1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT

This Request for Proposal (RFP) is issued by the Procurement Bureau, Division of Purchase and Property, Department of the Treasury on behalf of the Department of Veterans and Military Affairs (DMAVA). The purpose of this RFP is to solicit proposals from qualified bidders to engage a contractor to perform a cleaning of museum textile and leather military artifacts there were exposed to seawater.

The intent of this RFP is to award one or more contracts to those responsible bidders whose proposals, conforming to this RFP are most advantageous to the State, price and other factors considered. The State, however, reserves the right to separately procure individual requirements that are the subject of the contract during the contract term, when deemed by the Director to be in the State's best interest.

The State of NJ Standard Terms and Conditions will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with them unless the RFP specifically indicates otherwise.

Note: A proposal that fails to present personnel qualified in conservation in accordance with Federal Emergency Management Agency (FEMA) Disaster Assistance Policy DAP9524.6 and the American Institute for Conservation Code of Ethics and Guidelines for Practice, will be deemed as non-responsive.

It is the sole responsibility of the bidder to be knowledgeable of all addenda related to this procurement.

1.4.2 BIDDER RESPONSIBILITY

The bidder assumes sole responsibility for the complete effort required in submitting a proposal in response to this RFP. No special consideration will be given after proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a proposal in response to this RFP.

1.4.4 CONTENTS OF PROPOSAL

Your proposal can be released to the public during the protest period established pursuant to N.J.A.C. 17:12-3.3, or under the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq., (OPRA) or the common law right to know. As provided in N.J.A.C. 17:12-1.2(b):

Subsequent to the proposal submission opening, all information submitted by bidders in response to a solicitation is considered public information, notwithstanding any disclaimers to the contrary submitted by a bidder, except as may be exempted from public disclosure by OPRA and the common law.

Any proprietary and/or confidential information in your proposal will be redacted by the State. A bidder may designate specific information as not subject to disclosure pursuant to the exceptions to OPRA found at N.J.S.A. 47:1A-1.1, when the bidder has a good faith legal and or factual basis for such assertion. The State reserves the right to make the determination as to what is proprietary or confidential, and will advise the bidder accordingly. The location in the proposal of any such designation should be clearly stated in a cover letter. **The State will not honor any attempt by a bidder to designate its entire proposal as proprietary, confidential and/or to claim copyright protection for its entire proposal.** In the event of any challenge to the bidder's assertion of confidentiality with which the State does not concur, the bidder shall be solely responsible for defending its designation.

By signing the cover sheet of this RFP, the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to State using agencies and cooperative purchasing partners and thus have to be made public to allow all eligible purchasing entities access to the pricing information.

1.4.5 PROPOSAL SUBMISSION

On the date and time proposals are due under the RFP, all information concerning the proposals submitted may be publicly announced and those proposals, except for information appropriately designated as proprietary and/or confidential, shall be available for inspection and copying. In those cases where negotiation is contemplated, only the names and addresses of the bidders submitting proposals will be announced and the contents of the proposals shall remain proprietary and/or confidential until the Notice of Intent to Award is issued by the Director.

1.4.6 PRICE ALTERATION IN HARD COPY PROPOSALS

Proposal prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

1.4.7 PROPOSAL ERRORS

In accordance with N.J.A.C. 17:12-2.11, "Proposal Errors," a bidder may withdraw its proposal as described below.

A bidder may request that its proposal be withdrawn prior to the proposal submission opening. Such request must be made, in writing, to the Supervisor of the Proposal Review Unit. If the request is granted, the bidder may submit a revised proposal as long as the proposal is received prior to the announced date and time for proposal submission and at the place specified.

If, after the proposal submission opening but before contract award, a bidder discovers an error in its proposal, the bidder may make a written request to the Supervisor of the Proposal Review Unit for authorization to withdraw its proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the State will not be significantly prejudiced by granting the withdrawal of the proposal. After the proposal submission opening, while pursuant to the provisions of this section, you may request to withdraw your proposal and the Director may, in her discretion allow you to withdraw it, the Division also may take notice of repeated or unusual requests to withdraw by a bidder and take those prior requests to withdraw into consideration when evaluating the bidder's future bids or proposals.

All proposal withdrawal requests must include the proposal identification number and the final proposal submission date and be sent to the following address:

Department of the Treasury
Procurement Bureau
PO Box 230
33 West State Street – 9th Floor
Trenton, New Jersey 08625-0230
Attention: Supervisor, Proposal Review Unit

If during a proposal evaluation process, an obvious pricing error made by a potential contract awardee is found, the Director shall issue written notice to the bidder. The bidder will have five (5) days after receipt of the notice to confirm its pricing. If the vendor fails to respond, its proposal shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the proposal, the Director may seek clarification from the bidder to ascertain the true intent of the proposal.

1.4.8 JOINT VENTURE

If a joint venture is submitting a proposal, the agreement between the parties relating to such joint venture should be submitted with the joint venture's proposal. Authorized signatories from each party comprising the joint venture must sign the proposal. A separate Ownership Disclosure Form, Disclosure of Investigations and Actions Involving Bidder form, Disclosure of Investment Activities in Iran form, and Affirmative Action Employee Information Report must be supplied for each party to a joint venture. NOTE: Each party comprising the joint venture must also possess a valid Business Registration Certificate ("BRC") issued by the Department of the Treasury, Division of Revenue prior to the award of a contract. Refer to Section 4.4.2.1 of this RFP.

1.4.9 RECIPROCITY FOR JURISDICTIONAL BIDDER PREFERENCE

In accordance with N.J.S.A. 52:32-1.4 and N.J.A.C. 17:12-2.13, the State of New Jersey will invoke reciprocal action against an out-of-State bidder whose state or locality maintains a preference practice for its bidders. For states having preference laws, regulations, or practices, New Jersey will use the annual surveys compiled by the Council of State Governments, National Association of State Purchasing Officials, or the National Institute of Governmental Purchasing to invoke reciprocal actions. The State may obtain additional information as it deems appropriate to supplement the stated survey information.

The bidder may submit information related to preference practices enacted for a local entity outside the State of New Jersey. This information may be submitted in writing as part of the proposal response, including name of the locality having the preference practice, as well as identification of the county and state, and should include a copy of the appropriate documentation, i.e., resolution, regulation, law, notice to bidder, etc. It is the responsibility of the bidder to provide documentation with the proposal or submit it to the Director, Division of Purchase and Property within five (5) working days of the public proposal submission date. Written evidence for a specific procurement that is not provided to the Director within five (5) working days of the public proposal submission date will not be considered in the evaluation of that procurement, but will be retained and considered in the evaluation of subsequent procurements.

1.4.10 PROPOSAL ACCEPTANCES AND REJECTIONS

4.3.1 EBID SUBMISSION OF PROPOSAL

If the bidder is submitting an eBid proposal, hard copy submission is not required. Instructions detailing how to enroll in and submit an eBid are available on the web at <https://wwwnet1.state.nj.us/treasury/dpp/ebid/>. If the bidder submits both an eBid and a hard copy of the bidder's proposal, the eBid proposal will prevail in the event of a discrepancy between the electronic and paper versions.

When submitting an eBid, do not use any symbols (i.e., #, @, \$, &, *) in the filename.

4.3.2 NON-EBID SUBMISSION

If the bidder is not submitting an eBid proposal, the bidder must submit the following proposal copies:

One (1) complete ORIGINAL proposal, clearly marked as the "ORIGINAL" proposal.

Four (4) complete and exact copies, clearly marked "COPY".

One (1) unbound, complete and exact copy of the original, clearly marked "COPY"

One (1) complete and exact ELECTRONIC copy of the original proposal in an editable and "writable" PDF file format on disc (CD or DVD) for redaction.

Copies are necessary in the evaluation of the proposal and for record retention purposes. A bidder failing to provide the requested number of copies will be charged the cost incurred by the State in producing the requested number of copies. The bidder should make and retain a copy of its proposal.

4.4 PROPOSAL CONTENT

The proposal should be submitted in two volumes with the content of each volume as indicated below.

Volume 1

Section 1 - Forms (Sections 4.4.1 and 4.4.2)

Section 2 - Technical Proposal (Section 4.4.3) – **NOTE: This section of the bidder's submission is limited to 25 pages or fewer, with no smaller than a 12 point font.**

4.4.1 FORMS, REGISTRATIONS AND CERTIFICATIONS REQUIRED WITH PROPOSAL

4.4.1.1 SIGNATORY PAGE

The bidder shall complete, including signature of an authorized representative of the bidder, and submit the Signatory Page accompanying this RFP. If the bidder is a limited partnership, the Signatory Page must be signed by a general partner. If the bidder is a joint venture, the Signatory Page must be signed by a principal of each party to the joint venture. Failure to comply will result in rejection of the proposal.

Note: A bidder's written signature on the Signatory Page, or entry of a Personal Identification Number (PIN) if using the eBid system, shall not serve as a certifying signature on the forms comprising the NJ STANDARD RFP FORMS document. (See 4.4.1.2)

4.4.1.1.1 MACBRIDE PRINCIPLES CERTIFICATION

The bidder must certify pursuant to N.J.S.A. 52:34-12.2 that it is in compliance with the MacBride principles of nondiscrimination in employment as set forth in N.J.S.A. 52:18A-89.5 and in conformance with the United Kingdom's Fair Employment (Northern Ireland) Act of 1989, and permit independent monitoring of their compliance with those principles. Please refer to Section

2.5 of the State of NJ Standard Terms and Conditions and N.J.S.A. 52:34-12.2 for additional information about the McBride principles.

By signing the RFP Signatory Page, or by entering its PIN if submitting an eBid proposal, the bidder/offeror is automatically certifying that either:

- a. The bidder has no operations in Northern Ireland; or
- b. The bidder has business operations in Northern Ireland and is committed to compliance with the MacBride principles.

A bidder/offeror electing not to certify to the MacBride Principles must nonetheless sign the RFP Signatory Page AND must include, as part of its proposal, a statement indicating its refusal to comply with the provisions of this Act.

4.4.1.1.2 NO SUBCONTRACTOR CERTIFICATION

For a proposal that does NOT include the use of any subcontractors, by signing the RFP Signatory Page, or by entering a PIN if submitting an e-Bid proposal, the bidder is *automatically* certifying that:

1. In the event the award is granted to bidder's firm and the bidder later determines at any time during the term of the Contract to engage subcontractors to provide certain goods and/or services, pursuant to Section 5.8 of the State of NJ Standard Terms and Conditions, the bidder will submit a Subcontractor Utilization Plan form for approval to the Division of Purchase and Property in advance of any such engagement of subcontractors.
2. If the contract is a small business subcontracting set-aside, the bidder certifies that in engaging subcontractors, it will make a good faith effort to achieve the subcontracting set-aside goals, and will attach to the Subcontractor Utilization Plan documentation of such efforts in accordance with N.J.A.C. 17:13-4 et seq.

4.4.1.1.3 NON-COLLUSION

By submitting a proposal, the bidder certifies as follows:

- a. The price(s) and amount of its proposal have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder.
- b. Neither the price(s) nor the amount of its proposal, and neither the approximate price(s) nor approximate amount of this proposal, have been disclosed to any other firm or person who is a bidder or potential bidder, and they will not be disclosed before the proposal submission.
- c. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a proposal higher than this proposal, or to submit any intentionally high or noncompetitive proposal or other form of complementary proposal.
- d. The proposal of the firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive proposal.
- e. The bidder, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four (4) years been convicted or found liable for any act prohibited by state or federal law in

any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

4.4.1.1.4 NEW JERSEY BUSINESS ETHICS GUIDE CERTIFICATION

The Treasurer has established a business ethics guide to be followed by State contractors in their dealings with the State. The guide provides further information about compliance with Section 2.8 of the State of New Jersey Standard Terms and Conditions. The guide can be found at:

http://www.state.nj.us/treasury/purchase/ethics_guide.shtml

By signing the RFP signatory page, or by entering a pin if submitting an e-bid proposal, the bidder is automatically certifying that it has read the guide, understands its provisions and is in compliance with its provisions.

4.4.1.2 NJ STANDARD RFP FORMS

One of the downloadable RFP documents is titled NJ STANDARD RFP FORMS. It is comprised of three separate forms, two of which (Ownership Disclosure and Disclosure of Investment Activities in Iran) discussed below, must be completed, signed and submitted with the bidder's proposal. **The bidder is cautioned that failure to complete, sign and submit either of these two forms will be cause to reject its proposal as non-responsive as noted below.** If the bidder submits a hard copy proposal, each of the two forms must be physically signed.

If the bidder is submitting an electronic proposal through the Division's eBid system, there are only two acceptable forms of signature for the two forms:

1. The bidder may download the document, physically complete and sign each form, scan the completed document and then upload it, or
2. The bidder may download the document, type the name of the signatory in the space designated for certification signature in each of the forms and then upload the document.

Note: A bidder's entry of a Personal Identification Number (PIN) shall not suffice as a certifying signature on the forms comprising the NJ STANDARD RFP FORMS document.

4.4.1.2.1 OWNERSHIP DISCLOSURE FORM

Pursuant to N.J.S.A. 52:25-24.2, in the event the bidder is a corporation, partnership or sole proprietorship, the bidder must complete and sign the attached Ownership Disclosure Form. A current completed Ownership Disclosure Form must be received prior to or accompany the submitted proposal. A bidder's failure to submit the completed and signed form with its proposal will result in the rejection of the proposal as non-responsive and preclude the award of a contract to said bidder unless the Division has on file a signed and accurate Ownership Disclosure Form dated and received no more than six months prior to the proposal submission deadline for this procurement. If any ownership change has occurred within the last six months, a new Ownership Disclosure Form must be completed, signed and submitted with the proposal.

4.4.1.2.2 DISCLOSURE OF INVESTMENT ACTIVITIES IN IRAN FORM

Pursuant to N.J.S.A. 52:32-58, the bidder must utilize this Disclosure of Investment Activities in Iran form to certify that neither the bidder, nor one of its parents, subsidiaries, and/or affiliates (as defined in N.J.S.A. 52:32-56(e)(3)), is listed on the Department of the Treasury's List of Persons or Entities Engaging in Prohibited Investment Activities in Iran and that neither the bidder, nor one of its parents, subsidiaries, and/or affiliates, is involved in any of the investment activities set forth in N.J.S.A. 52:32-56(f). If the bidder is unable to so certify, the bidder shall provide a detailed and

precise description of such activities as directed on the form. A bidder's failure to submit the completed and signed form with its proposal will result in the rejection of the proposal as non-responsive and preclude the award of a contract to said bidder.

4.4.1.3 SUBCONTRACTOR UTILIZATION PLAN

All bidders intending to use a subcontractor must submit a completed Subcontractor Utilization Plan. Please see the State of New Jersey, Division of Purchase and Property's Subcontractor Forms which includes the Subcontractor Utilization Plan form.

4.4.1.4 SMALL BUSINESS REGISTRATION FOR SET-ASIDE CONTRACTS

Pursuant to the provisions of N.J.S.A. 52:32-17 and N.J.A.C. 17:13, this contract, or a portion thereof, has been designated as a set-aside contract for small business. As such, as indicated on page one of this document, this contract has set-aside subcontracting goals for a bidder's subcontractors that meet statutory and regulatory requirements and have had their eligibility determined by the New Jersey Division of Revenue, Small Business Enterprise Unit.

Inasmuch as this is a full or partial set-aside contract, the bidder should provide, as part of its response to this solicitation, proof of its proposed subcontractor's current registration as a qualifying small business with the New Jersey Division of Revenue, Small Business Enterprise Unit. Application and registration requirements are presented on the web at <http://www.nj.gov/njbusiness/contracting/> or by contacting that agency during business hours as indicated below.

PO BOX 026, TRENTON, NJ 08625-0026
TELEPHONE: 609-292-2146
FAX #: 609-292-8764

IN ORDER TO EXPEDITE THE SMALL BUSINESS REGISTRATION PROCESS FOR THIS PROCUREMENT, THE BIDDER'S SUBCONTRACTOR MAY FAX A COPY OF RFP PAGE ONE (1) REFLECTING THE PROPOSAL SUBMISSION DATE ALONG WITH THE COMPLETED SMALL BUSINESS REGISTRATION FORM TO THE NEW JERSEY DIVISION OF REVENUE, SMALL BUSINESS ENTERPRISE UNIT TO THE FAX NUMBER ABOVE.

4.4.1.4.1 SMALL BUSINESS SUBCONTRACTING SET-ASIDE CONTRACTS

This is a contract with set-aside subcontracting goals for New Jersey Small Business Enterprises. If the bidder intends to subcontract, it must submit a Subcontractor Utilization Plan. If the bidder intends to subcontract, the bidder should take the following actions to achieve the set-aside subcontracting goal requirements:

1. Attempt to locate eligible small businesses in Categories I, II, and III appropriate to the RFP;
2. Request a listing of small businesses by Category from the New Jersey Division of Revenue, Small Business Enterprise Unit;
3. Record efforts to locate eligible businesses, including the names of businesses contacted and the means and results of such contacts;
4. Provide all potential subcontractors with detailed information regarding the specifications;

5. Attempt, whenever possible, to negotiate prices with potential subcontractors submitting higher than acceptable price quotes;
6. Obtain, in writing, the consent of any proposed subcontractor to use its name in response to the RFP; and,
7. Maintain adequate records documenting efforts to achieve the set-aside subcontracting goals.

Proposals should also contain a copy of the New Jersey of Revenue, Small Business Enterprise Unit's proof of registration as a small business for any business proposed as a subcontractor; and documentation of the bidder's good faith effort to meet the targets of the set-aside subcontracting requirement in sufficient detail to permit the Proposal Review Unit of the Division to effectively assess the bidder's efforts to comply if the bidder has failed to attain the statutory goals.

If the bidder chooses to use subcontractors and fails to meet the small business subcontracting targets set forth above, the bidder must submit documentation demonstrating its good faith effort to meet the targets with its proposal or within seven (7) business days upon request.

NOTE A BIDDER'S FAILURE TO SATISFY THE SMALL BUSINESS SUBCONTRACTING TARGETS OR PROVIDE SUFFICIENT DOCUMENTATION OF ITS GOOD FAITH EFFORTS TO MEET THE TARGETS WITH THE PROPOSAL OR WITHIN SEVEN (7) DAYS UPON REQUEST SHALL PRECLUDE AWARD OF A CONTRACT TO THE BIDDER.

If awarded the contract, the bidder shall notify each subcontractor listed in the Plan, in writing.

Each bidder awarded a contract for a procurement which contains the set-aside subcontracting goal requirement shall fully cooperate in any studies or surveys which may be conducted by the State to determine the extent of the bidder's compliance with N.J.A.C. 17:13-1.1 et seq., and this RFP.

4.4.1.5 BID SECURITY

Not applicable to this procurement.

4.4.1.6 PRICING

The bidder must submit its pricing on the State supplied Price Schedule and supply any additional pricing information as directed in Section 4.4.5 of the RFP.

4.4.2 FORMS REQUIRED BEFORE CONTRACT AWARD AND THAT SHOULD BE SUBMITTED WITH THE PROPOSAL

4.4.2.1 BUSINESS REGISTRATION

In accordance with N.J.S.A. 52:32-44(b), a bidder and its named subcontractors must have a valid Business Registration Certificate ("BRC") issued by the Department of Treasury, Division of Revenue prior to the award of a contract. To facilitate the proposal evaluation and contract award process, the bidder should submit a copy of its valid BRC and those of any named subcontractors with its proposal. Refer to Section 2.1 of the State of NJ Standard Terms and Conditions.

Any bidder, inclusive of any named subcontractors, who does not have a valid business registration at the time of the proposal submission opening or whose BRC was revoked prior to the submission of the proposal should proceed immediately to register its business or seek reinstatement of a revoked BRC. Bidders are cautioned that it may require a significant amount of time to secure the re-instatement of a revoked BRC. The process can require actions by both the

Division of Revenue and the Division of Taxation. For this reason, a bidder's early attention to this requirement is highly recommended. The bidder and its named subcontractors may register with the Division of Revenue, obtain a copy of an existing BRC or obtain information necessary to seek re-instatement of a revoked BRC online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

A bidder otherwise identified by the Division as a responsive and responsible bidder, inclusive of any named subcontractors, but that was not business registered at the time of submission of its proposal must be so registered and in possession of a valid BRC by a deadline to be specified in writing by the Division. A bidder who fails to comply with this requirement by the deadline specified by the Division will be deemed ineligible for contract award. Under any circumstance, the Division will rely upon information available from computerized systems maintained by the State as a basis to verify independently compliance with the requirement for business registration.

A bidder receiving a contract award as a result of this procurement and any subcontractors named by that bidder will be required to maintain a valid business registration with the Division of Revenue for the duration of the executed contract, inclusive of any contract extensions.

4.4.2.2 DISCLOSURE OF INVESTIGATIONS AND ACTIONS INVOLVING BIDDER FORM

The bidder should submit the Disclosure of Investigations and Actions Involving Bidder Form, one of the three forms in the downloadable RFP documents titled NJ STANDARD RFP FORMS with its proposal, to provide a detailed description of any investigation, litigation, including administrative complaints or other administrative proceedings, involving any public sector clients during the past five (5) years, including the nature and status of the investigation, and, for any litigation, the caption of the action, a brief description of the action, the date of inception, current status, and, if applicable, disposition. If a bidder does not submit the form with the proposal, the bidder must comply within seven (7) business days of the State's request or the State may deem the proposal non-responsive.

4.4.2.3 SERVICES SOURCE DISCLOSURE CERTIFICATION FORM

Pursuant to N.J.S.A. 52:34-13.2, prior to an award of contract, the bidder is required to submit a completed source disclosure form. The bidder's inclusion of the completed Services Source Disclosure Form with the proposal is requested and advised. Refer to RFP Section 7.1.2 for additional information concerning this requirement.

4.4.3 TECHNICAL PROPOSAL

In this section, the bidder shall describe its approach and plans for accomplishing the work outlined in the Scope of Work section, i.e., Section 3.0. The bidder shall set forth its understanding of the requirements of this RFP and its ability to successfully complete the contract.

The bidder shall present evidence of its personnel being qualified in conservation in accordance with Federal Emergency Management Agency (FEMA) Disaster Assistance Policy DAP9524.6 and the American Institute for Conservation Code of Ethics and Guidelines for Practice.

This section of the proposal should minimally contain the information identified below.

4.4.3.1 MANAGEMENT OVERVIEW

The bidder shall set forth its overall technical approach and plans to meet the requirements of the RFP in a narrative format. This narrative should demonstrate to the State that the bidder

understands the objectives that the contract is intended to meet, the nature of the required work and the level of effort necessary to successfully complete the contract. This narrative should demonstrate to the State that the bidder's general approach and plans to undertake and complete the contract are appropriate to the tasks and subtasks involved.

Mere reiterations of RFP tasks and subtasks are strongly discouraged, as they do not provide insight into the bidder's ability to complete the contract. The bidder's response to this section should be designed to demonstrate to the State that the bidder's detailed plans and approach proposed to complete the Scope of Work are realistic, attainable and appropriate and that the bidder's proposal will lead to successful contract completion.

4.4.3.2 CONTRACT MANAGEMENT

The bidder should describe its specific plans to manage, control and supervise the contract to ensure satisfactory contract completion according to the required schedule. The plan should include the bidder's approach to communicate with the State Contract Manager including, but not limited to, status meetings, status reports, etc.

4.4.3.3 CONTRACT SCHEDULE

The bidder should include a contract schedule. If key dates are a part of this RFP, the bidder's schedule should incorporate such key dates and should identify the completion date for each task and sub-task required by the Scope of Work. Such schedule should also identify the associated deliverable item(s) to be submitted as evidence of completion of each task and/or subtask.

4.4.3.4 MOBILIZATION AND IMPLEMENTATION PLAN

Not applicable to this procurement.

4.4.3.5 POTENTIAL PROBLEMS

This section of the proposal must minimally contain the information identified below.

The bidder should include the address of the bidder's office where responsibility for managing the contract will take place. The bidder should include the telephone number and name of the individual to contact.

4.4.4.2 ORGANIZATION CHARTS

- a. **Contract-Specific Chart.** The bidder should include a contract organization chart, with names showing management, supervisory and other key personnel (including subcontractor

management, supervisory or other key personnel) to be assigned to the contract. The chart should include the labor category and title of each such individual.

b. **Chart for Entire Firm.** The bidder should include an organization chart showing the bidder's entire organizational structure. This chart should show the relationship of the individuals assigned to the contract to the bidder's overall organizational structure.

4.4.4.3 RESUMES

Detailed resumes should be submitted for all management, supervisory and key personnel to be assigned to the contract. Resumes should emphasize relevant qualifications and experience of these individuals in successfully completing contracts of a similar size and scope to those required by this RFP. Resumes should include the following:

- The individual's previous experience in completing each similar contract.
- Beginning and ending dates for each similar contract.
- A description of the contract demonstrating how the individual's work on the completed contract relates to the individual's ability to contribute to successfully providing the services required by this RFP.
- With respect to each similar contract, the name and address of each reference together with a person to contact for a reference check and a telephone number.

The bidder should provide detailed resumes for each subcontractor's management, supervisory and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the subcontractor is designated to perform. When a bidder submits resumes pursuant to this paragraph, the bidder shall redact the social security numbers, home addresses, personal telephone numbers and any other personally identifying information other than the individual's name from the resume.

4.4.4.4 BACKUP STAFF

The bidder should include a list of backup staff that may be called upon to assist or replace primary individuals assigned. Backup staff must be clearly identified as backup staff.

In the event the bidder must hire management, supervisory and/or key personnel if awarded the contract, the bidder should include, as part of its recruitment plan, a plan to secure backup staff in the event personnel initially recruited need assistance or need to be replaced during the contract term.

4.4.4.5 EXPERIENCE WITH CONTRACTS OF SIMILAR SIZE AND SCOPE

The bidder should provide a comprehensive listing of contracts of similar size and scope that it has successfully completed, as evidence of the bidder's ability to successfully complete the services required by this RFP. Emphasis should be placed on contracts that are similar in size and scope to the work required by this RFP. A description of all such contracts should be included and should show how such contracts relate to the ability of the firm to complete the services required by this RFP. For each such contract, the bidder should provide two names and telephone numbers of individuals for the other contract party. Beginning and ending dates should also be given for each contract.

The bidder should provide documented experience to demonstrate that each subcontractor has successfully performed work on contracts of a similar size and scope to the work that the subcontractor is designated to perform in the bidder's proposal. The bidder must provide a detailed description of services to be provided by each subcontractor.

Bidders should clearly indicate experience, including that of all subcontractors, with contracts performed in conservation in accordance with Federal Emergency Management Agency (FEMA) Disaster Assistance Policy DAP9524.6 and the American Institute for Conservation Code of Ethics and Guidelines for Practice.

4.4.4.6 FINANCIAL CAPABILITY OF THE BIDDER

In order to provide the State with the ability to judge the bidder's financial capacity and capabilities to undertake and successfully complete the contract, the bidder should submit certified financial statements which include a balance sheet, income statement and statement of cash flow, and all applicable notes for the most recent calendar year or the bidder's most recent fiscal year. If certified financial statements are not available, the bidder should provide either a reviewed or compiled statement from an independent accountant setting forth the same information required for the certified financial statements, together with a certification from the Chief Executive Officer and the Chief Financial Officer, that the financial statements and other information included in the statements fairly present in all material respects the financial condition, results of operations and cash flows of the bidder as of, and for, the periods presented in the statements. In addition, the bidder should submit a bank reference.

If the information is not supplied with the proposal, the State may still require the bidder to submit it. If the bidder fails to comply with the request within seven (7) business days, the State may deem the proposal non-responsive.

A bidder may designate specific financial information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. A bidder may submit specific financial documents in a separate, sealed package clearly marked "Confidential-Financial Information" along with the proposal.

The State reserves the right to make the determination to accept the assertion and shall so advise the bidder.

4.4.5 PRICE SCHEDULE/SHEET

The bidder must submit its pricing using the format set forth in the State-supplied price schedule accompanying this RFP. Failure to submit all information required will result in the proposal being considered non-responsive. Each bidder is required to hold its prices firm through issuance of contract.

4.4.5.1 DELIVERY COSTS

Unless otherwise noted elsewhere in the RFP, all prices for items in proposals shall be submitted F.O.B. Destination. Proposals submitted other than F.O.B. Destination may not be considered. Regardless of the method of quoting shipments, the contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's using agency or designated purchaser.

F.O.B. Destination does not cover "spotting" but does include delivery on the receiving platform of the ordering agency at any destination in the State of New Jersey unless otherwise specified. No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at contractor's convenience when a single shipment is ordered. The weights and measures of the State's using agency receiving the shipment shall govern.

4.4.5.2 C.O.D. TERMS

C.O.D. terms are not acceptable as part of a proposal and will be cause for rejection of a proposal.

4.4.5.3 CASH DISCOUNTS

Bidders are encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the lowest proposal.

- a. Discount periods shall be calculated starting from the next business day after the using agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest.
- b. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

5.0 SPECIAL CONTRACTUAL TERMS AND CONDITIONS

5.1 PRECEDENCE OF SPECIAL CONTRACTUAL TERMS AND CONDITIONS

The contract awarded as a result of this RFP shall consist of this RFP, addenda to this RFP, the contractor's proposal, any best and final offer and the Division's Notice of Award.

Unless specifically stated within this RFP, the Special Contractual Terms and Conditions of the RFP take precedence over the State of NJ Standard Terms and Conditions accompanying this RFP.

In the event of a conflict between the provisions of this RFP, including the Special Contractual Terms and Conditions and the State of NJ Standard Terms and Conditions, and any addendum to this RFP, the addendum shall govern.

In the event of a conflict between the provisions of this RFP, including any addendum to this RFP, and the bidder's proposal, the RFP and/or the addendum shall govern.

5.2 CONTRACT TERM AND EXTENSION OPTION

The term of the contract shall be for a period of **one (1) year**. The anticipated "Contract Effective Date" is provided on the signatory page accompanying this RFP. If delays in the procurement process result in a change to the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract.

The contract may be extended for all or part of **two (2)** one-year periods, by the mutual written consent of the contractor and the Director at the same terms, conditions, and pricing at the rates in effect in the last year of the contract or rates more favorable to the State.

5.3 CONTRACT TRANSITION

In the event that a new contract has not been awarded prior to the contract expiration date, as may be extended herein, it shall be incumbent upon the contractor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than **180** days beyond the expiration date of the contract.

5.4 CONTRACT AMENDMENT

Any changes or modifications to the terms of the contract shall be valid only when they have been reduced to writing and signed by the contractor and the Director.

5.5 CONTRACTOR RESPONSIBILITIES

The contractor shall have sole responsibility for the complete effort specified in the contract. Payment will be made only to the contractor. The contractor shall have sole responsibility for all payments due any subcontractor.

The contractor is responsible for the professional quality, technical accuracy and timely completion and submission of all deliverables, services or commodities required to be provided under the contract. The contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services. The approval of deliverables furnished under this contract shall not in any way relieve the contractor of responsibility for the technical adequacy of its work. The review, approval, acceptance or

payment for any of the services shall not be construed as a waiver of any rights that the State may have arising out of the contractor's performance of this contract.

5.6 SUBSTITUTION OF STAFF

The contractor shall forward a request to substitute staff to the State Contract Manager for consideration and approval. No substitute personnel are authorized to begin work until the contractor has received written approval to proceed from the State Contract Manager.

If it becomes necessary for the contractor to substitute any management, supervisory or key personnel, the contractor shall identify the substitute personnel and the work to be performed. The contractor must provide detailed justification documenting the necessity for the substitution. Resumes must be submitted evidencing that the individual(s) proposed as substitute(s) have qualifications and experience equal to or better than the individual(s) originally proposed or currently assigned.

5.7 SUBSTITUTION OR ADDITION OF SUBCONTRACTOR(S)

This Subsection serves to supplement but not to supersede Sections 5.8 and 5.9 of the State of NJ Standard Terms and Conditions accompanying this RFP.

The contractor shall forward a written request to substitute or add a subcontractor or to substitute its own staff for a subcontractor to the State Contract Manager for consideration. If the State Contract Manager approves the request, the State Contract Manager will forward the request to the Director for final approval. No substituted or additional subcontractors are authorized to begin work until the contractor has received written approval from the Director.

If it becomes necessary for the contractor to substitute a subcontractor, add a subcontractor or substitute its own staff for a subcontractor, the contractor will identify the proposed new subcontractor or staff member(s) and the work to be performed. The contractor must provide detailed justification documenting the necessity for the substitution or addition.

The contractor must provide detailed resumes of its proposed replacement staff or of the proposed subcontractor's management, supervisory and other key personnel that demonstrate knowledge, ability and experience relevant to that part of the work which the subcontractor is to undertake.

The qualifications and experience of the replacement(s) must equal or exceed those of similar personnel proposed by the contractor in its proposal.

5.8 OWNERSHIP OF MATERIAL

All data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of the contract, including, but not limited to, all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents, regardless of the state of completion, which are prepared for or are a result of the services required under this contract shall be and remain the property of the State and shall be delivered to the State upon thirty (30) days' notice by the State. With respect to software computer programs and/or source codes developed for the State, except those modifications or adaptations made to bidder or contractor's Background IP as defined below, the work shall be considered "work for hire", i.e., the State, not the contractor or subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such

materials may not, by operation of the law, be a work made for hire in accordance with the terms of this contract, contractor or subcontractor hereby assigns to the State all right, title and interest in and to any such material, and the State shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

Should the Bidder anticipate bringing pre-existing intellectual property into the project, the intellectual property must be identified in the proposal. Otherwise, the language in the first paragraph of this section prevails. If the bidder identifies such intellectual property (Background IP) in its proposal, then the Background IP owned by the bidder on the date of the contract, as well as any modifications or adaptations thereto, remain the property of the bidder. Upon contract award, the bidder or contractor shall grant the State a nonexclusive, perpetual royalty free license to use any of the bidder/contractor's Background IP delivered to the State for the purposes contemplated by the contract.

5.9 SECURITY AND CONFIDENTIALITY

Not applicable to this procurement.

5.10 NEWS RELEASES

5.11 ADVERTISING

The contractor shall not use the State's name, logos, images, or any data or results arising from this contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

5.12 LICENSES AND PERMITS

The contractor shall obtain and maintain in full force and effect all required licenses, permits, and authorizations necessary to perform this contract. The contractor shall supply the State Contract Manager with evidence of all such licenses, permits and authorizations. This evidence shall be submitted subsequent to the contract award. All costs associated with any such licenses, permits and authorizations must be considered by the bidder in its proposal.

5.13 CLAIMS AND REMEDIES

5.13.1 CLAIMS

6.0 PROPOSAL EVALUATION

6.1 RIGHT TO WAIVE

The Director reserves the right to waive minor irregularities. The Director also reserves the right to waive a requirement provided that:

- (1) the requirement is not mandated by law;
- (2) all of the otherwise responsive proposals failed to meet the requirement; and
- (3) in the sole discretion of the Director, the failure to comply with the requirement does not materially affect the procurement or the State's interests associated with the procurement.

6.2 DIRECTOR'S RIGHT OF FINAL PROPOSAL ACCEPTANCE

The Director reserves the right to reject any or all proposals, or to award in whole or in part if deemed to be in the best interest of the State to do so. The Director shall have authority to award orders or contracts to the vendor or vendors best meeting all specifications and conditions in accordance with N.J.S.A. 52:34-12. Tie proposals will be awarded by the Director in accordance with N.J.A.C.17:12-2.10.

6.3 STATE'S RIGHT TO INSPECT BIDDER'S FACILITIES

The State reserves the right to inspect the bidder's establishment before making an award, for the purposes of ascertaining whether the bidder has the necessary facilities for performing the contract.

The State may also consult with clients of the bidder during the evaluation of bids. Such consultation is intended to assist the State in making a contract award which is most advantageous to the State.

6.4 STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the bidder's financial capabilities to perform the contract. Further, the Director reserves the right to request a bidder to explain, in detail, how the proposal price was determined.

6.5 PROPOSAL EVALUATION COMMITTEE

Proposals may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Division. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant(s) in an advisory role.

6.6 ORAL PRESENTATION AND/OR CLARIFICATION OF PROPOSAL

After the submission of proposals, unless requested by the State as noted below, vendor contact with the State is still not permitted.

After the proposals are reviewed, one, some or all of the bidders may be asked to clarify certain aspects of their proposals. A request for clarification may be made in order to resolve minor ambiguities, irregularities, informalities or clerical errors. Clarifications cannot correct any deficiencies or material omissions or revise or modify a proposal, except to the extent that correction of apparent clerical mistakes results in a modification.

The bidder may be required to give an oral presentation to the State concerning its proposal.

Bidders may not attend the oral presentations of their competitors.

It is within the State's discretion whether to require the bidder to give an oral presentation or require the bidder to submit written responses to questions regarding its proposal. Action by the State in this regard should not be construed to imply acceptance or rejection of a proposal. The Division will be the sole point of contact regarding any request for an oral presentation or clarification.

6.7 EVALUATION CRITERIA

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate proposals received in response to this RFP. The evaluation criteria categories may be used to develop more detailed evaluation criteria to be used in the evaluation process:

6.7.1 TECHNICAL EVALUATION CRITERIA

- a. Personnel: The qualifications and experience of the bidder's management, supervisory, and key personnel assigned to the contract, including the candidates recommended for each of the positions/roles required.
- b. Experience of firm: The bidder's documented experience in successfully completing contracts of a similar size and scope in relation to the work required by this RFP.
- c. Ability of firm to complete the Scope of Work based on its Technical Proposal: The overall ability of the bidder to undertake and successfully complete the technical requirements of the contract in a timely manner.

6.7.2 BIDDER'S PRICE SCHEDULE

For evaluation purposes, bidders will be ranked according to the proposal prices located on the Price Schedule accompanying this RFP.

6.7.3 PROPOSAL DISCREPANCIES

In evaluating proposals, discrepancies between words and figures will be resolved in favor of words. Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices. Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated total of multiplied unit prices and

units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

6.7.4 EVALUATION OF THE PROPOSALS

After the Evaluation Committee completes its evaluation, it recommends to the Director for award the responsible bidder(s) whose proposal, conforming to this RFP, is most advantageous to the State, price and other factors considered. The Evaluation Committee considers and assesses price, technical criteria, and other factors during the evaluation process and makes a recommendation to the Director. The Director may accept, reject or modify the recommendation of the Evaluation Committee. Whether or not there has been a negotiation process as outlined in Section 6.8 below, the Director reserves the right to negotiate price reductions with the selected bidder.

6.8 NEGOTIATION AND BEST AND FINAL OFFER (BAFO)

After evaluating proposals, the Division may enter into negotiations with one bidder or multiple bidders. The primary purpose of negotiations is to maximize the State's ability to obtain the best value based on the mandatory requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one bidder or multiple bidders. Negotiations will be structured by the Division to safeguard information and ensure that all bidders are treated fairly.

Similarly, the Division may invite one bidder or multiple bidders to submit a best and final offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that is not equal to or lower in price than the pricing offered in the bidder's original proposal will be rejected as non-responsive and the State will revert to consideration and evaluation of the bidder's original pricing.

If required, after review of the BAFO(s), clarification may be sought from the bidder(s). The Division may conduct more than one round of negotiation and/or BAFO in order to attain the best value for the State.

After evaluation of proposals and as applicable, negotiation(s) and/or BAFO(s), the Division will recommend, to the Director, the responsible bidder(s) whose proposal(s), conforming to the RFP, is/are most advantageous to the State, price and other factors considered. The Director may accept, reject or modify the recommendation of the Division. The Director may initiate additional negotiation or BAFO procedures with the selected bidder(s).

Negotiations will be conducted only in those circumstances where they are deemed by the Division or Director to be in the State's best interests and to maximize the State's ability to get the best value. Therefore, the bidder is advised to submit its best technical and price proposal in response to this RFP since the State may, after evaluation, make a contract award based on the content of the initial submission, without further negotiation and/or BAFO with any bidder.

All contacts, records of initial evaluations, any correspondence with bidders related to any request for clarification, negotiation or BAFO, any revised technical and/or price proposals, the Evaluation Committee Report and the Award Recommendation, will remain confidential until a Notice of Intent to Award a contract is issued.

NOTE: If the Division contemplates negotiation, proposal prices will not be publicly read at the proposal submission opening. Only the name and address of each bidder will be publicly announced at the proposal submission opening.

6.9 COMPLAINTS

A bidder with a history of performance problems as demonstrated by formal complaints and/or contract cancellations for cause pursuant to Section 5.7.b of the State of NJ Standard Terms and Conditions accompanying this RFP may be bypassed for an award issued as a result of this RFP.
