INFORMATION HOTLINE

Clark County Purchasing and Contracts Division introduces their improved FAX VAULT 24-hour information hotline! The FaxBack® Fax Vault is an automated Fax-On-Demand system that allows a caller to request and receive hard copy information electronically.

Clark County Purchasing and Contracts Division is currently providing planholders lists through the Fax-On-Demand system. This information is available seven days a week, 24 hours a day. Contractors may use ANY touchtone telephone, dial 702-455-5428, and follow the voice message prompts to receive the desired information.

We are now providing these documents individually, based on the bid number. This will allow you to request the planholders list for a specific bid rather than receiving all of the bid lists and discarding those not needed.

EXAMPLE: To request the planholders list for bid number 601652, the customer would request document number 601652.

We recommend that you request the current bid schedule (Document 101) to obtain the correct bid number of each project. Planholders lists are updated at the end of each day.

Please keep in mind that each call to the fax-on-demand system allows you to order up to 5 documents (i.e., 5 planholders lists).

If you should have any questions or experience problems, please call (702) 455-2897 during normal business hours for assistance.
