The City of Madison ("City") is seeking proposals from qualified inter-disciplinary Master Planning Consultant Teams ("Master Planning Consultant Team") to engage in a multi-phase transit-oriented development planning process on a City-owned 1.2 acre site in Downtown Madison known as Public Market Square, and a larger 12-block area of Downtown known as the Transit-Oriented Development Planning District (TOD Planning District). Public Market Square provides a unique opportunity for the integration and development of several blocks in downtown, presenting an innovative vision for revitalization of downtown Madison for years to come.
