1.1 PURPOSE

The State of Mississippi, Office of the Governor, Division of Medicaid, hereinafter DOM, issues this request for proposals (RFP) from responsible contractors who have the capability to provide services which will allow DOM to comply fully with all federal regulations pertaining to enrollment of Medicaid providers. DOM is seeking a qualified Contractor to provide screening services to facilitate provider enrollment by DOM staff that will meet all requirements of federal and state regulations.

42 CFR Parts 424 and 455 of the Anti-Fraud Final Rule of the Affordable Care Act (ACA) establish new procedures regarding Medicaid Provider Enrollment that are designed to improve program integrity and prevent fraud, waste and abuse.

The successful Contractor will be responsible for providing credentialing verifications, database checks, and criminal background checks and fingerprinting. The Contractor will also be required to develop and implement an integrated system which will provide DOM staff access to validations and verifications in the Medicaid Provider screening process. The system should be able to interface with various federal, state and local agency systems to determine the eligibility and qualifications of providers and to confirm the identity of eligible professionals.

1.2 BACKGROUND

DOM receives approximately 200 applications per month through the provider web portal operated and maintained by its Fiscal Agent. There are an estimated 27,948 active Mississippi Medicaid Providers. Please see "Attachment A – Active Providers by Type" which is posted at www.medicaid.gov/bids.aspx.

All provider applications are subject to initial review by the Fiscal Agent. After initial review, the application is forwarded to DOM for final review and signature. The final disposition of the application is determined by DOM and the application is then returned to the Fiscal Agent for notification of denial or approval; and, if approved, assignment of the provider number.

DOM has recently upgraded its provider application to capture all information required by the Anti-Fraud Rule. DOM will modify its enrollment processes to encompass the required screening activities to be performed by the contractor

1.9.6 Release

Upon final payment of the amounts due under this contract, the Contractor shall release DOM and its officers and employees from all liabilities and obligations whatsoever under or arising from this contract.

Payment to the Contractor by DOM shall not constitute final release of the Contractor. Should audit or inspection of the Contractor's records or client complaints subsequently reveal outstanding Contractor liabilities or obligations, the Contractor shall remain liable to DOM for such liabilities and obligations. Any overpayments by DOM shall be subject to any appropriate recoupment to which DOM is lawfully entitled. Any payment under this contract shall not foreclose the right of DOM to recover excessive or illegal payments as well as interest, attorney fees, and costs incurred in such recovery.

2 AUTHORITY

This RFP is issued under the authority of Title XIX of the Social Security Act as amended, implementing regulations issued under the authority thereof and under the provisions of the Mississippi Code of 1972 as amended. The submission of a valid executed proposal by any prospective contractor shall constitute admission of such knowledge on the part of each prospective contractor. Any proposal submitted by any prospective contractor which fails to meet any published requirement of the cited authorities may, at the option of DOM, be rejected without further consideration.

3 PROCUREMENT

3.1 APPROACH

It is DOM's intent to ensure the fair and equitable treatment of all persons and bidders through this procurement process. The procurement process provides for the evaluation of proposals and selection of the winning proposal in accordance with federal law and regulations and state law and regulations, specifically, by appropriate provisions of the Personal Service Contract Review Board Regulations which are available for inspection at 210 East Capitol Street, Suite 800, Jackson, Mississippi 39201 or on the web at <http://www.spb.state.ms.us/personal-service-contract-review-board/pscrb-rules-regulations.aspx>.

Separate technical and business proposals must be submitted simultaneously but will be opened at different stages of the evaluation process. Technical Proposals will be thoroughly evaluated in order to determine point scores for each evaluation factor. DOM will award a firm fixed price contract to the Offeror whose offer is responsive to the solicitation and is most advantageous to DOM. The evaluation and selection process is described in more detail in Section 7 of this RFP.

Submission of a proposal constitutes acceptance of the conditions governing the procurement, including the evaluation factors contained in Section 7 of this RFP, and constitutes acknowledgment of the detailed descriptions of the Mississippi Medicaid Program.

No public disclosure or news release pertaining to this procurement shall be made without prior written approval of DOM. FAILURE TO COMPLY WITH THIS PROVISION MAY RESULT IN THE OFFEROR BEING DISQUALIFIED.

3.2 RULES OF PROCUREMENT

To facilitate the DOM procurement, various rules have been established and are described in the following paragraphs.

3.2.1 Restrictions on Communications with DOM Staff

From the issue date of this RFP until a Contractor is selected and the contract is signed, Offerors and/or their representatives are not allowed to communicate with any DOM staff regarding this procurement except the RFP Issuing Officer, Melanie Wakeland.

For violation of this provision, DOM shall reserve the right to reject any proposal.

3.2.2 Amendments

DOM reserves the right to amend the RFP at any time prior to the date for proposal submission. All amendments will be posted to DOM's procurement website at www.medicaid.ms.gov. After November 28, 2011, Offerors submitting proposals will be notified when amendments are released.

Bidders shall acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the bid, by identifying the amendment number and date by letter. The acknowledgment must be received by DOM by the time and at the place specified for receipt of bids.

3.2.3 Cost of Preparing Proposal

Costs of developing the proposals are solely the responsibility of the Offerors. DOM will provide no reimbursement for such costs. Any costs associated with any oral presentations to DOM will be the responsibility of the Offeror and will in no way be billable to DOM. If site visits are made, DOM's cost for such visits will be the responsibility of DOM and the Offeror's cost will be the responsibility of the Offeror and will in no way be billable to DOM.

3.2.4 Certification of Independent Price Determination

The Offeror certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid.

3.2.5 Acceptance of Proposals

After receipt of the proposals, DOM reserves the right to award the contract based on the terms, conditions, and premises of the RFP and the proposal of the selected Contractor without negotiation.

All proposals properly submitted will be accepted by DOM. However, DOM reserves the right to request necessary amendments from all Offerors, reject any or all proposals received, or cancel this RFP, according to the best interest of DOM.

DOM also reserves the right to waive minor irregularities in bids providing such action is in the best interest of DOM. Where DOM may waive minor irregularities as determined by DOM, such waiver shall in no way modify the RFP requirements or excuse the Offeror from full compliance with the RFP specifications and other contract requirements if the Offeror is awarded the contract.

DOM reserves the right to exclude any and all non-responsive proposals from any consideration for contract award. DOM will award a firm fixed price contract to the Offeror whose offer is responsive to the solicitation and is most advantageous to DOM in price, quality, and other factors considered. DOM reserves the right to make the award to an Offeror other than the Offeror bidding the lowest price when it can be demonstrated to the satisfaction of DOM, the Governor, the State Personal Service Contract Review Board, and to CMS, if necessary, that award to the low Offeror would not be in the best interest of DOM and the State of Mississippi.

3.2.6 Rejection of Proposals

A proposal may be rejected for failure to conform to the rules or the requirements contained in this RFP. Proposals must be responsive to all requirements of the RFP in order to be considered for contract award. DOM reserves the right at any time to cancel the RFP, or after the proposals are received to reject any of the submitted proposals determined to be non-responsive. DOM further reserves the right to reject any and all proposals received by reason of this request. Reasons for rejecting a proposal include, but are not limited to

1. The proposal contains unauthorized amendments to the requirements of the RFP.
2. The proposal is conditional.
3. The proposal is incomplete or contains irregularities that make the proposal indefinite or ambiguous.
4. An authorized representative of the party does not sign the proposal.

5. The proposal contains false or misleading statements or references.
6. The Offeror is determined to be non-responsible as specified in Section 3-401 of the Personal Services Contract Review Board Regulations.
7. The proposal ultimately fails to meet the announced requirements of the State in some material aspect.
8. The proposal price is clearly unreasonable.
9. The proposal is not responsive, i.e., does not conform in all material respects to the RFP.
10. The supply or service item offered in the proposal is unacceptable by reason of its failure to meet the requirements of the specifications or permissible alternates or other acceptability criteria set forth in the RFP.
11. The Offeror does not comply with the Procedures for Delivery of Proposal as set forth in the RFP.
12. The Offeror currently owes the State money.

3.2.7 Alternate Proposals

Each Offeror, its subsidiaries, affiliates or related entities shall be limited to one proposal which is responsive to the requirements of this RFP. Failure to submit a responsive proposal will result in the rejection of the Offeror's proposal. Submission of more than one proposal by an Offeror will result in the summary rejection of all proposals submitted. An Offeror's proposal shall not include variable or multiple pricing options.

3.2.8 Proposal Amendments and Withdrawal

Prior to the proposal due date, a submitted proposal may be withdrawn by submitting a written request for its withdrawal to DOM, signed by the Offeror.

An Offeror may submit an amended proposal before the due date for receipt of proposals. Such amended proposal must be a complete replacement for a previously submitted proposal and must be clearly identified as such in the transmittal letter. DOM will not merge, collate, or assemble proposal materials.

Unless requested by DOM, no other amendments, revisions, or alterations to proposals will be accepted after the proposal due date.

Any submitted proposal shall remain a valid proposal for 180 days from the proposal due date.

3.2.9 Disposition of Proposals

The proposal submitted by the successful Offeror shall be incorporated into and become part of the resulting contract. All proposals received by DOM shall upon receipt become and remain the property of DOM. DOM will have the right to use all concepts contained in any proposal and this right will not affect the solicitation or rejection of the proposal.

3.2.10 Responsible Contractor

DOM shall contract only with a responsible contractor who possesses the ability to perform successfully under the terms and conditions of the proposed procurement and implementation. In letting the contract, consideration shall be given to such matters as Contractor's integrity, performance history, financial and technical resources, and accessibility to other necessary resources.

3.2.11 Best and Final Offers

The Executive Director of DOM may make a written determination that it is in the State's best interest to conduct additional discussions or change the State's requirements and require submission of best and final offers. The Procurement Officer shall establish a date and time for the submission of best and final offers. Otherwise, no discussion of or changes in the bids shall be allowed prior to award. Offerors shall also be informed that if they do not submit a notice of withdrawal or another best and final offer, their immediate previous offer will be construed as their best and final offer.

3.4 STATE APPROVAL

Approval from the Personal Services Contract Review Board must be received before contract signing. Every effort will be made by DOM to facilitate rapid approval and an early start date.

3.5 AWARD NOTICE

The notice of intended contract award shall be sent by carriers that require signature upon receipt, by fax with voice confirmation, or by email with reply confirmation to the winning Offeror. Consistent with existing state law, no Offeror shall infer or be construed to have any rights or interest to a contract with DOM until final approval is received from all necessary entities and until both the Offeror and DOM have executed a valid contract.

4 TERMS AND CONDITIONS

4.1 GENERAL

The contract between the State of Mississippi and the Contractor shall consist of 1) the contract and any amendments thereto; 2) this request for proposals (RFP) and any amendments thereto; 3) the Contractor's proposal submitted in response to the RFP by reference and as an integral part of this contract; 4) written questions and answers. In the event of a conflict in language among the four documents referenced above, the provisions and requirements set forth and/or referenced in the contract and its amendments shall govern. In the event that an issue is addressed in one document that is not addressed in another document, no conflict in language shall be deemed to occur.

However, DOM reserves the right to clarify any contractual relationship in writing, and such written clarification shall govern in case of conflict or ambiguity with the applicable requirements stated in the RFP or the Contractor's proposal. In all other matters not affected by the written clarification, if any, the RFP and its amendments shall govern.

The contract shall be governed by the applicable provisions of the Personal Service Contract Review Board Regulations, a copy of which is available at 210 East Capitol Street, Suite 800, Jackson, Mississippi, for inspection or on their website at www.spb.state.ms.us/personal-service-contract-review-board.

No modification or change of any provision in the contract shall be made, or construed to have been made, unless such modification or change is mutually agreed upon in writing by the Contractor and DOM. The agreed upon modification or change will be incorporated as a written contract amendment and processed through DOM for approval prior to the effective date of such modification or change. In some instances, the contract amendment must be approved by CMS before the change becomes effective.

The only representatives authorized to modify this contract on behalf of DOM and the Contractor are shown below:

Contractor: Person(s) designated by the Contractor
Division of Medicaid: Executive Director

4.2 PERFORMANCE STANDARDS, ACTUAL DAMAGES, LIQUIDATED DAMAGES, AND RETAINAGE

DOM reserves the right to assess actual or liquidated damages, upon the Contractor's failure to provide timely services required pursuant to this contract. Actual or liquidated damages for failure to meet specific performance standards as set forth in the scope of work may be assessed as specifically set forth in each performance standard. The Contractor shall be given 15 days notice to respond before DOM makes the assessment. The assessments will be offset against the subsequent monthly payments to the Contractor. Assessment of any actual or liquidated damages does not waive any other remedies available to DOM pursuant to this contract or state or federal law. If liquidated damages are known to be insufficient then DOM has the right to pursue actual damages.

If the Contractor's failure to perform satisfactorily exposes DOM to the likelihood of contracting with another person or entity to perform services required of the Contractor under this contract, upon notice setting forth the services and retainage, DOM may withhold from the Contractor payments in an amount commensurate with the costs anticipated to be incurred. If costs are

incurred, DOM shall account to the Contractor and return any excess to the Contractor. If the retainage is not sufficient, the Contractor shall immediately reimburse DOM the difference or DOM may offset from any payments due the Contractor. The Contractor will cooperate fully with the retained Contractor and provide any assistance it needs to implement the terms of its agreement for services for retainage.

4.3 TERM OF CONTRACT

DOM will award a firm fixed price Contract based on the most advantageous proposal to the agency. The contract period is April 1, 2012 through March 31, 2016. DOM may have, under the same terms and conditions as the existing contract, an option for up to a one-year extension, provided DOM obtains approval from the Personal Services Contract Review Board and CMS to allow an extension period.

At the conclusion of the contract, the Contractor is obligated to complete the processing of all activities initiated during the contract period. At the time of contract completion the Contractor must cooperate with DOM in transitioning the responsibilities of this contract to DOM or another contractor.

4.3.1 Stop Work Order

1. Order to Stop Work - DOM Contract Administrator may, by written order to the Contractor at any time and without notice to any surety, require the Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding ninety (90) days after the order is delivered to the Contractor, unless the parties agree to an extension. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allowable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within an extension to which the parties shall have agreed, the Contract Administrator shall either
 - a. Cancel the stop work order; or
 - b. Terminate the work covered by such order as provided in the "Termination for Default Clause" or the "Termination for Convenience Clause" of this contract.
2. Cancellation or Expiration of the Order - If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, only if
 - a. The stop work order or extension results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
 - b. The Contractor asserts a claim for such an adjustment within 30 days after the end of the stop work order or extension.
3. Termination of Work - If a stop work order or extension is not canceled and the work covered by such stop work order or extension is terminated for default or convenience, adjustment to the contract price will be negotiated between DOM and the Contractor.

4.3.2 Termination of Contract

The Contract resulting from this RFP may be terminated by DOM as follows:

1. For default by the Contractor
2. For convenience
3. For the Contractor's bankruptcy, insolvency, receivership, liquidation
4. For non-availability of funds

At DOM's option, termination for any reason listed herein may also be considered termination for convenience.

4.3.2.1 Termination for Default by the Contractor

DOM may immediately terminate this contract in whole or in part whenever DOM determines that the Contractor has failed to satisfactorily perform its contractual duties and responsibilities and is unable to resolve such failure within a period of time specified by DOM, after considering the gravity and nature of the default. Such termination shall be referred to herein as "Termination for Default."

Upon determination by DOM of any such failure to satisfactorily perform its contractual duties and responsibilities, DOM may notify the Contractor of the failure and establish a reasonable time period in which to resolve such failure. If the Contractor does not resolve the failure within the specified time period, DOM will notify the Contractor that the contract in full or in part has been terminated for default. Such notices shall be in writing and delivered to the Contractor by certified mail, return receipt requested, or in person.

If, after Notice of Termination for default, it is determined that the Contractor was not in default or that the Contractor's failure to perform or make progress in performance was due to causes beyond the control and without error or negligence on the part of the Contractor or any subcontractor, the Notice of Termination shall be deemed to have been issued as a termination for the convenience of DOM, and the rights and obligations of the parties shall be governed accordingly.

In the event of Termination for Default, in full or in part as provided by this clause, DOM may procure, upon such terms and in such manner as DOM may deem appropriate, supplies or services similar to those terminated, and the Contractor shall be liable to DOM for any excess costs for such similar supplies or services for the remainder of the contract period. In addition, the Contractor shall be liable to DOM for administrative costs incurred by DOM in procuring such similar supplies or services.

In the event of a termination for default, the Contractor shall be paid for those deliverables which the Contractor has delivered to DOM. Payments for completed deliverables delivered to and accepted by DOM shall be at the contract price.

The rights and remedies of DOM provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the contract.

4.3.2.2 Termination for Convenience

DOM may terminate performance of work under the contract in whole or in part whenever for any reason DOM shall determine that such termination is in the best interest of DOM.

In the event that DOM elects to terminate the contract pursuant to this provision, it shall notify the Contractor by certified mail, return receipt requested, or delivered in person. Termination shall be effective as of the close of business on the date specified in the notice, which shall be at least 30 days from the date of receipt of the notice by the Contractor.

Upon receipt of Notice of Termination for convenience, the Contractor shall be paid the following:

- The contract price(s) for completed deliverables delivered to and accepted by DOM;
- A price commensurate with the actual cost of performance for partially completed deliverables.

4.3.2.3 Termination for the Contractor Bankruptcy

In the event that the Contractor shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or its assets, or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or the protection of the rights of creditors, DOM may, at its option, terminate this contract in whole or in part.

In the event DOM elects to terminate the contract under this provision, it shall do so by sending Notice of Termination to the Contractor by certified mail, return receipt requested, or delivered in person. The date of termination shall be the close of business on the date specified in such notice to the Contractor. In the event of the filing of a petition in bankruptcy by or against a principal subcontractor, the Contractor shall immediately so advise DOM.

The Contractor shall ensure and shall satisfactorily demonstrate to DOM that all tasks related to the subcontract are performed in accordance with the terms of this contract

4.3.2.4 Availability of Funds

It is expressly understood and agreed that the obligation of DOM to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide or the State of Mississippi to appropriate funds, or the discontinuance, or material alteration of the program under which the funds were provided or if funds are not otherwise available to the State, the State shall have the right upon 10 working days written notice to the Contractor, to terminate this agreement without damage, penalty, cost, or expense to the State of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

4.3.3 Procedure on Termination

4.3.3.1 Contractor Responsibilities

Upon delivery by certified mail, return receipt requested, or in person to the Contractor a Notice of Termination specifying the nature of the termination, the extent to which performance of work

under the contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under the contract on the date and to the extent specified in the Notice of Termination;
2. Place no further orders or subcontracts for materials, services or facilities, except as may be necessary for completion of such portion of the work in progress under the contract until the effective date of termination;
3. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination;
4. Deliver to DOM within the time frame as specified by DOM in the Notice of Termination, copies of all data and documentation in the appropriate media and make available all records required to assure continued delivery of services to beneficiaries and providers at no cost to DOM;
5. Complete the performance of the work not terminated by the Notice of Termination;
6. Take such action as may be necessary, or as DOM may direct, for the protection and preservation of the property related to the contract which is in the possession of the Contractor and in which DOM has or may acquire an interest;
7. Fully train DOM staff or other individuals at the direction of DOM in the operation and maintenance of the process;
8. Promptly transfer all information necessary for the reimbursement of any outstanding claims; and
9. Complete each portion of the Turnover Phase after receipt of the Notice of Termination. The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any allowable delay in determining or adjusting the amount of any item of reimbursable price under this clause.

The Contractor has an absolute duty to cooperate and help with the orderly transition of the duties to DOM or its designated contractor following termination of the contract for any reason.

4.3.3.2 DOM Responsibilities

Except for Termination for Contractor Default, DOM will make payment to the Contractor on termination and at contract price for completed deliverables delivered to and accepted by DOM. The Contractor shall be reimbursed for partially completed deliverables at a price commensurate with actual cost of performance.

In the event of the failure of the Contractor and DOM to agree in whole or in part as to the amounts to be paid to the Contractor in connection with any termination described in this RFP, DOM shall determine on the basis of information available the amount, if any, due to the Contractor by reason of termination and shall pay to the Contractor the amount so determined.

The Contractor shall have the right of appeal, as stated under Disputes (Paragraph 3.9.6) from any such determination made by DOM.

4.3.4 Assignment of the Contract

The Contractor shall not sell, transfer, assign, or otherwise dispose of the contract or any portion thereof or of any right, title, or interest therein without written consent of DOM. Any such purported assignment or transfer shall be void. If approved, any assignee shall be subject to all terms and conditions of this contract. No approval by DOM of any assignment may be deemed to obligate DOM beyond the provisions of this contract. This provision includes reassignment of the contract due to change in ownership of the Contractor. DOM shall at all times be entitled to assign or transfer its rights, duties, and/or obligations under this contract to another governmental agency in the State of Mississippi upon giving prior written notice to the Contractor.

4.3.5 Excusable Delays

The Contractor and DOM shall be excused from performance under this contract for any period that they are prevented from performing any services under this Contract as a result of an act of God, war, civil disturbance, epidemic, court order, government act or omission, or other cause beyond their reasonable control.

4.3.6 Applicable Law

The contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the State of Mississippi. The Contractor shall comply with applicable federal, state and local laws and regulations.

4.4 NOTICES

Whenever, under this RFP, one party is required to give notice to the other, except for purposes of Notice of Termination under Section 4.3, such notice shall be deemed given upon delivery, if delivered by hand, or upon the date of receipt or refusal, if sent by registered or certified mail, return receipt requested or by other carriers that require signature upon receipt. Notice may be delivered by facsimile transmission, with original to follow by certified mail, return receipt requested, or by other carriers that require signature upon receipt, and shall be deemed given upon transmission and facsimile confirmation that it has been received. Notices shall be addressed as follows:

In case of notice to the Contractor:

Project Manager
Contractor
Street Address
City, State Zip Code

In case of notice to DOM:

Executive Director
Division of Medicaid
Walter Sillers Building, Suite 1000
550 High Street
Jackson, Mississippi 39201

Copy to Contract Administrator, DOM

4.5 COST OR PRICING DATA

If DOM determines that any price, including profit or fee, negotiated in connection with this RFP was increased because the Contractor furnished incomplete or inaccurate cost or pricing data not current as certified in the Contractor's certification of current cost or pricing data, then such price or cost shall be reduced accordingly and this RFP shall be modified in writing and acknowledged by the Contractor to reflect such reduction.

4.6 SUBCONTRACTING

The Contractor is solely responsible for fulfillment of the Contract terms with DOM. DOM will make Contract payments only to the Contractor.

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of DOM. The Contractor shall notify DOM not less than thirty (30) days in advance of its desire to subcontract and include a copy of the proposed subcontract with the proposed subcontractor.

Approval of any subcontract shall neither obligate DOM nor the State of Mississippi as a party to that subcontract nor create any right, claim, or interest for the subcontractor against the State of Mississippi or DOM, their agents, their employees, their representatives, or successors.

Any subcontract shall be in writing and shall contain provisions such that it is consistent with the Contractor's obligations pursuant to this Contract.

The Contractor shall be solely responsible for the performance of any subcontractor under such subcontract approved by DOM.

The Contractor shall give DOM immediate written notice by certified mail, facsimile, or any other carrier that requires signature upon receipt of any action or suit filed and prompt notice of any claim made against the Contractor or Contractor which in the opinion of the Contractor may result in litigation related in any way to the Contract with DOM.

4.7 PROPRIETARY RIGHTS

4.7.1 Ownership of Documents

Where activities supported by this contract produce original writing, sound recordings, pictorial reproductions, drawings, or other graphic representation and works of any similar nature, DOM shall have the right to use, duplicate, and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others do so. If the material is qualified for copyright, the Contractor may copyright such material, with approval of DOM, but DOM shall reserve a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, and use such materials, in whole or in part, and to authorize others to do so.

4.7.2 Ownership of Information and Data

DOM, The Department of Health and Human Services (DHHS), The Centers for Medicare and Medicaid Services (CMS), the State of Mississippi, and/or their agents shall have unlimited rights to use, disclose, or duplicate, for any purpose whatsoever, all information and data developed, derived, documented, or furnished by the Contractor under any contract resulting from this RFP. The Contractor agrees to grant in its own behalf and on behalf of its agents, employees, representatives, assignees, and contractors to DOM, DHHS, CMS and the State of Mississippi and to their officers, agents, and employees acting in their official capacities a royalty-free, non-exclusive, and irrevocable license throughout the world to publish, reproduce, translate, deliver, and dispose of all such information now covered by copyright of the proposed Contractor.

Excluded from the foregoing provisions in this Section 4.7.2, however, are any pre-existing, proprietary tools owned, developed, or otherwise obtained by Contractor independently of this Contract. Contractor is and shall remain the owner of all rights, title and interest in and to the Proprietary Tools, including all copyright, patent, trademark, trade secret and all other proprietary rights thereto arising under federal and state law, and no license or other right to the Proprietary

Tools is granted or otherwise implied. Any right that DOM may have with respect to the Proprietary Tools shall arise only pursuant to a separate written agreement between the parties.

4.7.3 Public Information

Offerors must bind separately those provisions of the proposal which contain trade secrets or other proprietary data which they believe may remain confidential in accordance with Sections 25-61-9 and 79-23-1, et seq. of the Mississippi Code Annotated of 1972, as amended.

4.7.4 Right of Inspection

DOM, the Mississippi Department of Audit, The Department of Health and Human Services (DHHS), The Centers for Medicare and Medicaid Services (CMS), the Office of Inspector General (OIG), the General Accounting Office (GAO), or any other auditing agency prior-approved by DOM, or their authorized representative shall, at all reasonable times, have the right to enter onto the Contractor's premises, or such other places where duties under this contract are being performed, to inspect, monitor, or otherwise evaluate (including periodic systems testing) the work being performed. The Contractor must provide access to all facilities and assistance for DOM and Mississippi Audit Department representatives. All inspections and evaluations shall be performed in such a manner as will not unduly delay work. Refusal by the Contractor to allow access to all documents, papers, letters or other materials, shall constitute a breach of contract.

All audits performed by persons other than DOM staff will be coordinated through DOM and its staff.

4.7.5 Licenses, Patents and Royalties

DOM does not tolerate the possession or use of unlicensed copies of proprietary software. The Contractor shall be responsible for any penalties or fines imposed as a result of unlicensed or otherwise defectively titled software.

The Contractor, without exception, shall indemnify, save, and hold harmless DOM and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or non-patented invention, process, or article manufactured by the Contractor. The Contractor has no liability when such claim is solely and exclusively due to the combination, operation or use of any article supplied hereunder with equipment or data not supplied by the Contractor or is based solely and exclusively upon DOM's alteration of the article. DOM will provide prompt written notification of a claim of copyright or patent infringement.

Further, if such a claim is made or is pending, the Contractor may, at its option and expense, procure for DOM the right to continue use of, replace or modify the article to render it non-infringing. If none of the alternatives is reasonably available, the Contractor agrees to take back the article and refund the total amount DOM has paid the Contractor under this contract for use of the article.

If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the proposed prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.

4.7.6 Records Retention Requirements

The Contractor shall maintain detailed records evidencing all expenses incurred pursuant to the Contract, the provision of services under the Contract, and complaints, for the purpose of audit and evaluation by DOM and other federal or State personnel. All records, including training records, pertaining to the Contract must be readily retrievable within three (3) workdays for review at the request of DOM and its authorized representatives. All records shall be maintained and available for review by authorized federal and State personnel during the entire term of the Contract and for a period of five (5) years thereafter, unless an audit is in progress. When an audit is in progress or audit findings are unresolved, records shall be kept for a period of five (5) years or until all issues are finally resolved, whichever is later.

4.8 REPRESENTATION REGARDING CONTINGENT FEES

The Offeror represents that it has not retained a person to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee except as disclosed in the contractor's bid or proposal.

The Offeror is required to include the above clause in its transmittal letter.

4.9 INTERPRETATIONS/CHANGES/DISPUTES

In the event of a conflict in language among any of the components of the contract, the RFP shall govern. DOM reserves the right to clarify any contractual relationship in writing and such clarification will govern in case of conflict with the requirements of the RFP. Any ambiguity in the RFP shall be construed in favor of DOM.

The contract represents the entire agreement between the Contractor and DOM and it supersedes all prior negotiations, representations, or agreements, either written or oral between the parties hereto relating to the subject matter hereof.

4.9.1 Conformance with Federal and State Regulations

The Contractor shall be required to conform to all federal and state laws, regulations, and policies as they exist or as amended.

In the event that the Contractor requests that the Executive Director of DOM or his/her designee issue policy determinations or operating guidelines required for proper performance of the contract, DOM shall do so in a timely manner. The Contractor shall be entitled to rely upon and act in accordance with such policy determinations and operating guidelines unless the Contractor acts negligently, maliciously, fraudulently, or in bad faith.

4.9.2 Waiver

No covenant, condition, duty, obligation, or undertaking contained in or made a part of this contract will be waived except by the written agreement of the parties, and forbearance or indulgence in any other form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the party to which the same may apply; and until complete performance or satisfaction of all such covenants, conditions, duties, obligations, and undertakings, the other party shall have the right to invoke any remedy available under law or equity, notwithstanding any such forbearance or indulgence.

4.9.3 Contract Variations

If any provision of the contract (including items incorporated by reference) is declared or found to be illegal, unenforceable, or void, then both DOM and the Contractor shall be relieved of all obligations arising under such provision; if the remainder of the contract is capable of performance, it shall not be affected by such declaration or funding and shall be fully performed.

4.9.4 Headings

The headings used throughout the contract are for convenience only and shall not be resorted to for interpretation of the contract.

4.9.5 Change Orders and/or Amendments

The Executive Director of DOM or designated representative may, at any time, by written order delivered to the Contractor at least thirty (30) days prior to the commencement date of such change, make administrative changes within the general scope of the contract. If any such change causes an increase or decrease in the cost of the performance of any part of the work under the contract an adjustment commensurate with the costs of performance under this contract shall be made in the contract price or delivery schedule or both. Any claim by the Contractor for equitable adjustment under this clause must be asserted in writing to DOM within thirty (30) days from the date of receipt by the Contractor of the notification of change. Failure to agree to any adjustment shall be a dispute within the meaning of the Dispute Clause of this Contract. Nothing in this case, however, shall in any manner excuse the Contractor from proceeding diligently with the contract as changed.

If the parties are unable to reach an agreement within thirty (30) days of DOM receipt of the Contractor's cost estimate, the Executive Director of DOM shall make a determination of the revised price, and the Contractor shall proceed with the work according to a schedule approved by DOM subject to the Contractor's right to appeal the Executive Director's determination of the price pursuant to the Disputes Section. Nothing in this clause shall in any manner excuse the Contractor from proceeding diligently with the contract as changed.

The rate of payment for changes or amendments completed per contract year shall be at the rates specified by the Contractor's proposal.

At any time during the term of this contract, DOM may increase the quantity of goods or services purchased under this contract by sending the Contractor a written amendment or modification to that effect which references this contract and is signed by the Executive Director of DOM. The purchase price shall be the lower of the unit cost identified in the Contractor's proposal or the Contractor's then-current, published price. The foregoing shall not apply to services provided to DOM at no charge. The delivery schedule for any items added by exercise of this option shall be set by mutual agreement.

4.9.6 Disputes

Any dispute concerning the contract which is not disposed of by agreement shall be decided by the Executive Director of DOM who shall reduce such decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the Executive Director shall be final and conclusive unless within thirty (30) days from the date of receipt of such copy, the Contractor mails or otherwise furnishes to the Attorney General a written request to render an interpretation addressed to the Office of the Attorney General, 550 High St., Suite 1200, Jackson, Mississippi 39205. The interpretation of the Attorney General or his duly authorized representative shall be final and conclusive. The Contractor and DOM shall be afforded an opportunity to be heard and

to offer evidence in support of their interpretations. Nothing in this paragraph shall be construed to relieve the Contractor of full and diligent performance of the contract.

4.9.7 Cost of Litigation

In the event that DOM deems it necessary to take legal action to enforce any provision of the contract, the Contractor shall bear the cost of such litigation, as assessed by the court, in which DOM prevails. Neither the State of Mississippi nor DOM shall bear any of the Contractor's cost of litigation for any legal actions initiated by the Contractor against DOM regarding the provisions of the contract. Legal action shall include administrative proceedings.

4.9.8 Attorney Fees

The Contractor agrees to pay reasonable attorney fees incurred by the State and DOM in enforcing this agreement or otherwise reasonably related thereto.

4.10 INDEMNIFICATION

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors from any and all claims and losses accruing or resulting to any and all the Contractor employees, agents, subcontractors, laborers, and any other person, association, partnership, entity, or corporation furnishing or supplying work, services, materials, or supplies in connection with performance of this contract, and from any and all claims and losses accruing or resulting to any such person, association, partnership, entity, or corporation who may be injured, damaged, or suffer any loss by the Contractor in the performance of the contract.

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors against any and all liability, loss, damage, costs or expenses which DOM may sustain, incur or be required to pay: 1.) by reason of any person suffering personal injury, death or property loss or damage of any kind either while participating with or receiving services from the Contractor under this contract, or while on premises owned, leased, or operated by the Contractor or while being transported to or from said premises in any vehicle owned, operated, leased, chartered, or otherwise contracted for or in the control of the Contractor or any officer, agent, or employee thereof; or 2.) by reason of the Contractor or its employee, agent, or person within its scope of authority of this contract causing injury to, or damage to the person or property of a person including but not limited to DOM or the Contractor, their employees or agents, during any time when the Contractor or any officer, agent, employee thereof has undertaken or is furnishing the services called for under this contract.

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors against any and all liability, loss, damages, costs or expenses which DOM or the State may incur, sustain or be required to pay by reason of the Contractor, its employees, agents or assigns: 1.) failing to honor copyright, patent or licensing rights to software, programs or technology of any kind in providing services to DOM, or 2.) breaching in any manner the confidentiality required pursuant to federal and state law and regulations.

The Contractor agrees to indemnify, defend, save, and hold harmless DOM, the State of Mississippi, their officers, agents, employees, representatives, assignees, and contractors from all claims, demands, liabilities, and suits of any nature whatsoever arising out of the contract because of any breach of the contract by the Contractor, its agents or employees, including but

not limited to any occurrence of omission or commission or negligence of the Contractor, its agents or employees.

If in the reasonable judgment of DOM a default by the Contractor is not so substantial as to require termination and reasonable efforts to induce the Contractor to cure the default are unsuccessful and the default is capable of being cured by DOM or by another resource without unduly interfering with the continued performance of the Contractor, DOM may provide or procure such services as are reasonably necessary to correct the default. A violation of this provision shall constitute grounds for termination of this contract. In addition, such violation will be reported to the State Ethics Commission, Attorney General, and appropriate federal law enforcement officers for review.

The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. 7. Processes to ensure performance measures are met and the internal control reporting processes for notification and correction.

7.2.2.5 Work Plan and Schedule

The committee will review and evaluate the work plan and schedule to determine if all tasks are included and if, for each task, a timeline and identification of staff responsible for the task's accomplishment are indicated. The work plan must provide a logical sequence of tasks and a sufficient amount of time for their accomplishment.

7.2.3 Phase Three - Evaluation of Business/Cost Proposal

Only those proposals considered for Phase 2 will be considered for Phase Three. Three hundred (500) points will be awarded to the lowest and best acceptable bid. Any bid price determined by DOM to be unrealistically or unreasonably low may not be considered acceptable, as such a proposal has a high probability of not being accomplished for the cost proposed. The Offeror may be required to produce additional documentation to authenticate the proposal price.

In the event that there are two or more proposals, a maximum of three hundred (500) points will be assigned to the lowest acceptable proposal. Points for each proposal will be assigned using the formula:

$$\frac{X}{Y} * 500 = Z$$

Y

Z = assigned points

X = lowest bid price

Y = price of Offeror's bid

DOM reserves the right to waive minor variances or reject any or all proposals.

7.3 SELECTION

After the evaluation committee has completed the evaluation of the proposals, a summary report including all evaluations will be submitted to the Executive Director of DOM. The Executive Director will make the final decision regarding the winning proposal.

7.4 INTENT TO AWARD NOTICE

The notice of intended contract award shall be sent by mail, email or fax to all Offerors.

7.5 STATE APPROVAL

Approval from the Personal Services Contract Review Board must be received before the contract is signed, which is final approval. Every effort will be made by DOM, both before and after selection, to facilitate rapid approval.

DHHS CERTIFICATION REGARDING DRUG FREE WORKPLACE REQUIREMENTS: GRANTEES OTHER THAN INDIVIDUALS Instructions for Certification

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

1) This certification is required by regulations implementing the Drug-Free Act of 1988, 45 CFR Part 76, Subpart F. The regulations, published in the May 25, 1990, Federal Register, require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the Department of Health and Human Services (HHS) determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

2) Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

3) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

4) If the workplace identified to DOM changes during the performance of the grant, the grantee shall inform DOM of the change(s), if it previously identified the workplaces in question (see above).

5) Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including (i) all direct charge employees; (ii) all indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by

a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

b) Establishing an ongoing drug-free awareness program to inform employees about

1) The dangers of drug abuse in the workplace; 2) the grantee's policy of maintaining a drug-free workplace; 3) any available drug counseling, rehabilitation, and employee assistance programs; and 4) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will

1) Abide by the terms of the statement; and 2) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

e) Notifying DOM in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or 2) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

For HHS, the central receipt point is Division of Grants Management and Oversight, Office of Management and Acquisition, HHS, Room 517-D, 200 Independence Ave, S.W., Washington, D.C. 20201
