SCOPE OF WORK

1. **PURPOSE.** Ozarks Transportation Organization (OTO) located in Greene County, Missouri requests submissions from firms interested in being selected to serve as OTO's Independent Auditor in order to conduct a year end audit. OTO expects to select one firm to perform the Fiscal Year July 1, 2009 – June 2010 audit. OTO receives federal, state and local grant funding and other funding from local governmental entities. The firm must be licensed in Missouri, with general not-for-profit/government experience.
2. **BACKGROUND.** Ozarks Transportation Organization (OTO) Metropolitan Planning Organization (MPO) is the federally designated regional transportation planning organization that serves as a forum for cooperative transportation decision-making by state and local governments, and regional transportation and planning agencies. MPO's are charged with maintaining and conducting a "continuing, cooperative, and comprehensive" regional transportation planning and project programming process for the MPO's study area. The study area is defined as the area projected to become urbanized within the next 20 years.

OTO's Board of Directors includes local elected and appointed officials from Christian and Greene Counties, and the cities of Battlefield, Nixa, Ozark, Republic, Springfield, Strafford and Willard. It also includes technical staffs from the Missouri Department of Transportation, Federal Highway Administration, Federal Transit Administration, and the Federal Aviation Administration and members from public transportation providers and citizen representatives.

OTO formerly SATSO (Springfield Area Transportation Study Organization) has existed since the 1960's with the sole purpose of providing federally mandated regional transportation planning. OTO was housed and part of the City of Springfield until April 2008, when OTO incorporated in the state of Missouri as a non-profit corporation. OTO relocated offices from the City of Springfield in August 2008 and is now a completely separate organization.

OTO is funded by a pass through grant from the Federal Highway Administration via MoDOT and match funding from local government member jurisdictions. OTO is registered with the State of Missouri and has obtained State and Federal Employer Identification numbers and a state letter of tax exemption.
