1 SECTION 1 GENERAL INFORMATION

1.1 Overview of Section 1

The purpose of this section is to provide general information about CMHC and this Request for Proposal.

1.2 Introduction and Scope

The Canada Mortgage and Housing Corporation (CMHC) wishes to enter into a contract with a vendor (hereafter referred to as the “proponent”) for the purpose of work related to collecting data for the 2008 Mortgage Consumer Survey by telephone interview.

The work under this contract is expected to be complete by November 14, 2008, and the anticipated dollar value is not expected to exceed \$245,000, including applicable taxes.

Canada Mortgage and Housing Corporation shall not be obligated in any manner to any proponent whatsoever until a written Agreement has been duly executed relating to a qualified, approved proposal.

More detailed specifications can be found in Section 3, “Statement of Work”.

1.3 CMHC Background

CMHC is the Government of Canada’s National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Human Resources and Social Development, and Minister Responsible for Canada Mortgage and Housing Corporation, the Honourable Monte Solberg.

CMHC has more than 1,900 people located at its National Office in Ottawa, and at various Business Service Centers throughout Canada. The Business Service Areas are divided into five regions: Atlantic; Quebec; Ontario; British Columbia; and Prairies, Nunavut & Territories.

1.4 Purpose of Request for Proposal

CMHC uses a Request for Proposal (RFP) to describe its requirements, ask suppliers for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead proponent, and outline the terms and conditions under which the successful proponent will operate or supply goods and/or services. In an RFP process, proposals and proponents are evaluated in terms of ability to satisfy the stated requirements, while providing “Best Value” to CMHC in terms of price.

1.5 Schedule of Events

The following schedule summarizes significant target events for the RFP process. The dates may be changed by CMHC at its sole discretion and shall not become conditions of any contract which may be entered into by CMHC and the selected proponent.

Date	Activities
July 07, 2008	Request for Proposal issued
July 18, 2007	Submission of questions deadline
July 30, 2008	Submission deadline
August 13, 2008	Evaluation and selection of lead proponent
August 15, 2008	Finalize contract with lead proponent and contract award
August 2008	Announcement of successful proponent
As requested	Debriefing of unsuccessful proponents

1.6 Mandatory Requirements

Throughout this RFP, certain requirements are identified as mandatory. A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation. Mandatory is defined as having substantial compliance as assessed by CMHC in its sole and absolute discretion.

Mandatory requirements are identified in:

- Section 2 Submission Instructions
- Section 4 Proposal Requirements
- Section 6 Proposed Contract, and
- Appendix A The Certificate of Submission.

Caution: Proposals which fail, in the sole discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process. However, CMHC reserves the right to waive any mandatory requirements if it deems fit and appropriate to meet the interests of and provide best value to CMHC. This clause should be interpreted solely for the benefit of CMHC and not for the benefit of the Proponents.

1.7 Proponent Feedback

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding proponent experience in responding to its RFPs, whether as a compliment or suggestion for future RFPs.

Proponents may submit comments labeled as **Proponent Feedback RFP #200800417** to the name and address provided in Section 2.4.

As CMHC does not wish to be perceived as influenced by such feedback in the award decision, proponents are requested to submit their feedback after the contract award has been announced.

Any proponent who notes a material flaw in the RFP that could affect the outcome should report it as specified in Section 2.4

1.8 Income Tax Reporting Requirement

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments made by the Corporation to suppliers of goods and/or services by using a T1204 supplementary slip. CMHC must therefore obtain the necessary information from suppliers (including the Contractor's social insurance number and/or corporate identification number) in order to allow it to complete the T1204 supplementary slip. The Lead Proponent will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to execution of this Agreement.

2 SECTION 2 SUBMISSION INSTRUCTIONS

2.1 Overview of Section 2

The purpose of Section 2 is to inform the proponent about CMHC's procedures and rules pertaining to this RFP process.

All risks and consequences of incorrect delivery of proposals are the responsibility of the proponent. CMHC will not assume or have transferred to it those responsibilities. been submitted to EBID, including the company name and e-mail address, with the date and time the submission was sent.

Upon receipt of proposals, an automated confirmation will be issued to the sender's e-mail address. It is strongly recommended that proponents follow up with the inquiries person named in Section 2.4 should they not receive said confirmation within 30 minutes of submission.

*** Please be advised that electronic transmissions may not necessarily be immediate and can experience lengthy delivery delays. Proponents should ensure that sufficient delivery time is allowed for proposals to be received.**

Proposals, including all supporting documentation, are to be sent electronically to the following e-mail address:

EBID@cmhc-schl.gc.ca

The subject line of the transmission must state: RFP, file # 200800417

Proposal Opening and Verification Period

All EBID proposals received on or before the closing date and time specified in this RFP, will be opened for evaluation purposes and verified by CMHC. 2.5 Communication

During proposal evaluations, CMHC reserves the right to contact or meet with any individual proponent in order to obtain clarification of its submission or to gain insight into the quality and scope of relevant services. 2.7 Offering Period Mandatory

All responses must provide that the terms of the response including the pricing proposal, shall remain valid and binding on the proponent for a period of sixty (60) days following the closing date.

2.8 Changes to Submission

Changes to the submitted proposal can be made, if required, provided they are received as an addendum to, or clarification of, previously submitted proposal, or as a complete new proposal to cancel and supersede the earlier proposal. The addendum, clarification, or new proposal must be submitted as per the delivery instructions outlined in Section 2.3, be clearly marked “**REVISION**”, and be received no later than the submission deadline. In addition, the revised

2.10 Liability for Errors

While CMHC has made considerable efforts to ensure an accurate representation of information in this RFP, the information contained in this RFP is supplied solely as a guideline for proponents. The information is not guaranteed or warranted to be accurate by CMHC, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve proponents from forming their own opinions and conclusions in respect of the matters addressed in this RFP.

2.11 Verification of Proponent's Response

The proponent authorizes CMHC to conduct such investigation as it deems appropriate to verify the contents of the proponent's response.

2.12 Ownership of Responses

All responses and related materials become the property of CMHC and will not be returned. CMHC will not reimburse the proponent for any work related to, or materials supplied in the preparation of the RFP response.

All information regarding the terms and conditions, financial and/or technical aspects of the proponent's proposal, which, in their opinion, are of a proprietary or confidential nature, must be clearly marked "**PROPRIETARY**" or "**CONFIDENTIAL**" at each item or at the top of each page. Proponents' documents and information so marked will be treated accordingly by CMHC. Notwithstanding the foregoing, proponents are advised that as a Crown corporation, CMHC is subject to the federal legislation with respect to access to information and privacy. Information submitted by third parties will be protected or may be required to be disclosed in specific circumstances pursuant to the federal legislation.

2.16 Conflict of Interest

- (a) The Contractor and its principals, employees and agents shall avoid any conflict of interest during the term of this Agreement and shall immediately declare any existing, potential or apparent conflict and shall, upon direction of CMHC, take steps to eliminate any conflict or perception that a conflict of interest exists.

- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.
- (d) Any former public office holder must be in compliance with the post-employment provisions of the Conflict of Interest and Post-Employment Code for Public Office Holders (2006) in order to derive a direct benefit from any contract which may arise from this request for proposal.

2.17 Declaration re: Bid Rigging and Collusion

In submitting its proposal, the proponent certifies that:

- (a) prices as submitted in its proposal have been arrived at independently from those of any other proponent;
- (b) the prices as submitted have not been knowingly disclosed by the proponent, and will not knowingly be disclosed by the proponent prior to award, directly or indirectly, to any other proponent or competitor; and

Joint venture proposals should adequately represent and communicate the proposed participation and responsibilities of each company in the joint venture, and must provide a description of the proposed joint venture business arrangement which would be entered into by all parties upon receipt of a contract. The description must list the companies involved, indicate how long the business arrangement has been in existence, indicate the service(s) each respective party would be providing and describe the proposed participation and responsibility of each party.

The proponent shall designate one of the partners as the contact person through whom any communication between the proponent and CMHC will be channeled during the RFP process.

Joint venture responses must be accompanied by a signed Certification of Submission from each participating company. Refer to Section 2.2.

Upon the material coming into existence, the Contractor agrees to execute any document requested by CMHC acknowledging CMHC's ownership of the material and work product and the waiver of the Contractor's moral rights therein.

2.21 Non-Disclosure of CMHC Information

Under this section, "CMHC Information" refers to any and all information which is managed, accessed, collected, used, disclosed, retained, received, created or disposed of in order to fulfil the requirements of the Contract, however obtained. The Contractor shall restrict access to CMHC Information to those persons who have a need to know this information in order to perform the Work under the Contract.

The Contractor shall ensure that CMHC Information shall remain in Canada and expressly agrees to segregate CMHC Information (whether in electronic format or in hard copy) from any other information in a database or repository physically independent from all other databases or repositories. Without limiting the generality of the foregoing, the Contractor shall not and shall ensure that any subcontractor, reseller, agent or any other person engaged to perform any part of the Work does not release, share or otherwise divulge CMHC Information to any other person including subsidiaries, branch offices, partners of the Contractor or subcontractors without the prior written consent of CMHC.

SECTION 3 STATEMENT OF WORK

3.1 Overview of Section 3

This section of the RFP is intended to provide the prospective proponent with the information necessary to develop a competitive proposal. The Statement of Work is a complete description of the tasks to be done, results to be achieved and/or the goods to be supplied.

3.2 Mandatory Requirements

A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation.

Any mandatory requirements associated with the Statement of Work are clearly identified in Section 4 - Proposal Requirement.

The Mandatory Compliance Checklist is located at Appendix C (7.3).

3.3 Statement of Work

Background

Canada Mortgage and Housing Corporation (CMHC) is the Government of Canada's housing agency. Among its key goals is promoting housing affordability and choice to Canadians and ensuring the availability of mortgage financing to homebuyers in all regions of Canada. In the area of housing finance, CMHC is Canada's leader in the provision of default mortgage loan insurance for Canadian homebuyers seeking high ratio mortgage financing. The availability of default mortgage insurance facilitates access to mortgage financing to Canadian home buyers and enables them to buy a home with a down payments of less than 20% of the home purchase price.

As a follow-up to previous studies, CMHC is continuing its efforts to gain insights regarding the mortgage acquisition, renewal and refinancing process and during the fall of 2008 will be conducting its annual survey of Canadian residential mortgage consumers.

The broad base purpose of the survey is to provide consumer insights into the mortgage acquisition process. It seeks to provide a better understanding of four groups of residential mortgage consumers (first-time buyers, mortgage renewers, repeat buyers and refinance consumers) in terms of:

- Information gathering and educational activities
- Usage and attitudes towards mortgage brokers
- Consumer attitudes towards the mortgage industry
- Consumer shopping behaviours, lender loyalty and satisfaction with the mortgage process.

Scope of work

For the purpose of this study active mortgage consumers are broadly defined as:

- First-time homebuyers - Have purchased their first home in the last 12 months.
- Repeat purchasers - Previously owned a home and have purchased a home in the last 12 months.
- Mortgage renewers - Have renewed in the last 9 months.
- Refinance - Have refinanced their home in the last 12 months.

The supplier will be expected to

- Review a pre-designed survey questionnaire and make recommendations to CMHC regarding survey design, and wording. The survey is expected to have up to 7 open-ended questions.
- Program and pre-test the survey in both official languages, resulting in 5 completes in each language.
- Perform a random sampling of households/consumers fitting the selection criteria. The final distribution by type of mortgage consumer will meet the distributions outlined below.

Segment	Total	AT	QC	ON	Prairie	BC
Recent first time purchasers	500	100	100	100	100	100
Recent repeat purchasers	500	100	100	100	100	100
Renewers	250	50	50	50	50	50
Refinancers	250	50	50	50	50	50
TOTAL	1,500	300	300	300	300	300

Interviews are expected to last 20 minutes. Based on previous research the following incidence rates are expected:

- First-time homebuyers 1%
- Repeat purchasers 1%
- Mortgage renewers 4%
- Refinance 4%

All data will be weighted according a weighting scheme to be provided by CMHC. This weighting scheme includes a population distribution, as a well as, a weighting back to the actual natural proportion of the four segments based on the actual call disposition.

All data collection is to be done through telephone interviews conducted using a Computer Assisted Telephone Interviewing System. All interviews must be conducted in either official language, as requested by the respondent. The supplier will be responsible to perform all data editing and coding and create and deliver a fully labelled SPSS *.SAV files, to be pre-approved by CMHC

and generate a set of data tables with up to five pages of banner breaks to be provided in hard-copy and soft-copy. The CMHC general requirement is for these to be in a format that has the "banner" variables (up to five pages of banners may be needed depending on tab plan) and agreed-upon sub-categories across the top of the page. Each question from the questionnaire will be "stub" variables on the side. Column percentages are essential, and row percentage also would be helpful if these can be accommodated

As well, they will be responsible to deliver a survey management report including a call disposition report as well as overall and regional based response rate, average survey length, incidence rate and flow rate.

Deliverables

The selected Contractor will have to complete the following activities and provide the following deliverables as part of the research project:

1. Take part in a project launch meeting with CMHC marketing team, either in person or on the telephone, to become familiar with the subject matter, definitions and concepts related to the topics to be discussed and the branding elements to be tested. Finalize work plan and activities.
2. Program and test the survey using a Computer Assisted Telephone Interviewing System.
3. Conduct a pre-test of the survey in both official languages, resulting in 5 completes in each language.
4. Conduct 1500 interviews (as described above) in the official language of choice of the respondent **with calls to occur no later than 9:00 p.m. local time.**
5. Prepare preliminary (top line results) at the approximate half way point of fieldwork.
6. Perform all data editing and coding and create and deliver a fully labelled SPSS *.SAV files, to be pre-approved by CMHC.
7. Generate a set of data cross tabulations with up to five pages of banner breaks.
8. Deliver a survey management report including a call disposition report as well as overall and regional based response rate, average survey length, incidence rate and flow rate.

Therefore, no proponent shall have any cause of action against CMHC arising out of a failure to award a contract, the failure to evaluate any proposal, or the methods by which proposals are assessed.

5.2 Limitation of Damages

The proponent, by submitting a proposal, agrees that it will not claim damages in excess of an amount equivalent to the reasonable costs incurred by the proponent in preparing its proposal for matters relating to the agreement or in respect of the competitive process, and the proponent, by

Evaluation Table

The Evaluation Table as provided in Appendix “B” lists all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

5.4 Evaluation Methodology

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal shall be individually evaluated by each member of the Evaluation Committee, made up of qualified personnel. Evaluators shall evaluate and numerically score each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B". Once individual evaluations are complete, the Evaluation Committee will discuss and agree upon final scores for each proposal.

A proposal must meet the minimum upset score in each category (as shown on the Evaluation Table) to remain in the evaluation.

Each compliant proposal that meets the minimum upset scores in each category shall then be evaluated using the “greatest score” evaluation process where the proponent with the highest score will be named the lead proponent.

5.5 Proponent Selection

Acceptance of a proposal does not oblige CMHC to incorporate any or all of the accepted proposal into a contractual agreement, but rather demonstrates a willingness on the part of CMHC to enter into negotiations for the purpose of arriving at a satisfactory contractual arrangement with one or more parties.

Without changing the intent of this RFP or the lead proponent’s proposal, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC’s requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.

SECTION 6 PROPOSED CONTRACT
