2.0 SCOPE OF SERVICES

2.1 Introduction/Background

Vizcaya is a historic house and National Historic Landmark that preserves the Miami Estate of International Harvester Vice President James Deering. Built largely between 1914 and 1917, Vizcaya is unique for its integrity: the estate still retains the historic lay out of its gardens, with most sculptures in their original locations. Today, the 50 acre estate includes a main house, featuring 34 decorated rooms; 10 acres of formal gardens featuring historic statuary, fountains, and other architectural and decorative elements; a hardwood hammock; and a historic village complex that is in the process of being restored. Vizcaya's outdoor collection includes 17th and 18th century Italian garden statues and decorative sculptures as well as pieces that range from a 2nd century AD Roman altar to pieces commissioned for Vizcaya and constructed of locally available coral stone, located in defined areas of the formal garden. Accredited by the American Association of Museums, Vizcaya welcomes some 140,000 visitors annually and is open 364 days a year.

The collection to be conserved under this Solicitation consists of 85 pieces of various types of materials such as, limestone, marble, coral stone, terra-cotta and lead. The pieces present a great variety of dimensions, conditions and complexity of treatment. The collection is currently in a state of severe deterioration and disrepair due to the effects of South Florida's subtropical climate, saline environment, deferred maintenance,

and poor old repairs (e.g., consisting of ferrous pins, Portland cement and synthetic resins) have contributed to extensive erosion, spalling, friability, cracking, breakage, dimensional losses, thick bio-growth, and general instability. Moreover, many of the pieces sustained significant damage from hurricanes as early as 1926 and 1935, and more recently in 1992 (Hurricane Andrew) and 2005 (Hurricanes Katrina and Wilma).

2.2 Preferred Qualifications

1. It is highly desired that the Proposer's Principal or Senior Conservator should be either a Fellow or Professional Associate of the American Institute for Conservation of Historic and Artistic Works at the time of the proposal due date.
2. The Proposer's Principal or Senior Conservator should possess a degree in historic preservation and/or art conservation from a graduate (post undergraduate) level program recognized by the American Institute for Conservation of Historic and Artistic Works and/or the International Institute for Conservation.
3. The Proposer's Senior Conservator who designs treatment methodology and oversees the project, should have no less than 7 years of experience in the conservation of large scale outdoor sculpture collections and stone sculpture.
4. Proposers should have familiarity with and, an understanding of, the aesthetics of historic Italian sculpture gardens in order to maintain the desired aesthetic and avoid over-treatment.

2.3 Number and Location of Pieces (Total 85 Pieces)

Vizcaya's formal gardens comprise of a sequence of integrated architectural, sculptural and landscape features in distinct connected areas that were designed and described through specific denominations as follows:

1. Fountain, Marine, Maze, and Theater Gardens: **25 pieces**, including one monumental stone fountain, two fountain compositions, six eighteenth-century statues, and three lead sculptures. The requested services can be carried out year-round.
2. Areas attached to and in immediate vicinity of the main house, including East and South Terraces, roof of residence, the North Walk, and all pieces from the ticket booth to west façade: **38 pieces**. The requested services can only be carried out in Vizcaya's off-season (i.e., May-October).
3. **11 pieces** to crate and move to storage. The requested services can be carried out year round.
4. **8 pieces** on top of a garden pavilion (Casino) to stabilize and conserve. The requested services can only be carried out in Vizcaya's off-season (i.e., May-October).
5. **3 pieces**, including a room sized grotto installation and two statues that need stabilization and restoration. The requested services can be carried out year round.

3. Recommendations for maintenance and long term protection for each single piece to increase the understanding of the collection, in order to improve its preservation, protection and maintenance.
 4. Relocation of pieces whose present location puts them in jeopardy from storms and storm-related damage, and/or whose present location is post-historic and inappropriate.
 3. Installation of internal plumbing for two fountains and a group of basins based on the recommendation of the County's historic fountain specialist.

A responsive proposal is one which follows the requirements of this Solicitation, includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the proposal being deemed non-responsive.

4.2 Evaluation Criteria

Proposals will be evaluated by an Evaluation/Selection Committee which will evaluate and rank proposals on criteria listed below. The Evaluation/Selection Committee will be comprised of appropriate County personnel and members of the community, as deemed necessary, with the appropriate experience and/or knowledge, striving to ensure that the Evaluation/Selection Committee is balanced with regard to both ethnicity and gender. The criteria are itemized with their respective weights for a maximum total of one hundred (100) points per Evaluation/Selection Committee member.

<u>Technical Criteria</u>	<u>Points</u>
1. Proposer's relevant experience, qualifications, and past performance	25
2. Relevant experience and qualifications of key personnel, including key personnel of subcontractors, that will be assigned to this project, and experience and qualifications of subcontractors	25
3. Proposer's approach to providing the services requested in this Solicitation	30
<u>Price Criteria</u>	<u>Points</u>
4. Proposer's proposed price	20

4.3 Oral Presentations

Upon completion of the technical and price criteria evaluation indicated above, rating and ranking, the Evaluation/Selection Committee may choose to conduct an oral presentation with the Proposer(s) which the Evaluation/Selection Committee deems to warrant further consideration based on, among other considerations, scores in clusters and/or maintaining competition. (See **Form A-2** regarding registering speakers in the proposal for oral presentations.) Upon completion of the oral presentation(s), the Evaluation/Selection Committee will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Selection Factor

4.5 Price Evaluation

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer's understanding of the County's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the

right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.6 Local Preference

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses (see **Form A-4**). If, following the completion of final rankings by the Evaluation/Selection Committee, a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Evaluation/Selection Committee will recommend that a contract be negotiated with said local Proposer.

4.7 Negotiations

The County may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

The Evaluation/Selection Committee will evaluate, score and rank proposals, and submit the results of their evaluation to the County Manager with their recommendation. The County Manager or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. In his sole discretion, the County Manager or designee may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, or may request best and final offers.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Manager's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall:

- a) Complete a Collusion Affidavit, in accordance with Sections 2-8-1.1 and 10-33.1 of the Miami-Dade County Code as amended by Ordinance 08-113. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:

A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.
- b) Information concerning any prior or pending litigation, either civil or criminal, involving a governmental agency or which may affect the performance of the services to be rendered herein, in which the Proposer, any of its employees or subcontractors is or has been involved within the last three years.

4.8 Contract Award

Any contract, resulting from this Solicitation, will be submitted to the County Manager or designee for approval. All Proposers will be notified in writing when the County Manager or designee makes an award recommendation. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the County to be in the best interest of the County. Notwithstanding the rights of protest listed below, the County's decision of whether to make the award and to which Proposer shall be final.
