

Recognizing that the current Imaging, Workflow and Document Management Master Service Agreement will be expiring November 2008, the State of California has announced a new Enterprise Content Management (ECM) related Request for Proposal (RFP).

This RFP is soliciting qualified suppliers to provide products and services for document imaging, document services/management, and workflow technology in any location in the State of California. The title of the new RFP is "Document and Content Management" (formerly Imaging, Workflow and Document Management) and is advertised in the California State Contracts Register (CSCR) under Category 7, IT, Computer Programming/Systems Analysis/Software Maintenance.

When accessing the CSCR, suppliers who are not already registered will need to complete the registration section and then will be able to view this RFP. Once registered,

1. Log into the contract register
2. Select "View Contracts Register"
3. Select "View by Category"
4. Select Category "7 Information Technology"
5. Select "Computer Programming/Systems Analysis/Software Maintenance"
6. Click "Submit"

The "Document and Content Management" RFP will be listed as RFP MSA 55193.

Please refer to the CSCR link below to login or register:
