INVITATION FOR BIDS

1. INTRODUCTION

1.1 PURPOSE: The Graham Correctional Center (*fill in Agency/Buyer name*) (Agency/Buyer) is inviting responsible vendors to submit bids to meet the State's needs. A brief description is set forth below for your convenience, with detailed requirements found in Section 4 of the IFB, "Contract Specifications (Purchase Description)," which is included with this Invitation for Bids (IFB). If you are interested and able to meet these requirements, we would appreciate and welcome a Bid.

This IFB will set forth any evaluation criteria to be used in determining product or service acceptability. It may require the submission of bid samples, descriptive literature, technical data, references, licenses, or other information or material. It may also provide for accomplishing any of the following prior to award:

- i) inspection or testing of a product or service prior to award for such characteristics as quality or workmanship;
- ii) examination of such elements as appearance, finish, taste, or feel;
- iii) other examinations to determine whether it conforms with any other purchase description requirements.

Unsolicited bid samples or descriptive literature however, are submitted at the bidder's risk, may not be examined or tested, will not be deemed to vary any of the provisions of the IFB, and may not be utilized by the vendor to contest a decision or understanding with the State.

Upon completion of the IFB process, if you are the selected vendor, you will be expected to enter into a binding contract with the Agency/Buyer. The Contract for Supplies (the Contract) will follow the format and include the contractual terms as specified in the attached sample Contract For Supplies. It is intended that this Contract will be utilized in those circumstances where an IFB is required.

1.2 BACKGROUND: The State of Illinois Department of Central Management Services (CMS) serves as the central procurement authority for the State of Illinois (the State). Agencies under the Governor utilize the procurement authority of CMS as Chief Procurement Officer to contract for goods and services necessary for the operations of State government. A Chief Procurement Officer may, in turn, appoint a State Purchasing Officer (SPO) who has independent authority to contract for Supplies necessary for the operations of State government. The Agency/Buyer or CMS is ultimately responsible for entering into the contract, monitoring performance, receiving the benefits derived under the contract, and making payments under the contract.

Where required by law, the Agency/Buyers must utilize the IFB process outlined herein. Please read the IFB and Contract form and submit your Bid in accordance with the Instructions. The instructions for submitting Bids to respond to this IFB follow in Section 6 of the IFB, "Instructions for Preparing and Submitting Bids."

If you have any questions, please contact the IFB Contact identified in Section 3 of the IFB, "Key Information about this IFB."

5. INSTRUCTIONS FOR PREPARING AND SUBMITTING BIDS

5.1 GENERAL INSTRUCTIONS:

- 5.1.1 These instructions provide bidders with all necessary information for preparing and submitting a Bid to the above-listed agency or buyer. They prescribe the format and content of the Bid. They also provide dates, locations and other information specific to this solicitation. They are designed to facilitate a fair and uniform review process. Failure to adhere to this format will affect our evaluation and may result in disqualification of the Bid. For purposes of this IFB, the bidder's response to the IFB may sometimes be called a "bid."
- 5.1.2 The response--completed, signed and returned--will constitute the Bid. An original and the designated number of copies of each Bid are required (see Section 3 of the IFB, "Key Information about this IFB"). Failure to submit the required number of copies may prevent the Bid from being evaluated within the allotted time.
- 5.1.3 Your Bid must provide all information requested and must address all points. **Suggested exceptions to requirements and contract modifications are allowed so long as they do not affect the Supplies described in Section 4 of the IFB, "Specifications (Purchase Description)," and Section 2 D, Description of Supplies and Services" but such exceptions and modifications are discouraged. The Agency/Buyer is under no obligation to accept exceptions or modifications suggested by the Vendor (or any Third Parties/subcontractors), and any exceptions or modifications will affect our evaluation and may result in rejection.** Bids, including suggested exceptions to requirements and contract modifications, must be submitted in ink, typed, or printed form and signed by an authorized representative. The State may require that bids be submitted in electronic form. All terms to which the Vendor (or any Third Parties/subcontractors) does not suggest an exception or modification will be deemed by the Agency/Buyer as having been accepted by the Vendor. Suggested exceptions or modifications shall be made by the Vendor (or any Third Parties/subcontractors) on the relevant page containing the language to be modified or the requirement to which an exception is proposed. If the suggested changes cannot reasonably be made on the relevant page, the Vendor may include specific, suggested exceptions or modifications referencing specific paragraphs of the IFB or the Contract for Supplies on separate pages, and shall attach those pages to the Bid as addenda.
- 5.1.4 Samples: Samples of items which are identical to the materials and style the bidder proposes to furnish on Contract orders, shall be submitted for evaluation on or before the bid opening date. Samples are to be clearly labeled with the bidder's name and bid number. The State reserves the right of final approval on all samples. Samples not destroyed in testing will be returned at the bidder's expense, if requested on the bid document.

Additionally, if samples are submitted by a manufacturer on behalf of a distributor(s), confirmation must be received of that manufacturer's willingness to supply the materials indicated. A letter from the manufacturer must be submitted on or before the bid opening date,

indicating that samples were submitted by the manufacturer on behalf of the bidding distributor. The letter must indicate the manufacturer's name, the bidder's name, and the bid number. The State reserves the right of final approval of all samples.

OR

After the initial bid evaluation has been completed, samples may be requested from the first group of low responsive bidders for evaluation. If requested, the samples must be supplied within ten (10) calendar days after notification. Samples are to be identical to the materials and style the bidder proposes to furnish on Contract orders. Samples must be clearly labeled with the bidder's name and bid number. Samples not destroyed in testing will be returned at the bidder's expense, if requested. Failure to submit the samples on time may disqualify the bidder from further consideration.

Additionally, if samples are submitted by a manufacturer on behalf of a distributor(s), confirmation must be received of that manufacturer's willingness to supply the materials indicated. A letter from the manufacturer must be submitted on or before the bid opening date, indicating that samples were submitted by the manufacturer on behalf of the bidding distributor. The letter must indicate the manufacturer's name, the bidder's name, and the bid number. The State reserves the right of final approval of all samples.

- 5.1.7 If the Vendor designates any information in its Bid as confidential, the Vendor must also submit one (1) copy of the Bid from which confidential information has been excised. - 5.1.8 Bids must not contain promotional or display materials.
- 5.1.9 Attachments must be referenced in the Bid.
- 5.2 BID:** The following documents and responses will be included in the Bid **and tabbed as such in the order given below:**

writing. The letter must include the Vendor's mailing address, e-mail address, fax number and telephone number.

Any request for confidential treatment of information must be included in the transmittal letter in addition to the specific statutory basis supporting the request and an explanation of why disclosure of the information is not in the best interest of the public and the specific basis under Section 7 of the Illinois Freedom of Information Act (5 ILCS 140/7) for the exemption from disclosure of such information. 6. HOW WE WILL EVALUATE BIDS

6.1 EVALUATION STEPS: The evaluation and award process will consist of the following:

- 6.1.1 Review of the Bids to assess bidder responsibility.
- 6.1.2 Evaluation of the requirements set forth in this IFB, which may include criteria to determine acceptability such as inspection of samples, testing, quality, workmanship, delivery, and suitability for the particular purpose required by the State. Other criteria which may affect the bid price and be considered in evaluation for award include discounts, transportation costs, and total or life cycle costs. These costs will be measured objectively. No bid shall be evaluated for any requirements or criteria that are not disclosed in the IFB.
- 6.1.3 Clarifications, discussions, presentations and referrals to Agencies (if necessary).
- 6.1.4 Determine the lowest Responsible Bidder, whose bid meets the requirements and criteria set forth in this IFB.
- 6.1.5 Price negotiation with the low bidder is permitted to obtain a lower price for the item bid.
- 6.1.6 Determine whether there is any reason why it would not be in the best interests of the State to award the Contract to the lowest Responsible and Responsive Bidder.
- 6.1.7 Access the Illinois Office of the Comptroller's Offset System as part of the process to determine if the vendor (and any known sub-contractors) who submitted the offer to be recommended for award has an unsatisfied delinquent debt with the State. If delinquent debt is discovered, the selected vendors' offer may be found to be non-responsive. This step does not relieve any vendor from satisfying any debt owed to the State.
- 6.1.8 Award decision by management.
- 6.1.9 If we select your Bid and make an award, we will post the notice to the Illinois Procurement Bulletin and may send you written notice. This notice will extend the Offer Firm Time until we sign a contract or determine negotiations with you have failed. Receipt or posting of a notice of award is not equivalent to a contract with the State. Protested awards are subject to resolution of the protest.

6.2 CRITERIA FOR EVALUATION AND AWARD: We evaluate four categories of information: administrative compliance, vendor responsibility, responsiveness, and price. All Bids, regardless of the type of solicitation, must meet the following administrative and responsibility criteria.

6.2.1. Administrative Compliance: We will determine whether the Bids complied with the Instructions for Preparing and Submitting Bids. We must reject your Bid if you submit it late. Failure to meet other requirements could result in rejection.

6.2.2 Vendor Responsibility: We will determine whether the Vendor submitting the Bid is one with whom we can or should do business.

Factors that we may evaluate to determine “responsibility” include, but are not limited to: certifications, conflict of interest disclosures, taxpayer identification number, past performance, references (including those found outside the Bid), compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. A Vendor must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. Any failure to supply information and our determination of the quality of the information will affect our evaluation and may result in rejection.

- 6.2.3 Brand Name or Equal:** When the specification calls for “Brand Name or Equal,” the brand name product is acceptable. Other products will be considered upon a showing that the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics. Minor differences that do not affect the suitability of the supply or service for the State’s needs may be accepted. The Agency/Buyer reserves the right to use its discretion to eliminate Bids that are deemed unacceptable.
- 6.2.4 Invitation for Bids:** We will identify the lowest cost Bid and may rank the others in order of price. The Responsible Vendor who submitted the lowest cost Bid that meets “administrative” and “responsiveness” requirements shall be eligible for the award.

7. ILLINOIS PROCUREMENT NOTICES AND REQUIREMENTS

7.1 NOTICES AND REQUIREMENTS FOR THIS IFB:

- 7.1.1 ILLINOIS PROCUREMENT BULLETIN:** The Agency/Buyer publishes in the electronic Illinois Procurement Bulletin (Supplies and Services Edition) various procurement information including Notices of Procurement Opportunities and Notices of Award. Procurement information may not be available in any other form or location. The Vendor may register to view and download procurement information from the Illinois Procurement Bulletin at <http://www.purchase.state.il.us/>. The Vendor is responsible for monitoring the Illinois Procurement Bulletin and the Agency/Buyer cannot be held responsible if you fail to receive the optional e-mail notices.
- 7.1.2 NON-DISCRIMINATION POLICY:** In compliance with the State and Federal Constitutions, the Illinois Human Rights Act, the United States Civil Rights Act, and Section 504 of the Federal Rehabilitation Act, the State of Illinois does not unlawfully discriminate in employment, contracts, or any other activity.
- 7.1.3 RESPONSIBILITY TO READ AND UNDERSTAND:** Failure to read, examine and understand the IFB will not excuse any failure to comply with the requirements of the IFB or any resulting contract, nor will such failure be a basis for claiming additional compensation. If you suspect an error, omission or discrepancy in this IFB, you must immediately notify the IFB Contact listed in Section 3.2 of the IFB. The Agency/Buyer will issue written instructions, if appropriate.
- 7.1.4 AMENDMENTS TO THE IFB:** The Agency/Buyer reserves the right to amend the IFB at any time. The Vendor must acknowledge receipt of an amendment in its Bid. The amendments must be signed by an individual legally authorized to legally bind the Vendor and included in the Bid. If the amendment occurs after the closing date for receipt of Bids, the Agency/Buyer may, in its sole discretion, allow Vendors to amend their Bids in response to the Agency/Buyer's amendment if necessary.

7.2 NOTICES AND REQUIREMENTS OF THE BID:

- 7.2.1 SUBMISSION OF BIDS:** You may mail or hand-deliver bids. We do not allow computer, fax, or other electronic submissions unless otherwise authorized. We must actually receive submissions as specified. It will not be sufficient to show that you mailed or commenced delivery before the due date and time. All times are State of Illinois local times. You must allow adequate time to accommodate all security screenings prior to delivery at the delivery site.
- 7.2.2 MODIFICATION/WITHDRAWAL OF BID:** Written requests to withdraw or correct inadvertently erroneous bids, received before the time and date set for opening of bids, will be allowed according to the following rules. Any withdrawal or modification of a bid received after the time and date set for opening of bids is late and will not be considered. If received at other than the specified location, the submission is late and will not be considered. After bid opening, no changes in bid prices or other provisions prejudicial to the interest of the State or fair competition shall be permitted. Requests must be addressed and labeled in the same

manner as the Bid and marked as a MODIFICATION or WITHDRAWAL of the Bid.

7.2.3 LATE DELIVERY: We will not consider Bids received at the designated submission location after the stated due date and time.

7.2.4 RESERVATIONS: We reserve the right to reject all Bids; to reject individual Bids for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; and to waive minor defects. We may seek clarification of the Bid from you at any time, and failure to respond is cause for rejection. Clarification is not an opportunity to change the Bid. Submission of a Bid confers on you no right to an award or to a subsequent contract. The IFB process is for the State's benefit only and is to provide the State with competitive information to assist in the selection process. All decisions on compliance, evaluation, terms and conditions will be made solely at our discretion and made to favor the State.

7.2.5 COST OF PREPARATION: We are not responsible for and will not pay any costs associated with the preparation and submission of your Bid.

7.2.6 PUBLIC RECORDS AND REQUESTS FOR CONFIDENTIAL TREATMENT: The Agency/Buyer may treat all information submitted by a Vendor as public information following the conclusion of the selection process unless the Vendor properly requests that information be treated as confidential at the time of Bid submittal. All information submitted is subject to the Illinois Freedom of Information Act ("IFOIA") (5 ILCS 140), the Code, and other applicable laws and rules.

Vendors are encouraged to familiarize themselves with the IFOIA and the Code before submitting a Bid. The Agency/Buyer will copy public records as required to comply with the public records laws. Any request for confidential treatment of information must be included in the transmittal letter with the Vendor's Bid. In addition, the Vendor must enumerate the specific grounds in the IFOIA, the Code, or other applicable law which support treatment of the material as exempt from disclosure and explain why disclosure is not in the best interest of the public. The request for confidential treatment of information must also include the name, address, and telephone number of the person authorized by the Vendor to respond to any inquiries by the Agency/Buyer concerning the confidential status of the materials.

Any Bid submitted which contains confidential information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Identification of the entire Bid as confidential may be deemed non-responsive and disqualify the Vendor. If the Vendor designates any portion of the IFB as confidential, the Vendor must submit one copy of the Bid from which the confidential information has been excised. This excised copy is in addition to the number of copies requested in Section 3 of the IFB, "Key Information about this IFB." The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Bid as possible.

The Agency/Buyer will treat as confidential the information marked

confidential. In the event the Agency/Buyer receives a request for information marked confidential, it will give the Vendor written notice five (5) calendar days prior to the release of the information to allow the Vendor to seek injunctive relief pursuant to the IFOIA or the Code. Absent the granting of such relief, the Agency/Buyer shall release the information ten (10) calendar days after the information request. The Vendor's failure to request confidential treatment of material will be deemed by the Agency/Buyer as a waiver of any right to confidentiality which the Vendor may have had.

Upon award, the name of the successful Vendor and price as well as sufficient information from that Bid will be made available to the public to allow for meaningful review and protest regardless of any claim of exemption. After award, we will disclose only the name of the unsuccessful Offerors. Any release of information is governed by the IFOIA, the Code and any other applicable law or statute.

7.2.7 DOWNGRADING OR DISQUALIFICATION: The following are cause for downgrading or disqualification of the Bid, depending on the circumstances:

- 7.2.7.1 The Vendor fails to deliver the Bid by the due date and time.
- 7.2.7.2 The Vendor fails to meet one or more requirements of the IFB.
- 7.2.7.3 The Vendor's Bid materially changes one or more requirements of the IFB.
- 7.2.7.4 The Vendor's Bid limits the rights of the Agency/Buyer.
- 7.2.7.5 The Vendor fails to include information necessary to substantiate that it will be able to provide required Supplies. A response of "will comply" or merely repeating the required Supplies is not sufficient. Responses must indicate present capability; representations that future developments will satisfy the required Supplies are not sufficient.
- 7.2.7.6 The Vendor fails to respond to the Agency/Buyer's request for information, documents, or references.
- 7.2.7.7 The Vendor fails to include a bid bond (if required).
- 7.2.7.8 The Vendor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested in this IFB.
- 7.2.7.9 The Vendor initiates unauthorized contact regarding the IFB with state employees.
- 7.2.7.10 The Vendor provides misleading or inaccurate responses.
- 7.2.7.11 The Vendor fails to attend a mandatory Pre-Bid Conference.

7.2.8 NONMATERIAL AND MATERIAL VARIANCES: The Agency/Buyer reserves the right to waive or permit cure of nonmaterial variances in the Bid if it is in the Agency/Buyer's best interest to do so. "Nonmaterial

variances” include minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not prejudice other vendors; that do not change the meaning or scope of the IFB; or that do not reflect a material change in Section 4 of the IFB, “Specifications (Purchase Description).” In the event the Agency/Buyer waives or permits cure of nonmaterial variances, such waiver or cure will not modify the IFB requirements or excuse the Vendor from full compliance with IFB specifications or other contract requirements if the Vendor is awarded the contract. The determination of materiality is in the sole discretion of the Agency/Buyer.

7.2.9 VERIFICATION OF BID CONTENTS: The content of a Bid submitted by a Vendor is subject to verification. Misleading or inaccurate responses may result in disqualification.

7.2.10 PRESENTATIONS: Vendors may be required to make a presentation of the Bid. The presentation may occur at the Agency/Buyer’s offices or at the offices of the Vendor. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the Agency/Buyer. The presentation may include slides, graphics and other media selected by the Vendor to illustrate the Vendor’s Bid. The presentation will not materially change the information contained in the Bid.

7.2.11 RESTRICTIONS ON GIFTS AND ACTIVITIES: The Code and the State Officials and Employees Ethics Act (“the Act”) (**5 ILCS 430**) restrict gifts which may be given or received by State employees and require certain individuals to disclose information concerning their activities with state government. Vendors are responsible to determine the applicability of the Code and the Act and any other legal requirements to their activities and to comply with those requirements. In addition, under Illinois law, it is a felony offense to bribe or attempt to bribe a public official.

7.3 NOTICES AND REQUIREMENTS OF THE VENDOR FIRM:

7.3.1 PUBLIC CONTRACTS NUMBER: Vendors with 15 or more employees must have a Public Contracts Number issued by (or completed application submitted to) the Illinois Department of Human Rights (DHR) prior to the opening date. Contact DHR at (312) 814-2431.

7.3.2 OUT OF STATE COMPANIES: Please contact the Illinois Secretary of State ((217) 782-1834) regarding a Certificate of Authority to Transact Business in Illinois. Application Form BCA 13.15 may be downloaded from http://www.cyberdriveillinois.com/departments/business_services/publications_and_forms/bca.html. It is entirely the Vendor's responsibility to determine whether the Vendor is required to obtain a Certificate of Authority to Transact Business in Illinois, and if so to obtain that Certificate via the filing of the required form and payment of any required fees and taxes.

7.3.3 VENDOR SUSPENSION: Any Vendor may be suspended for violation of the Code or for failure to conform to specifications or terms of delivery. Suspension will be for cause and may be for a period of up to the maximum provided by law at the discretion of the applicable chief procurement officer. Vendors may be debarred in accordance with the Code and the rules promulgated by the chief procurement officer or as otherwise provided by law (30 ILCS 500/50-65).

7.4 NOTICES AND REQUIREMENTS FOR THE REVIEW AND EVALUATION OF BIDS:

7.4.1 INFORMATION FROM OTHER SOURCES: The Agency/Buyer reserves the right to obtain and consider information from other sources concerning a Vendor, such as the Vendor's capability and performance under other contracts.

7.4.2 CRIMINAL HISTORY AND BACKGROUND INVESTIGATION: The Agency/Buyer reserves the right to conduct criminal history and other background investigation of the Vendor, its officers, directors, shareholders, or partners and managerial and supervisory personnel retained by the Vendor for the performance of the contract.

7.4.3 BID CLARIFICATION PROCESS: The Agency/Buyer reserves the right to contact a Vendor after the submission of Bids for the purpose of clarifying a Bid to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the Vendor has provided goods or services to the Agency/Buyer or any other political subdivision wherever located, or requests for corrective pages in the Vendor's Bid. The Agency/Buyer will not consider information received if the information materially alters the content of the Bid or alters the type of goods and services the Vendor is offering to the Agency/Buyer. An individual authorized to legally bind the Vendor must sign responses to any request for clarification. Responses must be submitted to the Agency/Buyer within the time specified in the request. Failure to comply with requests for additional information may result in rejection of the Bid as noncompliant.

7.4.4 DISPOSITION OF BIDS: Ordinarily, all Bids become the property of the Agency/Buyer and will not be returned to the Vendor. Those Bids will be in the public domain and will be open to inspection by interested parties, subject to exceptions provided in the IFOIA, the Code, or other applicable law.

7.4.5 COPYRIGHTS: By submitting a Bid, the Vendor agrees that the Agency/Buyer may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Vendor consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The Agency/Buyer will have the right to use ideas or adaptations of ideas that are presented in the Bids.

7.5 NOTICES AND REQUIREMENTS FOR AWARD AND PROTESTS:

7.5.1 NOTICE OF AWARD: The Agency/Buyer will publish a Notice of Award in the electronic Illinois Procurement Bulletin (Supplies and Services Edition). Notice of Award information may not be available in any other form or location. The Vendor may register to view and download procurement information at <http://www.purchase.state.il.us>.

7.5.2 PROTESTS: If you object to any provision of the IFB, believe we improperly rejected your Bid, or believe the selected Bid is not in the State's best interests, you may submit a written protest. We must actually receive the protest within 7 calendar days after you know or should have known of the facts giving rise to the protest. You will be deemed to have notice as of the date of the Notice of Award publication in the Illinois

Procurement Bulletin, unless you had earlier actual notice. You must submit your protest to the Protest Review Office listed in Section 3 of the IFB, "Key Information about this IFB" or if there is no such designation, to the IFB contact listed in Section 3.2. The State will consider only written protests that are properly and timely submitted. The State will issue a written decision and that decision is final.

7.6 NOTICES AND REQUIREMENTS FOR CONTRACTS RESULTING FROM THE IFB:

- 7.6.1 CONTRACT NEGOTIATIONS:** Vendors must be prepared for the Agency/Buyer to accept the Bid as submitted, but contract negotiations may be necessary or desirable at the State's sole option. If negotiations do not result in an acceptable agreement, the Agency/Buyer may reject the Bid or revoke the award and may begin negotiations with another vendor. Final contract terms must be approved or signed by the appropriately authorized State official(s).
- 7.6.2 COMMENCEMENT OF WORK:** If you begin any billable work prior to the State's final approval and execution of the contract, you do so at your own risk.
- 7.6.3 DEFINITION OF CONTRACT:** The Contract For Supplies included with this IFB, along with any amendments or addenda, will constitute the written Contract between the successful Vendor and the Agency/Buyer. The full execution of this written Contract will constitute the making of a Contract for Supplies and no Vendor will acquire any legal or equitable rights relative to the Contract for Supplies until the Contract has been fully executed by the successful Vendor and the Agency/Buyer.
- 7.6.4 CHOICE OF LAW AND FORUM:** This IFB and the resulting contract are to be governed by the laws of the State of Illinois. Changes in applicable laws and rules may affect the award process or the resulting contract. Vendors are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this IFB will be brought in the appropriate Illinois forum.
- 7.6.5 NO MINIMUM GUARANTEED:** The Agency/Buyer anticipates that the selected Vendor will provide Supplies, as requested by the Agency/Buyer.
