Proposals containing any conditions, omissions, unexplained erasures or alterations or items not called for in the RFP, or irregularities of any kind may be rejected by the GVB as being non-complying.

1.6 GENERAL REQUIREMENTS

1.6.1 Acceptance of Standard Terms and Conditions/Contract. By submitting a response to this RFP, offeror agrees to acceptance of the standard terms and conditions and contract as set out in this RFP. Much of the language included in the standard terms and conditions and contract reflects requirements of Guam Procurement Law. Any material exceptions requested and granted to the standard terms and conditions and contract language will be addressed in any formal written addendum issued for this RFP and will apply to all offerors

The GVB will determine whether an offeror's RFP response complies with the intent of the requirements. RFP responses that do not meet the full intent of all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive.

1.6.4 Understanding of Specifications and Requirements. By submitting a response to this RFP, offeror agrees to an understanding of and compliance with the specifications and requirements described in this RFP.

1.6.5 Prime Contractor/Subcontractors. The highest scoring offeror will be the prime contractor if a contract is awarded and shall be responsible, in total, for all work of any subcontractors. The Contractor shall be responsible to the GVB for the acts and omissions of persons employed directly by the Contractor. Further, nothing contained within this document or any contract documents created as a result of any contract awards derived from this RFP shall create any contractual relationships between any subcontractor and the GVB.

1.6.6 Offeror's Signature. Any individual authorized to legally bind the business submitting the proposal must sign the proposals in ink. The offeror's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion and without effort to preclude the GVB from obtaining the best possible supply or service. Proof of authority of the person signing the RFP response must be furnished upon request.

1.6.7 Offer in Effect for 120 Days. A proposal may not be modified, withdrawn or canceled by the offeror for a 120-day period following the deadline for proposal submission as defined in the Timetable, or receipt of best and final offer, if required, and offeror so agrees in submitting the proposal.

If the service provider is found to be in violation of any of the provisions of this paragraph, then the GVB will give notice to the service provider to take corrective action. The service provider shall take corrective action within twenty-four hours of notice from the GVB and the service provider shall notify the GVB when action has been taken. If the service provider fails to take corrective steps within twenty-four hours of notice from the GVB, then the GVB, in its sole discretion may suspend temporarily any contract for services until corrective action has been taken.

Please note that the statutory restriction does not prohibit service providers from employing sex offenders. The statute also does not prevent the sex offenders employees from providing services under a government contract so long as none of the work is done while on Government of Guam property.

1.6.11 Rejection. The GVB shall have prerogative to reject proposals in whole or in part if a determination is made such to be in the public interest or for any reason allowed by law.

1.6.12 Invoicing and Payment Terms and Conditions: All invoices from the offeror who is awarded the contract arising from this RFP shall include supporting documents (i.e., timesheets, shipping invoices, consumable listings, receipts, etc.). Breach of this warranty shall give the GVB the right to terminate the contractor or at its discretion to deduct from the contract price or consideration the amount of such commission, percentage, brokerage, or contingent fees. This warranty shall not apply to commission payable by contractors upon contracts or sales secured or made through bona fide established commercial or selling agencies maintained by the contractors for the purpose of securing business.

1.6.17 Equal Employment Opportunity. Section 3.01(1) of the Presidential Executive Order No. 10935 dated March 7, 1965, requires the Offeror not to discriminate against any employee or applicant for employment because of race, creed, color or national origin. The Offeror will take affirmative action to insure that applicants are employed and that employees are treated equally during employment without regard to their race, creed, color or national

origin.

1.6.18 Assignment. Assignment will not be accepted without prior approval from the GVB. Request for approval of assignment must be made with the submission of the proposal. No assignment will be accepted if the request is not made with the proposal.

Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision to proposals and such revisions shall be permitted after submission and prior to award for the purpose of obtaining best and final offers. However, please bear in mind that proposals should be submitted initially on your most favorable terms. In conducting discussions there shall be no disclosure of any information derived from proposals submitted by competing Offerors.

1.7.2 Failure to Comply with Instructions. Offerors failing to comply with these instructions may be subject to point deductions. The costs for developing and delivering responses to this RFP and any subsequent presentations of the proposal as requested by the GVB are entirely the responsibility of the offeror. The GVB is not liable for any expense incurred by the offeror in the preparation and presentation of their proposal or any other costs incurred by the offeror prior to execution of a contract.

1.8.2 All Timely Submitted Materials Become the Property of the GVB. All materials submitted in response to this RFP become the property of the GVB and are to be appended to any formal documentation, which would further define or expand any contractual relationship between the GVB and offeror resulting from this RFP process.

SECTION 2: RFP STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of the Guam Procurement Act (Public Law 16-124) and the Guam Procurement Regulations. The RFP process is a procurement option allowing the award to be based on stated evaluation criteria. The RFP states the relative importance of all evaluation criteria.

2.1 OFFEROR COMPETITION

The GVB encourages free and open competition among offerors. Whenever possible, the GVB will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the GVB's need to procure technically sound, cost-effective services and supplies.

2.2 RECEIPT OF PROPOSALS AND PUBLIC INSPECTION.

2.2.1 Receipt/Opening of Proposals. Proposals shall not be opened publicly, and shall be opened in the presence of two or more procurement officials. Proposals and modifications shall be time-stamped upon receipt and held in a secure place until the established due date. After the date established for receipt of proposals, a Register of Proposals shall be prepared which shall include for all proposals the name of each offeror, the number of modifications received, if any, and a description sufficient to identify the supply, service, or construction item offered. The Register of Proposals shall be opened to public inspection only after award of the contract. Proposals and modifications shall be shown only to government personnel having a legitimate interest in them.

2.2.2 Review of Proposals. Upon opening the proposals received in response to this RFP, the procurement officer in charge of the solicitation will establish an evaluation committee to review and evaluate all proposals.

2.3 CLASSIFICATION AND EVALUATION OF PROPOSALS.

2.3.1 Initial Classification of Proposals as Responsive or Non-Responsive. All proposals will initially be classified as either "responsive" or "non-responsive". Proposals may be found non-responsive any time during the evaluation process or contract negotiation if any of the required information is not provided; the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP; or the proposal is not within the plans and specifications described and required in the RFP. If a proposal is found to be non-responsive, it will not be considered further.

2.3.2 Determination of Responsibility. The procurement officer will determine whether an offeror has met the standards of responsibility. Such a determination may be made at any time during the evaluation process and through contract negotiation if information surfaces that would result in a determination of non-responsibility. If an offeror is found non-responsible, the determination must be in writing, made a part of the procurement file and mailed to the affected offeror.

2.3.3 Evaluation of Proposals. The evaluation committee will evaluate the remaining proposals and recommend whether to award the contract to the highest ranking offeror or, if necessary, to seek discussion/negotiation or a best and final offer in order to determine the highest scoring offeror. All responsive proposals will be evaluated based on stated evaluation criteria. In scoring against stated criteria, the GVB may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors. These scores will be used to determine the most advantageous offering to the GVB.

2.3.4 Completeness of Proposals. Selection and award will be based on the offeror's proposal and other items outlined in this RFP. Submitted responses may not include references to information located elsewhere, such as

Internet websites or libraries, unless specifically requested. Information or materials presented by offerors outside the formal response or subsequent discussion/negotiation or “best and final offer,” if requested, will not be considered, will have no bearing on any award, and may result in the offeror being disqualified from further consideration.

2.3.5 Pre-Selection Interviews. After receipt of all proposals and prior to the determination of the award, the GVB may initiate discussion, with one or more offerors, if clarification or negotiation is necessary. Offerors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, offerors should be prepared to send qualified personnel to meet with the GVB to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the offeror’s expense.

2.3.6 Best and Final Offer. The “Best and Final Offer” is an option available to the GVB under the RFP process, which permits the GVB to request a “best and final offer” from one or more offerors if additional information is required to make a final decision. Offerors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes. The GVB reserves the right to request a “best and final offer” for this RFP, if any, based on price/cost alone.

2.3.7 Evaluation Committee Recommendation for Contract Award. The evaluation committee will provide a written recommendation for contract award to the procurement officer that contains the scores, justification and rationale for its decision. The procurement officer will review the recommendation to ensure its compliance with the RFP process and criteria before concurring in the evaluation committee’s recommendation.

2.3.8 Contract Negotiation. The procurement officer and/or GVB representatives may begin contract negotiation with the responsive and responsible offeror whose proposal achieves the highest score and is, therefore, the most advantageous to the GVB. If contract negotiation is unsuccessful or the highest scoring offeror fails to provide necessary documents or information in a timely manner, or fails to negotiate in good faith, the GVB may terminate negotiations and begin negotiations with the next highest scoring offeror.

2.3.9 Failure to Negotiate Contract with Best Qualified Offeror. If compensation, contract requirements, or contract documents cannot be agreed upon with the best qualified Offeror, a written record stating the reasons therefore shall be placed in the file and the GVB will advise such Offeror of the termination of negotiations which shall be confirmed by written notice with three (03) days. Upon failure to negotiate a contract with the best-qualified Offeror, the GVB will enter into negotiations with the next most qualified Offeror. If negotiations again fail, negotiations will be terminated as provided in the Section and commence with the next qualified Offeror.

2.3.10 Contract Award. Contract award, if any, will be made to the highest ranking offeror who provides all required documents and successfully completes contract negotiation. All parties will execute a formal contract incorporating the Standard Terms and Conditions. The contract may be awarded in part or whole depending on the Offeror’s proposal as deemed in the best interest of the GVB.
