Opportunity Summary

The Commission for the Blind is seeking bids for a laptop that is light in weight and has the specific requirements needed to assist a visually impaired client. The item will have to be delivered, set-up and a little training required in the clients home. Any questions regarding the specifications will have to be discussed with Mr. Winslow Parker at 971-673-1588. The disclosure of the clients address will not be given until the bid has been awarded.

Item #	Quantity	Description	Unit Price	Total Amount
1	1 EACH	Commodity No. 204-54-46 Laptop: Business Class laptop that is lightweight and monitor size is of no importance. The Keyboard should be compact with the emphasis on compactness rather than differentiation of key groups. Keys should be individually distinct. It needs to be a 2GHz Intel Core 2 Duo processor with a 4GB Ram. It should also include the CDR/DVD CDRom Drive and 2 USB ports. It should also include the Wireless connectivity, Blue Tooth Connectivity and an Ethernet Network Port. The Peripherals are: 1) ZoomEx with ZoomOffice 2) 6-Port External USB Hub 3) Extra Battery 4) Backpack style carrying bag with sufficient extra space to permit carrying class materials as well as the laptop. 5) Standard surge protector 6) Single-outlet portable surge protector 7) Printer - ** The system would require a check on the status of Windows Vista Drivers for the Laser Jet printer. If there are no drivers for this printer in the Windows Vista, then add a monochrome laser printer with a toner capacity of 7000 copies or greater. Would have to set up and configure the laser jet 1022 Monochrome printer with Windows Vista. 8) USB Mass storage device (Thumb Drive) 2GB Software: 1) Windows Vista Pro Business 2) Office 2007 Student (If the student version does not include the following, then please bump up to the next level that does include these in the suite: Word, PowerPoint, Outlook and Excel) 3) Jaws Pro version 9 4) Jaws SMA for Jaws Pro Other services:
