

RFP #D-11-03 GENERAL CIVIL ENGINEERING SERVICES

I. ADVERTISEMENT

Proposals will be received by the Town of Herndon, Department of Public Works, Second Floor, Herndon Municipal Center, 777 Lynn Street, Herndon, Virginia, 20170 for:

RFP #D-11-03 GENERAL CIVIL ENGINEERING SERVICES

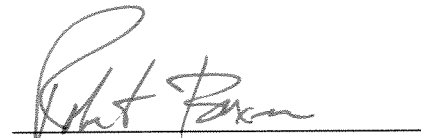

Proposals Due: Thursday, August 26, 2010 at 3:00 P.M.

The purpose of this Request for Proposals (RFP) is to solicit proposals from qualified licensed sources for general civil engineering services, through professional services competitive negotiation, to assist in the implementation of various improvements to the facilities owned by the Town. These improvements include, but are not limited to studies, surveys, designs and construction administration. Services would also include related engineering disciplines, as needed by the Town of Herndon on an on-call basis.

Any contract resulting from this RFP shall have a term limit of one (1) year and may be renewable for four (4) additional one year terms at the option of the Town.

Copies of the RFP are available at the above address, via email request to publicworks@herndon-va.gov, or by calling (703) 435-6853, Monday through Friday during the hours of 8:00 a.m. - 5:00 p.m. The Town does not guarantee timely receipt of documents which a potential Offeror requests via the US Mail or private courier.

The award will be made to that Offeror determined to be the most qualified and at a price considered fair and reasonable based upon negotiations.

Robert B. Boxer, P.E.
Construction Procurement Officer
