2 Project Definition and Requirements

2.1 Overview of PGW

PGW is a municipally-owned utility operated by the Philadelphia Facilities Management Corporation (hereafter referred to as "PFMC"). 2.2 Services to be Provided; Scope of Work

PGW is seeking proposals from qualified and experienced vendors to provide Managed Security Services to the company. PGW currently has a SIEM product deployed for collecting, managing and correlating log data and the Company is looking for a vendor to provide management and real-time monitoring via the SIEM solution, including reporting and alerting onsite staff when issues arise.

2.3 Term

The contract between PGW and the successful Proposer(s) will be for up to four (4) years, commencing promptly upon Proposer selection and contract negotiation.

2.4 Proposal Pricing

Each proposal must include the monthly base cost and pricing methodology for the Managed Security Services to be provided, details on one-time costs and recurring costs, discounts available based on volume of services and contract length, consulting support hours built into the standard MSS contract and hourly or daily pricing for additional consulting hours we can purchase during the MSS engagement.

Philadelphia Gas Works – Request For Proposals Managed Security Services

If Proposer is a “business” as defined in The Philadelphia Code, Section 19-2601, Proposer must have a valid business privilege license, issued by the City of Philadelphia’s Department of Licenses and Inspections, to do business in the City of Philadelphia, prior to entering into any contract with PGW.

2.7 Information/Product

All reports, surveys, tables, charts, diagrams, design work, product recordings and other data (including electronic, audio and video) or documentation prepared or compiled by Proposer in connection with the performance of its obligations under the contract, shall be the sole and exclusive property of PGW. Proposers must complete Attachment “B” (Demographic Survey), attached hereto and submit same with their proposals.

The Proposer’s DBE should submit a participation plan with their Proposal for PGW’s review and approval. For this project, PGW has established the following participation ranges:
