In submitting a qualifications package, the Respondent is representing that each person listed or referenced in the qualifications package shall be available to perform the services described for the County, barring illness, accident, or other unforeseeable events of a similar nature in which case the Respondent must be able to promptly provide a qualified replacement. In the event the Respondent wishes to substitute personnel, the Respondent shall propose a person with equal or higher qualifications and each replacement person is subject to prior written County approval. In the event the requested substitute person is not satisfactory to the County and the matter cannot be resolved to the satisfaction of the County, the County reserves the right to cancel the contract for cause.

The County reserves the right to negotiate any and all elements of this response.

All such contract adjustments shall be made within one (1) year following the end of the contract.

1.11 Collusive Responses

The respondent certifies, by submission of a response, that its response is made without any previous understanding, agreement or connection with any person, firm or corporation making a response for the same service with prior knowledge of competitive prices, and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. Any evidence of collusion among respondents and prospective respondents acting to illegally restrain freedom of competition by agreement to offer a fixed price, or otherwise, will render the responses of such responders void.
