General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

CONFLICT OF INTEREST

Effective January 1, 2006, Chapter 176 of the Local Government Code requires a person who contracts or seeks to contract with the Arlington Independent School District for the sale or purchase of property, goods, or services to file a conflict of interest questionnaire with the District. The questionnaire must be filed no later than the seventh business day after the date that the person: (1) begins contract discussions or negotiations with the district or (2) submits to the District a response to a request for proposal or bid, correspondence, or another writing related to a potential agreement with the District.

An updated conflict of interest questionnaire must be filed no later than September 1 of each year in which the person: (1) has begun contract discussions or negotiations with the District or (2) submits to the District an application, response to a request for proposals or bids, correspondence or another writing related to a potential agreement with the District; and (3) the seventh business day after the date on an event that would make a statement in the questionnaire incomplete or inaccurate. The updated questionnaire is not required if the person has filed an updated questionnaire on or after June 1, but before September 1 of that year.

It is the vendor's responsibility to interpret the requirements of Chapter 176 of the Local Government Code.

The conflict of interest questionnaire MUST be completed and SUBMITTED on-line at: <http://www.aisd.net/conflict/register.asp>. (please see note below)
