1. As a pre-condition for the award of any State Contract, contractor agrees to submit an Equal Employment Opportunity (EEO) Policy Statement which conforms with the following provisions:

(a) Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative Action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

(b) At the request of State University, contractor shall request each employment agency, labor union, or authorized repre-

sentative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of contractor's obligations therein.

(c) Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of State Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) Contractor will include the provisions of "a", "b" and "c", above, in every Subcontract over \$25,000.00.

2. Contractor shall indicate whether it is able to separate out from its entire work force that portion of its work force which will be utilized in the performance of this State Contract.

For State Contracts which provide labor, services, supplies, equipment or materials, as defined above, contractor must provide a Staffing Plan of the anticipated work force to be utilized on the State Contract broken down by specified ethnic background, gender, and Federal Occupational Categories, or other appropriate categories which the agency may specify.

4. For contractors who are unable to separate the portion of their work force which will be utilized for the performance of this State Contract, contractor shall provide reports describing its entire work force by the specified ethnic background, gender, and Federal Occupational Categories, or other appropriate categories which the agency may specify.

5. If contractor fails to provide a staffing plan, or in the alternative, a description of its entire work force, State University may reject contractor's bid, unless contractor either commits to provide such information at a later date or provides a reasonable justification in writing for its failure to provide the same.

6. After the State Contract has been awarded, contractor shall provide a Utilization Report which breaks down and describes contractor's and every subcontractor's work force by specified ethnic background, gender, and Federal Occupational Categories. The prime contractor shall be responsible for collecting reports from its subcontractors and

providing such reports to State University. For State Contracts for construction, the Utilization Report shall be completed using the number of hours worked for each relevant job title within the Federal Occupational Categories. During the term of State Contract: construction contractors must provide a Utilization Report on a monthly basis; contractors providing labor, services, supplies, equipment or materials, who are unable to separate out their work force must provide Utilization reports on a semi-annual basis; all other contractors must provide Utilization Reports every three months.

7. Contractor shall provide State University reports of its compliance with the terms of Article 15-A of the Executive Law as may be required by State University.

8. PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN. State University shall determine whether contractor has made conscientious and active efforts to employ and utilize minority group members and women to perform this State Contract based upon an analysis of the following factors:

(a) Whether contractor established and maintained a current list of recruitment sources for minority group members and women, and whether contractor provided written notification to such recruitment sources that contractor had employment opportunities at the time such opportunities became available.

(b) Whether contractor sent letters to recruiting sources, labor unions, or authorized representatives of workers with which contractor has a collective bargaining or other agreement or understanding requesting assistance in locating minority group members and women for employment.

(c) Whether contractor disseminated its EEO policy by including it in any advertising in the news media, and in particular, in minority and women news media.

(d) Whether contractor has attempted to provide information concerning its EEO policy to subcontractors with which it does business or had anticipated doing business.

(e) Whether internal procedures exist for, at a minimum, annual dissemination of the EEO policy to employees, specifically to employees having any responsibility for hiring, assignment, layoff, termination, or other employment decisions. Such dissemination may occur through distribution of employee policy manuals and handbooks, annual reports, staff meetings and public postings.

(f) Whether contractor encourages and utilizes minority group members and

women employees to assist in recruiting other employees.

(g) Whether contractor has apprentice training programs approved by the N.Y.S. Department of Labor which provides for training and hiring of minority group members and women.

(h) Whether the terms of this section have been incorporated into each Subcontract which is entered into by the prime contractor.

9. PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES. Based upon an analysis of the following factors, the State University shall determine whether contractor has made conscientious and active efforts to provide for meaningful participation by minority-owned and women-owned business enterprises which have been certified by DMWBD:

(a) Whether contractor has actively solicited bids for Subcontracts from qualified M/WBEs, including those firms listed on the Directory of Certified Minority and Women-Owned Business Enterprises, and has documented its efforts, including names and addresses of firms contacted, and the reasons why any such firm was not selected to participate on the project.

(b) Whether contractor has attempted to make project plans and specifications available to firms who are not members of associations with plan rooms and reduce fees for firms who are disadvantaged.

(c) Whether contractor has utilized the services of organizations which provide technical assistance in connection with M/WBE participation.

(d) Whether prime contractor has structured its subcontracts so that opportunities exist to complete smaller portions of work.

(e) Whether contractor has encouraged the formation of joint ventures, partnerships, or other similar arrangements among subcontractors.

(f) Whether contractor has requested the services of the Department of Economic Development (DED) and Job Development Authority (JDA) to assist subcontractors' efforts to satisfy bonding requirement.

(g) Whether contractor has made progress payments promptly to its subcontractors.

(h) Whether the terms of this section have been incorporated into each Subcontract which is entered into by the prime

contractor.

It shall be the responsibility of prime contractor to ensure compliance by every subcontractor with these provisions.

10. GOALS. (a) GOALS FOR MINORITY AND WOMEN WORK FORCE PARTICIPATION. (i) State University shall include relevant work force availability data, which is provided by the N.Y.S. Department of Economic Development the Division of Minority and Women's Business Development, in all documents which solicit bids for State Contracts and shall make efforts to assist contractors in utilizing such data to determine expected levels of participation for minority group members and women on State Contracts.

(ii) Contractor shall exert good faith efforts to achieve such goals for minority and women's participation. To successfully achieve such goals, the employment of minority group members and women by contractor must be substantially uniform during the entire term of this State Contract. In addition, contractor should not participate in the transfer of employees from one employer or project to another for the sole purpose of achieving goals for minority and women's participation.

(b) GOALS FOR MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES PARTICIPATION. For all State Contracts in excess of \$100,000.00 whereby State University is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon, Contractor shall exert good faith efforts to achieve a participation goal of three-percent (3%) for Certified Minority-Owned Business Enterprises and three-percent (3%) for Certified Women-Owned Business Enterprises.

11. ENFORCEMENT. State University will be responsible for enforcement of each contractor's compliance with these provisions. Contractor, and each subcontractor, shall permit State University access to its books, records and accounts for the purpose of investigating and determining whether contractor or subcontractor is in compliance with the requirements of Article 15-A of the Executive Law. If State University determines that a contractor or subcontractor may not be in compliance with these provisions, State University may make every reasonable effort to resolve the issue and assist the contractor or subcontractor in its efforts to comply with these provisions. If State University is unable to resolve the issue of noncompliance, State University may file a complaint with the Division of Minority and Women's Business Development (DMWBD).

FORM A
Summary: Policy and Procedure of the State University of New York
Relating to State Finance Law §§139-j and 139-k

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency's procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University's Designated Contact, nor attempt to unduly influence award of the contract. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of contract under this solicitation. Additional sanctions may apply.

NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE FOR-PROFIT BUSINESS ENTITY

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or officer must certify the questionnaire and the signature must be notarized.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at <http://www.osc.state.ny.us/vendrep/documents/definitions.pdf>. These terms may not have their ordinary, common or traditional meanings. Each vendor is strongly encouraged to read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered. Each response must provide all relevant information which can be obtained within the limits of the law. However, information regarding a determination or finding made in error which was subsequently corrected is not required. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.
