5. Late proposals received after the closing date and time will be disqualified from competition and returned to the bidder unopened.
6. Proposals **will not** be accepted by fax.
7. Please provide **three (3) copies** of your RFP response along with an electronic version of your proposal on CD.
8. Proposed schedule(s) must be included in all bids submitted.
9. All bid submissions are subject to evaluation after opening and before award of contract. Bids may be evaluated not only on the submitted price but also on quality of goods, delivery, availability of supply, parts, servicing and the capacity of the bidder to meet the requirements of the procurement in accordance with the criteria stated in the bid request documents. On request, unsuccessful bidders are entitled to receive an explanation and a debriefing on their bid submission. All buying activity will attempt to seek out best value, which maximizes the effectiveness and profitability to the NSLC.

10. The NSLC is not obliged to award lowest bid and reserves the right to re address the requirement, should there be reasonable doubt that prices received are not competitive. This RFP implies no obligation on the NSLC to accept this bid or any bid submitted.
11. The NSLC reserves the right to reject any or all proposals.
12. All bidders should be aware only contracts or amendments signed by the President of the Nova Scotia Liquor NSLC will be valid.
13. The NSLC reserves the right to cancel the contract with the successful respondent at anytime throughout the contract without specific reason by providing thirty (30) days written notice.
14. Bidders wishing to amend an already submitted proposal must submit the amendment to the Public Tenders Office in writing or by fax before the designated closing date/time provided they are properly identified by company name, RFP number and due date and are received by the Public Tenders Office prior to the closing date and time. Amendment is to identify change in price only, not revealing the amount of the original bid submitted. The proposal must be in Canadian Funds.
15. The Bidder shall indicate on his response form that he has based his prices on the specifications and all addenda issued during this course of tendering. He shall also assure himself that he has, in his possession at the time of tendering, all addenda that have been issued. Confirmation can be obtained from The Public Tenders Office.
16. Notification of successful bidder will be faxed or emailed to all bidders immediately after the RFP is awarded.

APPENDIX A – Retail Site Address List

APPENDIX B – Current Product list – Pricing For

1. Introduction

The NSLC requires a Supplier to provide the NSLC with cleaning, first aid and miscellaneous supplies through a managed inventory program, provide a web based on line ordering system, and have the capability to direct ship to all Retail Sites throughout the Province and Head Office as required.

1.1 NSLC Overview

The Nova Scotia Liquor NSLC (NSLC) is a Crown Corporation that currently operates 106 retail sites throughout the Province, provides goods and services to 54 Agency Store outlets and 4 Private Wine Specialty Stores.

1.2 Project Background

We presently have a supplier providing this service to our retail sites and Head Office, however the contract has expired and we are requesting new proposals. Store sites order supplies through a link from our Internal website to the Supplier's website, which provides stores access to an NSLC specific catalogue (favourites list) maintained by the supplier. Reports are electronically transmitted monthly to NSLC Head Office, along with an integration summary and site details via hard copy.

Product substitutions are only permitted through prior approval from the NSLC. The current supplier provides all MSDS information, which are kept up to date and are available on line for Retail Sites to access and print out for their locations.

2. Outline of Requirements

The NSLC is looking for one Supplier to manage and provide the cleaning, first aid and miscellaneous products on an on-going basis for a period of two (2) years with the option to renew for an additional three (3), one (1) year periods, for a total of five (5) years.

As outlined in the above Project Background the respondent will be required to direct ship to all or any one hundred and six (106) Retail Sites and Head Office Business Units, the various products as required.

The respondent will be capable of providing monthly reports on usage and store requisitions as minimum standard reports. The respondent will be capable of providing an NSLC specific product catalogue for Retail Sites and Head Office use on-line. The NSLC catalogue (favourites' list) will be maintained by the successful supplier. You must specify whether you have order shipping requirements (minimum order quantities) delivery charges, or other limitations where applicable. Access to MSDS information will be required through the respondent's website and be in printable format.

The successful respondent will be expected to meet pre-determined service levels of 98% overall.

Substitution of any products will not be an option without prior approval from the NSLC. The MSDS information must be provided and approved prior to substitution.

Provide full details defining your capability to provide this all encompassing service as well as the products required.

2.1 Understanding of Requirements

Respondents are required to indicate, in their own words, their understanding of the NSLC's requirements for this initiative. Some aspects that should be addressed in this section include but not limited to:

- The nature of the relationship between the NSLC and the Respondent;
- Critical success factors;

2.2 Mandatory Requirements

The following are mandatory requirements for this Request for Proposal:

- The attached product pricing list indicates our estimated annual usage of our products. Please complete all of the fields in this form for products you provide.
- Must quote pricing based on FOB Destination in Canadian Funds.
- Require all current Material Safety Data Sheet forms to be included in this package for the applicable cleaning products.
- Indicate whether minimum order quantities apply and details of where applicable.
- Delivery time frames, turn around time from date of order to date of delivery, for both retail sites and head office.
- The successful vendor will be expected to have a return/reclamation program in place for defective or incorrect product.
- Provide three (3) copies of your Request for Proposal as well as a copy on CD.
- Products must be environmentally friendly based on the list provided.
- Must be capable of maintaining inventory of all products for the NSLC requirements (Managed Inventory Program).

2.3 Desirable Requirements

- Please give a detailed description of the support services your organization can provide.
- Provide examples of monthly reports on store requests, product usage or any other reports that are standard information.
- Provide your standard fill rate.
- Provide training detail options and accessibility.

- Technical support options.
- Receiving and Invoicing options, ie accountability and password definitions.
- Provide details on your levels of service – customer service for inquiries, deliveries and product availability.
- Provide examples of past experience with managed inventory programs for similar sized retail environments including details of your order processing capabilities.
- Supplier Scorecard – Some or all of the above points will be incorporated into a joint collaborated scorecard which will be reviewed monthly.

2.4 Added Value

Detail any recommended services and/or products that are cost effective and provide details of any other proposed additional services or systems for standardization you offer as well as information or processes you deem relevant.

2.5 Delivery Schedule

The respondent must provide details of Retail Site and Head Office delivery time frames as well as any restrictions (ex. specific day of the week for certain areas, or no service to certain areas).

Appendix A is the list of all retail site locations. Please provide the delivery schedule on a separate form.

2.6 Transition Phase

Provide details and time lines of how you plan the transition flow from the current supplier to your system with minimal effect on our store system.

2.7 Corporate References

A minimum of two (2) references are required. References from similar size environment is most desirable. Please include contact name, title, telephone number and email address.

3. Environmental Policy

The NSLC is actively pursuing environmentally friendly products for everyday office use and are seeking respondents who can demonstrate a strong initiative in this endeavor. Please provide your Environmental Policy with this package – if you do not presently have one, please indicate your company's future intentions of embracing a policy of this nature.

Please provide any details around current Environmental Management Programs you have in place or are pursuing, certifications, etc.

4. General Information

4.1 Evaluation Team

A committee formed by the NSLC will evaluate proposals. Proposals will be evaluated based on the criteria laid out in Section 5.1.

4.2 Short List

The evaluation committee may select a short list of suppliers based on the initial evaluation phase. The short listed respondents may be requested to present examples of their outlined services/products.

4.3 Respondents Expenses

Respondents are solely responsible for their own expenses in preparing, presenting or delivering a proposal.

4.4 Authorization

An authorized officer of the company must sign Respondent responses.

4.5 Liability for Errors

While the NSLC has made considerable efforts to ensure an accurate representation of information in this RFP, the information contained in this RFP is supplied solely as a guideline for respondents. The information is not guaranteed or warranted to be absolutely accurate by the NSLC, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve respondents from forming their own opinions and conclusions with respect to the matters addressed in this RFP.

4.6 Acceptance of Terms

Terms and conditions of the contract resulting from the award of this RFP will be finalized once the successful respondent has been identified.

4.7 Ownership of Proposal and Freedom of Information

All documents, including proposals, submitted to the NSLC become the property of the NSLC and are subject to disclosure under the Nova Scotia Freedom of Information and Protection of Privacy Act. By submitting a proposal the respondent thereby agrees to public disclosure of its contents. Any information the respondent considers "personal information" because of its proprietary nature should be marked as "confidential", and will be subject to appropriate consideration as defined within the Nova Scotia Freedom of Information and Protection of Privacy Act.

4.8 Use of Request for Proposal

This document or any portion thereof may not be used for any purpose other than the submission of proposals.

4.9 Confidentiality of Information

Information pertaining to this RFP or any material obtained by the respondent as a result of participation in this project is confidential and must not be disclosed without written authorization from the NSLC.

4.10 Nova Scotia Governing Laws

The Respondent must be prepared to agree that the contract resulting from this RFP will be governed under the laws of Nova Scotia where applicable.

5. Evaluation and Pricing

5.1 Evaluation Criteria

The evaluation committee will evaluate based on the mandatory requirements initially then proceed to review the responses based on the criteria set out below. If a short list of responses is necessary, you may be asked to present examples of the outlined services/products.

Mandatory requirements met	Pass or Fail
Product pricing	40%
Details and quality of presentation	5%
Delivery time frames	20%
Managed Inventory Program	30%
Past Experience in similar sized environment	5%

5.2 Proposal Pricing

Appendix B is the product list currently in use indicating approximate annual usage. Please complete this form with your proposed products in detail. All other pricing that may be applicable should be outlined in detail on a separate page. Please indicate what your “off list” pricing would be in percentage format for any products we require that are not on our specific catalogue, but available from your general catalogue.

5.3 Assumptions

Respondents must document any assumptions made in the preparation of this proposal.
