We may request Best & Final Offers when appropriate. We will make all decisions on compliance, evaluation, terms and conditions, and shall make decisions solely in the best interests of the State. This competitive process requires that you provide additional information and otherwise cooperate with us. If you do not comply with requests for information and cooperate, we may reject your Offer. You have no right to an award by submitting an Offer, nor do you have the right to a contract based on our posting your name in a Bulletin notice. We are not responsible for and will not pay any costs associated with the preparation and submission of your Offer. If you are the awardee, you shall not commence, and will not be paid for any billable work prior to the date all parties execute the contract, unless approved in writing in advance by the State Purchasing Officer or the Chief Procurement Officer (or the CPO's designee).

SECTION 2 - HOW WE WILL EVALUATE OFFERS

2.1 OFFER RESPONSE FORMS: We will evaluate the information you provide in the Offer Response Forms. You will find these forms in later sections of this solicitation.

2.2 EVALUATION CATEGORIES: We evaluate four categories of information: Administrative Compliance, Responsibility, Responsiveness, and Price. We will consider the information you supply or don't supply, and the quality of that information when evaluating your Offer. If we find a failure or deficiency, we may have to reject the Offer or reflect that in the evaluation.

2.2.1 ADMINISTRATIVE COMPLIANCE: We will determine whether your Offer complied with the Instructions for Submitting Offers. Except for late submissions, we may require that a Vendor correct deficiencies as a condition of further evaluation.

2.2.2 RESPONSIBILITY: We will determine whether you are a "Responsible" Vendor; a Vendor with whom we can or should do business.

- i. A "Responsible" vendor must exist as a legal entity and must be authorized to do business in Illinois at the time a bid or proposal is submitted for a State contract. Evidence of good standing can include Certificate of Good Standing, copy of assumed name certificate from home county, etc.
- ii. Public Law 96-0795 provides that a "prohibited bidder" includes a person assisting the State of Illinois or a State agency in determining whether there is a need for contract unless such information was part of a response to a publicly issued request for information (RFI). Additionally, one assisting the State by reviewing, drafting or preparing a request for proposals or request for information or provided similar assistance is deemed a prohibited bidder. See certifications section of the Contract for the required certifications prior to entering into a contract with the State of Illinois.
- iii. Other factors that we may evaluate to determine Responsibility include, but are not limited to: certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance, references (including those found outside the Offer,) compliance with applicable laws, financial stability and the perceived ability to perform completely as specified. Every bid submitted to and contract executed by the State and every subcontract subject to Section 20-120 of the Procurement Code shall contain a certification by the bidder, contractor, or subcontractor, respectively, that the bidder, contractor, or subcontractor is not barred from being awarded a contract or subcontract under this Section and acknowledges that the chief procurement officer shall declare the related contract void if any of the certifications are false.

You must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. The State may terminate the Contract, consistent with the termination for cause provision of this Contract, if the Vendor lacks the financial resources to perform under the Contract. We may require that a Vendor correct any deficiencies as a condition of further evaluation.

2.2.3 RESPONSIVENESS: We will determine whether the Offer meets the stated requirements. Minor differences or deviations that have negligible impact on the price or suitability of the supply or service to meet the State's needs may be accepted or corrections allowed. If no administratively compliant and responsible Vendor meets a particular requirement, we may waive that requirement. When the specification calls for "Brand Name or Equal," the brand name product is acceptable. Other products will be considered with proof the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics.

2.2.4 PRICE: We will identify the lowest priced Offer that meets Administrative, Responsibility and Responsiveness requirements. We will rank Offers in order of Price when appropriate.

2.3 AWARD: We will award to the Responsible Vendor whose Offer passes Administrative review, is Responsive, and who submits the lowest Price. If there is a tie on the lowest Price, the State will apply the current procurement code/rules in determining the winning vendor.

SECTION 3 - STATEMENT OF WORK / SPECIFICATIONS / QUALIFICATIONS

3.1 The supplies and/or services required, any milestones and deliverables, warranty, reporting requirements, Vendor and staff requirements, work location, contract term, renewals and other specifications are set forth in the body of the Contract following Section 8 of the solicitation. Section 8 identifies the requirements for completing the Contract as your offer to us.

3.2 WORK LOCATION DISCLOSURE: In Section 2.7 of the Contract, Vendor shall disclose the location where the services required shall be performed. This information and economic impact on Illinois and its residents may be considered in the evaluation. If the selected Vendor receives additional consideration in the evaluation based on work being performed in the United States, the resulting contract shall contain a provision that any shift in such work outside the United States may be considered a breach of contract.

3.3 SUBCONTRACTOR DISCLOSURE: Will you be using any subcontractors? ☐ Yes ☐ No

If yes, you must identify below the names and addresses of all subcontractors you will be entering into a contractual agreement with for a total value of \$25,000 or more in the performance of this Contract, together with a description of the work to be performed by the subcontractor and the anticipated amount of money to the extent the information is known that each subcontractor is expected to receive pursuant to the Contract. For purposes of this section, subcontractors are those specifically hired to provide to the Vendor some or all of the goods, services, property, remuneration, or other forms of consideration that are the subject of this Contract, including sub-lessees from a lessee of a State agency. A copy of each subcontract issued pursuant to the Contract shall be provided to the State Purchasing Officer or Chief Procurement Officer within 20 days after the execution of the Contract or after execution of the subcontract, whichever is later. If at any time during the term of the Contract, Vendor adds or changes any subcontractors, Vendor will be required to promptly notify, by written amendment to the Contract, the State Purchasing Officer or the Chief Procurement Officer of the names and addresses and the expected amount of money that each new or replaced subcontractor will receive pursuant to the Contract. Any subcontracts entered into prior to award of the Contract are done at the Vendor's and subcontractor's risk.
