INVITATION FOR BIDS

INVITATION FOR BIDS

1. INTRODUCTION

1.1 PURPOSE: The State of Illinois Department of Central Management Services (CMS) Bureau of Communications and Computer Services (BCCS) is inviting responsible vendors to submit bids to meet the State's needs. A brief description is set forth below for your convenience, with detailed requirements found in Section 4 of the IFB, "Contract Specifications (Purchase Description)," which is included with this Invitation for Bids (IFB). If you are interested and able to meet these requirements, we would appreciate and welcome a Bid.

This IFB will set forth any evaluation criteria to be used in determining product or service acceptability. It may require the submission of bid samples, descriptive literature, technical data, references, licenses, or other information or material. It may also provide for accomplishing any of the following prior to award:

- i) inspection or testing of a product or service prior to award for such characteristics as quality or workmanship;
- ii) examination of such elements as appearance, finish, taste, or feel;
- iii) other examinations to determine whether it conforms with any other purchase description requirements.

Unsolicited bid samples or descriptive literature however, are submitted at the bidder's risk, may not be examined or tested, will not be deemed to vary any of the provisions of the IFB, and may not be utilized by the vendor to contest a decision or understanding with the State.

Upon completion of the IFB process, if you are the selected vendor, you will be expected to enter into a binding contract with the Agency/Buyer. The Contract for Supplies (the Contract) will follow the format and include the contractual terms as specified in the attached sample Contract For Supplies. It is intended that this Contract will be utilized in those circumstances where an IFB is required.

1.2 BACKGROUND: The State of Illinois Department of Central Management Services (CMS) serves as the central procurement authority for the State of Illinois (the State). Agencies under the Governor utilize the procurement authority of CMS as Chief Procurement Officer to contract for goods and services necessary for the operations of State government. A Chief Procurement Officer may, in turn, appoint a State Purchasing Officer (SPO) who has independent authority to contract for Supplies necessary for the operations of State government. The Agency/Buyer or CMS is ultimately responsible for entering into the contract, monitoring performance, receiving the benefits derived under the contract, and making payments under the contract.

Where required by law, the Agency/Buyers must utilize the IFB process outlined herein. Please read the IFB and Contract form and submit your Bid in accordance with the Instructions. The instructions for submitting Bids to respond to this IFB follow in Section 6 of the IFB, "Instructions for Preparing and Submitting Bids."

If you have any questions, please contact the IFB Contact identified in Section 3 of the IFB, "Key Information about this IFB."

4.1. Agency/Buyer's Needs For Supplies and Services

4.2. Agency/Buyer's Goals and Objectives

CMS expects to purchase hardware that will fully meet the requirements listed in this section of the IFB and to have the solution fully implemented within 60 days from the date of contract signature or subsequent order. Specific goals of this IFB include:

4.3. Supplies Required

The vendor shall provide a bid to furnish and deliver each of the following brand name items as described in the tables below. Only Dell brand will satisfy the State's needs in order to ensure compatibility with existing systems and is not intended to limit or restrict competition.

Those channel participants may be referred to as resellers, distributors, partners, providers, etc. CMS is unable to research, distinguish and define the various types of manufacturer sales programs for all products and services on the market; therefore, CMS requires that vendors responding to this bid provide a statement indicating their ability and authorization to resell and deliver products or services to the customer on behalf of the manufacturer. Vendors providing bids are also required to acknowledge responsibility for and authorization to provide pre and post sales support where applicable.

State will accept refurbished equipment described below. Vendor must indicate warranty length on refurbished equipment. The State reserves the right to award based on the best value to the State. Cost consideration will be based on maintenance and warranty for refurbished and new equipment quotes.

6. HOW WE WILL EVALUATE BIDS

6.1 EVALUATION STEPS: The evaluation and award process will consist of the following:

- 6.1.1 Review of the Bids to assess bidder responsibility.
- 6.1.2 Evaluation of the requirements set forth in this IFB, which may include criteria to determine acceptability such as inspection of samples, testing, quality, workmanship, delivery, and suitability for the particular purpose required by the State. Other criteria which may affect the bid price and be considered in evaluation for award include discounts, transportation costs, and total or life cycle costs. These costs will be measured objectively. No bid shall be evaluated for any requirements or criteria that are not disclosed in the IFB.
- 6.1.3 Clarifications, discussions, presentations and referrals to Agencies (if necessary).
- 6.1.4 Determine the lowest Responsible Bidder, whose bid meets the requirements and criteria set forth in this IFB.
- 6.1.5 Price negotiation with the low bidder is permitted to obtain a lower price for the item bid.
- 6.1.6 Determine whether there is any reason why it would not be in the best interests of the State to award the Contract to the lowest Responsible and Responsive Bidder.
- 6.1.7 Access the Illinois Office of the Comptroller's Offset System as part of the process to determine if the vendor (and any known sub-contractors) who submitted the offer to be recommended for award has an unsatisfied delinquent debt with the State. If delinquent debt is discovered, the selected vendors' offer may be found to be non-responsive. This step does not relieve any vendor from satisfying any debt owed to the State.
- 6.1.8 Award decision by management.
- 6.1.9 If we select your Bid and make an award, we will post the notice to the Illinois Procurement Bulletin and may send you written notice. This notice will extend the Offer Firm Time until we sign a contract or determine negotiations with you have failed. Receipt or posting of a notice of award is not equivalent to a contract with the State. Protested awards are subject to resolution of the protest.

6.2 CRITERIA FOR EVALUATION AND AWARD: We evaluate four categories of information: administrative compliance, vendor responsibility, responsiveness, and price. All Bids, regardless of the type of solicitation, must meet the following administrative and responsibility criteria.

6.2.1. Administrative Compliance: We will determine whether the Bids complied with the Instructions for Preparing and Submitting Bids. We must reject your Bid if you submit it late. Failure to meet other requirements could result in rejection.

6.2.2 Vendor Responsibility: We will determine whether the Vendor submitting the Bid is one with whom we can or should do business.

STATE OF ILLINOIS
INVITATION FOR BIDS

Factors that we may evaluate to determine “responsibility” include, but are not limited to: certifications, conflict of interest disclosures, taxpayer identification number, past performance, references (including those found outside the Bid), compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. A Vendor must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. Any failure to supply information and our determination of the quality of the information will affect our evaluation and may result in rejection.

- 6.2.3 Brand Name or Equal:** When the specification calls for “Brand Name or Equal,” the brand name product is acceptable. Other products will be considered upon a showing that the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics. Minor differences that do not affect the suitability of the supply or service for the State’s needs may be accepted. The Agency/Buyer reserves the right to use its discretion to eliminate Bids that are deemed unacceptable.
- 6.2.4 Invitation for Bids:** We will identify the lowest cost Bid and may rank the others in order of price. The Responsible Vendor who submitted the lowest cost Bid that meets “administrative” and “responsiveness” requirements shall be eligible for the award.

- 7.1.3 RESPONSIBILITY TO READ AND UNDERSTAND:** Failure to read, examine and understand the IFB will not excuse any failure to comply with the requirements of the IFB or any resulting contract, nor will such failure be a basis for claiming additional compensation. If you suspect an error, omission or discrepancy in this IFB, you must immediately notify the IFB Contact listed in Section 3.2 of the IFB. The Agency/Buyer will issue written instructions, if appropriate.
- 7.1.4 AMENDMENTS TO THE IFB:** The Agency/Buyer reserves the right to amend the IFB at any time. The Vendor must acknowledge receipt of an amendment in its Bid. The amendments must be signed by an individual legally authorized to legally bind the Vendor and included in the Bid. If the amendment occurs after the closing date for receipt of Bids, the Agency/Buyer may, in its sole discretion, allow Vendors to amend their Bids in response to the Agency/Buyer's amendment if necessary.

7.2 NOTICES AND REQUIREMENTS OF THE BID:

- 7.2.1 SUBMISSION OF BIDS:** You may mail or hand-deliver bids. We do not allow computer, fax, or other electronic submissions unless otherwise authorized. If received at other than the specified location, the submission is late and will not be considered. After bid opening, no changes in bid prices or other

- 7.2.3 LATE DELIVERY:** We will not consider Bids received at the designated submission location after the stated due date and time.
- 7.2.4 RESERVATIONS:** We reserve the right to reject all Bids; to reject individual Bids for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; and to waive minor defects. We may seek clarification of the Bid from you at any time, and failure to respond is cause for rejection. Clarification is not an opportunity to change the Bid. Submission of a Bid confers on you no right to an award or to a subsequent contract. The IFB process is for the State's benefit only and is to provide the State with competitive information to assist in the selection process. All decisions on compliance, evaluation, terms and conditions will be made solely at our discretion and made to favor the State.
- 7.2.5 COST OF PREPARATION:** We are not responsible for and will not pay any costs associated with the preparation and submission of your Bid.
- 7.2.6 PUBLIC RECORDS AND REQUESTS FOR CONFIDENTIAL TREATMENT:** The Agency/Buyer may treat all information submitted by a Vendor as public information following the conclusion of the selection process unless the Vendor properly requests that information be treated as confidential at the time of Bid submittal. All information submitted is subject to the Illinois Freedom of Information Act ("IFOIA") (5 ILCS 140), the Code, and other applicable laws and rules.

Vendors are encouraged to familiarize themselves with the IFOIA and the Code before submitting a Bid. The Agency/Buyer will copy public records as required to comply with the public records laws. Any request for confidential treatment of information must be included on Attachment J with the Vendor's bid. In addition, the Vendor must enumerate the specific grounds in the IFOIA, the Code, or other applicable law which support treatment of the material as exempt from disclosure and explain why disclosure is not in the best interest of the public. The request for confidential treatment of information must also include the name, address, and telephone number of the person authorized by the Vendor to respond to any inquiries by the Agency/Buyer concerning the confidential status of the materials.

Any Bid submitted which contains confidential information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Identification of the entire Bid as confidential may be deemed non-responsive and disqualify the Vendor. If the Vendor designates any portion of the IFB as confidential, the Vendor must submit one copy of the Bid from which the confidential information has been excised. This excised copy is in addition to the number of copies requested in Section 3

STATE OF ILLINOIS
INVITATION FOR BIDS

of the IFB, "Key Information about this FB." The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Bid as possible.

The Agency/Buyer will treat as confidential the information marked confidential. In the event the Agency/Buyer receives a request for information marked confidential, it will give the Vendor written notice five (5) calendar days prior to the release of the information to allow the Vendor to seek injunctive relief pursuant to the IFOIA or the Code. Absent the granting of such relief, the Agency/Buyer shall release the information ten (10) calendar days after the information request. The Vendor's failure to request confidential treatment of material will be deemed by the Agency/Buyer as a waiver of any right to confidentiality which the Vendor may have had.

Upon award, the name of the successful Vendor and price as well as sufficient information from that Bid will be made available to the public to allow for meaningful review and protest regardless of any claim of exemption. After award, we will disclose only the name of the unsuccessful Offerors. Any release of information is governed by the IFOIA, the Code and any other applicable law or statute.

7.2.7 DOWNGRADING OR DISQUALIFICATION: The following are cause for downgrading or disqualification of the Bid, depending on the circumstances:

- 7.2.7.1 The Vendor fails to deliver the Bid by the due date and time.
- 7.2.7.2 The Vendor fails to meet one or more requirements of the IFB.
- 7.2.7.3 The Vendor's Bid materially changes one or more requirements of the IFB.
- 7.2.7.4 The Vendor's Bid limits the rights of the Agency/Buyer.
- 7.2.7.5 The Vendor fails to include information necessary to substantiate that it will be able to provide required Supplies. A response of "will comply" or merely repeating the required Supplies is not sufficient. Responses must indicate present capability; representations that future developments will satisfy the required Supplies are not sufficient.
- 7.2.7.6 The Vendor fails to respond to the Agency/Buyer's request for information, documents, or references.
- 7.2.7.7 The Vendor fails to include a bid bond (if required).
- 7.2.7.8 The Vendor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested in this IFB.

STATE OF ILLINOIS

INVITATION FOR BIDS

- 7.2.7.9 The Vendor initiates unauthorized contact regarding the IFB with state employees.
- 7.2.7.10 The Vendor provides misleading or inaccurate responses.
- 7.2.7.11 The Vendor fails to attend a mandatory Pre-Bid Conference.

7.2.8 NONMATERIAL AND MATERIAL VARIANCES: The Agency/Buyer reserves the right to waive or permit cure of nonmaterial variances in the Bid if it is in the Agency/Buyer's best interest to do so. "Nonmaterial variances" include minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not prejudice other vendors; that do not change the meaning or scope of the IFB; or that do not reflect a material change in Section 4 of the IFB, "Specifications (Purchase Description)." In the event the Agency/Buyer waives or permits cure of nonmaterial variances, such waiver or cure will not modify the IFB requirements or excuse the Vendor from full compliance with IFB specifications or other contract requirements if the Vendor is awarded the contract. The determination of materiality is in the sole discretion of the Agency/Buyer.

7.2.9 VERIFICATION OF BID CONTENTS: The content of a Bid submitted by a Vendor is subject to verification. Misleading or inaccurate responses may result in disqualification.

7.2.10 PRESENTATIONS: Vendors may be required to make a presentation of the Bid. The presentation may occur at the Agency/Buyer's offices or at the offices of the Vendor. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the Agency/Buyer. The presentation may include slides, graphics and other media selected by the Vendor to illustrate the Vendor's Bid. The presentation will not materially change the information contained in the Bid.

7.2.11 RESTRICTIONS ON GIFTS AND ACTIVITIES: The Code and the State Officials and Employees Ethics Act ("the Act") (**5 ILCS 430**) restrict gifts which may be given or received by State employees and require certain individuals to disclose information concerning their activities with state government. Vendors are responsible to determine the applicability of the Code and the Act and any other legal requirements to their activities and to comply with those requirements. In addition, under Illinois law, it is a felony offense to bribe or attempt to bribe a public official.

7.3 NOTICES AND REQUIREMENTS OF THE VENDOR FIRM:

7.3.1 PUBLIC CONTRACTS NUMBER: Vendors with 15 or more employees must have a Public Contracts Number issued by (or completed application submitted to) the Illinois Department of Human Rights (DHR) prior to the opening date. Contact DHR at (312) 814-2431.

7.3.2 OUT OF STATE COMPANIES: Please contact the Illinois Secretary of State ((217) 782-1834) regarding a Certificate of Authority to Transact Business in Illinois. Application Form BCA 13.15 may be downloaded from http://www.cyberdriveillinois.com/departments/business_services/publicatio

[ns and forms/bca.html](#). It is entirely the Vendor's responsibility to determine whether the Vendor is required to obtain a Certificate of Authority to Transact Business in Illinois, and if so to obtain that Certificate via the filing of the required form and payment of any required fees and taxes.

7.3.3 VENDOR SUSPENSION: Any Vendor may be suspended for violation of the Code or for failure to conform to specifications or terms of delivery. Suspension will be for cause and may be for a period of up to the maximum provided by law at the discretion of the applicable chief procurement officer. Vendors may be debarred in accordance with the Code and the rules promulgated by the chief procurement officer or as otherwise provided by law (30 ILCS 500/50-65).

7.3.4 EMPLOYMENT TAX CREDITS: Vendors who hire qualified veterans may be eligible for tax credits. Any vendor receiving a tax credit pursuant to this Act must report to the Department of Central Management Services the number of individuals hired for whom tax credits are received. This information is due by August 31 of each year and is to cover the previous 12 months (July-June). A similar credit is available when hiring certain ex-offenders. (See the Act or 30 ILCS 500/45/67 and 45-70 for additional information.)

7.4 NOTICES AND REQUIREMENTS FOR THE REVIEW AND EVALUATION OF BIDS:

7.4.1 INFORMATION FROM OTHER SOURCES: The Agency/Buyer reserves the right to obtain and consider information from other sources concerning a Vendor, such as the Vendor's capability and performance under other contracts.

7.4.2 CRIMINAL HISTORY AND BACKGROUND INVESTIGATION: The Agency/Buyer reserves the right to conduct criminal history and other background investigation of the Vendor, its officers, directors, shareholders, or partners and managerial and supervisory personnel retained by the Vendor for the performance of the contract.

7.4.3 BID CLARIFICATION PROCESS: The Agency/Buyer reserves the right to contact a Vendor after the submission of Bids for the purpose of clarifying a Bid to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the Vendor has provided goods or services to the Agency/Buyer or any other political subdivision wherever located, or requests for corrective pages in the Vendor's Bid. The Agency/Buyer will not consider information received if the information materially alters the content of the Bid or alters the type of goods and services the Vendor is offering to the Agency/Buyer. An individual authorized to legally bind the Vendor must sign responses to any request for clarification. Responses must be submitted to the Agency/Buyer within the time specified in the request. Failure to comply with requests for additional information may result in rejection of the Bid as noncompliant.

7.4.4 DISPOSITION OF BIDS: Ordinarily, all Bids become the property of the Agency/Buyer and will not be returned to the Vendor. Those Bids will be

INVITATION FOR BIDS

in the public domain and will be open to inspection by interested parties, subject to exceptions provided in the IFOIA, the Code, or other applicable law.

7.4.5 COPYRIGHTS: By submitting a Bid, the Vendor agrees that the Agency/Buyer may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Vendor consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The Agency/Buyer will have the right to use ideas or adaptations of ideas that are presented in the Bids.

7.5 NOTICES AND REQUIREMENTS FOR AWARD AND PROTESTS:

7.5.1 NOTICE OF AWARD: The Agency/Buyer will publish a Notice of Award in the electronic Illinois Procurement Bulletin (Supplies and Services Edition). Notice of Award information may not be available in any other form or location. The Vendor may register to view and download procurement information at <http://www.purchase.state.il.us>.

7.5.2 PROTESTS: READ THIS CAREFULLY FOR NEW REQUIREMENTS. (Complete requirements can be found at 44 Ill. Adm. Code 1.5550.)

You must submit protests to the Protest Review Office identified in this document. Do not submit it to any other person or address.

You must protest anything in the Bulletin posting or the solicitation document within seven (7) calendar days of the posting and it must be in our hands by that deadline.

You must protest the award by noon of the seventh (7th) calendar day following posting to the bulletin and it must be in our hands by that deadline.

The protest must contain the following as a minimum:

- 7.5.2.1 the name and address of the protestor;
- 7.5.2.2 appropriate identification of the procurement and, if a contract has been executed, it's contract number;
- 7.5.2.3 a statement of reasons for the protest specifically identifying any alleged violation of the Illinois Procurement Code or other law, any associated rules, or the solicitation itself, including the evaluation or award; and
- 7.5.2.4 supporting exhibits, evidence, or documents to substantiate any claims unless not available within the filing time, in which case, the expected availability date shall be indicated.

It is not sufficient to simply state that you are protesting, that your product is better or the winning bid is not in the best interests of the State. We must have detailed reasons to support the protest. Failure to do so may result in your protest being denied.

INVITATION FOR BIDS

7.6 NOTICES AND REQUIREMENTS FOR CONTRACTS RESULTING FROM THE IFB:

- 7.6.1 CONTRACT NEGOTIATIONS:** Vendors must be prepared for the Agency/Buyer to accept the Bid as submitted, but contract negotiations may be necessary or desirable at the State's sole option. - 7.6.3 DEFINITION OF CONTRACT:** The Contract for Supplies included with this IFB, along with any amendments or addenda will constitute the written Contract between the successful Vendor and the Agency/Buyer. - 7.6.4 CHOICE OF LAW AND FORUM:** This IFB and the resulting contract are to be governed by the laws of the State of Illinois. 4.1.1.3 By submitting an invoice Vendor certifies that the equipment, supplies and/or services provided meet all requirements of the Contract, and the amount billed and expenses incurred are as allowed in the Contract.

Payments delayed at the beginning of the State's fiscal year (July and August payments) because of the appropriation process shall not be considered a breach.

4.1.2.2 The Agency/Buyer shall not be liable to pay for any equipment and/or supplies provided and/or services rendered, including related expenses subject of this Contract incurred prior to the beginning of the term of this Contract. Any Contract or order labeled "subject to financing" or words to similar effect is subject to the Agency/Buyer obtaining suitable financing.

STATE OF ILLINOIS

- 4.1.2.3 The approved invoice amount will be paid less any retainage and previous partial payments. Final payment shall be made upon determination by the Agency/Buyer that all requirements under this Contract have been completed; such determination shall not be unreasonably withheld. The final payment will be made subject to adjustment after completion of an audit of vendor's records as provided for in this Contract.
- 4.1.2.4 Any contract or order requiring payment of financing interest is subject to the interest rate limitation set by law of the greater of 9% or 125% of the G.O. Bond Index **(30 ILCS 305/1)**.

In this event, the Agency/Buyer may withhold that portion of the Vendor's compensation, which represents payment for service or product that was not performed or delivered.
- 4.1.4 SET-OFF AGAINST SUMS OWED TO THE VENDOR:** The State may set off any sum owed to the Vendor on account of any debt owed to the State, unless otherwise required by law, in accordance with the State Comptroller Act **(15 ILCS 405)**. The Vendor agrees that this provision constitutes proper and timely notice under the law of setoff.
- 4.1.5 AVAILABILITY OF APPROPRIATIONS (30 ILCS 500/20-60):** Agency/Buyer shall use its best efforts to secure sufficient appropriations to fund this CONTRACT. However, the Agency/Buyer's obligations hereunder shall cease immediately, without penalty or further payment being required, if: (a) the Illinois General Assembly or the federal funding source fails to make an appropriation sufficient to pay such obligation; (b) adequate funds are not appropriated or granted the Agency/Buyer by the Illinois General Assembly or the federal funding source, to allow the Agency/Buyer to operate as required and to fulfill its obligations under the Contract; or (c) funds appropriated are de-appropriated or not allocated, or if funds needed by the Agency/Buyer, at the Agency/Buyer's sole discretion, are insufficient for any reason. Agency/Buyer shall give Vendor notice of insufficient funding

as soon as practicable. Vendor's obligation to perform shall cease upon receipt of the notice.

4.2 DELIVERY

4.2.1 MINIMUM ORDER: It is required that the minimum order be as specified in the Contract. If the bidder's minimum order requirement is less than that specified in the Contract, that minimum shall become the minimum order if a Contract is awarded to the Vendor.

4.2.2 DELIVERY POINT: Unless otherwise specified in Section 3 of the Contract, "Price Quotation," all Supplies to be provided under this Contract will be delivered, at Vendor's expense, to locations specified by the State, and title and risk of loss to said Supplies will pass to the State at the time of delivery to such locations.

4.2.3 PACKAGING: The pack sizes indicated in the IFB, if any, represent the sizes currently used by the industry. The bidder is requested to provide packaging that most closely meets these packaging sizes. However, bidders can submit alternates. 4.3.1.1 All costs of testing and laboratory analysis.

4.3.1.2 Disposal of/or replacement of all products which fail to meet specifications.

STATE OF ILLINOIS
CONTRACT FOR SUPPLIES

4.3.2 INSPECTION: All Supplies are subject to inspection and testing. In the event Supplies are defective in material or workmanship, or otherwise fail to meet the requirements of the Contract, the State shall have the right to reject the Supplies or retain the Supplies and correct the defects. The bidder shall pay the State for expenses incurred in correcting defects. Rejected Supplies will be held for 45 days after delivery. The bidder must arrange for the return of said Supplies, including paying for handling, packing, and transportation costs. The State also has the authority to dispose of the Supplies without further liability to the State in the event the Contractor fails to make arrangements within the specified time.

4.4 VENDOR PERFORMANCE AND RESPONSIBILITIES

4.4.1 CONSULTATION: Vendor shall keep the Agency/Buyer fully informed as to the progress of matters covered by this Contract. Where time permits and Vendor is not otherwise prohibited from so doing, Vendor shall offer the Agency/Buyer the opportunity to review relevant documents prior to filing with any public body or adversarial party.

4.4.2 PERFORMANCE REVIEWS:

4.4.2.1 The State or Agency/Buyer may conduct a performance review of the Vendor's performance under the Contract. The Vendor shall cooperate with the State or Agency/Buyer in this review, which may require that the Vendor provide records of its performance and billing. Vendor shall provide any required information within 30 days of the Agency/Buyer's request. This performance review may be used by any State agency in determining whether to enter into other contractual relationships with the Vendor.

4.4.2.2 Vendor shall have and maintain, during the term of this contract, internal procedures and processes to monitor performance to ensure full compliance with the contract. Vendor shall disclose such procedures and processes to the State upon request.

4.4.2.3 At the direction of the State, Vendor and State shall work together to develop a performance scorecard to record relevant facts related to performance as well as establishing conditions, milestones, requirements or timetables that must be met before additional steps may be taken or payment is due.

4.4.3 AUDIT/RETENTION OF RECORDS (30 ILCS 500/20-65): Vendor and its subcontractors shall maintain books and records relating to performance of the Contract or subcontract and necessary to support amounts charged to the State under the Contract or subcontract. Books and records, including information stored in databases or other computer systems, shall be maintained by the Vendor for a period of 3 years from the later of the date of final payment under the Contract or completion of the Contract, and by the subcontractor for a period of 3 years from the later of the date of final payment under the subcontract or completion of the subcontract. The 3-year period shall be extended for the duration of any audit in progress during the term. Books and records required to be maintained under this section shall be available for review or audit by representatives of the

STATE OF ILLINOIS
CONTRACT FOR SUPPLIES

Auditor General, the Agency/Buyer, the Inspector General and other governmental entities with monitoring authority, upon reasonable notice and during normal business hours. Vendor and its subcontractors shall cooperate fully with any such audit. Failure to maintain books and records required by this section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the Contract for which adequate books and records are not available to support the purported disbursement. The Vendor shall not impose a charge for audit or examination of the Vendor's books and records. If federal funds are used to pay contract costs, the Vendor must retain its records for five years. If only state funds are involved, three years is sufficient.

4.4.4 SCHEDULE OF WORK: Any work performed on State premises shall be done during the hours designated by the State and shall in any event be performed so as to minimize inconvenience to the State and its personnel and minimize interference with the State's operations.

4.4.5 RESPONSIBILITY FOR AGENTS AND EMPLOYEES: Vendor shall be responsible for the negligent acts and omissions of its agents, employees and subcontractors in their performance of Vendor's duties under this CONTRACT. Vendor represents that it shall utilize the services of individuals skilled in the profession for which they will be used in performing services hereunder. In the event that the Agency/Buyer determines that any individual performing services for Vendor hereunder is not providing such skilled services, it shall promptly so notify Vendor and Vendor shall replace that individual.

4.4.6 ASSIGNMENT AND DELEGATION:

4.4.6.1 This Contract may not be assigned, transferred or conveyed in whole or in part by the Vendor without the prior written consent of the State. For the purpose of construing this clause, a transfer of a controlling interest in the Vendor shall be considered an assignment.

4.4.6.2 After notice, the Agency/Buyer may transfer the Contract or payment responsibility to another State Agency, or assign the Contract to a third-party for financing purposes.

4.4.7 USE OF THIRD PARTIES:

4.4.7.1 The Agency/Buyer acknowledges that the Vendor may contract with third parties for the performance of any of the Vendor's obligations under this Contract. However, all subcontracts shall be subject to prior approval by the Agency/Buyer, so the Vendor must obtain the Agency/Buyer's prior written consent before allowing any Third Party to perform any of the Vendor's obligations under this Contract.

4.4.7.2 A Vendor who obtains the Agency/Buyer's prior written consent and subsequently enters into a contract with a Third Party for performance of any of the Vendor's obligations under this Contract remains responsible for all

CONTRACT FOR SUPPLIES

services performed under this Contract. All restrictions, obligations and responsibilities of the Vendor under this Contract shall also apply fully and completely to subcontractors. This includes requiring all subcontractors to submit certifications and disclosures to Agency/Buyer for review and approval upon request. The Agency/Buyer shall have the right to request the removal of a subcontractor from the Contract for good cause.

4.4.7.3 If Vendor is unable to secure or maintain key personnel named in the Contract to render the services, Vendor shall not be relieved of its obligations to complete performance. Agency/Buyer shall have the option to accept a substitute or to terminate the Contract.

4.4.8 LICENSE: Vendor, directly or through its employees, shall have and maintain any required license. With written consent of the Agency/Buyer, Vendor may meet the license requirement through a subcontractor.

4.4.9 MAINTENANCE ASSURANCE:

4.4.9.1 The Agency/Buyer reserves the right to maintain any equipment purchased under this Contract using Agency/Buyer personnel or third-party maintainers. In such case, Vendor shall provide the Agency/Buyer or its maintenance provider with such services, documentation, materials and parts under reasonable terms and conditions and at reasonable costs. The Agency/Buyer reserves the right to return to Vendor's maintenance following written certification by Vendor that the equipment is eligible for Vendor's maintenance. Vendor's standard charges for the certification inspection, plus any applicable charges required to bring the equipment into eligibility for Vendor's maintenance shall apply. Exercise of these rights by the Agency/Buyer shall be without penalty or sanction by Vendor.

4.4.9.2 If Vendor discontinues service or maintenance of equipment or software provided under this Contract, Vendor shall provide to the Agency/Buyer, at no cost, adequate documentation and access to specialized or proprietary tools to allow the Agency/Buyer or a subcontractor to maintain the equipment or software. This provision shall not apply if Vendor arranges for continued service and maintenance through another vendor and at a price acceptable to the Agency/Buyer.

4.4.10 SOLICITATION AND EMPLOYMENT: Vendor shall not employ any person employed by the Agency/Buyer during the term of this Contract to perform any work required by the terms of this Contract. As a condition of this Contract, the Vendor shall give notice immediately to the Agency/Buyer's director if Vendor solicits or intends to solicit for employment any of the Agency/Buyer's employees during the term of this Contract.

STATE OF ILLINOIS
CONTRACT FOR SUPPLIES

Agency/Buyer has no authority to contractually refuse to hire Vendor's employees who apply to the State for employment.

4.4.11 FORCE MAJEURE: Failure by either party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control, including acts of nature, acts of the public enemy, riots, labor or material shortages, labor disputes, fire, flood, explosion, legislation, and governmental regulation.

4.4.12 TAX COMPLIANCE: Vendor shall be in compliance with applicable tax requirements and shall be current in payment of such taxes.

4.4.13 COMPLIANCE WITH THE LAW: The Vendor, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations and orders when performing the services under this Contract, including without limitation, all laws applicable to the prevention of discrimination in employment and the use of targeted small businesses as subcontractors or suppliers. The Contractor, its employees, agents and subcontractors shall also comply with all federal, state and local laws regarding business permits and licenses that may be required to carry out the work performed under this Contract.

4.4.14 ANTITRUST ASSIGNMENT: Vendor hereby assigns, sells and transfers to the State of Illinois all right, title and interest in and to any claims and causes of action arising under antitrust laws of Illinois or the United States relating to the subject matter of the Contract.

4.5 CONFIDENTIALITY AND WORK PRODUCT

4.5.1 CONFIDENTIALITY: Vendor's employees, agents and subcontractors may have access to confidential data maintained by the Agency/Buyer to the extent necessary to carry out its responsibilities under the Contract. As such, the following applies unless agreed to otherwise in writing:

4.5.1.1 Vendor shall presume that all information received pursuant to this Contract is confidential unless otherwise designated by the Agency/Buyer;

4.5.1.2 Vendor shall provide to the Agency/Buyer a written description of its policies and procedures to safeguard confidential information. Policies of confidentiality shall address, as appropriate, information conveyed in verbal, written, and electronic formats;

4.5.1.3 Vendor must designate one individual who shall remain the responsible authority in charge of all data collected, used, or disseminated by the Vendor in connection with the performance of the Contract;
