PROJECT DESCRIPTION

Donald C. Tillman Water Reclamation Plant In Plant Storage CIP #6178 W.O. SZD11232

Work Description

The scope of this project consists of performing both the design and construction of (1) two 7.6 million gallons (mg) concrete-lined basins to provide temporary storage of primary effluent with no treatment, (2) piping and flow control system from existing primary effluent channel to two new basins and from two new basins to the existing Additional Valley Outfall Relief Sewer (AVORS), (3) new AVORS junction structure, (4) basin washdown systems and (5) modification of existing Phase II primary sedimentation tanks withdrawal piping as shown on preliminary contract plans and described in the contract documents. The contractor is required to submit design submittals at the 50% and 100% design completion points for the City's review and approval, and perform plan check and permitting with the City of Los Angeles' Building and Safety Department. The Contractor is also responsible for commissioning, start-up and performance testing as specified in the contract documents.

In order to expedite the design, bid & award, and construction processes, the Board of Public Works pre-qualified the following four contractors and their respective designer on June 17, 2009 to bid on this design/build project as the prime contractor:

Brutoco Engineering & Construction / Civiltec Engineering
Griffith Company / Burns & McDonnell
Kiewit Pacific/Malcolm Pirnie
SSC Construction / RBF Consulting

Therefore only the following four can bid on this design/build project as the prime contractor: Brutoco Engineering & Construction, Griffith Company, Kiewit Pacific, and SSC Construction. The designers (Civiltec Engineering, Burns & McDonnell, Malcom Pirnie, or RBF Consulting) shall serve as subcontractors to their respective contractors.

Contractor's License Classification

At the time of award, the contractor must possess a valid State of California Contractor's License Classification of "A" or a combination of "C" licenses within the field and scope of a majority of the work.

Bid Package

The bid package is available at the following address:

Bureau of Engineering Plan Distribution
1149 S. Broadway, Suite B-30
Los Angeles, CA 90015
Telephone: (213) 847-0100
Fax: (213) 847-0705
E-Mail: eng.plandist@lacity.org
Monday through Friday from 9:00 a.m. to 3:00 p.m.

Additional Information

For additional information, contact the Project Manager:

Al Bazzi
Environmental Engineering Division
12000 Vista Del Mar
Pregerson Building, Suite 200
Playa Del Rey, CA 90293
Fax: (310) 648-6155
E-Mail: Al.Bazzi@lacity.org
