AGENCY SPECIFICATIONS

1) Introduction

The Attorney General's Office will be upgrading our enterprise database architecture. The HP9000 K460's that we currently use will be replaced with HPRX4640 Integrity servers. Along with the server upgrade we will be acquiring an HP EVA 4000 Storage Area Network to manage our storage requirements.

The EVA 4000 SAN will host the document management data and allow the Attorney General's Office to take advantage of increased storage, performance, and the disk distribution of the disk I/O. The purchase and installation of the Hewlett Packard hardware and HP Unix operating system version 11i is being awarded separately and is not a part of this Invitation to Bid.

The main deliverables of this project are the converted databases and documents on the Attorney General's Office document management production system. The database software will need to be upgraded from our current Oracle Version 8.1.6 to Oracle Version 9.2.0.4. If included in the response from the vendor, then the vendor will be responsible for the installation and configuration of the Oracle database.

The Attorney General's Office document management production system will need to be converted from the existing FileNet Content Services Version 5.2 to a new Content Services version 5.4 based system. Upon completion of this conversion project, we will be able to perform our required operations on the new Content Services system.

2) Project Requirements

The Connecticut Attorney General's Office environment is based on the information provided in the following table:

	Source	Target
Server / Operating System	HPUX 11.0	HPUX 11i Version 2
FileNet	Content Services 5.2	Content Services 5.4
Database	Oracle 8.1.6	Oracle 9.2.0.4
Approx. Documents	1,212,562	1,212,562 (Migrated From Source)
Content Services Library	1	1 (Migrated From Source)
Document Classes	24	24 (Migrated From Source)

Vendors responding to this bid must be FileNet Certified Professionals. Proof of such must be submitted with your bid response in order to be considered for an award. Vendors must provide one to three references from clients where they have performed a successful migration from Content Services 5.2 to Content Services 5.4. **Failure to provide this information will result in disqualification of your bid response.**

- The Attorney General's Office will develop a test plan with which to validate the new system.
- The Attorney General's Office must be able to use the new FileNet system for the same business processes as the existing FileNet system.

3. Project Scope

3.1. Installation of the Oracle 9.2.0.4 Database

If this option has been included in the response, the vendor will install and configure the Oracle 9.2.0.4 database on the new server.

3.2. Conversion Process

The conversion from the Content Services 5.2 system to the new Content Services 5.4 system will be divided into two phases: i) **Preliminary Conversion** and ii) **Production Conversion**.

3.2.1. Preliminary Conversion

The preliminary upgrade of the production server can be done on site on the newly installed server at the Attorney General's Office or offsite utilizing the latest backup of the Content Services system. The contracted vendor will coordinate the conversions with FileNet's Content Services Upgrade Team to ensure that the upgrade is supported by FileNet and allows for FileNet to track the upgrade.

The Preliminary Conversion will allow the establishment of timings for the production conversion. Functional testing and integrity checks should be run on the Preliminary Conversion system.

A Conversion Project Status Report should be issued providing:

1. Estimated Conversion Timings
2. Testing Results
3. Documentation of new production Content Services Systems settings and recommended procedures
4. Status update on the project at the end of the preliminary conversion phase

3.2.2. Production Conversion

The Production Conversion Phase provides the actual production conversion of the Attorney General's Office production data to the Content Services 5.4 system. Prior to the start of the Production Conversion Phase, the Attorney General's Office will make a verified full backup of the existing FileNet system.

On the day of the scheduled Production Conversion, both the source and target systems will be turned over to the vendor for completion of the Production Conversion Phase. A complete migration of all the data and elements to the Content Services 5.4 system will be performed. After all data imports have been completed on the Content Services 5.4 system, final conversion testing will begin. Production Conversion testing on the conversion will validate the success of the conversion and of Content Services 5.4 as the production system.

Additionally, the Content Search function needs to be tested and verified. The Attorney General's Office successfully using the Content Services 5.4 system in full production mode marks the completion of the Production Conversion Phase.

3.3. Project Deliverables

1. Detailed Project Plan for all phases of the Conversion
2. Phase I – Preliminary Conversion / Conversion Report
3. Phase II – Production Conversion / Conversion Report
4. Completion documentation that outlines the new system

3.4. Project Tasks

CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the CONN. GEN. STAT.; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the CONN. GEN. STAT. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies that establish a procedure for the awarding of all contracts covered by Sections 4a-60 and 46a-71(d) of the CONN. GEN. STAT.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the Contract Compliance Requirements has an obligation to "aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors, and suppliers of materials." "Minority business enterprise" is defined in Section 4a-60 of the CONN. GEN. STAT. as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: "(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of section 32-9n." Minority groups are defined in section 32-9n of the CONN. GEN. STAT. as "(1) Black Americans... (2) Hispanic Americans... (3) persons who have origins in the Iberian Peninsula... (4) Women... (5) Asian Pacific American and Pacific Islanders; (6) American Indians..." A business owned by an individual(s) with a physical disability is also a minority business enterprise as provided by Section 32-9e of the CONN. GEN. STAT. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance

The awarding agency will consider the following factors when reviewing the bidder's qualifications under the contract compliance requirements:

- (A) the bidder's success in implementing an affirmative action plan;
- (B) the bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 inclusive, of the Regulations of Connecticut State Agencies;
- (C) the bidder's promise to develop and implement a successful affirmative action plan;
- (D) the bidder's submission of EEO-1 data indicating that the composition of its workforce is at or near parity when compared to the racial and gender composition of the workforce in the relevant labor market area; and,
- (E) the bidder's promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following two (2) pages BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract.

The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidder's compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder's "good faith efforts" to include minority business enterprises as subcontractors and suppliers for the work of the contract.

1) Definition of Small Contractor

Section 32-9e CONN. GEN. STAT. defines a small contractor as a company that has been doing business under the same management and control and has maintained its principal place of business in Connecticut for a one year period immediately prior to its application for certification under this section, had gross revenues not exceeding ten million dollars in the most recently completed fiscal year, and at least fifty-one percent of the ownership of which is held by a person or persons who are active in the daily affairs of the company, and have the power to direct the management and policies of the company, except that a non-profit corporation shall be construed to be a small contractor if such nonprofit corporation meets the requirements of subparagraphs (A) and (B) of subdivision 32-9e CONN.
