U. Mistakes in Bids

1. Mistakes discovered following bid opening but prior to award: If there is a significant and obvious disparity between the prices of the lowest apparent responsive bidder and other bidders, the low bidder may be contacted by the purchasing authority to confirm the bid price. This does not relieve a bidder from the responsibility for the submission of a correct bid. If the bidder then alleges a mistake in the bid and can provide clear and convincing evidence that supports the existence of a clerical error to the satisfaction of the purchasing authority, the bid may be withdrawn in accordance with the withdrawal procedure provided herein.
2. Mistakes discovered after award: Bids containing mistakes by bidders shall not be withdrawn after award of a contract or issuance of a purchase order.

V. Modification of the Contract: The contract shall not be amended, modified, or otherwise changed except by the written consent of the Contractor and the County given in the same manner and form as the original signing of the contract.

W. Negotiation: In accordance with 2-47 of the County Code, if the bid from the lowest responsible bidder exceeds available funds, the county may negotiate with the apparent low bidder to obtain a contract price within available funds. Such negotiation may include, but is not necessarily limited to, adjustment of the bid price and changes in the bid scope or requirements in order to bring the bid within the amount of available funds. Negotiation shall be conducted by the purchasing director, or his designee, with assistance from the user department.

X. Payment: If the Contractor performs all of the obligations of the contract to the satisfaction of the County, the County shall pay the Contractor for the performance of the work in the manner and within the time specified in the contract documents, which shall be consistent with the provisions of Section 2.2-4352 and 2.2-4354 of the *Code of Virginia*.

Y. Precedence of Terms: All Special Conditions contained in this solicitation that may be in variance or conflict with these General Terms and Conditions shall have precedence over these General Terms and Conditions. If no changes or deletions to General Terms and Conditions are made in the Special Conditions, then the General Terms and Conditions shall prevail in their entirety.

- Z. Proprietary Information:** Section 2.2-4342(F) of the *Code of Virginia* states: “Trade secrets or proprietary information submitted by a bidder, offeror, or Contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of 2.2-4317 shall not be subject to the Virginia Freedom of Information Act (2.2-3700 et seq.); however, the bidder, offeror, or Contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.” If the exemption from disclosure provided by Section 2.2-4342(F) of the *Code of Virginia* is not properly invoked then the bids will be subject to disclosure pursuant to applicable law.

Any Sensitive Information which must reside temporarily on a hard drive or portable storage device (USB Key, CD ROM, memory card, etc.) for processing must remain within the County/Schools facility. No Sensitive Information may be remotely accessed by contract workers by dial in, VPN, web interface or other means without expressed consent of the department head and the Information Security Manager (County) or Director of Technology (Schools). Any access to County/Schools information by contract workers from outside the County/Schools intranet shall be in accordance with existing Information Systems Technology (IST)/Chesterfield County Public Schools (CCPS) Technology department security policies and procedures. Contractors are not exempt from paying taxes on these materials and

supplies, as they are considered to be a cost of doing business and should be considered in pricing when preparing a bid.

- EE. Termination:** It shall be the sole right of the County to terminate the contract upon written notification to the Contractor.
- FF. Termination for Breach or Non-Performance:** If the Contractor fails to perform the work promptly and diligently, or if the Contractor breaches the Contract in any other way, the County may:

The County may deduct the cost of supplying additional workmen, equipment or materials from payments due to the Contractor;
 2. terminate the contract, enter upon the premises, take possession of all equipment, materials or appurtenances, and employ any person or persons to finish the work.
- If the contract is terminated by the County, the Contractor shall not be entitled to receive any further payment from the County until completion of the work has occurred. After completion of the work, the County shall pay to the Contractor the amount of the unpaid balance due to the Contractor at the time the contract was terminated minus the cost incurred by the County to complete the work. If the cost incurred by the County to complete the work exceeds the unpaid balance due to the Contractor, the Contractor shall be due no money from the County and, instead, the Contractor shall pay to the County the difference between the unpaid balance due and the County's cost to complete the work.
- GG. Tie Bids:** In accordance with Section 2.2-4328 of the *Code of Virginia* and Article 4, Section 2-47 of the *County Code*, in the case of a tie bid, the County may give preference to goods, services, and construction produced in the County or provided by persons, firms or corporations having principal places of business in the County. - II. Waiver of One Breach Not Waiver of Others:** No waiver by the County or its agents or employees of any breach of this contract by the Contractor shall be construed as a waiver of any other or subsequent breach of the contract by the Contractor. All remedies provided by this contract are cumulative, and in addition to each and every other remedy under the law.

JJ. Withdrawal of Bids**1. Withdrawal: Construction (*Code of Virginia* 2.2-4330)**

A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

The bidder shall give notice in writing to the Director of Purchasing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice. The work papers, documents and materials shall, at the bidders request, be considered as trade secrets or proprietary information subject to the conditions of subsection F of §2.2-4342 of the *Code of Virginia*.

Within 5 business days, the County will notify the bidder in writing of its decision.
