SECTION II – PROJECT SPECIFICATIONS AND SCOPE OF WORK.

PART 1 - Introduction

King County Metro is seeking a consultant to provide on-site technology consultation to a pre-determined group of downtown Seattle employers. Employers selected by King County to participate in this program will have an identified interest in implementing telework options for their employees. This project will build upon previous efforts that have resulted in the development of an on-line “how-to” workbook. The workbook guides employers through the decision-making process on whether to incorporate telework as an option for their employees.

The selected consultant will focus on reviewing the employers’ current technology systems and providing cost-effective suggestions for solutions that would enable the employer to proceed with telework implementation. Example issues could involve solutions for allowing remote access to company servers or addressing security issues.

The consultant will also assist in compiling baseline and post-program data, as identified in this RFP.

Outside the scope of this consultant budget, the County will provide limited financial incentives to participating employers to assist them in implementing recommended solutions. It is anticipated this support will be limited to \$500 per employer.

PART 2 - Background

In preparation for the closure of the Downtown Transit Tunnel in the Fall of 2005, King County Metro worked with other agencies and organizations to develop a set of commuting tools and incentives to mitigate the impact of increased bus traffic on surface streets. Called “Tools to Keep You Moving,” these transportation demand management (TDM) programs included new incentives for Flexpass, vanpool, Flexcar, bike commuting, consignment programs, personalized Plan Your Commute sessions, and telework outreach and education. The TDM programs continue to be made available, at least until tunnel reopening, which is currently planned for Fall 2007.

The initial telework mitigation program consisted of developing a comprehensive on-line resource for employers considering implementing a telework program (see www.commuterchallenge.org). A series of workshops were also held in downtown Seattle, where employers participated in an interactive discussion of telework program considerations and implementation steps. Representatives from approximately 29 downtown companies have participated in these workshops to date. In addition, the County offers a financial incentive for companies for developing a new telework policy.

King County Metro is seeking to further develop the telework support program to include technological consultation in Spring and Summer 2007. Many smaller employers, which comprise over 50% of employers in downtown Seattle, lack high level in-house technology support. While these companies may be interested in instituting telework, they likely lack the technical expertise or resource to implement telework systems for their employees. Providing on-site technology consultation and a minimum level of financial assistance can eliminate this final barrier for companies.

Telework and flexible work schedules bring a wide range of benefits to Seattle employers and their employees including increased productivity, reduced overhead and capital costs and enhanced employee recruiting and retention. An increase in the number of telecommuters can result in a decrease in both traffic congestion and air pollution, as well as a higher county-wide level of preparation for work interruptions caused by events such as a pandemic, terrorism, earthquake, or extreme weather event. Furthermore, telework can provide a valuable tool in mitigating future major construction projects, such as the Alaskan Way Viaduct replacement.

Many cities and counties have already implemented their own teleworking programs with high levels of success. In particular, the Clean Air Campaign in Atlanta, Georgia assisted thirteen employers in designing and implementing six-month pilot programs. These programs have resulted in more than 2,300 new teleworkers to date, with high levels of employer, employee and government satisfaction.¹ The key to the

¹ Found at the Clean Air Campaign’s website at http://www.cleanaircampaign.com/your_commute/telework.

success of the program, as noted by those involved, has been the strategy of one-on-one consultation with employers.

PART 3 - Project Objectives

The primary objective of this telecommunication consultation program is to determine if on-site system assessment and technical assistance is a useful method of increasing both the number of companies allowing teleworking and the number of employees taking advantage of the telework option. Evaluation of the effectiveness of this pilot program will be important in shaping future telework initiatives that may be developed to mitigate large upcoming construction projects, such as viaduct replacement.

PART 4 - Project Area and Participants

All employers will be located in downtown Seattle. The employers will be selected by King County staff based on their expressed interest and completed applications. The consultant will review and comment upon the candidate list prior to final selection. Preliminary criteria being considered by the County include:

- Employers with between 25 and 75 employees
- A location in downtown Seattle (see <http://www.seattletunnel.org/> for boundaries)
- Evidence of the employer’s preparation for teleworking, for example in attendance at a workshop, or completion of workbook activities.

PART 5 – Schedule (Subject to change)

Public Announcement of Request for Proposal	December 7, 2006
Proposals due	January 4, 2007
Interview	Week of January 15, 2007
Final Selection	January 22, 2007
Execute Contract and Issue Notice to Proceed	February 16, 2007

PART 6 - Consultant Tasks

Task 6.1 Develop consulting plan and tools for program implementation

- Review and comment on county processes for employers to apply for on-site telework consultation.
- Develop consultation approach, including inventory forms, baseline data collection, and format for post-consultation summary reports.
- Develop schedule for on-site consultations and follow-up evaluations.
- Develop the implementation plan, prepared in coordination with the County. The plan should include a clear timeline, a budget outlining the required staff time and costs of needed materials, and the methods for documenting the consultation process.

Task 6.2 Program implementation

- Conduct between eight and twelve on-site consultations of employers determined through the County site identification process.
- Each consultation should consist of baseline data collection, including systems inventory and needs assessment, as well as individualized recommendations.
- Assist in the planning and preparation of post-consultation evaluation.

Task 6.3 Meetings/Project Coordination

The consultant will meet periodically with the County project manager and other team members as deemed appropriate by the project manager. At a minimum, these will include an initial project kick-off meeting and a final project evaluation meeting. At these meetings, the consultant shall provide useful input and review of the project approach, implementation plan and program results. Regular progress reports will be submitted on an agreed upon interval, as mutually determined by the County project manager and the consultant.

PART 7 - King County Metro Tasks

Task 7.1 - Project Management and Coordination

The County will be the lead agency on the project and will have responsibility for developing overall objectives and goals. The County's project manager will be responsible for directing the consultant, reviewing all work products, and ensuring coordination with interested parties. The County will also conduct the outreach effort to identify employers. The Consultant may be asked to review the approach and materials.

Task 7.2 - Evaluation

King County will be responsible for the overall evaluation of the project, which shall include input and feedback from both the consultant and the participating employers. The consultant will work with King County staff during program design to ensure compatibility between program elements and the evaluation of those elements. The consultant will provide individual feedback from each employer, as obtained through the post-consultation evaluation described in Tasks 6.1 and 6.2.

PART 8 – Budget

The consultant budget for this project is not to exceed \$35,000. The consultant budget of \$35,000 does not include County expenditures for the employer solicitation outreach activities or the \$500 mini technology grant available per employer.

PART 9 - Proposal Format

The consultant should submit one (1) original and three (3) copies of the complete proposal by December 29, 2006. Proposals should be limited to ten pages, and should include the following:

A. Project Understanding and Organizational Capabilities

The proposal should demonstrate a clear understanding of the project objectives and the ability to accomplish the scope of work outlined in this RFP. The proposal should include:

- o At least three examples of relevant project experience working on the implementation of telecommunication capabilities. Examples where such efforts resulted in an actual increase in number of persons telecommuting will be especially valuable.
- o Documentation of the consultant's ability to perform the desired work within the available time frame.
- o Qualifications of key personnel.

B. Project Approach

The proposal should provide an outline of how the contractor will perform the work tasks identified in this RFP. This should include a discussion of the technical approach, project timeline and budget by task, provided by hours and dollar amount.

C. References.

Complete the following information for two clients for whom you have provided consulting services similar to those outlined in this RFP:

- o Name of the client organization
- o Name and telephone number of the client
- o A short description of the scope of work.

PART 10 - Selection Process

Evaluation of Proposals: The review of written proposals will be based on the following evaluation criteria:

Project Understanding and Organizational Capacity	35 points
Project Approach.....	35 points
References.....	20 points
SEDB Certification (see Part 11 below)	10 points
Total.....	100 points

King County will conduct interviews with the top-ranked proposers during the third week of January 2007. These interviews will have a value of 40 points. Final award would then be based on the total of the written evaluation and the oral interview points, for a total of 140 points.

PART 11 – King County Contracting Opportunities Program

The purpose of the King County Contracting Opportunities Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDB) through the use of rating points in the award of King County competitively bid contracts for the acquisition of technical services. The program is open to all firms that are certified as an SEDB by King County's Business Development and Contract Compliance Office.

A "Small Economically Disadvantaged Business" (SEDB) means that a business and the person or persons who own and control it are in a financial condition, which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is set at fifty percent (50%) of the Federal Small Business Administration (SBA) small business size standards using the North American Industrial Classification System (NAICS), and an Owners' Personal Net Worth less than \$750K dollars.

A "Certified Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SEDB by the King County Business Development and Contract Compliance (BDCC) office. Information about becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by visiting the King County's Contracting Opportunities Program Website address: <http://www.metrokc.gov/exec/bred/bdcc/prog/kccontractopp.htm> or contacting the BDCC office at (206) 205-0711.

In the evaluation of proposals, ten points will be allotted for SEDB participation. King County will count only the participation of SEDBs that are certified by King County at the date and time of proposal submittal. After tabulation of the selection criteria points of all prime submitters, ten (10) points shall be added to the score of all proposals that meet at least one of the two following sub-criterion:

1. If the Prime submitter is a SEDB firm that anticipates performing work for the entire contract unassisted and includes the SEDB certification number on page one of this submittal.
2. If the Prime submitter is not an SEDB but will use SEDBs for at least 5% of the total contract labor hours in the work to be performed in this contract, and who complete the following table and include it in their proposal submission:

SEDB Certification Number	Sub-Consultant Name	Contact Name / Phone	Work to be performed	Percentage of Total Hours

SEDB participation shall be counted only for SEDBs performing a commercially useful function according to custom and practice in the industry. A commercially useful function is defined as a specific scope of work for which the SEDB has the management and technical expertise to perform using its own workforce and resources.

SECTION III - NONDISCRIMINATION AND AFFIRMATIVE ACTION

If a contract is awarded from this Request for Proposal, it will contain the following contract language:

PART 1: NON-DISCRIMINATION

- A. King County Code Chapters 12.16, 12.17 and 12.18 are incorporated by reference as if fully set forth herein and such requirements apply to this Contract; provided however, that no specific levels of utilization of minorities and women in the workforce of the Consultant shall be required, and the Consultant is not required to grant any preferential treatment on the basis of race, sex, color, ethnicity or national origin in its employment practices; and provided further that, notwithstanding the foregoing, any affirmative action requirements set forth in any federal regulations, statutes or rules included or referenced in the contract documents shall continue to apply.
- B. During the performance of this Contract, neither the Consultant nor any party subcontracting under the authority of this Contract shall discriminate nor tolerate harassment on the basis of race, color, sex, religion, nationality, creed, marital status, sexual orientation, age, or the presence of any sensory, mental, or physical disability in the employment or application for employment or in the administration or delivery of services or any other benefits under this Contract.
- C. The Consultant shall, prior to the commencement of the work and during the term of this Contract, furnish the County, upon request and on such forms as may be provided by the County, a report of the affirmative action taken by the Consultant in implementing the terms of this section. The Consultant will permit access by the County to the Consultant's records of employment, employment advertisements, application forms, other pertinent data and records related to this Contract for the purpose of monitoring and investigation to determine compliance with these requirements.
- D. The Consultant shall implement and carry out the obligations contained in its Affidavit and Certificate of Compliance regarding equal employment opportunity. Failure to implement and carry out such obligations in good faith may be considered by the County as a material breach of this Contract and grounds for withholding payment and/or termination of the Contract and dismissal of the Consultant.
- E. The Consultant shall comply fully with all applicable federal, state and local laws, ordinances, executive orders and regulations that prohibit such discrimination. These laws include, but are not limited to, RCW Chapter 49.60 and Titles VI and VII of the Civil Rights Act of 1964.
- F. During the performance of this Contract, neither the Consultant nor any party subcontracting under the authority of this Contract shall engage in unfair employment practices. It is an unfair employment practice for any:
 - 1. Employer or labor organization to discriminate against any person with respect to referral, hiring, tenure, promotion, terms, conditions, wages or other privileges of employment;
 - 2. Employment agency or labor organization to discriminate against any person with respect to membership rights and privileges, admission to or participation in any guidance program, apprenticeship training program, or other occupational training program;
 - 3. Employer, employment agency, or labor organization to print, circulate, or cause to be printed, published or circulated, any statement, advertisement, or publication relating to employment or membership, or to use any form of application thereof, which indicates any discrimination unless based upon a bona fide occupation qualification;
 - 4. Employment agency to discriminate against any person with respect to any reference for employment or assignment to a particular job classification;
 - 5. Employer, employment agency or a labor organization to retaliate against any person because this person has opposed any practice forbidden by KCC Chapter 12.18 or because that person has made a charge, testified or assisted in any manner in any investigation, proceeding or hearing initiated under the provisions of KCC Chapter 12.18;
 - 6. Publisher, firm, corporation, organization or association printing, publishing or circulating any newspaper, magazine or other written publication to print or cause to be printed or circulated any

advertisement with knowledge that the same is in violation of KCC Chapter 12.18.030C., or to segregate and separately designate advertisements as applying only to men and women unless such discrimination is reasonably necessary to the normal operation of the particular business, enterprise or employment, unless based upon a bona fide occupational qualification; and/or

7. Employer to prohibit any person from speaking in a language other than English in the workplace unless:
 - a. The employer can show that requiring that employees speak English at certain times is justified by business necessity, and
 - b. The employer informs employees of the requirement and the consequences of violating the rule.

PART 2: REQUIRED SUBMITTALS

- A. All Consultants entering into a contract or agreement with King County valued at \$25,000 or more shall, after the proposer receives written notice of selection, submit the following:
 1. A Personnel Inventory Report on the form provided by the County.
 2. An Affidavit of Compliance demonstrating the Consultant's commitment to comply with the provisions of KCC Chapter 12.16.
 3. A Sworn Statement of Compliance with 12.16 from any labor union or employee referral agency that refers workers or employees or provides or supervises training programs from whom the Consultant obtains employees.
- B. The County will not execute any agreement or contract without prior receipt of fully executed forms listed in subparagraph A above.
- C. Assistance with the requirements of this Section and copies of Chapters 12.16, 12.17 and 12.18 are available from the Business Development & Contract Compliance (BDCC) Section, phone (206) 205-0700.

PART 3: NONDISCRIMINATION IN SUBCONTRACTING PRACTICES

- A. Compliance with Initiative 200. In accordance with the provisions of Washington Initiative 200, no County Minority and Women Business (M/WBE) utilization requirements shall apply to this Contract. No minimum level of M/WBE sub-consultant participation or purchase from M/WBE certified vendors is required and no preference will be given by the County to a bidder or Proposer for their M/WBE utilization or M/WBE status. Provided, however, that any affirmative action requirements set forth in any federal regulations or statutes included or referenced in the Contract documents will continue to apply.
- B. Non-Discrimination. During the term of this Contract, the Consultant shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. In considering offers from and doing business with sub-consultants and suppliers, the Consultant shall not discriminate against any person on the basis of race, color, creed, religion, sex, age, nationality, marital status, sexual orientation or the presence of any mental or physical disability in an otherwise qualified disabled person.

During the performance of work performed under any Agreement resulting from this RFP, neither the consultant nor any party subcontracting under the authority of the agreement shall discriminate or engage in unfair contracting practices prohibited by K.C.C. 12.17.

- C. Record-Keeping Requirements. The Consultant shall maintain, for at least 6 years after completion of all work under this contract, records and information necessary to document its level of utilization of M/WBEs and other businesses as sub-consultants and suppliers in this contract and in its overall public and private business activities for the same period. The Consultant shall also maintain, for at least 6 years after completion of all work under this contract, all written quotes, bids, estimates or proposals submitted to the Consultant by all businesses seeking to participate on this Contract. Consultant shall make such documents available to the County for inspection and copying upon request. If this contract involves

federal funds, Consultant shall comply with all record keeping requirements set forth in any federal rules, regulations or statutes included or referenced in the contract documents.

D. Open Competitive Opportunities. King County encourages the utilization of minority owned businesses ("MBEs") and women-owned businesses ("WBEs")(collectively, "M/WBEs") in County contracts. The County encourages the following practices to promote open competitive opportunities for small businesses including M/WBEs:

1. Attending a pre-bid or pre-solicitation conference, if scheduled by the County, to provide project information and to inform M/WBEs and other firms of contracting and subcontracting opportunities.
2. Placing all qualified small businesses attempting to do business in King County, including M/WBEs, on solicitation lists, and providing written notice of subcontracting opportunities to M/WBEs and all other small businesses capable of performing the work, including without limitation all businesses on any list provided by the County, in sufficient time to allow such businesses to respond to the written solicitations.
3. Breaking down total requirements into smaller tasks or quantities, where economically feasible, in order to permit maximum participation by small businesses including M/WBEs.
4. Establishing delivery schedules, where the requirements of this contract permit, that encourage participation by small businesses, including M/WBEs.
5. Providing small businesses including M/WBEs that express interest with adequate and timely information about plans, specifications, and requirements of the contract.
6. Utilizing the services of available community organizations, Consultant groups, local assistance offices, the County, and other organizations that provide assistance in the recruitment and placement of small businesses including M/WBEs.

Further, the County encourages small businesses, including M/WBEs, to participate in the following practices to promote open competitive opportunities:

SECTION IV - GENERAL CONTRACT REQUIREMENTS

If the Contract is terminated pursuant to this Section IV, paragraph A: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

- B. The County may terminate this Contract, in whole or in part, upon five (5) calendar days' advance written notice in the event: (1) the Consultant materially breaches any duty, obligation, or services required pursuant to this Contract, or (2) the duties, obligations, or services required herein become impossible, illegal, or not feasible.

If the Contract is terminated by the County pursuant to this Subsection IV(B) (1), the Consultant shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Consultant, including but not limited to misappropriation, nonperformance of required services or fiscal mismanagement, the Consultant shall return to the County immediately any funds, misappropriated or unexpended, which have been paid to the Consultant by the County.

- C. If expected or actual funding is withdrawn, reduced or limited in any way prior to the termination date set forth above in Section II or in any amendment hereto, the County may, upon written notice to the Consultant, immediately terminate this Contract in whole or in part.

Funding under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council of sufficient funds to support the activities described in this Contract. Should such an appropriation not be approved, this contract will terminate at the close of the current appropriation year.

- D. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms and conditions set forth in this Contract are breached by the other party.

PART 2: INDEMNIFICATION AND HOLD HARMLESS

- A. In providing services under this Contract, the Consultant is an independent contractor, and neither the Consultant nor its officers, agents or employees are an employee of the County for any purpose. The Consultant shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits or taxes to, or on behalf of, the Consultant, its employees or others by reason of this Contract. The Consultant shall protect, indemnify and save harmless the County, its officers, agents and employees from and against any and all claims, costs and/or losses whatsoever occurring or resulting from 1) the Consultant's failure to pay any such compensation, wages, benefits or taxes; and 2) the supplying to the Consultant of work, services, materials and/or supplies by Consultant employees or other suppliers in connection with the performance of this Contract.

The Consultant further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional acts or failure for any reason to comply with the terms of this Contract by the Consultant, its officers, employees, agents and/or

representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract, or the Termination section.

- C. The Consultant shall protect, defend, indemnify, and save harmless the County, [and the State of Washington (when any funds for this Contract are provided by the State of Washington)] their officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the Consultant, its officers, employees, and/or agents. The Consultant agrees that its obligations under this subparagraph extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, the Consultant by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event that County incurs attorney fees and/or costs in the defense of claims, for damages within the scope of this section, such fees and costs shall be recoverable from the Consultant. In addition King County shall be entitled to recover from the Consultant fees, and costs incurred to enforce the provisions of this section.

Claims shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in unfair trade practice.

PART 4: CORRECTIVE ACTION

If the County determines that a breach of contract has occurred, that is the Consultant has failed to comply with any terms or conditions of this Contract or the Consultant has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure will apply:

- A. The County will notify the Consultant in writing of the nature of the breach;
- B. The Consultant shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) days from the date of the Consultant's response; unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;
- C. The County will notify the Consultant in writing of the County's determination as to the sufficiency of the Consultant's corrective action plan. The determination of sufficiency of the Consultant's corrective plan shall be at the sole discretion of the County;
- D. In the event that the Consultant does not respond within the appropriate time with a corrective action plan, or the Consultant's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section IV.B;

King County's Equal Benefits (EB) Ordinance 14823 states that to be eligible for award of contracts at a cost of \$25,000.00 or more, firms must not discriminate in the provisions of employee benefits between employees with spouses, and employees with domestic partners. The successful Contractor, bidder or proposer shall be required to complete a Worksheet and Declaration form. Compliance with Ordinance 14823 is a mandatory condition for execution of a contract. The EB Compliance forms are available online at: <http://metrokc.gov/procurement/forms/eb.aspx>.

Violation of this Section shall constitute a substantial breach of this Contract and grounds for termination pursuant to Section IV (B) above as well as any other right or remedy provided in this Contract or law.
3. The King County Board of Ethics maintains a website that provides information regarding King County ethics requirements. To review specific areas of the Code of Ethics that relate to contractors and vendors, follow this path: <http://www.metrokc.gov/ethics>, and access 1) The Code of Ethics, "Employee Code of Ethics 3.04", and 2) Advice and Guidance "Doing Business with Contractors, Vendors, Clients and Customers". It is the policy of King County to use recycled materials to the maximum extent practicable (King County Code Chapter 10.16). Consultants able to supply products containing recycled materials that meet

If the cost of recycled paper is more than fifteen percent higher than the cost of non-recycled paper, the Consultant may notify the Contract Administrator, who may waive the recycled paper requirement. The Consultant shall use both sides of paper sheets for copying and printing and shall use recycled/recyclable products wherever practical in the fulfillment of this Contract.

D. Proprietary Rights

The parties to this Contract hereby mutually agree that if any patentable or copyrightable material or article should result from the work described herein, all rights accruing from such material or article shall be the sole property of the County.
