CONTRACTOR

Superintending Engineer, PWD.,
Buildings Construction & Maintenance Circle No.II,
Tallakulam, Madurai – 625 002.

5. The tender whose tender is under consideration shall attend the Superintending Engineer's office, before the end of the period specified by written intimation to him. If the tenderer fails to attend the office before the end of the specified period, his tender will not be considered. He shall forthwith, upon and intimation being given to him of acceptance of his tender, by the officer duly authorised in his behalf under article 299(1) of the constitution, hereinafter called "the accepting authority" make security deposit 2% of the value of contract in one of the forms prescribed in Tamil Nadu Public Works Account Code (i.e. by taking into account of the amount of earnest money deposit, already deposited with the tender, it would be sufficient to pay the balance amount to make up 2% of the value of contract for the purpose of security deposit).

5.2 The Security Deposit together with earnest money deposit and the amount with had according to clause 64-1 of General conditions to the contract, shall be retained as security for due fulfillment of contract.

5.3 On receipt of written communication of acceptance of tender if the tender fails to pay requisite security deposit within the period specified in the written communication or backs out from the tender or withdraws his tender, the earnest money deposit shall be foreited to the Government.

5.4 If the contractor fails to carry out the contract, after paying the requisite deposit, then he will be liable for the excess expenditure if any incurred to complete the work as contemplated in the General Conditions to the Contract.

5.5 It shall be expressly understood by the tenderer that on receipt of written communication of acceptance of tender by the tenderer, there emerges a valid contract between the Governor of Tamil Nadu and the tenderer, for execution of the work without any separate written agreement. Hence, for this purpose, the tender documents, i.e. the tender notice, tender offered by the contractor, General conditions to the contract, special conditions to the contract, negotiation correspondences, written communication of acceptance of tender etc. shall constitute a valid contract and that will be the foundation of the rights of both the parties to the contract provided that it shall be open to the accepting authority to insist on execution of any written agreement by the tenderer, it administratively considered necessary or expedient.

6 The tenderer shall examine clearly the Tamil Nadu Building Practice and also the General conditions to contract contained therein, and sign the divisional office copy of the Tamil Nadu Building Practice and its addenda volume in token of such study before submitting his tender unit rate, which shall be for finished work in situ. He shall also carefully study the drawings and additional specifications and all the documents connected with the contract. The Tamil Nadu Building Practice and other connected documents with the contract such as specifications, plans, descriptive specifications sheet regarding materials etc. can be seen at any time between 11.A.M. and 5 P.M. on all office days in the office of the Superintending Engineer, PWD., Buildings Construction & Maintenance Circle No.2, Tallakulam, Madurai - 625 002.

* A copy of the set of contract of documents can also be had at free of cost/ on payment of Rs.

For each set []* To be struck out if such copies are not to be issued for sale.

7. The tenderers attention is directed to the requirements for materials under the clause "Materials and Workmanship" in the General Conditions to contract materials conforming to the I.S.I. Standards shall be used on the work, and tenderer shall quote his rates accordingly.

8. Every tenderer is expected before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries and kitns etc. where from certain; material are to be obtained will be given in the descriptive specifications sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specifications. Samples of materials as called for in the standard specifications or in this tender notice or as required by the Executive Engineer in any case shall be submitted for the Executive Engineer's approval, before the supply to site of work is begun. If the Contractor after examination of the source of materials defined in the Descriptive specification sheet is of the opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity, from the source defined in the descriptive specifications sheet, he shall so state in his tender and state where from he intends, to obtain materials, subject to the approval of the Executive Engineer.

CONTRACTOR

Superintending Engineer, PWD.,
Buildings Construction & Maintenance Circle No.II,
Tallakulam, Madurai – 625 002.

8. The Government will not, however after acceptance of contract rate, pay any extra charges for lead or for any other reason in case the contractor is found later on to have misjudged the materials available. Attention of contractor is directed to the "General Condition to the contract" regarding payment of seignior age, tolls etc.

9. The tender's particular attention is drawn to the sections and clause in the General conditions to the contract dealing with :-

1. Test, inspection and rejection of defective materials and work.

7. Delays
8. Particulars of Payment

9. The contractor should closely peruse all the specification clauses, which govern the rates for which he is tendering.

10. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule and that this schedule is liable to alterations by omission, deductions or additions at the discretion of the Executive Engineer of Division or the Superintending Engineer, PWD., Buildings Construction & Maintenance Circle No.2, as set-forth in the conditions of contract. The tenderer will, however, base his lump sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule and the rates should be Rupees and in sums of five paise. The rates should be written both in words and figures and the units in words.

10.1 The tenderer should also show the totals of each item and the grand total of the whole contract and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract such lump sum agreeing with the total amount of schedule A. This schedule accompanying the lump sum tender shall be written legibly and free from erasures, over writing or conversion of figures, corrections where unavoidable should be made by crossing out, initialing, dating and rewriting.

10.2 In the event of the work being transferred to any other-Circle\Division\Sub Division, the Superintending Engineer\Executive Engineer\Assistant Executive Engineer who is in charge of Circle\Division\Sub Division having jurisdiction over the work shall be competent to exercise all the powers and privileges reserved in favour of Government.

11. Tenderers offering a percentage deduction from or increase on the estimate amount (except in the case of tender for maintenance and repair work, called for specially under percentage rate tender system) and those not submitted in proper form or due time will be rejected.

12. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or the Public Works Department estimate. However in case of tender called for in percentage rate tender system, the tenderer should work out his own rate, but quote his percentage rate above or below the total estimated cost of work of the department indicated in the tender schedule.

CONTRACTOR

Superintending Engineer, PWD.,
Buildings Construction & Maintenance Circle No.II,
Tallakulam, Madurai – 625 002.

13. The price at which and the source from which the contractor shall obtain certain particular materials are given at the end of the schedule accompanying the tender from. Tenderers must accept the materials at these prices and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No centage or incidental charges will be borne by Government in connection with this supply.

14. The attention of the tenders is directed to the contract requirements as to the time of beginning work, the rates of progress and the dates for the completion of the whole and its several parts. The following rate of Progress and proportionate value of work done from time to time as will be indicated by the Executive Engineer's certificate of the value of work done will be required. Date of commencement of this programme will be the date on which the site (or premises) is handed over to the contractor.

Period after date of Commencement	Percentage of work complete (Based on contract lump sum amount)
1	2
First Three Month	30%
Second Three Month	30%
Third Three Month	30%
Last One Month	10%
Total	100 %

NOTE : The periods to be entered in column 1 for the purpose of defining the rates of progress may be fixed by the Superintending Engineer or Executive Engineer to suit each case.

15. No part of the contract shall be sub-let without written permission of the Executive Engineer, nor shall transfer be made by power of attorney, authorizing others to receive payment on the contractor's behalf.

16. If further necessary information is required the Executive Engineer of the Division will furnish such but it must be clearly understood that tenders must be received in order and according to instruction.

17. The Superintending Engineer \ Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefore.

18. The tenderers who are themselves not professionally qualified shall undertake to employ qualified technical men at their cost to look after the work. The tenderers should state in clear terms whether they are professionally qualified or whether they undertake to employ technical men required by the department, specified in the schedule below for the work. In case the selected tenderer is professionally qualified or has undertaken to employ technical men under him, he should see that one of the technically qualified men is always at the site of the work during working hours, personally checking all items of works and paying extra attention to such works as may demand special attention (e.g.) reinforced concrete work etc.,

(In the format below; enter or incorporate the latest norms fixed by Government for the employment of Technical Assistants from time to time and penalty for non employment of such Technical Assistant etc.,)

Value of Contract	Qualification and No. of Technical Assistant to be Employed.

NOTE 1 : A penalty of Rs. 2,000/- per month, for diploma holder and Rs. 5000/- per month for degree holder, be levied in case of default on the part of contractor in following the norms laid down above.
