Bid Comments The intent of the contract is to certify the Kitchen fire suppression system at each facility throughout the Canyons School District.

Inspections must meet the guidelines of NFPA 17A, Standards for wet chemical extinguishing systems. Inspectors must have a current certification issued by the Utah State Fire Marshalls Office. A written report inspection must be supplied to Canyons School District Alarm Department within 7 days after the inspection. Any work performed outside the contracted work must have prior approval. Questions relating to the bid should be submitted on Bidsync.

TERMS AND CONDITIONS

Performance and Payment Bonds: contractors providing services for the Canyons School District, for projects of \$50,000 or more, must provide a performance and payment bond prior to the commencement of the work. Claimant will be listed as Canyons School District. Costs of any bonding shall be the incurred by the Contractor.

For a complete list of Canyons School District Terms & Conditions, please go to http://www.canyonsdistrict.org/index.php?option=com_docman&task=cat_view&gid=358&Itemid=225 and click on "Terms & Conditions".

Any early payment discounts offered to the Canyons School District are encouraged. Discounts shown may be evaluated as part of the bid award. Discounts offered for fewer than 10 working days will not be acceptable.

The district reserves the right to make an award based on the grand total or per sub-total. The Board of Education reserves the right to reject any or all proposals and to waive any informality or technicality in any proposal in the best interest of the District.

The project may or may not be purchased according to district budget.

Should a bidder find any ambiguity, inconsistency or error in the contract documents or should bidder be in doubt as to their meaning, bidder shall at once notify the owner. Clarifications will be issued to all bidders of record. Owner will not be responsible for any oral instructions or clarifications. Should a conflict occur between the drawings and specifications and no interpretation is requested, prior to the proposal due date, the bidder will be deemed to have estimated and included in its proposal the more expensive method of doing the work.

GENERAL INSTRUCTIONS

Bidders: Do NOT leave a line item empty. Failure to price even one line item may result in declaring a bid as incomplete and therefore non-responsive. Bidders must submit an offering just as the bid has asked for it. Do not modify or change the bid's intent. Do not assume. Assumptions may result in disqualification.

No other Canyons School District employee, Board Member, or evaluation committee member should be contacted concerning this bid during the selection process. Failure to comply with this requirement may result in disqualification.

All inquiries relative to this bid must be submitted through www.bidsync.com. When the award is made, it will be posted on www.bidsync.com. The score sheets will also be posted to our Canyons School District Purchasing Web site at http://www.canyonsdistrict.org/index.php?option=com_docman&Itemid=266. In the event that the bid is canceled after the closing date, that information will be to our Canyons School District Purchasing Web site as well.

TAX EXEMPT FORMS

The Canyons School District will take advantage of the tax-exempt law that became effective January 1, 1996. The vendors must use tax exempt form TC721G when purchasing construction materials for Canyons School District projects.

CONTRACTORS LICENSE

Bidders are required to submit to the Canyons School District a copy of their State of Utah license, including a statement of licensure limits. The copy must be uploaded to BidSync at the time the bid is submitted. If bidder has requested an increase of monetary licensure limits, a copy of the request must be attached to the bid at the time the bid is submitted to the Canyons School District.

CONTRACTORS LIABILITY INSURANCE

The bidder is required to upload a copy of their liability insurance as part of their bid. Failure to do so will result in disqualification. The contractor shall purchase and maintain such insurance as will protect him from claims under workmen's compensation acts and other employee benefit acts, from claims for damages because of bodily injury, including death, and from claims for damages to property which may arise out of or result from the contractor's operations under this contract, whether such operations be by himself or by any subcontractor or anyone directly or indirectly employed by any of them. This insurance shall be written for not less than any limits of liability specified as part of this contract, or required by law, whichever is greater, and shall exclude contractual liability insurance as applicable to the contractor's obligations.

CONTRACTOR

The contractor shall supervise and direct the work, using his best skill and attention. The contractor shall be solely responsible for all construction means, methods, techniques, sequences and procedures and for coordinating all portions of the work under the contract.

Unless otherwise specifically noted, the contractor shall provide and pay for all labor, materials, equipment, tools, construction, equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for the proper

execution and completion of the work.

The contractor shall at all times enforce strict discipline and good order among his employees, and shall not employ any unfit person or anyone not skilled in the task assigned to him.

The contractor warrants to the owner and the architect that all materials and equipment incorporated in the work will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects and in conformance with the bid documents. All work not conforming to these standards may be considered defective.

The contractor shall be responsible for the acts and omissions of all his employees and all Subcontractors, their agents and employees and all other persons performing any of the work under a contract with the contractor.

The contractor at all times shall keep the premises free from accumulation of waste materials or rubbish caused by his operations. At the completion of the work he shall remove all his waste materials and rubbish from and about the project as well as his tools, construction equipment, machinery and surplus materials, and shall clean all glass surfaces and shall leave the work clean and free from any and all debris, unless otherwise specified.

The contractor shall indemnify and hold harmless the owner and their agents and employees from and against all claims, damages, losses and expenses including attorney's fees arising out of or resulting from the performance of the work.

No work, over and above the work detailed herein, will be approved without a written quotation prior to the commencement of the work. No payment will be made without a written quotation.
