____ Request for Proposals Professional and Artistic Services (RFP P&A)

The Office of the Secretary of State is requesting offers from responsible vendors to meet the State's needs. A brief description is set forth below for your convenience, with detailed requirements in subsequent sections of this solicitation. If you are interested and able to meet these requirements, we would appreciate and welcome an offer.

Brief Description:

The Office of the Secretary of State is seeking candidates for Two (2) Cobol Programmer positions and One (1) Java Programmer position.

The solicitation package consists of the following sections:

- 1) "Instructions for Submitting Offers." This section advises what you need to know and do when preparing and submitting an offer to us. It also tells how we will evaluate your offer. The first page of the Instructions, the "Custom Page" will provide dates, locations and other information specific to this solicitation. For our purposes, "Offer" is the term used to mean the response to an Invitation for Bids, or Request for Proposals and may sometimes be called a "bid" or "proposal".
- 2) "Solicitation Response Forms." We have presented our needs in the form of a proposed "Contract for Supplies and/or Services" which shows the specifications, how the offer must be priced, contract terms and other requirements. In addition, you must provide information about your company requested in the "Vendor Prequalification" section, including certain conflict of interest disclosures. Your response to this solicitation is voluntary, but without requested information we will not be able to consider your response.

Please read the entire solicitation package and submit your offer in accordance with the Instructions. The "Solicitation Response Forms," completed, signed and returned by you, will constitute your offer. Do not submit the Instruction pages with your offer. You should keep the Instructions and a copy of your offer (Solicitation Response Forms) for future reference.

Failure to submit the required number of copies may prevent your offer from being evaluated within the allotted time. Offers, including modifications, must be submitted in ink, typed, or printed form and signed by an authorized representative. The State may require that offers be submitted in electronic form. Your offer must provide all information requested and must address all points. We do not encourage exceptions as we have extremely limited ability to grant exceptions particularly in regard to statutory requirements (those cited **ILCS**). No oral requests will be allowed. Requests must be addressed and labeled in the same manner as the offer and marked as a MODIFICATION or WITHDRAWAL of the offer.

- 1.17 RESPONSIBILITY TO READ AND UNDERSTAND.** Failure to read, examine and understand the solicitation will not excuse any failure to comply with the requirements of the solicitation or any

resulting contract, nor shall such failure be a basis for claiming additional compensation. If you suspect an error, omission or discrepancy in this solicitation, you must immediately notify the PROJECT CONTACT. We will issue written instructions, if appropriate.

- 1.18 OPENING.** (see CUSTOM PAGE). We will open all offers properly and timely submitted, and will record the names and other information specified by law and rule. All offers become the property of the State and will not be returned except in the case of a late submission.

- 1.23 BEST & FINAL.** We may request best & final offers if deemed necessary, and will determine the scope and subject of any best & final request. Therefore, you must submit your best offer based on the terms and condition set forth in this solicitation.
- 1.24 EVALUATION AND AWARD.** We evaluate offers using criteria shown in this solicitation. If we select your offer for award, we will send you written notice and will post the notice to the Illinois Procurement Bulletin. Such notice will extend the Offer Firm Time until we sign a contract or determine negotiations with you have failed. Receipt or posting of a notice of award is not equivalent to a contract with the State. Protested awards are subject to resolution of the protest.
- 1.25 PROTESTS.** If you object to any provision of the solicitation, believe we improperly rejected your offer, or believe the selected offer is not in the State's best interests, you may submit a written protest. We must actually receive the protest within 7 calendar days after you know or should have known of the facts giving rise to the protest. You shall be deemed to have notice as of the date of publication in the Illinois Procurement Bulletin, unless you had earlier actual notice. Protests of specifications must be submitted within 7 calendar days after first publication. You must submit your protest to the PROTEST REVIEW OFFICE, or if there is no such designation to the PROJECT CONTACT (see CUSTOM PAGE). We will consider only written protests that are properly and timely submitted. We will issue a written decision and that decision is final.
- 1.26 CONTRACT NEGOTIATIONS.** You must be prepared for us to accept your offer as submitted, but we may require contract negotiations if necessary or desirable. If negotiations do not result in an acceptable agreement, we may reject your offer or revoke the award, and may begin negotiations with another vendor. Final contract terms must be approved or signed by the appropriately authorized State official(s). The PROJECT CONTACT may not be so authorized.
- 1.27 COMMENCEMENT OF WORK.** If you begin any billable work prior to the State's final approval and execution of the contract, you do so at your risk.
- 1.28 RESERVATIONS.** We reserve the right to reject all offers; to reject individual offers for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; and to waive minor defects. We may seek clarification of the offer from you at any time, and failure to respond is cause for rejection. Clarification is not an opportunity to change the offer. Submission of an offer confers on you no right to an award or to a subsequent contract. This process is for the

State's benefit only and is to provide the State with competitive information to assist in the selection process. All decisions on compliance, evaluation, terms and conditions shall be made solely at our discretion and made to favor the State.

- 1.29 VENDOR CONTACT.** We will consider the person who signed your offer to be your contact person for all matters pertaining to the offer unless you designate some other person in writing.
- 1.30 COST OF PREPARATION.** We are not responsible for and will not pay any costs associated with the preparation and submission of your offer.
- 1.31 PUBLIC INFORMATION.** All information submitted is subject to the Illinois Freedom of Information Act (**5 ILCS 140**), the Illinois Procurement Code and other applicable laws and rules. Vendors claiming exemption from disclosure of certain portions of the offer must do so in a separate section of the offer labeled "Confidential Information". This section must identify the volume, page and section containing the confidential information, the reason for the claim of confidentiality and the statutory citation authorizing the exemption from disclosure. We will determine whether claimed exemptions apply. Upon award the name of the winning vendor and price as well as sufficient information from that offer will be made available to the public to allow for meaningful review and protest regardless of any claim of exemption. We must disclose only the record (name, and in the case of IFBs, the price) after award of the losing offers. Final results of the State's evaluation shall be public.
- 1.32 PUBLIC CONTRACTS NUMBER.** Vendors with 15 or more employees must have a Public Contracts Number issued by (or completed application submitted to) the Illinois Department of Human Rights (DHR) prior to the opening date. Contact DHR at 312-814-2431.

- 1.35 CONTRACTOR SUSPENSION.** Any contractor may be suspended for violation of this Code or for failure to conform to specifications or terms of delivery. Suspension shall be for cause and may be for a period of up to the maximum provided by law at the discretion of the applicable chief procurement officer. Contractors may be debarred in accordance with rules promulgated by the chief procurement officer or as otherwise provided by law. (**30 ILCS 500/50-65**)
- 1.36 COMPLETION OF SOLICITATION RESPONSE FORMS.** The Solicitation Response forms consist of the "Contract for Supplies and Services" and "Vendor Prequalification" information. **You must complete, respond to and submit all sections of each set of forms including attachments, clearly show any "exceptions," sign and return each of the forms as indicated.** We may provide an electronic form of this solicitation and require that you respond in like form (see CUSTOM PAGE). The electronic version may include additional instructions.

1) CONTRACT FOR SUPPLIES AND SERVICES.

This is the part of the solicitation that shows what we require in terms of specifications, contract terms and other requirements. The Contract for Supplies and Services is arranged as follows:

- Contract Format and Signature
- Description of Supplies and Services
- Pricing/Compensation
- Standard Terms, Conditions and Certifications
- Supplemental Terms and Conditions
- Vendor Provided Additional Material and Exceptions

The Contract Format and Signature identifies the parties and the other elements of what will be the contract. By signing on the line provided you are making an offer to perform in accordance with the terms and conditions found in each section of the proposed contract (even if you do not return the State's forms with the offer) as modified by any exceptions properly noted. The State may accept your offer as submitted by signing the Contract Format and Signature page or may propose a counter-offer. It may be necessary to make modifications to the forms after award, or as a condition to award, to accurately reflect the final understanding of the Parties. Submit two copies of the Contract Format and Signature page if you wish to have an original signature returned to you.

Show price information only in the Pricing/Compensation attachment. **When responding to a Request for Proposals, place this attachment in a separate sealed envelope in the offer container.**

Any Supplemental Terms and Conditions required by the AGENCY will be noted, attached and will supercede anything to the contrary in the Standard Terms and Conditions.

The attachment, Vendor Provided Additional Material and Exceptions, is where you provide any additional material that you want us to evaluate, and give detailed descriptions of any exceptions you propose.

2.) **VENDOR PREQUALIFICATION.**

You must sign the "Vendor Prequalification Format and Signature" page and provide the information requested in the attachments. This information is used to determine whether you qualify as a "responsible" vendor. If you do not provide this information, we may not be able to consider your offer. The "Vendor Prequalification" section is arranged as follows:

Vendor Prequalification Format and Signature
Business and Directory information
References
Department of Human Rights Public Contract Number
Minority, Female, Person with a Disability Status and Subcontracting
Conflict of Interest Disclosures
Taxpayer Identification Number

1.37 CRITERIA FOR EVALUATION AND AWARD. We evaluate four categories of information: administrative compliance, vendor responsibility, responsiveness and price. All offers, regardless of the type of solicitation, must meet the following administrative and responsibility criteria.

- a) **Administrative Compliance.** We will determine whether the offer complied with the Instructions for Submitting Offers. We must reject your offer if you submit it late. Failure to meet other requirements could result in rejection.
- b) **Vendor Responsibility.** We will determine whether the VENDOR submitting the offer is one with whom we can or should do business. Factors that we may evaluate to determine "responsibility" include, but are not limited to: certifications, conflict of interest disclosures, taxpayer identification number, past performance, references (including those found outside the offer), compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. A VENDOR must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. We will determine whether any failure to supply information, or the quality of the information, will result in rejection.
- c) **Evaluation of "responsiveness" and "price"** differ depending on the type of solicitation. The evaluation and award criteria for each type of solicitation (Invitation for Bids, Request for Proposals, and Request for Proposals for Professional and Artistic Services) are shown in the following subsections. Only the appropriate subsection applies to this solicitation. When

the specification calls for "Brand Name or Equal," the brand name product is acceptable. Other products will be considered upon a showing the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics. Minor differences that do not affect the suitability of the supply or service for the State's needs may be accepted. Point and other such evaluation methods are tools we use to aid us in the evaluation process, but are not always definitive. We reserve the right to use our discretion to eliminate offers that we deem unacceptable.

- d) Invitation for Bids. We will identify the lowest cost offer and may rank the others in order of price. The responsible VENDOR who submitted the lowest cost offer that meets "administrative" and "responsiveness" requirements shall be eligible for award.
- e) Request for Proposals (including for Professional and Artistic Services). We will determine how well offers meet our requirements in terms of "responsiveness" to the specifications. We will rank offers, without consideration of price, from best to least qualified using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation. References may be considered again in this portion of the evaluation. We will determine whether any failure to supply information, or the quality of the information, will result in rejection or downgrading the offer. Vendors who do not rank sufficiently high need not be considered for price evaluation and award. The "responsible" offeror whose offer meets "administrative" requirements and whose offer is most advantageous shall be eligible for award. If we do not consider the price submitted in response to any type of RFP to be fair and reasonable and that price cannot be negotiated to an acceptable level, we reserve the right to award to the next highest ranked vendor. We will determine whether the price is fair and reasonable by considering the offer, including the vendor's qualifications, the vendor's reputation, all prices submitted, other known prices, the project budget and other relevant factors.

The point evaluation system is described below.

The total number of points for "responsiveness" is _____. Vendors who do not receive _____ of the total "responsiveness" points need not be considered for price evaluation and award. The elements of responsiveness that will be evaluated and their relative weights are:

<u>Elements</u>	<u>Weight</u>
Price will be a weighted element except for Requests for Proposals for Professional and Artistic Services (P&A). For P&A RFPs, price will not be considered in determining the most qualified vendor, but prices submitted by all vendors will be used in negotiating a fair and reasonable price.	

The total number of points for "price" is _____. We will determine "price" points using the following formula:

$$\text{Maximum price points X } \frac{\text{Lowest Price}}{\text{Offeror's Price}} = \text{Total Price Points}$$

The maximum number of points is _____ (Responsiveness _____ plus Price _____).

- f) Alternative Evaluation. If three or fewer offers are received in response to either type of request for proposals, the offers may be evaluated using simple comparative analysis of the elements of responsiveness (and price where applicable) instead of any announced method of evaluation (such as points).**END OF INSTRUCTIONS**
