order form, confirmation, or acknowledgement shall be resolved in favor of terms most favorable to the Customer. A purchase order for services within the ambit of section 287.058(1) of the Florida Statutes shall be deemed to incorporate by reference the requirements of subparagraphs (a) through (f) thereof. Customers shall designate a contract manager and a contract administrator as required by subsections 287.057(15) and (16) of the Florida Statutes.

3. Product Version. Purchase orders shall be deemed to reference a manufacturer’s most recently release model or version of the product at the time of the order, unless the Customer specifically requests in writing an earlier model or version and the contractor is willing to provide such model or version.

4. Price Changes Applicable only to Term Contracts. If this is a term contract for commodities or services, the following provisions apply.

(a) Quantity Discounts. Contractors are urged to offer additional discounts for one time delivery of large single orders. Customers should seek to negotiate additional price concessions on quantity purchases of any products offered under the Contract. State Customers shall document their files accordingly.

(b) Best Pricing Offer. During the Contract term, if the Customer becomes aware of better pricing offered by the Contractor for substantially the same or a smaller quantity of a product outside the Contract, but upon the same or similar terms of the Contract, then at the discretion of the Customer the price under the Contract shall be immediately reduced to the lower price.

(c) Sales Promotions. In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, a Contractor may conduct sales promotions involving price reductions for a specified lesser period. A Contractor shall submit to the Contract Specialist documentation identifying the proposed (1) starting and ending dates of the promotion, (2) products involved, and (3) promotional prices compared to then-authorized prices. Promotional prices shall be available to all Customers. Upon approval, the Contractor shall provide conspicuous notice of the promotion.

(d) Trade-In. Customers may trade-in equipment when making purchases from the Contract. A trade-in shall be negotiated between the Customer and the Contractor. Customers are obligated to actively seek current fair market value when trading equipment, and to keep accurate records of the process. For State agencies, it may be necessary to provide documentation to the Department of Financial Services and to the agency property custodian pursuant to Chapter 273, F.S.

(e) Equitable Adjustment. The Customer may, in its sole discretion, make an equitable adjustment in the Contract terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Contractor's control, (2) the volatility affects the marketplace or industry, not just the particular Contract source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Contractor that continued performance of the Contract would result in a substantial loss.

5. Additional Quantities. For a period not exceeding ninety (90) days from the date of solicitation award, the Customer reserves the right to acquire additional quantities up to the amount shown on the solicitation but not to exceed the threshold for Category Two at the prices submitted in the response to the solicitation.

6. Packaging. Tangible product shall be securely and properly packed for shipment, storage, and stocking in appropriate, clearly labeled, shipping containers and according to

accepted commercial practice, without extra charge for packing materials, cases, or other types of containers. All containers and packaging shall become and remain Customer's property.

7. Inspection at Contractor's Site. The Customer reserves the right to inspect, at any reasonable time with prior notice, the equipment or product or plant or other facilities of a Contractor to assess conformity with Contract requirements and to determine whether they are adequate and suitable for proper and effective Contract performance.

8. Safety Standards. All manufactured items and fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate State inspector. Acceptability customarily requires, at a minimum, identification marking of the appropriate safety standard organization, where such approvals of listings have been established for the type of device offered and furnished, for example: the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and/or National Electrical Manufacturers' Association for electrically operated assemblies; and the American Gas Association for gas-operated assemblies. In addition, all items furnished shall meet all applicable requirements of the Occupational Safety and Health Act and state and federal requirements relating to clean air and water pollution.

9. Americans with Disabilities Act. Contractors should identify any products that may be used or adapted for use by visually, hearing, or other physically impaired individuals.

10. Literature. Upon request, the Contractor shall furnish literature reasonably related to the product offered, for example, user manuals, price schedules, catalogs, descriptive brochures, etc.

11. Transportation and Delivery. Prices shall include all charges for packing, handling, freight, distribution, and inside delivery. Transportation of goods shall be FOB Destination to any point within thirty (30) days after the Customer places an Order. A Contractor, within five (5) days after receiving a purchase order, shall notify the Customer of any potential delivery delays. Evidence of inability or intentional delays shall be cause for Contract cancellation and Contractor suspension.

12. Installation. Where installation is required, Contractor shall be responsible for placing and installing the product in the required locations at no additional charge, unless otherwise designated on the Contract or purchase order. Contractor's authorized product and price list shall clearly and separately identify any additional installation charges. All materials used in the installation shall be of good quality and shall be free of defects that would diminish the appearance of the product or render it structurally or operationally unsound. Installation includes the furnishing of any equipment, rigging, and materials required to install or replace the product in the proper location. Contractor shall protect the site from damage and shall repair damages or injury caused during installation by Contractor or its employees or agents. If any alteration, dismantling, excavation, etc., is

required to achieve installation, the Contractor shall promptly restore the structure or site to its original condition. Contractor shall perform installation work so as to cause the least inconvenience and interference with Customers and with proper consideration of others on site. Upon completion of the installation, the location and surrounding area of work shall be left clean and in a neat and unobstructed condition, with everything in satisfactory repair and order.

13. Risk of Loss. Matters of inspection and acceptance are addressed in s. 215.422, F.S. Until acceptance, risk of loss or damage shall remain with the Contractor. The Contractor shall be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer shall: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer rejects a product, Contractor shall remove it from the premises within ten days after notification or rejection. Upon rejection notification, the risk of loss of rejected or non-conforming product shall remain with the Contractor. Rejected product not removed by the Contractor within ten days shall be deemed abandoned by the Contractor, and the Customer shall have the right to dispose of it as its own property. Contractor shall reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected product.

14. Transaction Fee. The State of Florida has instituted MyFloridaMarketPlace, a statewide eProcurement System ("System"). Pursuant to section 287.057(23), Florida Statutes (2002), all payments shall be assessed a Transaction Fee of one percent (1.0%), which the Contractor shall pay to the State, unless exempt pursuant to 60A-1.032, F.A.C.

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the Contractor. If automatic deduction is not possible, the Contractor shall pay the Transaction Fee pursuant to Rule 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, Contractor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

Contractor shall receive a credit for any Transaction Fee paid by the Contractor for the purchase of any item(s) if such item(s) are returned to the Contractor through no fault, act, or omission of the Contractor. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the Contractor's failure to perform or comply with specifications or requirements of the agreement.

Failure to comply with these requirements shall constitute grounds for declaring the Contractor in default and recovering procurement costs from the Contractor in addition to all outstanding fees. **CONTRACTORS DELINQUENT IN PAYING TRANSACTION FEES MAY BE SUBJECT TO BEING REMOVED FROM THE DEPARTMENT OF MANAGEMENT SERVICES' VENDOR LIST AS PROVIDED IN RULE 60A-1.006, F.A.C.**

15. Invoicing and Payment. Invoices shall contain the Contract number, purchase order number if applicable, and the appropriate vendor identification number. The State may

require any other information from the Contractor that the State deems necessary to verify any purchase order placed under the Contract.

At the State's option, Contractors may be required to invoice electronically pursuant to guidelines of the Department of Management Services. Current guidelines require that Contractor supply electronic invoices in lieu of paper-based invoices for those transactions processed through the system. Electronic invoices shall be submitted to the Customer through the Ariba Supplier Network (ASN) in one of the following mechanisms – EDI 810, cXML, or web-based invoice entry within the ASN.

Payment shall be made in accordance with sections 215.422 and 287.0585 of the Florida Statutes, which govern time limits for payment of invoices. Invoices that must be returned to a Contractor due to preparation errors will result in a delay in payment. Contractors may call (850) 413-7269 Monday through Friday to inquire about the status of payments by State Agencies. The Customer is responsible for all payments under the Contract. A Customer's failure to pay, or delay in payment, shall not constitute a breach of the Contract and shall not relieve the Contractor of its obligations to the Department or to other Customers.

16. Taxes. The State does not pay Federal excise or sales taxes on direct purchases of tangible personal property. The State will not pay for any personal property taxes levied on the Contractor or for any taxes levied on employees' wages. Any exceptions to this paragraph shall be explicitly noted by the Customer in the special contract conditions section of the solicitation or in the Contract or purchase order.

17. Governmental Restrictions. If the Contractor believes that any governmental restrictions have been imposed that require alteration of the material, quality, workmanship or performance of the products offered under the Contract, the Contractor shall immediately notify the Customer in writing, indicating the specific restriction. The Customer reserves the right and the complete discretion to accept any such alteration or to cancel the Contract at no further expense to the Customer.

18. Lobbying and Integrity. Customers shall ensure compliance with Section 11.062, FS and Section 216.347, FS. The Contractor shall not, in connection with this or any other agreement with the State, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any State officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any State officer or employee. For purposes of clause (2), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. Upon request of the Customer's Inspector General, or other authorized State official, the Contractor shall provide any type of information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor shall retain such records for the longer

of (1) three years after the expiration of the Contract or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: <http://dls.dos.state.fl.us/barm/genschedules/gensched.htm>). The Contractor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for any costs of investigations that do not result in the Contractor's suspension or debarment.

19. Indemnification. The Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and Customers, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or a Customer.

Further, the Contractor shall fully indemnify, defend, and hold harmless the State and Customers from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a Customer's misuse or modification of Contractor's products or a Customer's operation or use of Contractor's products in a manner not contemplated by the Contract or the purchase order. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the Customer the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure the Customer the right to continue using the product, the Contractor shall remove the product and refund the Customer the amounts paid in excess of a reasonable rental for past use. The customer shall not be liable for any royalties.

The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or Customer giving the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the State or Customer in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

20. Limitation of Liability. For all claims against the Contractor under any contract or

purchase order, and regardless of the basis on which the claim is made, the Contractor's liability under a contract or purchase order for direct damages shall be limited to the greater of \$100,000, the dollar amount of the contract or purchase order, or two times the charges rendered by the Contractor under the purchase order. This limitation shall not apply to claims arising under the Indemnity paragraph contain in this agreement.

Unless otherwise specifically enumerated in the Contract or in the purchase order, no party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records (unless the contract or purchase order requires the Contractor to back-up data or records), even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The State and Customer may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them. The State may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due the Contractor under any contract with the State.

21. Suspension of Work. The Customer may in its sole discretion suspend any or all activities under the Contract or purchase order, at any time, when in the best interests of the State to do so. The Customer shall provide the Contractor written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor shall comply with the notice and shall not accept any purchase orders. Within ninety days, or any longer period agreed to by the Contractor, the Customer shall either (1) issue a notice authorizing resumption of work, at which time activity shall resume, or (2) terminate the Contract or purchase order. Suspension of work shall not entitle the Contractor to any additional compensation.

22. Termination for Convenience. The Customer, by written notice to the Contractor, may terminate the Contract in whole or in part when the Customer determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

23. Termination for Cause. The Customer may terminate the Contract if the Contractor fails to (1) deliver the product within the time specified in the Contract or any extension, (2) maintain adequate progress, thus endangering performance of the Contract, (3) honor any term of the Contract, or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from events completely beyond the control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is

completely beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Customer. The rights and remedies of the Customer in this clause are in addition to any other rights and remedies provided by law or under the Contract.

24. Force Majeure, Notice of Delay, and No Damages for Delay. The Contractor shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. In case of any delay the Contractor believes is excusable, the Contractor shall notify the Customer in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) days after the date the Contractor first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Customer. The Contractor shall not be entitled to an increase in the Contract price or payment of any kind from the Customer for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Customer determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to Customers, in which case the Customer may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers with respect to products subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

25. Changes. The Customer may unilaterally require, by written order, changes altering, adding to, or deducting from the Contract specifications, provided that such changes are within the general scope of the Contract. The Customer may make an equitable adjustment in the Contract price or delivery date if the change affects the cost or time of performance. Such equitable adjustments require the written consent of the Contractor,

which shall not be unreasonably withheld. If unusual quantity requirements arise, the Customer may solicit separate bids to satisfy them.

26. Renewal. Upon mutual agreement, the Customer and the Contractor may renew the Contract, in whole or in part, for a period that may not exceed 3 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the solicitation response. The renewal must be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.

27. Purchase Order Duration. Purchase orders issued pursuant to a state term or agency contract must be received by the Contractor no later than close of business on the last day of the contract's term to be considered timely. The Contractor is obliged to fill those orders in accordance with the contract's terms and conditions. Purchase orders received by the contractor after close of business on the last day of the state term or agency contract's term shall be considered void.

Purchase orders for a one-time delivery of commodities or performance of contractual services shall be valid through the performance by the Contractor, and all terms and conditions of the state term or agency contract shall apply to the single delivery/performance, and shall survive the termination of the Contract.

Contractors are required to accept purchase orders specifying delivery schedules exceeding the contracted schedule even when such extended delivery will occur after expiration of the state term or agency contract. For example, if a state term contract calls for delivery 30 days after receipt of order (ARO), and an order specifies delivery will occur both in excess of 30 days ARO and after expiration of the state term contract, the Contractor will accept the order. However, if the Contractor expressly and in writing notifies the ordering office within ten (10) calendar days of receipt of the purchase order that Contractor will not accept the extended delivery terms beyond the expiration of the state term contract, then the purchase order will either be amended in writing by the ordering entity within ten (10) calendar days of receipt of the contractor's notice to reflect the state term contract delivery schedule, or it shall be considered withdrawn.

The duration of purchase orders for recurring deliveries of commodities or performance of services shall not exceed the expiration of the state term or agency contract by more than twelve months. However, if an extended pricing plan offered in the state term or agency contract is selected by the ordering entity, the contract terms on pricing plans and renewals shall govern the maximum duration of purchase orders reflecting such pricing plans and renewals.

Timely purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the state term or agency contract shall apply to the recurring delivery/performance as provided herein, and shall survive the termination of the Contract.

Ordering offices shall not renew a purchase order issued pursuant to a state term or agency contract if the underlying contract expires prior to the effective date of the renewal.

28. Advertising. Subject to Chapter 119, Florida Statutes, the Contractor shall not publicly disseminate any information concerning the Contract without prior written approval from the Customer, including, but not limited to mentioning the Contract in a press release or other promotional material, identifying the Customer or the State as a reference, or otherwise linking the Contractor's name and either a description of the Contract or the name of the State or the Customer in any material published, either in print or electronically, to any entity that is not a party to Contract, except potential or actual authorized distributors, dealers, resellers, or service representative.

29. Assignment. The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Contract, or under any purchase order issued pursuant to the Contract, without the prior written consent of the Customer. In the event of any assignment, the Contractor remains secondarily liable for performance of the contract, unless the Customer expressly waives such secondary liability. The Customer may assign the Contract with prior written notice to Contractor of its intent to do so.

30. Antitrust Assignment. The Contractor and the State of Florida recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the State of Florida. Therefore, the contractor hereby assigns to the State of Florida any and all claims for such overcharges as to goods, materials or services purchased in connection with the Contract.

31. Dispute Resolution. Any dispute concerning performance of the Contract shall be decided by the Customer's designated contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The decision shall be final and conclusive unless within twenty one (21) days from the date of receipt, the Contractor files with the Customer a petition for administrative hearing. The Customer's decision on the petition shall be final, subject to the Contractor's right to review pursuant to Chapter 120 of the Florida Statutes. Exhaustion of administrative remedies is an absolute condition precedent to the Contractor's ability to pursue any other form of dispute resolution; provided, however, that the parties may employ the alternative dispute resolution procedures outlined in Chapter 120.

Without limiting the foregoing, the exclusive venue of any legal or equitable action that arises out of or relates to the Contract shall be the appropriate state court in Leon County, Florida; in any such action, Florida law shall apply and the parties waive any right to jury trial.

32. Employees, Subcontractors, and Agents. All Contractor employees, subcontractors, or agents performing work under the Contract shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Contractor shall furnish a copy of technical certification or other proof of qualification.

All employees, subcontractors, or agents performing work under the Contract must comply with all security and administrative requirements of the Customer and shall comply with all controlling laws and regulations relevant to the services they are providing under the Contract. The State may conduct, and the Contractor shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Contractor. The State may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with a Customer's security or other requirements. Such approval shall not relieve the Contractor of its obligation to perform all work in compliance with the Contract. The State may reject and bar from any facility for cause any of the Contractor's employees, subcontractors, or agents.

33. Security and Confidentiality. The Contractor shall comply fully with all security procedures of the United States, State of Florida and Customer in performance of the Contract. The Contractor shall not divulge to third parties any confidential information obtained by the Contractor or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Contract work, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of the State or Customer. The Contractor shall not be required to keep confidential information or material that is publicly available through no fault of the Contractor, material that the Contractor developed independently without relying on the State's or Customer's confidential information, or material that is otherwise obtainable under State law as a public record. To insure confidentiality, the Contractor shall take appropriate steps as to its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Contract.

34. Contractor Employees, Subcontractors, and Other Agents. The Customer and the State shall take all actions necessary to ensure that Contractor's employees, subcontractors and other agents are not employees of the State of Florida. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors, and other agents receive benefits and necessary insurance (health, workers' compensations, and unemployment) from an employer other than the State of Florida.

35. Insurance Requirements. During the Contract term, the Contractor at its sole expense shall provide commercial insurance of such a type and with such terms and limits as may be reasonably associated with the Contract. Providing and maintaining adequate insurance coverage is a material obligation of the Contractor. Upon request, the Contractor shall provide certificate of insurance. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under the Contract. All insurance policies shall be through insurers authorized or eligible to write policies in Florida.

36. Warranty of Authority. Each person signing the Contract warrants that he or she is duly authorized to do so and to bind the respective party to the Contract.

37. Warranty of Ability to Perform. The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. The Contractor shall immediately notify the Customer in writing if its ability to perform is compromised in any manner during the term of the Contract.

38. Notices. All notices required under the Contract shall be delivered by certified mail, return receipt requested, by reputable air courier service, or by personal delivery to the agency designee identified in the original solicitation, or as otherwise identified by the Customer. Notices to the Contractor shall be delivered to the person who signs the Contract. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

39. Leases and Installment Purchases. Prior approval of the Chief Financial Officer (as defined in Section 17.001, F.S.) is required for State agencies to enter into or to extend any lease or installment-purchase agreement in excess of the Category Two amount established by section 287.017 of the Florida Statutes.

40. Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE). Section 946.515(2), F.S. requires the following statement to be included in the solicitation: "It is expressly understood and agreed that any articles which are the subject of, or required to carry out, the Contract shall be purchased from the corporation identified under Chapter 946 of the Florida Statutes (PRIDE) in the same manner and under the same procedures set forth in section 946.515(2) and (4) of the Florida Statutes; and for purposes of the Contract the person, firm, or other business entity carrying out the provisions of the Contract shall be deemed to be substituted for the agency insofar as dealings with such corporation are concerned." Additional information about PRIDE and the products it offers is available at <http://www.pridefl.com>.

41. Products Available from the Blind or Other Handicapped. Section 413.036(3), F.S. requires the following statement to be included in the solicitation: "It is expressly understood and agreed that any articles that are the subject of, or required to carry out, this contract shall be purchased from a nonprofit agency for the Blind or for the Severely Handicapped that is qualified pursuant to Chapter 413, Florida Statutes, in the same manner and under the same procedures set forth in section 413.036(1) and (2), Florida Statutes; and for purposes of this contract the person, firm, or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the State agency insofar as dealings with such qualified nonprofit agency are concerned." Additional information about the designated nonprofit agency and the products it offers is available at <http://www.respectofflorida.org>.

42. Modification of Terms. The Contract contains all the terms and conditions agreed upon by the parties, which terms and conditions shall govern all transactions between the Customer and the Contractor. The Contract may only be modified or amended upon mutual written agreement of the Customer and the Contractor. No oral agreements or representations shall be valid or binding upon the Customer or the Contractor. No alteration or modification of the Contract terms, including substitution of product, shall be valid or binding against the Customer. The Contractor may not unilaterally modify the terms of the Contract by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, “shrink wrap” terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Contractor’s order or fiscal forms or other documents forwarded by the Contractor for payment. The Customer's acceptance of product or processing of documentation on forms furnished by the Contractor for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

43. Cooperative Purchasing. Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Non-Customer purchases are independent of the agreement between Customer and Contractor, and Customer shall not be a party to any transaction between the Contractor and any other purchaser.

State agencies wishing to make purchases from this agreement are required to follow the provisions of s. 287.042(16)(a), F.S. This statute requires the Department of Management Services to determine that the requestor's use of the contract is cost-effective and in the best interest of the State.

44. Waiver. The delay or failure by the Customer to exercise or enforce any of its rights under this Contract shall not constitute or be deemed a waiver of the Customer’s right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

45. Annual Appropriations. The State’s performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

46. Execution in Counterparts. The Contract may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

47. Severability. If a court deems any provision of the Contract void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.

20. Protests.
21. Limitation on Vendor Contact with Agency During Solicitation Period

1. Definitions. The definitions found in s. 60A-1.001, F.A.C. shall apply to this agreement. The following additional terms are also defined:

- (a) "Buyer" means the entity that has released the solicitation. The "Buyer" may also be the "Customer" as defined in the PUR 1000 if that entity meets the definition of both terms.
- (b) "Procurement Officer" means the Buyer's contracting personnel, as identified in the Introductory Materials.
- (c) "Respondent" means the entity that submits materials to the Buyer in accordance with these Instructions.
- (d) "Response" means the material submitted by the respondent in answering the solicitation.
- (e) "Timeline" means the list of critical dates and actions included in the Introductory Materials.

2. General Instructions. Potential respondents to the solicitation are encouraged to carefully review all the materials contained herein and prepare responses accordingly.

3. Electronic Submission of Responses. Respondents are required to submit responses electronically. For this purpose, all references herein to signatures, signing requirements, or other required acknowledgments hereby include electronic signature by means of clicking the "Submit Response" button (or other similar symbol or process) attached to or logically associated with the response created by the respondent within MyFloridaMarketPlace. The respondent agrees that the action of electronically submitting its response constitutes:

- an electronic signature on the response, generally,
- an electronic signature on any form or section specifically calling for a signature, and
- an affirmative agreement to any statement contained in the solicitation that requires a definite confirmation or acknowledgement.

4. Terms and Conditions. All responses are subject to the terms of the following sections of this solicitation, which, in case of conflict, shall have the order of precedence listed:

- Technical Specifications,
- Special Conditions and Instructions,
- Instructions to Respondents (PUR 1001),
- General Conditions (PUR 1000), and
- Introductory Materials.

The Buyer objects to and shall not consider any additional terms or conditions submitted by a respondent, including any appearing in documents attached as part of a respondent's response. In submitting its response, a respondent agrees that any additional terms or conditions, whether submitted intentionally or inadvertently, shall have no force or effect. Failure to comply with terms and conditions, including those specifying information that must be submitted with a response, shall be grounds for rejecting a response.

5. Questions. Respondents shall address all questions regarding this solicitation to the Procurement Officer. Questions must be submitted via the Q&A Board within MyFloridaMarketPlace and must be RECEIVED NO LATER THAN the time and date reflected on the Timeline. Questions shall be answered in accordance with the Timeline. All questions submitted shall be published and answered in a manner that all respondents will be able to view. Respondents shall not contact any other employee of the Buyer or the State for information with respect to this solicitation. Each respondent is responsible for monitoring the MyFloridaMarketPlace site for new or changing information. The Buyer shall not be bound by any verbal information or by any written information that is not contained within the solicitation documents or formally noticed and issued by the Buyer's contracting personnel. Questions to the Procurement Officer or to any Buyer personnel shall not constitute formal protest of the specifications or of the solicitation, a process addressed in paragraph 19 of these Instructions.

6. Conflict of Interest. This solicitation is subject to chapter 112 of the Florida Statutes. Respondents shall disclose with their response the name of any officer, director, employee or other agent who is also an employee of the State. Respondents shall also

disclose the name of any State employee who owns, directly or indirectly, an interest of five percent (5%) or more in the respondent or its affiliates.

7. Convicted Vendors. A person or affiliate placed on the convicted vendor list following a conviction for a public entity crime is prohibited from doing any of the following for a period of 36 months from the date of being placed on the convicted vendor list:

- submitting a bid on a contract to provide any goods or services to a public entity;
- submitting a bid on a contract with a public entity for the construction or repair of a public building or public work;
- submitting bids on leases of real property to a public entity;
- being awarded or performing work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and
- transacting business with any public entity in excess of the Category Two threshold amount (\$25,000) provided in section 287.017 of the Florida Statutes.

8. Discriminatory Vendors. An entity or affiliate placed on the discriminatory vendor list pursuant to section 287.134 of the Florida Statutes may not:

- submit a bid on a contract to provide any goods or services to a public entity;
- submit a bid on a contract with a public entity for the construction or repair of a public building or public work;
- submit bids on leases of real property to a public entity;
- be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity; or
- transact business with any public entity.

9. Respondent's Representation and Authorization. In submitting a response, each respondent understands, represents, and acknowledges the following (if the respondent cannot so certify to any of following, the respondent shall submit with its response a written explanation of why it cannot do so).

- The respondent is not currently under suspension or debarment by the State or any other governmental authority.
- To the best of the knowledge of the person signing the response, the respondent, its affiliates, subsidiaries, directors, officers, and employees are not currently under investigation by any governmental authority and have not in the last ten (10) years been convicted or found liable for any act prohibited by law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.
- Respondent currently has no delinquent obligations to the State, including a claim by the State for liquidated damages under any other contract.
- The submission is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive response.
- The prices and amounts have been arrived at independently and without consultation, communication, or agreement with any other respondent or potential

respondent; neither the prices nor amounts, actual or approximate, have been disclosed to any respondent or potential respondent, and they will not be disclosed before the solicitation opening.

- The respondent has fully informed the Buyer in writing of all convictions of the firm, its affiliates (as defined in section 287.133(1)(a) of the Florida Statutes), and all directors, officers, and employees of the firm and its affiliates for violation of state or federal antitrust laws with respect to a public contract for violation of any state or federal law involving fraud, bribery, collusion, conspiracy or material misrepresentation with respect to a public contract. This includes disclosure of the names of current employees who were convicted of contract crimes while in the employ of another company.
- Neither the respondent nor any person associated with it in the capacity of owner, partner, director, officer, principal, investigator, project director, manager, auditor, or position involving the administration of federal funds:
 - Has within the preceding three years been convicted of or had a civil judgment rendered against them or is presently indicted for or otherwise criminally or civilly charged for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state, or local government transaction or public contract; violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; or
 - Has within a three-year period preceding this certification had one or more federal, state, or local government contracts terminated for cause or default.
- The product offered by the respondent will conform to the specifications without exception.
- The respondent has read and understands the Contract terms and conditions, and the submission is made in conformance with those terms and conditions.
- If an award is made to the respondent, the respondent agrees that it intends to be legally bound to the Contract that is formed with the State.
- The respondent has made a diligent inquiry of its employees and agents responsible for preparing, approving, or submitting the response, and has been advised by each of them that he or she has not participated in any communication, consultation, discussion, agreement, collusion, act or other conduct inconsistent with any of the statements and representations made in the response.
- The respondent shall indemnify, defend, and hold harmless the Buyer and its employees against any cost, damage, or expense which may be incurred or be caused by any error in the respondent's preparation of its bid.
- All information provided by, and representations made by, the respondent are material and important and will be relied upon by the Buyer in awarding the Contract. Any misstatement shall be treated as fraudulent concealment from the Buyer of the true facts relating to submission of the bid. A misrepresentation shall be punishable under law, including, but not limited to, Chapter 817 of the Florida Statutes.

10. Manufacturer's Name and Approved Equivalents. Unless otherwise specified, any manufacturers' names, trade names, brand names, information or catalog numbers listed in a specification are descriptive, not restrictive. With the Buyer's prior approval, the Contractor may provide any product that meets or exceeds the applicable specifications. The Contractor shall demonstrate comparability, including appropriate catalog materials, literature, specifications, test data, etc. The Buyer shall determine in its sole discretion whether a product is acceptable as an equivalent.

11. Performance Qualifications. The Buyer reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Respondent meet the Contract requirements. Respondent shall at all times during the Contract term remain responsive and responsible. In determining Respondent's responsibility as a vendor, the agency shall consider all information or evidence which is gathered or comes to the attention of the agency which demonstrates the Respondent's capability to fully satisfy the requirements of the solicitation and the contract.

Respondent must be prepared, if requested by the Buyer, to present evidence of experience, ability, and financial standing, as well as a statement as to plant, machinery, and capacity of the respondent for the production, distribution, and servicing of the product bid. If the Buyer determines that the conditions of the solicitation documents are not complied with, or that the product proposed to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the Buyer may reject the response or terminate the Contract. Respondent may be disqualified from receiving awards if respondent, or anyone in respondent's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. This paragraph shall not mean or imply that it is obligatory upon the Buyer to make an investigation either before or after award of the Contract, but should the Buyer elect to do so, respondent is not relieved from fulfilling all Contract requirements.

12. Public Opening. Responses shall be opened on the date and at the location indicated on the Timeline. Respondents may, but are not required to, attend. The Buyer may choose not to announce prices or release other materials pursuant to s. 119.071(1)(b), Florida Statutes. Any person requiring a special accommodation because of a disability should contact the Procurement Officer at least five (5) workdays prior to the solicitation opening. If you are hearing or speech impaired, please contact the Buyer by using the Florida Relay Service at (800) 955-8771 (TDD).

13. Electronic Posting of Notice of Intended Award. Based on the evaluation, on the date indicated on the Timeline the Buyer shall electronically post a notice of intended award at http://fcn.state.fl.us/owa_vbs/owa/vbs_www.main_menu. If the notice of award is delayed, in lieu of posting the notice of intended award the Buyer shall post a notice of the delay and a revised date for posting the notice of intended award. Any person who is adversely affected by the decision shall file with the Buyer a notice of protest within 72 hours after the electronic posting. The Buyer shall not provide tabulations or notices of award by telephone.

14. Firm Response. The Buyer may make an award within sixty (60) days after the date of the opening, during which period responses shall remain firm and shall not be withdrawn. If award is not made within sixty (60) days, the response shall remain firm until either the Buyer awards the Contract or the Buyer receives from the respondent written notice that the response is withdrawn. Any response that expresses a shorter duration may, in the Buyer's sole discretion, be accepted or rejected.

15. Clarifications/Revisions. Before award, the Buyer reserves the right to seek clarifications or request any information deemed necessary for proper evaluation of submissions from all respondents deemed eligible for Contract award. Failure to provide requested information may result in rejection of the response.

16. Minor Irregularities/Right to Reject. The Buyer reserves the right to accept or reject any and all bids, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if the Buyer determines that doing so will serve the State's best interests. The Buyer may reject any response not submitted in the manner specified by the solicitation documents.

17. Contract Formation. The Buyer shall issue a notice of award, if any, to successful respondent(s), however, no contract shall be formed between respondent and the Buyer until the Buyer signs the Contract. The Buyer shall not be liable for any costs incurred by a respondent in preparing or producing its response or for any work performed before the Contract is effective.

18. Contract Overlap. Respondents shall identify any products covered by this solicitation that they are currently authorized to furnish under any state term contract. By entering into the Contract, a Contractor authorizes the Buyer to eliminate duplication between agreements in the manner the Buyer deems to be in its best interest.

19. Public Records. Article 1, section 24, Florida Constitution, guarantees every person access to all public records, and Section 119.011, Florida Statutes, provides a broad definition of public record. As such, all responses to a competitive solicitation are public records unless exempt by law. Any respondent claiming that its response contains information that is exempt from the public records law shall clearly segregate and mark that information and provide the specific statutory citation for such exemption.

20. Protests. Any protest concerning this solicitation shall be made in accordance with sections 120.57(3) and 287.042(2) of the Florida Statutes and chapter 28-110 of the Florida Administrative Code. Questions to the Procurement Officer shall not constitute formal notice of a protest. It is the Buyer's intent to ensure that specifications are written to obtain the best value for the State and that specifications are written to ensure competitiveness, fairness, necessity and reasonableness in the solicitation process.

Section 120.57(3)(b), F.S. and Section 28-110.003, Fla. Admin. Code require that a notice of protest of the solicitation documents shall be made within seventy-two hours after the posting of the solicitation.

Section 120.57(3)(a), F.S. requires the following statement to be included in the solicitation: "Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes."

Section 28-110.005, Fla. Admin. Code requires the following statement to be included in the solicitation: "Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes."

21. Limitation on Vendor Contact with Agency During Solicitation Period. Respondents to this solicitation or persons acting on their behalf may not contact, between the release of the solicitation and the end of the 72-hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response.

*If person signing the form is someone other than the Owner or President, a copy of the Corporate Resolution granting signature authorization must be furnished in the bid package.

FORM MUST BE EXECUTED AND SUBMITTED WITH THE BID PACKAGE

CONTRACTOR NOTIFICATION

TO: All Contractors

FROM: Turnpike Asbestos Coordinator
(954) 975-4855
Pompano Beach, Florida

SUBJECT: ASBESTOS-CONTAINING MATERIALS IN TURNPIKE FACILITIES

It is possible that you may encounter Asbestos-containing materials (ACM) while working in State-owned buildings since ACM are present in many of these buildings. The presence of ACM does not necessarily mean that a hazard exists. However, a hazard may be created when ACM is disturbed and asbestos fibers become airborne. The best way to maintain a safe environment is to avoid disturbance of ACM.

Prominently posted in each building is an "Occupant Notification" which summarizes known locations of ACM in that building. An Operations and Maintenance (O & M) plan has been developed for these known locations of ACM. Since the known locations may or may not include all ACM, workers must exercise caution and be watchful for materials that might contain asbestos. You must avoid inadvertently disturbing ACM or suspected ACM as you carry out your work.

If you need additional information regarding ACM in a particular building or would like to see a copy of the O & M Plan, contact the Building Asbestos Contact Person (BACPer) responsible for that building or the Turnpike Asbestos Coordinator. The specific designated BACPer (name and telephone) is listed on the "Occupant Notification".

If your work necessitates the disturbance of ACM, you shall take all precautions necessary to protect human health and the environment from asbestos fibers. At a minimum, you must use the procedures found in the O & M Plan; comply with all federal, state and local laws governing work with asbestos; assure that your employees are medically certified, trained and equipped with the proper personal protective devices for safe handling of ACM; and ensure that all employees performing work with ACM related to State-owned buildings execute a "Certificate of Worker's Acknowledgment" prior to beginning work. Immediately upon inadvertently or before disturbing ACM in any State-owned building you must notify the designated BACPer.

ACKNOWLEDGMENT OF ASBESTOS WARNING

I, _____ (Name) Owner, President, or Designated Officer (Corp. Resolution*) _____ (Title)
of _____, hereby acknowledge receipt of the above memorandum about
(Name of Business)

Asbestos-Containing Materials (ACM) Information for Turnpike Facilities and information on how to contact the Building Asbestos Contact Person (BACPer), for information regarding how to find out where asbestos-containing materials are located and how to avoid any contact with ACM.

Signature: _____ Date: _____
Owner, President, or Designated Officer (Corp. Resolution*)

* If person signing for the Business or LLC is someone other than the Owner, or President, a copy of the Corporate Resolution granting signature authorization must be furnished in the bid package.

FORM MUST BE EXECUTED AND SUBMITTED WITH THE BID PACKAGE

CORPORATE RESOLUTION OF

(recite name of Business)

WHEREAS, it is in the best interests of this corporation to enter into a contract with the State of Florida, Department of Transportation for

NOW THEREFORE, IT IS RESOLVED, that _____ (title of authorized officer; (e.g., Vice President) of this Business is hereby authorized and empowered on behalf of the Business to enter into a contract with the State of Florida, Department of Transportation, in consideration of _____ Dollars (\$_____), upon the terms and conditions contained in the proposed contract, a copy of which is attached hereto as Exhibit A, and made a part hereof.

ESTIMATED QUANTITIES CONTRACT

STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION
STANDARD WRITTEN AGREEMENT

Agreement No. _____
Financial Project ID 415454-2-52-01
Vendor No. _____
Procurement No. ITB-DOT-08/09-8020-BA
D.M.S. Catalog Class No. 922-020

BY THIS AGREEMENT, made and entered into this _____ day of _____, 2009, by and between the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION, hereinafter called "Department" and _____, duly authorized to conduct business in the State of Florida, hereinafter called "Vendor," hereby agree as follows:

1. SERVICES AND PERFORMANCE

- A. In connection with seeking the services of a licensed, qualified and experienced Vendor to provide Concrete Repair, Emergency Restoration, Waterproofing and Sealing services at various facilities along the Florida's Turnpike Mainline, Milepost 172.0 to Milepost 308.0, Seminole Expressway, Milepost 38.0 to Milepost 55.0, Beachline Expressway, Milepost 0.0 to Milepost 8.0, Southern Connector, Milepost 0.0 to Milepost 6.0, Veterans Expressway, Milepost 2.0 to Milepost 14.0, Polk Parkway, Milepost 0.0 to Milepost 24.0, Daniel Webster Western Beltway, Milepost 1.0 to Milepost 11.0 and the Suncoast Parkway, Milepost 14.0 to Milepost 54.0., the Department does hereby retain the Vendor to furnish certain services, information, and items as described in Exhibit "A", attached hereto and made a part hereof.
- B. Before making any additions or deletions to the work described in this Agreement, and before undertaking any changes or revisions to such work, the parties shall negotiate any necessary cost changes and shall enter into an Amendment covering such work and compensation. Reference herein to this Agreement shall include any Amendment(s).
- C. All tracings, plans, specifications, maps, computer files and reports prepared or obtained under this Agreement, as well as all data collected, together with summaries and charts derived therefrom, shall be the exclusive property of the Department without restriction or limitation on their use and shall be made available, upon request, to the Department at any time during the performance of such services and/or upon completion or termination of this Agreement. Upon delivery to the Department of said document(s), the Department shall become the custodian thereof in accordance with Chapter 119, Florida Statutes. The Vendor shall not copyright any material and products or patent any invention developed under this Agreement. The Department shall have the right to visit the site for inspection of the work and the products of the Vendor at any time.
- D. All final plans, documents, reports, studies and other data prepared by the Vendor shall bear the professional's seal/signature, in accordance with the applicable Florida Statutes, Administrative Rules promulgated by the Department of Business and Professional Regulation, and guidelines published by the Department, in effect at the time of execution of this Agreement. In the event that changes in the Statutes or Rules create a conflict with the requirements of the published guidelines, requirements of the Statute and Rules shall take precedence.
- E. The Vendor agrees to provide project schedule progress reports in a format acceptable to the Department and at intervals established by the Department. The Department shall be entitled at all times to be advised, at its request, as to the status of work being done by the Vendor and of the details thereof. Coordination shall be maintained by the Vendor with representatives of the Department, or of other agencies interested in the project on behalf of the Department. Either party to the Agreement may request and be granted a conference.
- F. All services shall be performed by the Vendor to the satisfaction of the Director who shall decide all questions, difficulties and disputes of any nature whatsoever that may arise under or by reason of this Agreement, the prosecution and fulfillment of the services hereunder and the character, quality, amount of value thereof; and the decision upon all claims, questions and disputes shall be final and binding upon all parties hereto. Adjustments of compensation and contract time because of any major changes in the work that may become necessary or desirable as the work progresses shall be subject to mutual agreement of the parties, and Amendment(s) shall be entered into by the parties in accordance herewith.

Reference herein to the Director shall mean the Department's Executive Director and Chief Executive Officer, Florida's Turnpike Enterprise.

2. TERM

- A. Initial Term. This Agreement shall begin on date of execution and shall remain in full force and effect through completion of all services required or one (1) year from date of execution, whichever occurs first. Subsequent to the execution of this Agreement by both parties, the services to be rendered by the Vendor shall commence and be completed in accordance with the option selected below. (Select box and indicate date(s) as appropriate):

☒ [X] Services shall commence upon written notice from the Department's Contract Manager and shall be completed within one (1) year or date of termination, whichever occurs first.

- B. RENEWALS (Check appropriate box):

☒ [X] This Agreement may be renewed for a period that may not exceed three (3) years or the term of the original contract, whichever period is longer. Renewals shall be contingent upon satisfactory performance evaluations by the Department and subject to the availability of funds. Any renewal or extension shall be in writing and executed by both parties, and shall be subject to the same terms and conditions set forth in this Agreement.

- C. EXTENSIONS. In the event that circumstances arise which make performance by the Vendor impracticable or impossible within the time allowed or which prevent a new contract from being executed, the Department, at its discretion, may grant an extension of this Agreement. Extension of this Agreement shall be in writing for a period not to exceed six (6) months and shall be subject to the same terms and conditions set forth in this Agreement; provided the Department may, at its discretion, grant a proportional increase in the total dollar amount based on the method and rate established herein. There shall be only one extension of this Agreement unless the failure to meet the criteria set forth in this Agreement for completion of this Agreement is due to events beyond the control of the Vendor.

It shall be the responsibility of the Vendor to ensure at all times that sufficient time remains in the Project Schedule within which to complete services on the project. In the event there have been delays that would affect the project completion date, the Vendor shall submit a written request to the Department which identifies the reason(s) for the delay and the amount of time related to each reason. The Department shall review the request and make a determination as to granting all or part of the requested extension.

3. COMPENSATION AND PAYMENT

- A. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Section 215.422(14), Florida Statutes.
- B. If this Agreement involves units of deliverables, then such units must be received and accepted in writing by the Contract Manager prior to payments.
- C. Bills for fees or other compensation for services or expenses shall be submitted in detail sufficient for a proper preaudit and postaudit thereof.
- D. Bills for any travel expenses, when authorized by terms of this Agreement and by the Department's Project Manager, shall be submitted in accordance with Section 112.061, Florida Statutes, and Chapter 3 - Travel, Department's Disbursement Operations Manual, 350-030-400.
- E. Vendors providing goods and services to the Department should be aware of the following time frames. Upon receipt, the Department has five (5) working days to inspect and approve the goods and services, unless otherwise specified herein. The Department has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved.
- F. If a payment is not available within forty (40) days, a separate interest penalty as established pursuant to Section 215.422, Florida Statutes, shall be due and payable, in addition to the invoice amount, to the Vendor. Interest penalties of less than one (1) dollar shall not be enforced unless the Vendor requests payment. Invoices which have to be returned to a Vendor because of Vendor preparation errors shall result in delay of payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.
- G. The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a Statewide eProcurement system. Pursuant to Section 287.057(23), Florida Statutes, all payments shall be assessed a

transaction fee of one percent (1%), which the Vendor shall pay to the State. For payments within the State accounting system (FLAIR or its successor), the transaction fee shall, when possible, be automatically deducted from payments to the Vendor. If automatic deduction is not possible, the Vendor shall pay the transaction fee pursuant to Rule 60A-1.031(2), Florida Administrative Code. By submission of these reports and corresponding payments, Vendor certifies the accuracy of all such reports and payments shall be subject to audit by the State or its designee. The Vendor shall receive a credit for any transaction fee paid by the Vendor for the purchase of any item(s) if such item(s) are returned to the Vendor through no fault, act, or omission of the Vendor. Notwithstanding the foregoing, a transaction fee is non-refundable when an item is rejected or returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the Agreement. Failure to comply with these requirements shall constitute grounds for declaring the Vendor in default and recovering repurchase costs from the Vendor in addition to all outstanding fees. VENDORS DELINQUENT IN PAYING TRANSACTION FEES MAY BE EXCLUDED FROM CONDUCTING FUTURE BUSINESS WITH THE STATE.

- H. A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516 or by calling the State Comptroller's Hotline, 1-877-693-5236.
- I. Records of costs incurred under terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for three (3) years after final payment for the work pursuant to this Agreement is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred shall include the Vendor's general accounting records and the project records, together with supporting documents and records, of the Vendor and all subcontractors performing work on the project, and all other records of the Vendor and subcontractors considered necessary by the Department for a proper audit of project costs.
- J. The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the Comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature.

4. INDEMNITY AND PAYMENT FOR CLAIMS

- A. INDEMNITY: The Vendor shall indemnify and hold harmless the Department, its officers and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by negligence, recklessness, or intentional wrongful misconduct of the Vendor and persons employed or utilized by the Vendor in the performance of this Agreement.

It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

PAYMENT FOR CLAIMS: The Vendor guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Vendor or any subcontractor, in connection with the Agreement. The Department's final acceptance and payment does not release the Vendor's bond until all such claims are paid or released.

- B. LIABILITY INSURANCE. (Check and complete as appropriate):

[X] The Vendor shall carry and keep in force during the term of this Agreement a general liability insurance policy or policies with a company or companies authorized to do business in Florida, affording public liability insurance with combined bodily injury limits of at least \$150,000.00 per person and \$300,000.00 each occurrence, and property damage insurance of at least \$150,000.00 each occurrence, for the services to be rendered in accordance with this Agreement.

- C. WORKER'S COMPENSATION. The Vendor shall also carry and keep in force Workers' Compensation insurance as required for by the State of Florida under the Workers' Compensation Law.
- D. PERFORMANCE AND PAYMENT BOND. (Check as appropriate):

[X] No Bond required.
- E. CERTIFICATION. With respect to any insurance policy required pursuant to this Agreement, all such policies shall be issued by companies licensed to do business in the State of Florida. The Vendor shall provide to the Department certificates showing the required coverage to be in effect and showing the Department to be an additional certificate holder. Such policies shall provide that the insurance is not cancelable except upon thirty (30) days prior written notice to the Department.

5. COMPLIANCE WITH LAWS

- A. The Vendor shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Vendor in conjunction with this Agreement. Failure by the Vendor to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by the Department.
- B. The Vendor agrees that it shall make no statements, press releases or publicity releases concerning this Agreement or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with this Agreement, or any particulars thereof, during the period of the Agreement, without first notifying the Department's Contract Manager and securing prior written consent. The Vendor also agrees that it shall not publish, copyright or patent any of the data developed under this Agreement, it being understood that such data or information are works made for hire and the property of the Department.
- C. The Vendor shall comply with all federal, state, local laws and ordinances applicable to the work or payment for work thereof, and shall not discriminate on the grounds of race, color, religion, sex, national origin, age, or disability in the performance of work under this Agreement.
- D. If the Vendor is licensed by the Department of Business and Professional Regulation to perform the services herein contracted, then Section 337.162, Florida Statutes, applies as follows:
 - (1) If the Department has knowledge or reason to believe that any person has violated the provisions of state professional licensing laws or rules, it shall submit a complaint regarding the violations to the Department of Business and Professional Regulation. The complaint shall be confidential.
 - (2) Any person who is employed by the Department and who is licensed by the Department of Business and Professional Regulation and who, through the course of the person's employment, has knowledge to believe that any person has violated the provisions of state professional licensing laws or rules shall submit a complaint regarding the violations to the Department of Business and Professional Regulation. Failure to submit a complaint about the violations may be grounds for disciplinary action pursuant to Chapter 455, Florida Statutes, and the state licensing law applicable to that licensee. The complaint shall be confidential.
 - (3) Any complaint submitted to the Department of Business and Professional Regulation is confidential and exempt from Section 119.07(1), Florida Statutes, pursuant to Chapter 455, Florida Statutes, and applicable state law.
- E. The Vendor covenants and agrees that it and its employees shall be bound by the standards of conduct provided in applicable Florida Statutes and applicable rules of the Board of Business and Professional Regulation as they relate to work performed under this Agreement. The Vendor further covenants and agrees that when a former state employee is employed by the Vendor, the Vendor will require that strict adherence by the former state employee to Florida Statutes 112.313 and 112.3185 is a condition of employment for said former state employee. These statutes will by reference be made a part of this Agreement as though set forth in full. The Vendor agrees to incorporate the provisions of this paragraph in any subcontract into which it might enter with reference to the work performed pursuant to this Agreement.
- F. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals or replies on leases of real property to a public entity, may not be awarded or

perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months following the date of being placed on the convicted vendor list.

- G. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity.
- H. The Department shall consider the employment by any Vendor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the Vendor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.
- I. Pursuant to Section 216.347, Florida Statutes, the Vendor may not expend any State funds for the purpose of lobbying the Legislature, the Judicial Branch, or State Agency.

6. TERMINATION AND DEFAULT

- A. This Agreement may be canceled by the Department in whole or in part at any time the interest of the Department requires such termination. The Department further reserves the right to terminate or cancel this Agreement in the event an assignment is made for the benefit of creditors.
- B. If the Department determines that the performance of the Vendor is not satisfactory, the Department shall have the option of (a) immediately terminating the Agreement, or (b) notifying the Vendor of the deficiency with a requirement that the deficiency be corrected within a specified time, otherwise the Agreement will be terminated at the end of such time, or (c) take whatever action is deemed appropriate by the Department.
- C. If the Department requires termination of the Agreement for reasons other than unsatisfactory performance of the Vendor, the Department shall notify the Vendor of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.
- D. If the Agreement is terminated before performance is completed, the Vendor shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount that is the same percentage of the agreement price as the amount of work satisfactorily completed is a percentage of the total work called for by this Agreement. All work in progress shall become the property of the Department and shall be turned over promptly by the Vendor.

7. ASSIGNMENT AND SUBCONTRACTS

- A. The Vendor shall maintain an adequate and competent staff so as to enable the Vendor to timely perform under this Agreement and may associate with it such subcontractors, for the purpose of its services hereunder, without additional cost to the Department, other than those costs within the limits and terms of this Agreement. The Vendor is fully responsible for satisfactory completion of all subcontracted work. The Vendor, however, shall not sublet, assign or transfer any work under this Agreement to other than subcontractors specified in the proposal, bid and/or Agreement without consent of the Department.

☒ [X] The following provisions is not applicable to this Agreement.

The "corporation identified" is Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE). Available pricing, products, and delivery schedules may be obtained by contacting:

PRIDE Enterprises
12425 - 28th Street North
St. Petersburg, Florida 33716-1826
Telephone: (800) 643-8459

8. MISCELLANEOUS

- A. The Vendor and its employees, agents, representatives, or subcontractors are not employees of the Department and are not entitled to the benefits of State of Florida employees. Except to the extent expressly authorized herein, Vendor and its employees, agents, representatives, or subcontractors are not agents of the Department or the State for any purpose or authority such as to bind or represent the interests thereof, and shall not represent that it is an agent or that it is acting on the behalf of the Department or the State. The Department shall not be bound by any unauthorized acts or conduct of the Vendor or its employee(s), agent(s), representative(s), or subcontractor(s). Vendor agrees to include this provision in all its subcontracts under this Agreement.
- B. All words used herein in the singular form shall extend to and include the plural. All words used in the plural form shall extend to and include the singular. All words used in any gender shall extend to and include all genders.
- C. This Agreement embodies the whole agreement of the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties hereto. The State of Florida terms and conditions, whether general or specific, shall take precedence over and supersede any inconsistent or conflicting provision in any attached terms and conditions of the Vendor.
- D. It is understood and agreed by the parties hereto that if any part, term or provision of this Agreement is by the courts held to be illegal or in conflict with any law of the State of Florida, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term or provision held to be invalid.
- E. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.
- F. In any legal action related to this Agreement, instituted by either party, the Vendor hereby waives any and all privileges and rights it may have under Chapter 47 and Section 337.19, Florida Statutes, relating to venue, as it now exists or may hereafter be amended, and any and all such privileges and rights it may have under any other statute, rule, or case law, including, but not limited to those grounded on convenience. Any such legal action may be brought in the appropriate Court in the county chosen by the Department and in the event that any such legal action is filed by the Vendor, the Vendor hereby consents to the transfer of venue to the county chosen by the Department upon the Department filing a motion requesting the same.
- G. If this Agreement involves the purchase of maintenance of information technology, as defined in Section 282.0041, Florida Statutes, Appendix II may be applicable, and is made a part of this Agreement, if attached.
- H. Time is of the essence as to each and every obligation under this Agreement.

- I. The following attachments are incorporated and made a part of this Agreement. In case of discrepancy in any of the provisions of these attachments with this Standard Written Agreement, the provisions of this Standard Written Agreement shall govern. In case of discrepancy among the attachments, the attachments are listed in governing order as follows:

Exhibit "A," Attachments "A" through "D," Exhibit "B," Exhibit "C," PUR 1000 and PUR 1001.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized officers on the day, month and year set forth above.

1. Introduction

1.1 Description of Services

The Florida Turnpike Enterprise hereafter referred to as the "Department" seeks the services of a qualified, experienced and licensed Vendor to perform Concrete Repair, Emergency Restoration, Waterproofing and Sealing services at various facilities along the Florida's Turnpike Mainline, Milepost 172.0 to Milepost 308.0, Seminole Expressway, Milepost 38.0 to Milepost 55.0, Beachline Expressway, Milepost 0.0 to Milepost 8.0, Southern Connector, Milepost 0.0 to Milepost 6.0, Veterans Expressway, Milepost 2.0 to Milepost 14.0, Polk Parkway, Milepost 0.0 to Milepost 24.0, Daniel Webster Western Beltway, Milepost 1.0 to Milepost 11.0 and the Suncoast Parkway, Milepost 14.0 to Milepost 54.0.

1.2 Definition of Terms

For the purpose of this contract, whenever the following terms appear, their intent and meaning shall, unless specifically stated otherwise, be interpreted as shown herebelow:

Contract: The executed document that fully describes the work requirements, schedules, terms and conditions of the project, quality standards and specifications, payment requirements and all responsibilities and obligations of the Vendor and the Department.

Department: Florida Department of Transportation, Turnpike Enterprise, the contracting agency.

Vendor: The firm selected through the competitive bid process to provide the services requested herein.

Department's Project/Contract Manager: The individual employee(s) of the Department responsible for the management of the Contract, scheduling and monitoring of work being performed, inspection and acceptance of services provided and approval for payment of services requested herein.

Vendor's Project Manager: The individual employee of the Vendor responsible for the management of the Contract, scheduling and monitoring of work being performed, inspection of services provided and the submission of payment documents for all services requested herein. The Vendor's Project Manager is responsible for all communication with the Department and the Department's Contract Manager.

Work Document: A work request issued periodically to the Vendor for work required at the contract locations, which will identify the location, describe the problem, and specify pay item quantities authorized for the Vendor to proceed with the work.

2. Locations and Site Description

All existing facilities are listed in the Attachment "B", attached hereto and hereby made a part of this contract. A number of facilities/locations may be added to or deleted from the contract, by a Supplemental Agreement during the course of the contract. Such additions or deletions shall not affect or influence the hourly rates or the mark-up for parts allowance bid by the Vendor. These facilities shall include but are not limited to service plazas, office buildings, toll plazas and booths to include concrete walls, barriers, curbs and walkways around these facilities.

3. Vendor's Qualifications

The Vendor shall maintain and keep in force throughout the life of the contract, renewals, and extensions, the requirements specified below. Failure of the Vendor to comply with these requirements will be sufficient grounds for the Department to declare the contract in default and subject to the terms of Chapter 6, Termination and Default, of the Standard Written Agreement.

3.1 Certification and Registration

The Vendor shall hold a valid and current certificate or license as a General Contractor or Building Contractor in accordance with Chapter 489, Florida Statutes, authorizing the Vendor to perform the work in all counties specified in this contract.

3.2 Business Occupational Location

The Vendor shall have a current and valid Occupational License which states the name of the Vendor, street address of the business where all the work covered under the contract will be handled, and the type of work that the Occupational License is issued for (which must be for the same type of services required in the contract).

3.3 Years of Experience

The organized business enterprise (e.g. corporation, LLC or sole proprietorship), shall have been actively involved in the type of business requested for a minimum of three (3) years and have available a minimum work force of two (2) qualified technicians and/or apprentices. Prior experience shall have been specifically related to maintenance of commercial facilities similar in size, technical scope and volume of work to that specified in the scope of work for the contract.

The Department will investigate carefully to determine if the vendor is responsive, responsible and qualified in the area of work contemplated by this contract.

4. Vendor's Responsibilities (Scope of Work)

4.1 Waterproofing and Sealing Preventive Maintenance Services

- A. The work specified shall consist of sealing cracks, joints, penetrations and other similar leak sources of various kinds and types. The repaired areas will be properly, sloped for drainage, with thin coats of grouts designed to bond with Portland Cement Concrete; sealing all penetrations that could allow water into buildings, toll booths, electric panels, conduits, junction boxes, expansion joints, electrical fixtures, windows, elevator pits, tunnels and a/c duct work, masonry repairs and sealing, pressure cleaning, removing loose and/or cracked mortar joints and cracked bricks, blocks, tuck pointing the mortar joints and replacing the bricks and/or block and sealing the masonry walls. The Vendor shall be responsible for providing all equipment required by OSHA to ventilate the facility while conducting the work. The Vendor shall ensure that all materials, equipment and incidentals incorporated into the work are completely free of any type of asbestos materials.
- B. All services shall be accomplished in strict compliance with materials and equipment manufacturer specifications, using the most appropriate industry standards and equipment. The Vendor shall furnish all labor, equipment, tools, materials, supplies, safety equipment (including respirators, if required by material manufacturer or OSHA), transportation and any other incidentals necessary to perform all required services to ensure for a safe and efficient operation.

4.2 Concrete Repair Services

The work consists of the repair of concrete chips and spalls, including the removal of unsound concrete, the cleaning of damaged areas and the application of an epoxy mortar, portland cement concrete, or rapid hardening concrete. The work involves repairing with a normal patching material where the set-time and strength is applicable and material properties compatible with the existing concrete to be repaired, including, bonding, concrete strength, chemical composition, dimensional stability, durability and thermal characteristics. Construction techniques shall be in accordance with Section 400, CONCRETE STRUCTURES, of the Standard Specifications. Repaired surfaces shall receive a Class 5 Applied Finish Coating. Concrete repairs are divided into three types as described below:

- a) **Type I Concrete Repair** - Consists of minor concrete repairs equal to or less than $\frac{3}{4}$ inches deep, with no steel reinforcement exposed. Type I Concrete Repairs shall be repaired using an epoxy mortar as described herein.
 - 1. Epoxy Mortar: Epoxy materials used in this work shall be Type F-1 as specified in Article 926-1, and comply with the requirements of Article 926-7. Epoxy mortar shall be composed of epoxy binder and sand.

Sand shall be kiln dried silica sand. Epoxy material shall meet the packaging, labeling, and safety requirements of Articles 926-17, of the Standard Specifications, as well as the storage, certification, and state qualification requirements of Articles 926-18, 926-19, and 926-20 respectively of the Standard specifications. The epoxy mortar shall have a twenty-eight day minimum compressive strength of 3400 psi (24 MPA).

2. Surface Preparation: The surfaces to be repaired shall be thoroughly cleaned of contaminants, and deteriorated and damaged concrete shall be removed. Loose material or broken concrete shall be removed to sound concrete by chipping with air hammers not greater than 30 lbs maximum.
 3. Existing concrete surfaces shall be sand blasted clean prior to placing epoxy mortar. Any exposed reinforcing bars shall be thoroughly sand blasted clean of bond inhibiting scales. No free standing water shall be left on the prepared surface.
 4. Eliminate the feathered perimeter of the repair area by chipping or cutting the concrete along the perimeter to a ½ inch deep square cut. Any damage imparted to reinforcing steel during concrete removal shall be repaired by the Contractor at no cost to the Department.
 5. Placement and Finishing: Place the approved epoxy mortar in accordance with the manufacturer's recommendations. Forty-eight (48) hours of curing shall have elapsed prior to chipping on adjacent concrete within 12 feet of previously placed repair mortar.
 6. The surfaces of the applied epoxy mortar shall receive a Class 5 Applied Finish Coating meeting the requirements of Sub-article 400-15.2.6.
 7. Provide a minimum of 1 1/2 inches of mortar cover on reinforcing steel.
 8. Mixing: Mixing shall be in accordance with the epoxy compound manufacturer's recommendations.
- b) **Type II Concrete Repair** – Consists of repairing/replacing concrete greater than ¾ inches in depth or where steel reinforcement has been exposed, and where a normal concrete set-time and strength is applicable, as determined by the Engineer.
1. Portland Cement Concrete: Required materials shall be Class I, II, or Class III concrete in accordance with Section 346, PORTLAND CEMENT CONCRETE, of the Standard Specifications. Class III concrete shall meet the requirements of High Early Strength Concrete which will allow the repair area to be open to traffic 24 hours after pouring, test cylinders representative of the concrete placed, and of the same age, shall meet or exceed a cylinder strength not less than 3400 psi.

2. Preparing the Surface: Contractor shall make saw cuts delineating the boundaries of the existing concrete to be removed including depth, length and width as directed by the Engineer. Care should be exercised to prevent cutting, stretching or damaging any existing reinforcing steel. Concrete shall be removed to clean sound material by chipping with air hammers.
 3. Embedded structural steel shall be undercut a minimum of $\frac{3}{4}$ inch to expose the entire surface area of the bar within the repair area. Exposed structural steel shall be sand-blasted clean to leave a white metal surface.
 4. Existing concrete surfaces adjacent to the freshly placed concrete shall be sand blasted clean then wet with water for a period of one hour prior to concreting. No free-standing water shall be left on the prepared surface.
 5. Forty-eight (48) hours of curing shall have elapsed prior to chipping on adjacent concrete within 15 feet of a previously placed repair.
 6. Mixing: Mixing shall be in accordance with Article 346-8 of the Standard Specifications and manufacturers recommendations.
 7. Placing and Finishing: Requirements for forming shall be in accordance with the Article 400-5, of the Standard Specifications, with the exception that stay-in-place forms are not approved for this work.
 8. Contractor shall apply an FDOT approved concrete bonding agent to concrete surfaces to be in contact with newly placed concrete.
 9. The concrete shall be placed slightly above the final grade and consolidated by vibration. Following vibration, the concrete shall be finished to match adjacent surface before the plastic film forms on the surface. Concrete forms shall be separated from the newly placed concrete by passing a pointing trowel along their inside face. The concrete shall then be cured as specified in Article 400-16 of the Standard Specifications.
 10. When required, the Contractor shall provide a grooved concrete finish matching spacing, depth and width of the existing deck grooves. The method of grooving shall be Contractors option. The cost of providing a grooved concrete finish shall be paid for in the contract price for concrete. Floor grooving shall be in accordance with Section 400-15.2.5 of the Standard Specifications.
- c) **Type III Concrete Repair** – Consists of repairing/replacing concrete greater than $\frac{3}{4}$ inch in depth or where steel reinforcement has been exposed and where a high strength, quickset concrete is required, as determined by the Engineer.

1. Type III Concrete Repairs shall be repaired with a Rapid Hardening Concrete having material properties compatible with the existing concrete and shall meet or exceed a three (3) hour compressive strength of 3000 psi representing the material placed.
 2. Rapid Hardening Concrete: Required materials shall be Rapid Hardening Concrete having material properties compatible with the existing concrete and shall meet or exceed a three (3) hour compressive strength of 3000 psi representing the material placed.
 3. Construction techniques shall be in accordance with those listed in Type II Concrete repair.
- d) **Equipment:** The type of equipment used to mix and apply materials shall be of known industry standards and approved by the Engineer. Surface preparation equipment shall be of the following types:
1. Concrete shall be removed to sound material by chipping with air hammers less than thirty (30) pounds. The Engineer may require the Contractor to use lower capacity chipping hammers as site conditions warrant.
 2. Sandblasting equipment shall be capable of removing rust scale from reinforcing bars and of removing small chips of concrete partially loosened during the chipping operation.
 3. Concrete saws shall be capable of making a clean cut at a controlled depth without fracturing the adjacent concrete.
- e) **Reinforcing Steel:** Steel reinforcing bars shall comply with the requirements of Section 931, METAL ACCESSORY MATERIALS FOR CONCRETE PAVEMENT AND CONCRETE STRUCTURES, of the Standard Specifications.
1. All reinforcing bars exposed after cleaning shall be thoroughly blast cleaned. Those bars that have lost 1/4 or more of their original diameter shall be supplemented by new bars spliced in place and the grade of steel provided shall match existing or as approved by the Engineer. The type and dimension of reinforcement bars to be placed shall match existing rebar. Reinforcement bars shall be field bent, as may be required, to match the original design configuration. Contractor shall adhere to the requirements of Section 415, REINFORCING STEEL, of the Standard Specifications for locating, placing and fastening rebar. The rebar shall be located such that cover dimension shall meet that of existing reinforcing.
 2. In splicing new bars, they shall be lapped sufficiently to develop the full strength of the bar. If necessary, additional chipping will be required to provide for this lap. Dual bars of equivalent or greater section may be used.

3. Where the bond between existing concrete and reinforcing steel has been destroyed, or where more than half the diameter of the steel is exposed, the concrete adjacent to the bar shall be removed to a depth that will permit concrete to bond to the entire periphery of the bar so exposed. A minimum of ½ inch clearance shall be required for this purpose. Care shall be exercised to prevent cutting, stretching or damaging any exposed reinforcing steel.
4. Dowels, if required, are to be set with an approved epoxy in holes drilled into the existing concrete. Clean holes prior to setting dowels. Dowels may be set with an approved capsule anchor installed in accordance with manufacturer's recommendations. The cost of dowels, epoxy and/or anchors, and installation shall be paid for in the contract price for reinforcement.

4.3 Restoration and Repair Services

This work consists of miscellaneous structural and general repairs to facilities not covered by the previous sections of this contract. This may include, but not limited to, repairing or replacing the following items (doors and/or frames, windows, structural framing, drywall, metal stud framing, stucco finish systems, concrete masonry unit walls, brick walls, remove and/or replace concrete slabs and sidewalks, concrete grinding, remove and/or replace steel pipe bollards, handrails, guardrails, floor tiles, hardware, ceiling systems, etc).

- A. A written estimate for repairs under this section will be required before a work document will be issued; however, this requirement may be waived for emergency services.
- B. This work may also include temporary repairs to facilities due to storms or accidents. In this event the Contract Manager will specify the method of repair.

4.4 General Conditions

The Vendor shall be available twenty-four (24) hours a day to provide unscheduled services, to diagnose problems and make repairs, adjustments, extensions, alterations, and replacements, as necessary, to keep the buildings in a good and safe operating condition.

- A. The Contract Manager will notify the Vendor to proceed with work by issuance of a work document. The work document will identify the location and describe the anticipated work. Work requests can be either written or verbal. However, all verbal work requests will be confirmed in writing within seventy-two (72) hours of issuance.
- B. In the event of an emergency the Vendor shall be available on the site within three (3) hours of notification and prepared to respond to the problem.
- C. Vendor's work vehicle shall be well-stocked and equipped with the minimum materials required to complete the work.

- D. The Vendor shall notify the Contract Manager for approval prior to conducting work if the work document exceeds One Thousand dollars (\$1,000.00) of the original estimate.
- E. A written estimate of the time and materials necessary to complete assigned work in excess of Twenty-Five Hundred dollars (\$2,500.00) shall be addressed to the Contract Manager for approval prior to conducting work.
- F. The Vendor shall guarantee all repairs for ninety (90) days from the date of Department acceptance. In the event that a repair fails within the guarantee period, the Vendor shall correct the problem at no additional cost to the Department.

4.5 Parts for Repair, Installation, and Replacement Work

- A. Parts provided by the Vendor for repair, installation, and replacement, shall be new. Rebuilt or repaired parts will not be accepted, unless otherwise approved by the Department in advance of repair or installation.
- B. All parts shall be of a brand or quality equal to or superior in specification of parts being replaced and shall be 100% compatible with the existing equipment or systems.
- C. The Department may not authorize parts replacement, but may make other arrangements in any case where the cost for any single part necessary for repair is twenty-five hundred dollars (\$2,500.00) or more.
- D. Upon request, the Vendor shall leave any replaced parts at the site location for inspections by the Contract Manager.
- E. The Department reserves the right to make other arrangements for purchasing parts at any time.

4.6 Maintenance of Traffic

- A. The Vendor's employees are expected to obey all traffic regulations pertaining to Part VI of the Manual on Uniform Traffic Control Devices (MUTCD) and Index 600 of the Department's Roadway and Traffic Design Standards to accommodate traffic in a safe and efficient manner and for adequate protection of the work force and the motoring public.
- B. The Vendors shall comply with the requirements of the Turnpike's Lane Closure Policy which is hereby incorporated by the reference as if set forth herein.
- C. For lane closures that are expected to take longer than one (1) hour, closure of Dedicated "Sunpass Only" lanes or closure of any lane which restrict access to or from the Turnpike (i.e. free lanes), the Vendor shall submit to the Contract Manager for approval, prior to beginning work, two copies of the proposed traffic control plan. The Vendor's traffic control plan shall show the proposed methods of ensuring safety and minimum interference with the normal flow of traffic on

the travel lanes. Approval of the Vendor's traffic control plan(s) shall not relieve the Vendor of responsibility or liability for injury to persons or damage to property caused by the operation of equipment and/or personnel.

- D. In cases of extreme traffic or weather conditions, the Vendor shall be required to remove their operation from the roadway and/or right-of-way at the discretion of the Contract Manager, the Florida Highway Patrol, or the applicable Police Department which has jurisdiction on these roadways.
- E. No U-turns shall be permitted at median openings, maintenance gates, or such other openings that are intended for the use of emergency vehicles. U-turns shall only be permitted at service plazas and/or traveling to the next exit.

4.7 Submittals

At the pre-work conference, the Vendor shall submit a copy of the following documents to the Project Manager for the Department's review and records.

- 1. The Vendor shall submit to the Contract Manager for review/approval, a list of any/all materials proposed for use at the facilities, including the Material Safety Data Sheet. The Department retains the option to approve and disapprove the use of all products.
- 2. The Vendor's certification authorizing contractor to perform the work covered under the contract, as required by state law and by county or municipal licensing ordinances.
- 3. A list of all personnel anticipated for employment under this contract, including a minimum of two (2) qualified journeymen or technicians with a copy of their qualifications. Any new qualified technician to be added to the contract shall require advanced approval by the Department's Contract Manager. Only the personnel approved by the Department are to be assigned to perform work under this contract. Such approval shall not be unreasonably withheld.

4.8 Work Schedule

The Vendor shall perform all work, unless otherwise approved by the Contract Manager, strictly between the hours of 8:00 AM and 5:00 PM local time, Monday through Friday, excluding State holidays.

Any changes or deviations from the schedule or other relevant problems or situations pertaining to the schedule shall be immediately brought to the attention of the Contract Manager.

4.9 Sign-in and Sign-out

Upon arrival at a toll plaza, the Vendor's employees shall immediately report to the Department's toll plaza supervisor on duty and sign in, completing all information in the toll plaza visitor's log. All employees of the Vendor shall sign out after the completion of the work, sign in and sign out for lunch breaks and if they leave the premises.

4.10 Work Status

- A. During the performance of the preventive work associated with this contract, the Vendor shall keep the Contract Manager informed on a daily basis of the status of the work.
- B. The Vendor will notify the Contract Manager upon completion of any assigned work.

4.11 Notification of Damages and Damage Repair

The Vendor shall notify the Contract Manager of any damages to the facilities or property of the traveling public as a result of the Vendor's operations. The notification shall be completed by the next business day and included, at a minimum, the type of damage, location, nature of the incident, time and date of occurrence and injury, if any.

4.12 Cleanup and Disposal of Unsuitable Materials

- A. The Vendor shall maintain all work and setup areas in a neat and presentable condition. The Vendor shall collect and remove all surplus, discarded materials and any other trash caused by the work, from the Department's property to a proper dumpsite, approved for the disposal of each different type of material.
- B. No separate payment will be made for cleanup, but all costs thereof shall be included in the unit prices shown on the Exhibit "C".

4.13 Liquidated Damages

If the Vendor fails to report to the worksite within the time specified in the work document or the response time, as specified in Exhibit "A", Paragraph 4.4, B the Vendor shall be liable to the Department, and the Department will make a reduction in the Vendor's next payment, not as a penalty, but for liquidated damages of the following:

- 1. Fifty dollars (\$50.00) for up to one (1) hour late per each work document.
- 2. One hundred dollars (\$100.00) for more than one (1) hour late per each work document.

Unforeseen conditions beyond the control of the Vendor which delay compliance will be taken into consideration at the discretion of the Contract Manager. The parties agree that the actual damages sustained by the Department would be difficult or impossible to measure if the Vendor fails to timely respond to a Work Document or an emergency.

4.14 Uniforms

The Vendor's employees shall wear uniforms clearly identifying the company name or logo and the employee's name.

5. Safety and Worker Protection

5.1 The Vendor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work. The Vendor shall take all necessary precautions for the safety of the workers and the public and shall provide the necessary protection to prevent damage, injury, or loss to:

- A. All employees on the worksite and other person(s) who may be affected thereby.
- B. All the work and all materials or equipment to be incorporated therein, whether on or off site.
- C. Other property at the site or adjacent thereto, including trees, lawns, walkways, structures, and utilities.
- D. The Vendor shall assume full liability for compliance with all federal, state and local regulations pertaining to the protection of workers and persons occupying adjacent Turnpike property.
- E. The Vendor, without special instruction or authorization from the Contract Manager, is obligated to ensure the safety and/or protection of person(s) on the property by preventing threatened damages, injury or loss to person(s) and/or property at the site or adjacent thereto. The Vendor shall immediately report any such incidents to the Contract Manager.
- F. The Vendor's employees shall always wear safety glasses and vests with reflective stripes when working exposed to vehicular traffic or area accessible by the public. Hard hats are to be used in areas of overhead hazards.

5.2. Delay of Work Due to Weather or Other Causes

When the work is delayed or precluded from being done on schedule, by inclement weather, natural disaster, emergency condition, other work performed by Department personnel, or another FDOT Vendor, the Vendor shall reschedule the work and advise the Contract Manager of the Change in schedule caused by the weather or any other cause for the delay, such as the examples contained herein.

5.3 Lock-out – Tag-out

The Vendor shall comply with the requirements outlined in OSHA Rule 29 CFR 1910.147. The strict compliance with the requirements of “lock-out – tag-out” are to prevent possible employee injury that may result from unexpected energizing or start-up of equipment while conducting maintenance or repair work.

5.4 Lane Closure

No work shall be conducted by the Vendor in any toll plaza traffic lane until temporary closure of lane is completed by the Vendor and approved by the toll plaza manager or designee. The Vendor shall be responsible for the safety of its employees by ensuring that proper temporary lane closure is complete prior to the start of work within toll plaza traffic lanes. All temporary lane closure required to complete any maintenance or repair work by the vendor shall be completed by the vendor in strict compliance with the Turnpike’s Temporary Lane Closure Policy memorandum and the Turnpike Traffic Control Plan (TCP), both documents attached hereto and made a part of this contract. It shall be the sole responsibility of the vendor to set-up, prior to beginning work and in strict accordance with the TCP, and remove upon completion of the work, the required traffic cones and signs. The vendor shall use the temporary lane closure equipment stored at the toll plaza and return the equipment upon completion of the work. The vendor shall advise the toll plaza manager or designee when the work is complete and the traffic lane can be re-opened for use.

6. The Department's Responsibilities

6.1 Administration of Contract

All work under this contract will be under the administration of the Florida Department of Transportation.

A. Project Manager

The Department has assigned a Project Manager to administer the terms and conditions of the contract. The Project Manager will be Mr. John McAllister, the Regional Facilities Maintenance Manager. His office is located in the Turnpike Operations Center at the following address:

Delivery Address

Milepost 263 on Florida’s Turnpike
Turkey Lake Service Plaza
Ocoee, FL 34761

Mailing Address

FDOT Turnpike Enterprise
P. O. Box 613069
Ocoee, FL 34761
Phone: (407) 264-3310
Fax: (407) 264-3350

B. Contract Manager

The Department's Contract Manager is Mr. Donnell Wright. Mr. Wright will be responsible for the day-to-day work assignment and inspections. All work shall be coordinated through the assigned Contract Manager. Mr. Wright is available at (407) 264-3477.

If any changes are made in the above information during the term of the contract, the Department will notify the Vendor.

6.2 Pre-work Conference

The Project or Contract Manager will conduct a pre-work conference with the Vendor prior to the start date of the contract to review the scope of work involved and any other requirements of the contract.

6.3 Periodic Inspection

Work shall be subject to periodic inspection by the Department. The Contract Manager shall have the right to inspect and reject any and all work and materials that does not meet with the requirements of the contract. Such rejected work or materials shall be corrected at the Vendor's expense. If the Contract Manager fails to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject shall in no way prevent later rejection when such defect is discovered. The Vendor shall make no claim for losses suffered due to any necessary removal or repair of such defects.

The Department shall conduct an evaluation of the Vendor's performance at the end of this agreement and any subsequent renewal(s) of this agreement. The "Contractor Field Performance Report" shall be used for this purpose. The Vendor shall have an opportunity to review the report and make comments. They will be required to sign the report whether or not he concurs with the document.

7. Duration of Contract

Work shall commence on the date stated within the written Notice to Proceed issued by the Project Manager and shall be for a duration of one (1) year from the date of notification. This agreement may be renewed for up to three (3) additional years. Renewals shall be contingent upon satisfactory performance evaluation by the Department and subject to the availability of funds. Any renewals or extensions shall be in writing and executed by both parties, and shall be subject to the same terms and conditions as set forth in this agreement.

MEMORANDUM

Date: January 18, 2005

To: All Turnpike Operations Personnel

From: Bruce Seiler, Evelio Suarez

Copy: Mike Anzalone

Subject: Traffic Control Plan (TCP) for Short Duration Toll Lane Closures

Effective upon receipt of this memorandum, the described TCP shall be implemented during all maintenance activities at all toll plazas that require short-term lane closures. For the purposes of this memorandum, short-term is defined as a period of time between zero (0) and four (4) hours. A maintenance vehicle may briefly stop in a closed lane, to drop off or pick up equipment only, without setting up the TCP. The layout on the attached diagram shall be the minimum acceptable actions that will be taken in the TCP to affect lane closure. The processes and requirements of this memorandum do not replace or supersede any Office of Toll Operations' policies or procedures for toll lane closures.

Maintenance TCP Toll Lane Closure

A. Scheduling

1. Whenever possible, routine maintenance shall not be conducted at a plaza during peak traffic hours.
2. The Plaza Manager or Supervisor shall be notified twenty-four (24) hours before a lane is closed for maintenance to address operations at the toll plaza. The manager shall be told of the approximate time required to complete the work.

B. Closure

1. To close the lane, the maintenance vehicle shall be parked in the lane for the duration of the maintenance activity. In addition, the required traffic cones and "Lane Closed" sign shall be obtained from the plaza and set in place in strict compliance with the attached Traffic Control Plan (TCP) diagram.
2. The lane will be closed initially by plaza staff. This will be done by activating the red traffic light on the canopy and by placing three (3) cones across the lane. The maintenance vehicle shall then be moved into the lane and the remainder of cones and "Lane Closed" sign be put in place as outlined in the TCP.

3. The maintenance vehicle shall be parked straight in the lane with the amber lights and flashers activated. The vehicle shall be parked with the wheels turned toward a lane without a booth or an unoccupied booth.
4. Personnel working the lanes shall follow all FDOT safety procedures for working in a traffic lane as outlined in the FDOT Loss Prevention Manual 500-000-015 and other applicable Turnpike Enterprise or other applicable agency procedures. Safety vests shall be worn, as well as hard hats and safety goggles or shoes as required. Proper numbers of personnel when working with an aerial lift or boom truck shall be employed.

C. Completion of Work

1. Upon completion of required work, the maintenance vehicle shall be moved from the lane to an appropriate parking area.
2. The "Lane Closed" sign shall be returned to the designated storage place at the plaza.
3. Three cones shall be left in the lane and the traffic signal will be left red for closure until reopened by plaza personnel.
4. The Plaza Manager shall be notified of the completion of work and will return the lane to service.

Approval must be obtained in advance from the appropriate Regional Toll Manager for any maintenance work that requires closure of a dedicated or express SunPass lane. The Regional Toll Manager will notify the Deputy Director of SunPass Operations. Additional lane closure safety functions are required to close a dedicated or express SunPass lane in accordance with MOT standards.

Telephone numbers of the six Regional Toll Offices and the SunPass Operations Center are as follows:

Miami Region – RTM John Sneed (305) 229-6200 – S/C 479-6200

South Broward Region – RTM Karen Greeawalt (954) 424-6904 – S/C 459-6904

North Broward Region – RTM Reno Abbadini (561) 417-9557- S/C 430-4800

Palm Beach Region – RTM Steve Spitzer (561) 624-6963 – S/C 242-6963

Orlando Region – RTM Barbara Trien (407) 521-2487 – S/C 335-3700

Tampa Region – RTM Larry Steed (813) 673-4612- S/C 512-5591

	MAINTENANCE VEHICLE

GENERAL NOTES:

1. Cones shall be placed 10ft from the toll island on a "V" shape as shown on TCP.
2. A standard warning sign indicating "lane closed" shall be placed behind the cones and a minimum height of 36' from the ground shall be required.
3. The maintenance vehicle shall be parked with the front wheels turned to the left towards the unoccupied Toll Booth.
4. The canopy light shall be in the red mode indicating the lane is closed
5. This TCP does not apply to DED/AVI lanes.

ESTIMATED QUANTITIES CONTRACT

1.0 General

The Vendor shall accept the compensation as provided in this Contract as full payment for furnishing all labor, materials, equipment, and any other incidental necessary for performing all work under this Contract; and for all other costs including, but not limited to tolls, dump fees, fuel, permits and any documentation required by this Agreement. All work specified herein, or implied in any way in the specifications, shall be completed regardless of whether or not the work is specifically defined in any bid item.

1.1 Definitions and Terms

For the purpose of this Contract whenever the following terms appear their intent and meaning shall, unless specifically stated otherwise, be interpreted as shown here below:

Regular Hourly Rate: The Contract hourly rate for hours between 8:00 AM and 5:00 PM, Monday thru Friday, excluding State holidays (as designated in Section 110.117, Florida Statutes).

Overtime Hourly Rate: The Contract hourly rate for hours before 8:00 AM or after 5:00 PM or all day Saturday, Sunday and State holidays (as designated in Section 110.117, Florida Statutes).

The contract is governed by budgetary restrictions. The annual reimbursement to the Vendor will be based on the unit price of the actual amount of work authorized for completion and approval by the Contract Manager. Final reimbursement shall not exceed the amount set forth in Exhibit "C", Bid Blank, but may be less than the contract amount since all quantities are estimated and no quantities are guaranteed.

It shall be the responsibility of the Vendor to ensure that sufficient funding remains within the maximum limiting amount established for the subject contract to complete authorized services. Any changes in the maximum limiting amount shall require execution of a Supplemental Agreement as specified in Section 1.B of the Standard Written Agreement. The Vendor shall not be obligated to perform services or incur costs that

would result in exceeding the contract dollar amount, nor shall the Department be obligated to reimburse the Vendor for services which result in exceeding the contract dollar amount, except to the extent said amount is increased by a Supplemental Agreement. Execution of this agreement does not guarantee that the work will be authorized.

This is an estimated quantities contract whereby the Vendor agrees to furnish the services specified herein during the term of the contract and any renewals and extensions thereto. It is further agreed that the unit price bid by the Vendor shall remain unchanged, if the actual quantities used are less or greater than what is identified. The Department, based on need and availability of budget, may increase or decrease the quantity of services required of the Vendor within the general description of the project.

2.0 Basis of Payment

The Department agrees to pay the Vendor for the services performed, an amount of compensation and method of payment as described and detailed herein and in Exhibit "C".

2.1 Waterproofing and Sealing Services

Payment shall constitute full compensation for furnishing all labor, materials, expendable supplies, equipment, tools, mobilization, transporting, maintenance of traffic, lock-out-tag-out, instruments, dump fees, reports and other items required to perform repairs the Department requires in accordance with the specifications provided in Exhibit "A", Section 4.1.

2.2 Concrete Repair Services

Payment shall constitute full compensation for furnishing all labor, materials, expendable supplies, equipment, tools, mobilization, transporting, maintenance of traffic, lock-out-tag-out, instruments, dump fees, reports and other items required to perform repairs the Department requires in accordance with the specifications provided in Exhibit "A", Section 4.2.

2.3 Restoration and Repair Services

Payment shall constitute full compensation for furnishing all labor, materials, expendable supplies, equipment, tools, mobilization, transporting, maintenance of traffic, lock-out-tag-out, instruments, dump fees, reports and other items required to perform repairs the Department requires in accordance with the specifications provided in Exhibit "A", Section 4.3.

2.4 General Conditions

Payment for this activity shall be full compensation for all labor, expendable supplies, equipment, tools, transporting, instruments, dumping, maintenance of traffic, lock-out-tag-out, and any other related activities for authorized unscheduled services; maintenance and repairs; in accordance with the specifications provided in Exhibit "A", Section 4.4.

- A. The Department will pay the Vendor a one (1) hour minimum for approved service personnel rate, as applicable, for maintenance and repair calls at each site. Multiple work documents at the same site per visit will be considered as a single repair and replacement call for the purpose of the one (1) hour minimum charge. For work performed at the site in excess of the one (1) hour minimum, the Vendor's time will be pro-rated and paid in quarter-hour increments.
- B. In case of emergencies, where immediate action is required, as specified in Exhibit "A", Paragraph 4.4, B, the Department will pay the Vendor two (2) hours minimum for the approved service personnel rate, as applicable, for repair and replacement calls at each site. Site designations are shown in the Attachment "B". Multiple work documents at the same site per visit will be considered as a single repair and replacement call for the purpose of the two (2) hour minimum charge. For work performed at the site in excess of the two (2) hour minimum, the Vendor's time will be pro-rated and paid in quarter-hour increments.
- C. The Vendor shall apply an hourly rate that will be applicable to each Technician assigned to perform all concrete repairs, emergency restoration, waterproofing and sealing services work during normal business hours.
- D. Payment will be made on the basis of the contract unit prices for pay items No. 1 thru 4, as shown on Exhibit "C".
 - 1. Payment will be made on the basis of the Contract unit prices as shown in Exhibit "C", Pay Item No. 1, Technician Regular Hourly Rate.
 - 2. Payment will be made on the basis of the Contract unit prices as shown in Exhibit "C", Pay Item No. 2, Technician Overtime Hourly Rate.
 - 3. Payment will be made on the basis of the Contract unit prices as shown in Exhibit "C", Pay Item No. 3, Laborer, Regular Hourly Rate.
 - 4. Payment will be made on the basis of the Contract unit prices as shown in Exhibit "C", Pay Item No. 4, Laborer Overtime Hourly Rate.

2.5 Parts for Repair and Replacement Work

A. Allowance for Commodities

- 1. Payment for any single part, (Pay Item No. 5), costing less than twenty-five hundred dollars (\$2,500.00) and necessary for the repair or replacement work, will be paid under the allowance for commodities (Pay Item No. 5) with an accompanying mark-up allowance for commodities (Pay Item No. 6).
 - a. Pay Item No. 5, Commodities.

Payment under the parts allowance covers ONLY the actual cost of parts. The cost shall not include state sales tax, packing freight, shipping, demurrage, or other handling charges.

- b. Pay Item No. 6, Purchase, Handling, Storage and Inventory of Commodities. This fixed percentage of the parts cost will be full compensation for the delivery, unloading and handling of parts onsite, overhead, profit, sales tax and other expenses applicable to parts.
- 2. Cumulative cost of the parts required for repair and replacement, during any annual period of this contract, has reached fifteen-five thousand dollars (15,000.00).

3.0 Method of Compensation

All measurement of payment will be based on the actual amount of work completed, in strict accordance with the specifications and all codes and standards specified herein, and approved by the Contract Manager. Work completed under this contract shall be measured according to the methods outlined in the basis of payment hereunder and shall be paid for at the contract unit price for work activity.

3.1 Compensation

The Vendor shall be paid, per the compensation details in this Exhibit and price schedule in Exhibit "C", for the work completed and accepted by the Contract Manager. The total payment made to the Vendor shall not exceed the maximum amount of the face value of the contract, without a Supplemental Agreement being processed.

3.2 Method of Payment

Partial payments shall be allowed for this project. The Department reserves the right to withhold full payment or partial payment of the Vendor's invoice when less than the services listed on the invoice were performed or services were inadequate, not authorized, or not completed.

3.3 Invoicing

- A. Payment will be made following receipt and approval of a monthly invoice package for all work performed and accepted by the Department's contract manager. The invoice package shall include an itemized monthly invoice and all contract maintenance work documents, as specified in item B and C immediately below. The Vendor's monthly invoice package shall be submitted to the Department's contract manager by no later than the 15th day of each month. Failure to submit timely invoices could affect Vendor's performance rating.

The Vendor's invoice package shall be submitted to the address below.

Department of Transportation
FDOT Turnpike Enterprise
P. O. Box 613069
Ocoee, FL 34761
Attention: Donnell Wright

B. The itemized monthly invoice shall be a legible summary on the Vendor's letterhead that includes the following:

1. Remittance Address
2. State Contract Number
3. State Financial Project Identification Number
4. Billing period
5. List of Contract Maintenance Work Document Number(s)
6. Total cost per work document
7. Total amount of invoice
8. Current Contract Balance
9. Total Labor Hours

The "LABOR HOURS" are the total number of expended hours times the number of employees assigned to perform the work. The information is required for entry into the Department's Maintenance Management System (MMS) only, and not intended as a basis of payment.

C. A contract maintenance work document issued by the Department for all authorized work must be provided. The Vendor shall include the following information within the submitted work document:

1. Date Received (verified by initials)
2. Date Work Began (verified by initials)
3. Date of Completion (verified by initials)
4. Actual Quantity for each pay item
5. Total cost of the work document
6. Description of actual work performed
7. Signature of authorized representative
8. Copies of all receipts for parts purchased must be attached

D. The "LABOR HOURS" are the total number of expended hours times the number of employees assigned to perform the work. The information is required for entry into the Department's Maintenance Management System (MMS) only, and not intended as a basis of payment.

3.4 The Vendor shall provide a statement, with all but the first pay request, to the Department which certifies that the Vendor has disbursed to all sub-vendors, laborers, and material suppliers, having an interest in the contract, their pro-rata shares of the payment, out of the previous payments received by the Vendor for all work completed and materials furnished in the previous period. This certification shall be in the form designated by the Department. The Department shall not make any payments after the initial payment until the Vendor furnishes

said certification, unless the Vendor demonstrates good cause for not making any such required payment and provides written notification of any such good cause to both the Department and the affected sub-Vendors, laborers, and material suppliers.

- 3.5 Payment for parts will be made upon presentation of receipt from the parts supplier to the Vendor. The receipt shall be attached to the Vendor's invoice when billing the Department for parts. This documentation of the supplier's receipt is a requirement of the State Comptroller in order to receive reimbursement for parts.
- 3.6 Any work performed by unlicensed or unapproved personnel shall result in non-payment.
- 3.7 In the event that there are discrepancies between the Department's records and the unscheduled service hour stated in the Vendor's invoice, the toll plaza visitor log will be used to verify the Vendor's hours. Should the Vendor fail during the assignment to comply with the sign-in sign-out requirements, the Department reserves the right to pay the Vendor for a maximum of one (1) hour, regardless of the hours invoiced by the Vendor for the work order.
- 3.8 No compensation shall be paid separately for travel time, expenses or tolls. Therefore, all anticipated travel time and travel expenses incurred by the Vendor shall be included in the Vendor's unit bid prices. The Vendor and any sub-vendor shall pay toll charges for all vehicles and equipment at the standard rate applicable to the general public.
- 3.9 The Vendor shall submit all outstanding invoices within forty-five (45) calendar days of the termination date/last day of the term of the contract. Failure to timely submit the outstanding invoices or issues by the Vendor may be grounds for the Department to close the contract. The Department shall not be obligated to reimburse the Vendor for any invoice submitted thereafter unless the Vendor has obtained a written exception to the time limit from the Department. The Vendor shall submit a Certification of Contract Completion with the final invoice.
- 3.10 In the event that funds paid to the Vendor under this contract are subsequently disallowed by the Department because of accounting error or charges not in compliance with this contract, the Vendor agrees that such disallowed amounts are due to the Department upon demand. Further, the Vendor agrees that the Department shall have the right to deduct from any payment due to the Vendor under any other contract between the Vendor and the Department or under this contract, an amount sufficient to satisfy any amount due and owing the Department by the Vendor.
- 3.11 No retainage shall be withheld from the payments to the Vendor for this project.
