INSTRUCTIONS AND GENERAL PROVISIONS

1. **Preparation of Bids:**
 - a) Failure to examine any drawings, specifications and instructions will be at bidder's risk.
 - b) Price each item separately. Unit price shall be shown and a total price shall be entered for each item bid.
 - c) Time of delivery is a part of the bid/proposal and must be adhered to.
 - d) Prices quoted are firm for complete delivery of quantities specified.
 - e) In case of error in extension, unit price will govern.
 - f) Brand names and model numbers are given for reference and description, and are not intended to be restrictive. Brands and models of equal quality will be considered.
 - g) All products must be in new, unused condition unless otherwise requested in this solicitation.
2. **Failure to respond:** Failure to submit a bid or to advise the University Purchasing Department that future invitations for bids are desired, may result in the removal of your name from the bidder's list.
3. **Submission of Bids:** Electronic bids may be submitted through a secure mailbox at RFP Depot, LLC (www.bidsync.com) until the date and time as indicated on the document. It is the sole responsibility of the supplier to ensure their bid reaches BidSync before the closing date and time. There is no cost to the supplier to submit electronic bids via BidSync. If the supplier chooses to submit the bid directly to WSU in writing, the bid must be signed in ink, sealed in a properly addressed envelope, and delivered to the Weber State University Purchasing Department, 1013 University Circle, Ogden, UT 84408-1013, by the "Due Date and Time."
 - a) Bids must be signed and sealed with the "Bid/Proposal Number" and bid opening date on the outside of envelope.
 - b) Bids and modifications or corrections thereof received after the closing time specified will NOT be handled, in accordance with the Utah Procurement Rules, Section R33-3-109.
 - c) All prices and notations must be printed in ink or typewritten. No erasures permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent and must be initialed, in ink, by person signing bid/proposal.
 - d) No charge for delivery, drayage, express, parcel post, packing, cartage, insurance, license fees, permits, cost of bonds, or for any other purpose will be paid by the University unless expressly included and itemized in the bid/proposal.
4. **Bonds:** The University reserves the right to require a bid bond, a supply contract bond, or a faithful performance bond from the vendor in an amount not to exceed the amount of the contract.
5. **Award of Contract:**
 - a) Contracts and purchases will be made or entered into with the responsible bidder making the lowest and best bid/proposal that meets the specifications pursuant to Chapter 63-2-29 U.C.A. 1961.
 - b) Unless the bidder specified otherwise in his bid/proposal, the University may accept any item or group of items of any kind. The University reserves the right to cancel its invitation for bids/proposals.
 - c) The University reserves the right to reject any and all bids/proposals and waive any informality or technicality in bids/proposals received, if it is in the interest of the University.
 - d) A written Purchase Order mailed, or otherwise furnished to the successful bidder, within the time for acceptance specified in the bid/proposal, results in a binding contract without action by either party. The contract shall be interpreted, construed and given effect in all respects according to the laws of the State of Utah. The contract shall NOT be assignable by the vendor in whole or part without the written consent of the University.
6. **Samples:** Samples of items, when required, must be furnished, free of expense, to the University. If not destroyed by tests, the sample may, upon request be made at the time the sample is furnished, be returned

at the bidders expense.

7. **Warranty:** Seller warrants that the merchandise will conform to its description and any applicable specifications, shall be good merchantable quality and fit for the known purpose for which it is sold. This warranty is in addition to any standard warranty or service guarantee given by Seller to Purchaser.
8. **Energy Conservation and Recycled Products:** The contractor is encouraged to offer Energy Star certified products or products that meet FEMP standards for energy consumption. WSU also encourages contractors to offer products that are produced with recycled materials, where appropriate, unless otherwise requested in this solicitation.
9. **Debarment.** The contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in the transaction (contract), by any governmental department or agency. If the contractor cannot certify this statement, submit a written explanation for review by WSU.
10. **Security Standards:** The contractor shall comply with all Security Standards issued by the University, including Payment Card Industry and Data Privacy Standards.
11. The University is required to comply with provisions of the Utah governmental Immunity Act, Utah code Ann. Sec. 63-30d-101 et seq. and any other requirements mandated by the Utah Attorney General's Office regarding indemnification, attorney's fees, governing law provisions and insurance provisions. Any contract created under this bid must include such terms and conditions regarding such as set forth by the University.
12. Bidder agrees that no contract rights or subcontract rights may be assigned, sold, or transferred, or responsibilities delegated, in whole or in part, under any contract formed upon acceptance of the bidder without prior written approval of the University.
13. Bidder agrees that the terms and conditions herein supersede any inconsistent terms and conditions submitted by the Bidder in a preprinted form contract.
14. **Non-appropriation of Funds:** The Contractor acknowledges that WSU cannot contract for the payment of funds not yet appropriated by the Utah State Legislature. If funding to the State is reduced due to an order by the Legislature or the governor, or is required by State Law, or if federal funding (when applicable) is not provided, WSU may terminate this contract or proportionately reduce the services and purchase obligations from WSU upon 30 days written notice. In the case that funds are not appropriated or are reduced, WSU will reimburse the contractor for products delivered or services performed through the date of cancellation or reduction, and the State will not be liable for any future commitments, penalties, or liquidated damages.
15. **Contract Jurisdiction, Choice of Law, and Venue:** The provisions of this contract shall be governed by laws of the State of Utah. The parties will submit to the jurisdiction of the courts of the State of Utah for any dispute arising out of this Contract or the breach thereof.
16. **Laws and Regulations:** The Contractor and any and all supplies, services, equipment, and construction proposed and furnished under this contract will comply fully with all applicable Federal and State laws and regulations.

Question and Answers for Bid #Q38834 - External Vulnerability Scan & Web Application Vulnerability Scanning Services

OVERALL BID QUESTIONS

Question 1

Does the External/Web Application Scans have anything to do with the PCI part of the RFP? I am just checking because my boss believes that we could not do the External/Web Application Scans per web-apps are part of what is required for the PCI. (Submitted: Mar 17, 2011 9:10:55 AM MDT)

Answer

- The External/Web Application scan is separate from the PCI part of the RFB. The Web Applications and External Scans are so we can identify vulnerabilities across all of our external facing network, not just the areas where PCI compliance is necessary. (Answered: Mar 17, 2011 2:12:17 PM MDT)

Question 2

Does the Weber State University system recognize, or provide any bid preferences/incentives to Service Disabled Veteran Owned Small Businesses? (Submitted: Mar 18, 2011 11:29:49 AM MDT)

Answer

- The funding source for this particular request is not tied to a grant specifying such a preference/incentive. The university does welcome any and all interested parties to submit a bid. (Answered: Mar 21, 2011 2:36:48 PM MDT)

Question 3

If the Ext/Web App scan package is a separate biddable item from the PCI scans, is it acceptable to bid only one of the two items? In other words, is the university willing to allow two different scanning vendors to work on this two-part project? (Submitted: Mar 18, 2011 12:10:27 PM MDT)

Answer

- Yes, you can bid on only one part of the project. (Answered: Mar 22, 2011 8:34:00 AM MDT)

Question 4

Regarding the Web Application scanning component:
1) Can you please specify which OWASP risks (A1-A10) that you would like to be satisfied by this engagement? Ref - http://www.owasp.org/index.php/Category:OWASP_Top_Ten_Project (Submitted: Mar 18, 2011 4:27:42 PM MDT)

Answer

- We feel that all of the risks in the list are important to scan for, but if we had to choose particular ones, we would like to focus on A1-A6. (Answered: Mar 22, 2011 8:34:32 AM MDT)
