The contractor further warrants that the Contractor has title to the supplies provided, in that the supplies are free and clear of all liens, encumbrances, and security interests. All warranties made in this agreement, together with service warranties and guarantees, shall run to the County and its successors and assigns.

12. **INSPECTION:**
 - 12.1 All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies and end products) shall be subject to inspection and test by the county, to the extent practicable at all times and places including the place of manufacture, and in any event prior to acceptance.
 - 12.2 In case any supplies or lots of supplies are defective in material or workmanship or otherwise not in conformity with the requirements of this contract, the county shall have the right to either reject them or to require their correction. 12.3 Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this contract; but failure to inspect and accept or reject supplies shall neither relieve the contractor from responsibility for such supplies as are not in accordance with the contract requirements nor impose liability on the county therefore.

12.4 The inspection and test by the county of any supplies or lots thereof does not relieve the contractor from any responsibilities regarding defects or other failures to meet the contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

13. “ILLEGAL IMMIGRATION & PUBLIC CONTRACTS: In accordance with the South Carolina Illegal Immigration Reform Act, [2008, Act No. 280](#).
