

NOTICE - NOTICE REQUEST FOR PROPOSAL As part of its consultant pre-qualification process, the Montana Department of Transportation is requesting Statement of Qualifications proposals from consulting firms specializing in **highway design and rehabilitation work**. Lists of qualified consulting firms in various highway related design categories will be developed from the proposals. The lists will be used in assigning future design projects to the qualified consulting firms. The contract for the services will be subject to the Governmental Code of Fair Practice, Title 49, Chapter 3, MCA; and Title 49, Part 23, USC considerations. Firms interested in providing the above services may obtain a copy of the Request for Qualifications at <http://gsd.mt.gov/osbs/> or by contacting: Tim J. Conway, P.E. Consultant Design Engineer Montana Department of Transportation Highways and Engineering Division 2701 Prospect Avenue PO Box 201001 Helena, MT 59620-1001 Tel. (406) 444-7292 or (406) 444-7696 TDD Email: tconway@mt.gov The Statement of Qualifications must be submitted to the Department no later than 5:00 PM, May 1 2009. Apr 08, 2009
