 - 1. Mistakes discovered following bid opening but prior to award: If there is a significant and obvious disparity between the prices of the lowest apparent responsive bidder and other bidders, the low bidder may be contacted by the purchasing authority to confirm the bid price. This does not relieve a bidder from the responsibility for the submission of a correct bid. If the bidder then alleges a mistake in the bid and can provide clear and convincing evidence that supports the existence of a clerical error to the satisfaction of the purchasing authority, the bid may be withdrawn in accordance with the withdrawal procedure provided herein.
 - 2. Mistakes discovered after award: Bids containing mistakes by bidders shall not be withdrawn after award of a contract or issuance of a purchase order.
- U. **Modification of the Contract:** The contract shall not be amended, modified, or otherwise changed except by the written consent of the Contractor and the County given in the same manner and form as the original signing of the contract.
- V. **Negotiation:** In accordance with 2-47 of the County Code, if the bid from the lowest responsible bidder exceeds available funds, the county may negotiate with the apparent low bidder to obtain a contract price within available funds. Such negotiation may include, but is not necessarily limited to, adjustment of the bid price and changes in the bid scope or requirements in order to bring the bid within the amount of available funds. Negotiation shall be conducted by the purchasing director, or his designee, with assistance from the user department.

- X. **Precedence of Terms:** All Special Conditions contained in this solicitation that may be in variance or conflict with these General Terms and Conditions shall have precedence over these General Terms and Conditions. If no changes or deletions to General Terms and Conditions are made in the Special Conditions, then the General Terms and Conditions shall prevail in their entirety.
- Y. **Proprietary Information:** Section 2.2-4342(F) of the *Code of Virginia* states: "Trade secrets or proprietary information submitted by a bidder, offeror, or Contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of 2.2-4317 shall not be subject to the Virginia Freedom of Information Act (2.2-3700 et seq.); however, the bidder, offeror, or Contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary." If the exemption from disclosure provided by Section 2.2-4342(F) of the *Code of Virginia* is not properly invoked then the bids will be subject to disclosure pursuant to applicable law.

- AA. **References:** If requested, the bidder shall provide references which substantiate past work performance and experience in the type of work required for the contract. The County may contact all references furnished by bidders. The right is further reserved by the County to contact references other than, and/or in addition to, those furnished by the bidder.
- BB. **Schools:** When goods and/or services are for the benefit of Chesterfield County Schools, the contract shall be entered into on behalf of the Chesterfield County Public Schools.
- CC. **Sensitive Information Handling:** Any information in the possession of the County/Schools which is specific to an employee, student, citizen, County/School business function, private business entity or other government entity which is not generally available to the public shall be designated Sensitive Information. Contract workers will under no circumstances remove Sensitive Information from County/Schools facilities. Any Sensitive Information which must reside temporarily on a hard drive or portable storage device (USB Key, CD ROM, memory card, etc.) for processing must remain within the County/Schools facility. Tax exemption certification will be furnished upon request. Sales tax, however, is paid by Chesterfield County on materials and supplies that are installed by a Contractor and become a part of real property. Contractors are not exempt from paying taxes on these materials and supplies, as they are considered to be a cost of doing business and should be considered in pricing when preparing a bid.
- EE. **Termination:** It shall be the sole right of the County to terminate the contract upon written notification to the Contractor.
- FF. **Termination for Breach or Non-Performance:** If the Contractor fails to perform the work promptly and diligently, or if the Contractor breaches the Contract in any other way, the County may:
1. after providing the Contractor with 15 days written notice, supply any workmen, equipment or materials necessary to ensure that the work is performed promptly and diligently. The County may deduct the cost of supplying additional workmen, equipment or materials from payments due to the Contractor;
 2. terminate the contract, enter upon the premises, take possession of all equipment, materials or appurtenances, and employ any person or persons to finish the work.

If the contract is terminated by the County, the Contractor shall not be entitled to receive any further payment from the County until completion of the work has occurred. After completion of the work, the County shall pay to the Contractor the amount of the unpaid balance due to the Contractor at the time the contract was terminated minus the cost incurred by the County to complete the work. If the cost incurred by the County to complete the work exceeds the unpaid balance due to the Contractor, the Contractor shall be due no money from the County and, instead, the Contractor shall pay to the County the difference between the unpaid balance due and the County's cost to complete the work.

- GG. **Tie Bids:** In accordance with Section 2.2-4328 of the *Code of Virginia* and Article 4, Section 2-47 of the *County Code*, in the case of a tie bid, the County may give preference to goods, services, and construction produced in the County or provided by persons, firms or corporations having principal places of business in the County. If such choice is not available, preference shall then be given to goods and services produced in the Commonwealth of Virginia pursuant to *Code of Virginia* 2.2-4324. If no County or Commonwealth of Virginia preference is available, the tie shall be decided by lot.
- HH. **Vendor Rewards/Gift Programs:** It is the policy of the County not to participate in any rewards programs offered by vendors and not to accept any gifts or gift cards, or other rewards from vendors for purchases made by the County. If you customarily provide, or if you plan to provide, rewards programs, gifts or gift cards, or other rewards to your customers for purchases made by such customers, you must identify this fact in your bid and demonstrate in the bid how you have applied the value of such rewards to a reduction in the price of the goods and/or services being offered to the County.

- II. **Waiver of One Breach Not Waiver of Others:** No waiver by the County or its agents or employees of any breach of this contract by the Contractor shall be construed as a waiver of any other or subsequent breach of the contract by the Contractor. All remedies provided by this contract are cumulative, and in addition to each and every other remedy under the law.

JJ. **Withdrawal of Bids**

1. Withdrawal: Construction (*Code of Virginia 2.2-4330*)

A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

The bidder shall give notice in writing to the Director of Purchasing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice. The work papers, documents and materials shall, at the bidders request, be considered as trade secrets or proprietary information subject to compliance with the provisions of *Code of Virginia* §2.2-4342(F).

Within 5 business days, the County will notify the bidder in writing of its decision. If the County denies the withdrawal of a bid under the provisions of this section, it shall state in such notice the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder. At the same time that the notice is provided, the County will also return all work papers and copies thereof to the bidder.

2. Withdrawal: Other than Construction

A bidder for a public contract may request withdrawal of his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or unintentional omission of a quantity of work, labor, or material made directly in the compilation of the bid which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of work papers, documents or materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may request withdrawal of his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of work papers, documents or materials used in the preparation of the bid sought to be withdrawn. Such notice shall be sent to the Purchasing Department prior to award. The work papers, documents and materials shall, at the bidders request, be considered as trade secrets or

proprietary information subject to compliance with the provisions of *Code of Virginia* §2.2-4342(F).

VI. SPECIAL TERMS AND CONDITIONS

- A. **Acceptance Period of Bids:** All bids submitted shall be binding for sixty (60) calendar days following bid opening date. The sixty (60) calendar day acceptance period may be extended by mutual consent of both parties.
- B. **Brand Name or Equal:** In accordance with §2.2-4315 of the *Code of Virginia*, unless otherwise provided in the Invitation for Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

Unless otherwise provided in the Invitation for Bid, no proposed equal will be considered prior to receipt of bids. If bidding a proposed equal, the bidder is responsible to clearly and specifically identify the article being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the County to determine if the article offered meets the requirements of the solicitation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid non-responsive. Unless the bidder clearly indicates in the bid that the article offered is an equal, such bid will be considered to offer the brand name referenced in the solicitation. It shall be understood that the burden of proof for an equal article shall be and remain the sole responsibility of the bidder. The County's failure to object to a manufacturer will not constitute a waiver of any of the requirements of the contract documents, and all products furnished must conform to such requirements.

The Contractor shall be responsible for making all changes in the work necessary to adapt and accommodate "equal" products which are submitted and accepted in lieu of the products whose name and model numbers are specified and around which the drawings, where applicable, were developed. The necessary changes shall be made at the Contractor's expense. The Contractor shall submit sufficient data concerning the proposed equal products and resulting necessary changes to the project to the County documenting that the proposed product(s) can be properly integrated with the project.

Any person making a materially false statement regarding any such offense shall be guilty of a Class 1 misdemeanor and, upon conviction, the fact of such conviction shall be grounds for the revocation of the contract to provide such services and, when relevant, the revocation of any license required to provide such services.
