1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT

This Request for Proposal (RFP) is issued by the Purchase Bureau, Division of Purchase and Property, Department of the Treasury on behalf of the State Agencies, Quasi-State Agencies and other Cooperative Purchasing Program participants. The purpose of this RFP is to solicit bid proposals for Rental, Daily/Weekly/Monthly/Yearly, Truck/Tractor/Trailer, With/Without Driver.

The intent of this RFP is to award a contract to that responsible bidder whose bid proposal, conforming to this RFP is most advantageous to the State, price and other factors considered. However, the State reserves the right to separately procure individual requirements that are the subject of the contract during the contract term, when deemed by the Director to be in the State's best interest.

The NJ Standard Terms and Conditions version 07/27/07 will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with them unless the RFP specifically indicates otherwise.

The State intends to extend the awarded contracts to the Purchase Bureau's cooperative purchasing partners. These partners include quasi-State agencies, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges and State colleges. Although the State, with the assent of the vendor(s), is making the use of any contract resulting from this RFP available to non-State Agencies, the State makes no representation as to the acceptability of any State RFP terms and conditions under the Local Public Contracts Law or any other enabling statute or regulation.

1.4 ADDITIONAL INFORMATION

1.4.1 ADDENDA: REVISIONS TO THIS RFP

In the event that it becomes necessary to clarify or revise this RFP, such clarification or revision will be by addendum. Any addendum to this RFP will become part of this RFP and part of any contract awarded as a result of this RFP.

ALL RFP ADDENDA WILL BE ISSUED ON THE DIVISION OF PURCHASE AND PROPERTY WEB SITE. TO ACCESS ADDENDA, SELECT THE BID NUMBER ON THE BIDDING OPPORTUNITIES WEB PAGE AT THE FOLLOWING ADDRESS:

[HTTP://WWW.STATE.NJ.US/TREASURY/PURCHASE/BID/SUMMARY/BID.SHTML](http://www.state.nj.us/treasury/purchase/bid/summary/bid.shtml).

There are no designated dates for release of addenda. Therefore interested bidders should check the Purchase Bureau "Bidding Opportunities" website on a daily basis from time of RFP issuance through bid opening.

It is the sole responsibility of the bidder to be knowledgeable of all addenda related to this procurement.

1.4.2 BIDDER RESPONSIBILITY

The bidder assumes sole responsibility for the complete effort required in submitting a bid proposal in response to this RFP. No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.

1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

1.4.4 CONTENTS OF BID PROPOSAL

Subsequent to bid opening, all information submitted by bidders in response to the bid solicitation is considered public information, except as may be exempted from public disclosure by the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law.

A bidder may designate specific information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The State reserves the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. **The State will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.**

By signing the cover sheet of this RFP, the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to State using agencies and cooperative purchasing partners and thus have to be made public to allow all eligible purchasing entities access to the pricing information.

All bid proposals, with the exception of information determined by the State or the Court to be proprietary, are available for public inspection. Interested parties can make an appointment with the Purchase Bureau to inspect bid proposals received in response to this RFP.

1.4.5 PRICE ALTERATION

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

1.4.6 BID ERRORS

In accordance with N.J.A.C. 17:12-1.22, "Bid Errors," a bidder may withdraw its bid as follows:

A bidder may request that its bid be withdrawn prior to bid opening. Such request must be made, in writing, to the Supervisor of the Business Unit. If the request is granted, the bidder may submit a revised bid as long as the bid is received prior to the announced date and time for bid opening and at the place specified.

If, after bid opening but before contract award, a bidder discovers an error in its proposal, the bidder may make written request to the Supervisor of the Business Unit for authorization to withdraw its proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the State will not be significantly prejudiced by granting the withdrawal of the proposal. Note: a PB-36 complaint form may be filed and forwarded to the Division's Contract Compliance and Audit Unit (CCAU) for handling. A record of the complaint will also be maintained in the Division's vendor performance file for evaluation of future bids submitted.

All bid withdrawal requests must include the bid identification number and the final bid opening date and sent to the following address:

Department of the Treasury
Purchase Bureau, PO Box 230

33 West State Street – 9th Floor
Trenton, New Jersey 08625-0230
Attention: Supervisor, Business Unit

If during a bid evaluation process, an obvious pricing error made by a potential contract awardee is found, the Director shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the bidder fails to respond, its bid shall be considered withdrawn, and no further consideration shall be given to it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Director may seek clarification from the bidder to ascertain the true intent of the bid.

1.4.7 JOINT VENTURE

If a joint venture is submitting a bid proposal, the agreement between the parties relating to such joint venture should be submitted with the joint venture's bid proposal. Authorized signatories from each party comprising the joint venture must sign the bid proposal. A separate Ownership Disclosure Form, Disclosure of Investigations and Actions Involving Bidder, Affirmative Action Employee Information Report, MacBride Principles Certification, and Business Registration or Interim Registration must be supplied for each party to a joint venture.

3.1.2 The total amount of all contract purchases listed on the signatory page of this RFP is only an estimate. The State makes no representation and provides no guarantee as to the minimum, average or maximum volume of purchase made under this contract. The State, however, reserves the right to bid for any specific large volume purchases during the term of this contract.

3.2 CONTRACT SPECIFIC REQUIREMENTS

3.2.1 The bidder must be able to certify that it is a franchised and/or authorized factory representative and is able to furnish the specified unit. The State reserves the right to require that such certification be delivered within five (5) working days from the time it is requested.

Manufacturer's Certificate: Dealers or agents submitting a bid proposal may be required to submit a letter of certification from the manufacturer whose product is bid, certifying that the bidder is authorized by the manufacturer to bid the unit specified. It will be the responsibility of the manufacturer to notify the State of New Jersey of any changes in the status of the bidder franchise.

3.2.2 and 3.2.4 Reserved.

3.2.5 By submitting a bid proposal, the bidder covenants and agrees that it has satisfied itself that it fully understands its obligation and that it will not make any claim for, or have any right to cancellation or relief, without penalty, because of any misunderstanding.

3.2.6 Product rental specified in the RFP is for a standard manufacturer's product line available to the general public, where applicable.

3.2.7 Bidders shall provide for rental only 2005 model year or later vehicles.

If the bidder is a dealer or distributor for the aftermarket equipment, the bidder must so state in Section 3.2.11.5 and will be solely responsible for the equipment, installation and warranty. If a bid proposal does not provide an aftermarket installer(s)' list and/or dealer declaration, the State reserves the right to request such information from the bidder. The bidder must respond to such request within twenty-four (24) hours. If the information requested is not received within twenty-four (24) hours, the bid proposal shall be rejected.

3.2.11.1 The contractor is responsible for assuring aftermarket installer(s)' compliance with all terms and conditions of this RFP. 3.2.11.3 If a contractor desires to substitute any aftermarket installer(s) listed in the bid proposal, the contractor will so notify the State and provide the required information on the proposed aftermarket installer(s). 3.2.12 TECHNICAL COMPLIANCE DECLARATION

IMPORTANT NOTE: Bidders are strongly advised not to take any deviations or substitutions.

3.2.12.1 If a bidder takes any deviation or provides any substitutions, the bidder will make modifications to the descriptive literature included with the bid proposal and list those modifications in the corresponding spaces of the bid proposal. Failure to supply the required information in the prescribed manner may disqualify the bid proposal. No deviation or substitution will be permitted after bid opening.

3.2.12.2 A bidder shall list and explain in detail all deviations or substitutions taken in its bid proposal. All deviations or substitutions are to be neatly printed or typed. If no deviation or substitution is taken, the word "NONE" is to be neatly printed or typed in the space provided. In the event no deviation or

substitution is noted, the State will assume that it will receive exactly what the specifications stipulate. Failure to list deviations or substitutions in the prescribed manner may disqualify the bid proposal.

3.2.12.3 It is the responsibility of bidders to list any deviations or substitutions in a conspicuous manner, as prescribed in Section 3.2.12.2 of the RFP. Bid proposals with a concealed or stealthy deviation or substitution may be disqualified. RFP terms, conditions and specifications shall not be altered or modified. Alteration or modification of the RFP terms, conditions or specifications in a furtive manner, including manipulation of electronic RFP document through software tools, document format conversion or printer driver shall cause bid rejection. Such alteration or manipulation of the RFP document is a serious violation of the RFP terms, specifically Section 1.7 and 1.8 of the Standard Terms and Conditions, and shall cause, if awarded due to lack of consideration of the concealed deviation or substitution, contract termination, debarment or suspension of the contractor from contracting with the State pursuant to NJAC 17:12-6 et seq. and disqualification of the contractor from award of future State contracts. The Division's Contract Compliance and Audit Unit ("CCAU") maintains the vendor performance file, which may be shared with other local, State and Federal agencies.

3.2.13 Reserved.

3.2.14 Inspections:

3.2.14.1 The State reserves the right to inspect the bidder's and/or aftermarket installer(s)' facility. This provision applies during the bid evaluation period, the contract term and any extension(s) thereof.

3.2.14.2 Pre-acceptance Inspections: The ordering agency reserves the right to inspect the unit at the contractor's facility or require that the unit be available for inspection at the agency site. If, during inspection at the agency site, it becomes apparent that corrections/alterations have to be made to the unit to comply with the contract specifications which cannot be accomplished at the ordering agency facility, the unit will be rejected and the contractor must transport the unit to its facility at no expense to the agency. After the unit is brought up to the contract specifications, it will be delivered back to the ordering agency for re-inspection at the expense of the contractor. For further pre-delivery inspection(s) and pre-acceptance requirements, refer to Section 3.5 of this RFP.

3.2.14.3 For all inspections performed at the contractor's site, the contractor must provide a bay in the repair shop to facilitate the inspection of the unit.

4.4.7.2 There are nineteen (19) Sections/groups in this RFP and a total of sixty-two (62) price lines, which are itemized in the table of contents at the beginning of this RFP. Each Section/group shall be awarded individually, creating a total of nineteen (19) awards. Price line 63 is for agency use only, intended for a payment to the contractor for any fuel shortage or like charges at the end of the rental period.

4.4.7.3 Bidders must bid on each price line item in a group to be a qualified bidder for the group. Bidders, however, can bid any group of vehicles.

4.4.7.4 Bidders shall bid a firm, fixed price on each price line.

4.4.7.5 through 4.4.7.13 Reserved.

4.4.7.14 Each vehicle is specified in two parts of the technical specifications of this RFP: Vehicle Specifications, Part I – Common Specifications (3.3) and Vehicle Specifications, Part II – Vehicle Specific Requirements (3.4). Thus, prices bid for any vehicle shall include, among other items, pickup, delivery and inspection, costs of Common Specifications and Vehicle Specific Requirements.

4.4.7.15 For a bid proposal to be considered and awarded, the bidder must provide all submittals listed in 4.4.7.1 – Signatory Page, Standard RFP Forms, Bidder Data Sheet, RFP specific information (RFP text), Price Sheet and Product Literature – and satisfy Business Registration requirement.

4.4.7.16 IMPORTANT NOTE: Bidders are strongly advised not to take any deviation or substitution.

4.4.7.17 IMPORTANT NOTE: Bidders are reminded of the requirement stated in 4.3. A bidder failing to provide one (1) full, complete and exact copy of the original bid proposal will be charged the cost incurred by the State in producing the requested copy.

4.4.7.18 The bidder's signature guarantees that prices bid will govern for the entire contract period, if awarded, and any extensions thereof. The bidder also acknowledges that, notwithstanding any reference to price escalation clauses, FOB shipping point, and shipping charges contained in the preprinted price lists, catalogs, and/or literature, such references will not be part of any State contract awarded as a result of this RFP.

4.4.7.19 **IMPORTANT NOTE:** Even if a bidder is an incumbent contractor and/or had obtained a Business Registration Certificate from the Division of Revenue previously, the bidder needs to be sure that it is still, indeed, registered at the time of bid opening in order for its bid proposal to be considered responsive. It is strongly suggested that the bidder verifies its Business Registration Certificate status at the following web site: https://www1.state.nj.us/TYTR_BRC/jsp/BRCLoginJsp.jsp or by contacting the Division of Revenue hotline at 609 292-1730.

4.4.7.20 Price bid shall be legible. Any alteration or appearance of alteration must be initialed by the authorized person. Any missing or illegible price or price correction or appearance of price alteration without bidder's qualifying initials shall cause the bid to be disqualified for that price line item.

4.4.7.21 **NOTE:** Bidders are advised to initial prices bid regardless of price alteration, to avoid bid rejection due to causes mentioned in requirement 5.0 on the signatory page of this RFP, including, but not limited to, appearance of alteration.

4.4.7.22 Quantity (third column - "quantity") shown on each price line is for bid evaluation purposes only. The State guarantees neither any minimum or average or maximum quantity per order nor total quantity during contract term, including any extension thereof.

4.4.7.23 Bid proposals may be withdrawn, modified, and re-submitted prior to bid opening. Modifications submitted in any other manner will not be considered. No bid proposal can be withdrawn after the bid opening without the State's approval to do so. The State may subject a bidder requesting bid withdrawal after bid opening to penalty for any damages incurred by the State for processing and evaluating the bid proposal.

4.4.7.24 Notwithstanding any other provision to the contrary, including the cooperative purchasing form included in this RFP (pbcop1, rev 8/96), any contract resulting from this RFP will be made available to quasi-State agencies, as defined in NJSA 52:27b-56.1. Bidders should note that all other non-State agencies will be precluded from using any contracts resulting from this RFP if the bidder does not agree in its bid proposal to extend the contract to these entities.

5.0 SPECIAL CONTRACTUAL TERMS AND CONDITIONS

5.1 PRECEDENCE OF SPECIAL CONTRACTUAL TERMS AND CONDITIONS

The contract awarded as a result of this RFP shall consist of this RFP, addendum to this RFP, the contractor's bid proposal and the Division's Notice of Award.

Unless specifically stated within this RFP, the Special Contractual Terms and Conditions of the RFP take precedence over the NJ Standard Terms and Conditions version 07/27/07 located on the Advertised Solicitation, Current Bid Opportunities webpage:

<http://www.state.nj.us/treasury/purchase/bid/summary/09x20040.shtml>.

In the event of a conflict between the provisions of this RFP, including the Special Contractual Terms and the NJ Standard Terms and Conditions version 07/27/07, and any Addendum to this RFP, the Addendum shall govern.

In the event of a conflict between the provisions of this RFP, including any Addendum to this RFP, and the bidder's bid proposal, the RFP and/or the Addendum shall govern.

5.2 CONTRACT TERM AND EXTENSION OPTION

The term of the contract shall be for a period of five years. The anticipated "Contract Effective Date" is provided on the signatory page of this RFP:

<http://www.state.nj.us/treasury/purchase/bid/summary/09x20040.shtml>. If delays in the procurement process result in a change to the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract. The contract may be extended for all or part of three (3) one-year periods, by the mutual written consent of the contractor and the Director.

5.3 CONTRACT TRANSITION

In the event that a new contract has not been awarded prior to the contract expiration date, as may be extended herein, it shall be incumbent upon the contractor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than 120 days beyond the expiration date of the contract.

5.4 CONTRACT AMENDMENT

Any changes or modifications to the terms of the contract shall be valid only when they have been reduced to writing and signed by the contractor and the Director.

5.5 CONTRACTOR'S WARRANTY

- a) The Contractor is responsible for the quality, technical accuracy, timely completion and delivery of all deliverables and other services to be furnished by the Contractor under the Contract. The Contractor agrees to perform in a good, skillful and timely manner all services set forth in the Contract.
- b) The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall not in any way relieve the Contractor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the State or Agency, of any rights under the agreement or of any cause of action arising out of the Contractor's performance of the Contract.

- c) The acceptance of, approval of or payment for any of the services performed by the Contractor under the Contract shall not constitute a release or waiver of any claim the State or Agency, has or may have for latent defects or errors or other breaches of warranty or negligence.

5.6 ITEMS ORDERED AND DELIVERED

The Using Agencies are authorized to order and the contractors are authorized to ship only those items covered by the contracts resulting from this RFP. If a review of orders placed by the Using Agency reveals that material other than that covered by the contract has been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the Director as a basis to terminate the contract and/or as a basis not to award the contractor a subsequent contract. The Director may take such steps as are necessary to have the items returned by the Agency, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price.

The contract involves items which are necessary for the continuation of ongoing critical State services. Any delay in delivery of these items would disrupt State services and would force the State to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the State's ongoing needs.

5.7 REMEDIES FOR FAILURE TO COMPLY WITH MATERIAL CONTRACT REQUIREMENTS

In the event that the contractor fails to comply with any material contract requirements, the Director may take steps to terminate the contract in accordance with the State administrative code and/or authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.

5.8 RESERVED.

5.9 CLAIMS

All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1.1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

5.10 CONTRACT ACTIVITY REPORT

In conjunction with the standard record keeping requirements of this contract, as required by in paragraph 3.19 of the NJ Standard Terms and Conditions version 07/27/07, located on the Advertised Solicitation, Current Bid Opportunities webpage <http://www.state.nj.us/treasury/purchase/bid/summary/09x20040.shtml>, contractor(s) must provide, on a calendar quarter basis, to the Purchase Bureau buyer assigned, a record of all purchases made under their contract award resulting for this Request for Proposal. This includes purchases made by all using agencies including the State and political sub-divisions thereof. This reporting requirement includes sales to State using agencies and, if permitted under the terms of the contract, sales to counties, municipalities, school districts, volunteer fire departments, first aid squads and rescue squads, and independent institutions of higher education. The requirement also includes sales to State and County Colleges and Quasi-State Agencies. Quasi-State Agencies include any agency, commission, board, authority or other such governmental entity which is established and is allocated to a State department or any bi-State governmental entity of which the State of New Jersey is a member.

This information must be provided in a tabular format such that an analysis can be made to determine the following:

- Contractor's total sales volume to each purchaser under the contract, subtotaled by product, including, if applicable, catalog number and description, price list with appropriate page reference and/or contract discount applied.
- Total dollars paid to subcontractors.

Submission of purchase orders, confirmations, and/or invoices do not fulfill this contract requirement for information.

Contractors are strongly encouraged to submit the required information in electronic spreadsheet format. The Purchase Bureau uses Microsoft Excel.

Failure to report this mandated information will be a factor in future award decisions.

It is within the State's discretion whether to require the bidder to give an oral presentation or require the bidder to submit written responses to questions regarding its bid proposal. Action by the State in this regard should not be construed to imply acceptance or rejection of a bid proposal. 7.0 CONTRACT AWARD

7.1 DOCUMENTS REQUIRED BEFORE CONTRACT AWARD

7.1.1 REQUIREMENTS OF N.J.S.A. 19:44A-20.13-25 (FORMERLY EXECUTIVE ORDER 134)

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the negotiation and award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, the Legislature enacted N.J.S.A. 19:44A-20.13 – 25 on March 22, 2005 the "Legislation", retroactive to October 15, 2004, superseding the terms of Executive Order 134. Pursuant to the requirements of the Legislation, the terms and conditions set forth in this section are material terms of any contract resulting from this RFP:

7.1.1.1 DEFINITIONS

For the purpose of this section, the following shall be defined as follows:

a) Contribution – means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act." P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Through December 31, 2004, contributions in excess of \$400 during a reporting period were deemed "reportable" under these laws. As of January 1, 2005, that threshold was reduced to contributions in excess of \$300.

b) Business Entity – means any natural or legal person, business corporation, professional services corporation, Limited Liability Company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction. The definition of a business entity includes (i) all principals who own or control more than 10 percent of the profits or assets of a business entity or 10 percent of the stock in the case of a business entity that is a corporation for profit, as appropriate; (ii) any subsidiaries directly or indirectly

controlled by the business entity; (iii) any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that person's spouse or child, residing in the same household.

7.1.1.2 BREACH OF TERMS OF THE LEGISLATION

It shall be a breach of the terms of the contract for the Business Entity to (i) make or solicit a contribution in violation of the Legislation, (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate or holder of the public office of Governor, or to any State or county party committee; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of the Legislation; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of the Legislation; or (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

7.1.1.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

a) The State shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee during certain specified time periods

b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall submit the Certification and Disclosure form, certifying that no contributions prohibited by the Legislation have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C. 527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>, shall be provided to the intended awardee for completion and submission to the Purchase Bureau with the Notice of Intent to Award. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Certification and Disclosure(s) within five (5) business days of the State's request. Failure to submit the required forms will preclude award of a contract under this RFP, as well as future contract opportunities.

c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134>, shall be provided to the intended awardee with the Notice of Intent to Award.

7.1.1.4 STATE TREASURER REVIEW

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract

that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

7.1.1.5 ADDITIONAL DISCLOSURE REQUIREMENT OF P.L. 2005, C. 271

Contractor is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c. 271, section 3 if the contractor receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the contractor's responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

7.2 FINAL CONTRACT AWARD

A single award for each section/group shall be made with reasonable promptness by written notice to that responsible bidder, whose bid proposal, conforming to this RFP, is most advantageous to the State, price, and other factors considered. Any or all bid proposals may be rejected when the State Treasurer or the Director determines that it is in the public interest to do so.

7.3 INSURANCE CERTIFICATES

The contractor shall provide the State with current certificates of insurance for all coverages required by the terms of this contract, naming the State as an Additional Insured.

8.0 CONTRACT ADMINISTRATION

8.1 CONTRACT MANAGER

The State Contract Manager is the State employee responsible for the overall management and administration of the contract.

The State Contract Manager for this project will be identified at the time of execution of contract. At that time, the contractor will be provided with the State Contract Manager's name, department, division, agency, address, telephone number, fax phone number, and email address.

8.1.1 STATE CONTRACT MANAGER RESPONSIBILITIES

For an agency contract where only one State office uses the contract, the State Contract Manager will be responsible for engaging the contractor, assuring that Purchase Orders are issued to the contractor, directing the contractor to perform the work of the contract, approving the deliverables and approving payment vouchers. The State Contract Manager is the person that the contractor will contact **after the contract is executed** for answers to any questions and concerns about any aspect of the contract. The State Contract Manager is responsible for coordinating the use and resolving minor disputes between the contractor and any component part of the State Contract Manager's Department.

If the contract has multiple users, then the State Contract Manager shall be the central coordinator of the use of the contract for all Using Agencies, while other State employees engage and pay the contractor. All persons and agencies that use the contract must notify and coordinate the use of the contract with the State Contract Manager.

8.1.2 COORDINATION WITH THE STATE CONTRACT MANAGER

Any contract user that is unable to resolve disputes with a contractor shall refer those disputes to the State Contract Manager for resolution. Any questions related to performance of the work of the

contract by contract users shall be directed to the State Contract Manager. The contractor may contact the State Contract Manager if the contractor can not resolve a dispute with contract users.
