

DEPARTMENT OF PUBLIC WORKS

NOTICE INVITING BIDS

FOR CONSTRUCTION OF
HARRIET AVENUE/McCOY AVENUE
ENHANCED CROSSWALK PROJECT
CIP PROJECT NO. 08-02

1. Date of Opening Bids. Notice is hereby given that sealed bids will be received at the Office of the City Clerk of the City of Campbell (City), 70 North First Street, Campbell, CA 95008-1423 until **2:00 P.M., May 5, 2010**, for the foregoing project. The bids so submitted will be publicly opened and read aloud at that time.
2. Location of Work. The work to be performed is located at the HARRIET AVENUE/McCOY AVENUE intersection with the City of Campbell.
3. Description of Work. The work generally involves but is not limited to the following:
Removing and installing sidewalk; installing traffic signal poles and equipment and flashing beacon equipment; removing and relocating electroliers; furnishing and installing pull boxes, conduits and wiring; installing cobblestone median island and curbs; providing traffic control; maintaining existing street light systems and maintaining a safe and clean work site as shown on the plans and as specified in the special provisions.

Bids are required for the entire work described in the project plans, specifications, and contract documents and must be submitted on the forms contained therein.

Time for completion of the work is **30 WORKING DAYS** for all work.

4. Contract Documents. Plans showing the character of the work may be seen and purchased at the offices of the City Engineer of the City of Campbell.

Contract documents may be purchased per the non-refundable amounts shown below. Checks should be made payable to the City of Campbell.

<u>DOCUMENT</u>	<u>PICKUP PRICE</u>	<u>MAILED PRICE</u>
City Standard Specifications and Details for Public Works Construction	\$ 12.00	\$ 16.00
Set of Full Size Plans & Specifications	\$ 30.00	\$ 40.00

5. Award of Contract. All terms and conditions contained in the contract documents shall become a part of the Contract. The Contractor agrees to honor the submitted Bid Proposal for a period of 90-calendar days after the opening of the Bid Proposal.

6. Prevailing Rate of Wage. In accordance with Sections 1770 through 1780 inclusive of the California Labor Code, the City has obtained from the Department of Industrial Relations the general prevailing rates of wages in the locality in which the work is to be performed, and it shall be mandatory upon the Contractor to whom the Contract is awarded and upon any subcontractor to pay not less than the specified rates to all workers employed in the execution of the Contract. The Contractor shall cause a copy to be posted at the job site. Prevailing rates of wages are on file and available for review by any interested party at the office of the City Clerk.
7. Substitution of Securities. Pursuant to Section 22300 of the California Public Contract Code, the Contractor may request the City to make retention payments directly to an escrow agent or may substitute certain securities for money withheld by the City to ensure performance under the Contract.
8. Contractor's License. The Contractor shall possess and maintain a valid Class "C-10" Contractor License or a combination of licenses necessary to complete all contract work at the time the Contract is awarded. All subcontractors shall have and maintain a current and valid contractor's license of the required classification from the State of California.
9. Pre-Bid Site Review. By submitting a bid proposal, the prospective bidder certifies that he has conducted a review of the project site prior to bid and is acquainted with the site conditions and other local conditions that may affect the performance and costs of the work prior to submitting a proposal.
10. Project Administration. All questions relative to this project prior to the opening of bids shall be in writing and directed to:
