

City of San José Request for Qualifications

NOTICE TO INTERESTED CONSULTANTS

April 22, 2010

The CITY OF SAN JOSÉ invites Statement of Qualifications submittals for CONSULTANT SERVICES

For
CONSTRUCTION AND POST-CONSTRUCTION STORMWATER MANAGEMENT
PROGRAM
UNDER MASTER **CONSULTANT AGREEMENT IN THE AMOUNT OF UP TO \$100,000**

This Request for Qualifications solicitation has been developed in accordance with the City of San José, Council adopted, Qualifications Selection Process to encourage participation of well-qualified civil engineering and landscape architecture consultants available to provide the services and expertise necessary to satisfy the varied program requirements for this City project. The City Qualifications Based Consultant Selection (QBCS) policy encourages participation by qualified civil engineering and landscape architecture consultants while promoting broad competition, local and small business participation and diversity in the marketplace. Qualification Based Consultant Selection represents the City's intent to provide a fair and objective process that yields the highest quality professional services at a fair and reasonable price.

The City of San José Public Works Department seeks responsible civil engineering and landscape architecture consultant firms to submit Statement of Qualifications (SOQ) demonstrating relevant experience and ability to provide professional services for development of a Construction and Post-Construction Stormwater Management Program.

The Request for Qualifications package may be obtained on the City's Bid Hotline Information website,
