

REQUEST FOR STATEMENT OF QUALIFICATIONS FOR CONSULTING SERVICES

The Plaquemines Parish Government has secured funding through FEMA & GOHSEP for the Pumping Station Fuel Tank Retrofit. Plaquemines Parish wants to secure consulting services to conduct fuel tank elevation and / or fuel tank wind retrofit to the fuel tanks at seven (7) parish pumping stations.

The process for the selection of the consulting firm will be in accordance with the procurement requirement of Federal Regulations 44CFR Part 13, Para 36 "Procurement". All responses will be evaluated in accordance with the selection criteria and point systems identified in the Consultant Statement of Qualifications Package available at the Plaquemines Parish Government Engineering Department, 102 Ave "G", Belle Chasse, LA 70037, during the hours from 8:00 a.m. to 4:30 p. m. This package defines the scope of services to be performed by the selected firm. The contract will be awarded based upon the proposal most advantageous to Plaquemines Parish.

Interested consulting firms are invited to obtain the Consultant Statement of Qualifications Package by contacting Jonah Arceneaux, 504-297-5343, jarceneaux@plaqueminesparish.com or pick-up at Plaquemines Parish Engineering Department, 102 Ave "G", Belle Chasse, Louisiana. The applicant's completed Statement of Consultant Qualifications Statement must be received by the Plaquemines Parish Engineering Department no later than 10:00 a.m., Tuesday, May 4, 2010.
