Line Number	Item Description	Quantity Required	Sample Req'd
1	Laboratory Information Management System (LIMS) for the SD Public Health Laboratory Item Notes: This document is the Request for Proposal to elicit Bidder responses for a Biorepository Laboratory Information Management System (LIMS) for the South Dakota Public Health Laboratory (SDPHL). The document contains descriptive information about SDPHL, details of pertinent current SDPHL processes, concepts of the required SDPHL LIMS-assisted processes, and required LIMS functionality. The document details specific requirements for responding to the technical portion of the RFP to provide a turn-key LIMS software and support services solution. Proposals must address not only the immediate needs of SDPHL, but also the long-term goals of the laboratory enterprise and supporting/supported organizations.
